televised political debates; counterattitudinal attack messages; normative attitudes; television viewers, 652

### Debates—Chapters

High-Stakes Testing: Contexts, Characteristics, Critiques, and Consequences, 15557

### Debriefing (Experimental)—Serials

early intervention; behavioral interventions; traumatic exposure; posttraumatic adjustment; critical incident stress debriefing; practice guidelines, 11135

### Debriefing (Psychological)—Serials

Critical Incident Stress Debriefing; psychological trauma; disasters; accident victims, 2123

group psychotherapy; emotional trauma; debriefing; support groups; terrorism, 33115

iatrogenic treatment; placebo; nocebo; treatment outcomes; critical incident stress debriefing; group therapy; psychotherapy; dissociative identity disorder; conduct disorders, 29213

stressful events; debriefing interventions; stress management; treatment effectiveness; collective societies; collective identity; Palestinian-Arabs, 33054

traumatically bereaved children; terrorism; debriefing; support groups; death; family members; bereavement; terrorism, 33127

### Debt [See Financial Strain]

### Decarboxylase Inhibitors—Serials

Parkinson disease; levodopa infusion therapy; decarboxylase inhibitor; plasma levodopa; dopamine; motor functions; drug therapy, 5324

### Decarboxylases—Serials

hippocampus; neuronal signaling; glutamatergic neurons; gamma aminobutyric acid; glutamic acid decarboxylase, 16031

insulin dependent diabetes mellitus; schizophrenia; glutamic acid decarboxylase 65 antibodies, 16828

### Decentralization—Serials

human resource management; decentralization; institutional environment; Europe; organizations; environmental strategies; human resources policy, 37034

organizational restructuring; middle manager sensemaking; hierarchical organization; decentralized organization; schema development, 2840

### Deception [See Also Cheating, Faking, Fraud, Malingering]—Serials

age differences; eye gaze cues; deceptive situations; children, 3863

cardiovascular response; electrodermal response; respiration; deception; mock crime; polygraph examinations; criminal suspects; accuracy of laboratory data vs field data, 9322

cheating; facial marks; status badges; social competition; punishment; female paper wasps; rank indicators, 6733

collaboration; collusion; plagiarism; student behavior, 15223

contextomy; linguistic context; excerpts; intention distortion; fabricated quotes; affirmative action; journalism, 28665

crime scene staging; criminal justice, 7922

cue training; veracity judgement; verbal cues; visual cues; vocal cues; deception, 3443

deception attributions; dating; human mate selection criteria; mating strategy, 22791

deception detection; children; event familiarity; Criterion Based Content Analysis; veracity; child sexual abuse; credibility assessment, 21808

deception detection; estimate distortion; skin response; individual differences; statistical tests, 3280

deception detection; reality monitoring; memory, 10658

deception; computer mediated communication; motivation, 28623

deception; orbitofrontal cortex; electrodermal activity; individual ability; functional magnetic resonance imaging; brain, 4658

deception; truthfulness; school instruction; values; learned behavior, 11862

delusions; psychological defenses; self deception; motivational theories; cognitive deficit theories; pathological delusions; psychoanalytic theory; psychodynamic theory, 32323

E. Fuller Torrey; forced psychiatric treatment; coerced therapy; patient deception; mental illness; involuntary psychiatric interventions & mental hospitalization, 1701

females; deception detection; commitment; self-awareness, 4264

forced psychiatric treatment; coerced therapy; patient deception; mental illness; involuntary psychiatric interventions; mental hospitalization; schizophrenia, 26699

forced psychiatric treatment; coerced therapy; patient deception; mental illness; involuntary psychiatric interventions; mental hospitalization; schizophrenia, 26696

hemispheric asymmetry; deception detection; college students, 16041

hypnotic phenomena; liminal phenomena; tricksters; hypnotic practitioners; hypnosis, 19075

hypocrisy; susceptibility; trust; psychoanalytic treatment, 20732

Information Manipulation Theory; IMT; organizational deception; deceptive messages, 27722

Jayson Blair; plagiarism; fabrication; scandals; New York Times; journalism; paradigm repair; image restoration; journalistic standards, 30890

liars; truth tellers; cooperation; denials; personality traits; justifications, 13731

lie biased prisoners; deception detection; truth detection, 30430

lie detection; polygraph; deception; sex offender treatment, 27210

life events; lying; lie detection; employees behavior; deception; Activation-Decision-Construction Model, 15318

Linguistic Inquiry and Word Count software; truthful natural language; deceptive natural language; Reality Monitoring; prisoners; words; lies; language, 19356

lying; sadistic lying; self preservative lying, 32256

malingering; pain deception identification & detection, 4842

negative emotions; emotional distress; lies; strategic interference theory; sex differences; deception; negative consequences, 19782

neutralization strategies; business negotiations; emotional states; lying, 37091

parenting behaviors; actual child concealment; parents' perception of child concealment; parent-adolescent relationship; child lying; parent perceptions, 28964

plagiarism; transgressive intertextuality; nontransgressive intertextuality, 11769

professional lie catchers; police officers; lie detection; professional ability, 3105

reaction time; motor responses; deception; stimulus paradigms; peripheral nervous system; response congruity, 34408

self presentation; normative response; deception; Internet; electronic communication, 28619

self-awareness; deception ability; individual differences, 22852

self-deceptive enhancement; family environment; internalization; awareness; sociocultural attitudes; thin ideal, 19947

serious lies; interpersonal relations; life tasks; lie characteristics, 4185

sex offenders; outpatient treatment; polygraph examination; offender perceptions; deception, 24096

state & trait anxiety; self-deceptive strategies; repressors; cognitive performance; self-report; thought listing; defensiveness, 10320

therapeutic failure; analytic group psychotherapy; negativity; lies; K and -K link, 1824

ulterior motives; likable behavior; suspicious; cues, 35251

vulnerability; deception; age differences; older adults; younger adults; gender differences; prison populations, 16367

witness confidence; deception detection; truthfulness judgment, 34140

## Decision Making—Serials

### Deception [See Also Cheating, Faking, Fraud, Malingering]—Chapters

Deception confidence in romantic relationships: Confidentially lying to the one you love, 19851

Police Use of Nonverbal Behavior as Indicators of Deception, 15493

### Decerebration—Serials

locomotor patterns; decerebrate cats; epidural stimulation; spinal cord, 34608

### Decision Making [See Also Choice Behavior, Group Decision Making, Management Decision Making]—Serials

Abilene Paradox; decision making; globalization; business management; group decision-making, 12035

abortion; decision-making; emotional adjustment, 24058

action sets; decision making; medial frontal cortex; executive control; movement sequencing; error detection; conflict monitoring; motor responses, 453

additivity; information value; linear loss decisions; normal priors; risk management; uncertainty, 25026

adolescents; Iowa Gambling Task; working memory; behavioral inhibition; decision making; ventromedial prefrontal cortex, 3867

advance directives; end-of-life care; decision making; mental illness; stigma, 23658

advice; decision making; information seeking; impression; defense; accuracy motivation, 29097

affective decision making; perspective taking; delay of gratification paradigm; reward, 28722

affective stimuli integration; positive information; negative information; feelings; judgement; cognitive processes; advertisement; motivational influence; consumer behavior, 3431

age differences; everyday problem solving; decision making effectiveness; older adults; middle-aged adults; young adults, 16285

alcohol use; self report; honesty; sensation seeking; decision making, 3901

algebraic axioms; decision-making; social choice, 9490

ambiguous words; semantic tasks; decision-making process; relatedness decision; meaning activation; semantic ambiguity; ambiguity disadvantage, 640

amniocentesis; expectations; emotions; medical decision making; patients; clinicians; ethnic background; Mexican-American couple, 11391

assistant referees; off side judgements; soccer; decision making; locomotion; running; walking; joking, 27775

attraction effect; decision making; older adults; choice performance; wisdom; age effect; cognitive style, 9600

attributions; applicant perceptions; selection decisions; job applicants; selection decision explanation, 18404

auditory-visual interactions; moving objects trajectory; perceptual effect; decision process, 18926

Australian National Council on Drugs; drug policy control; national drug strategy; consensus decision making; centralised executive decision making; policy making, 35192

authority decisions; decision reactions; self-relevant identity; treatment quality reactions; negative outcome delivery; outgroup authority; common identity; subgroup identity, 19825

automatic effects; deviancy cues; cognition; decision making; creativity, 25945

availability by recall; heuristics; health risks; regression toward the mean; risk perception; risk frequencies; cognitive mechanisms; cognitive processes; expectations; inferences; judgment accuracy, 28270

aviation error; accident investigation; environmental factors; computational model; decision strategies; pilot cognitions, 21683

Background Contrast Effect; choices; decision-making; thought processes, 7514

ballistic model; choice response time; stochastic accumulation process, 6477

Bayesian inference framework; axiom testing; decision making; sampling errors; deviance information criterion; probability, 21913

behavioral decision making; suggestional processes; inadequate human behavior; ambiguity avoidance; utility functions; non-rational decisions; adaptive functions, 29161

behavioral predictors; neural predictors; decision making; current reinforcements; future decisions; prefrontal cortex; subcortical regions, 34596

behavioural decision making; perceived differences; trading; product knowledge; ownership, 18452

birthing process; mothers involvement; decision making; patient clinician communication, 33294

black uniforms; Turkish soccer referees; decisions; culture, 21618

blame attributions; behavioral decisions; outcome bias; decisions consequences; prior culpability; negligence; outcome bias, 4266

Bosnian immigrants; advance directives; decision making; physician patient communication, 34130

- bounded rationality modeling; game theory; Herbert Simon; organizations, 4216
- buyer decision making; uncertainty; organizational purchasing; supplier trust; supplier commitment; supplier dependence, 27816
- cancer control; patient decision making; coping; emotional trade offs; medical decisions, 30129
- cancer treatment; treatment decisions; shared decision making; physician patient relationships; communication model; doctor patient relationship; health care, 30181
- career counseling; chaos counseling approach; trait matching counseling; career advice; counseling practice; chaos intervention; satisfaction; career-related thoughts; decision making; self efficacy, 33938
- career counselors; whistleblowers; clients; decision making; working alliance, 30487
- career decision making; career counselors; individual decision making; career choice; career development, 18393
- career decision making; vocational decisions; youth perceptions; career perceptions; career choice; building industry; construction industry; school to work transitions, 22478
- Career Decision Self-Efficacy Scale-Short Form; Chinese college students; factor structure; test validity; career decision-making; test structure; cross-validation, 9456
- career decision status; contextual factors; African American adolescents; occupational barriers; parental support; career certainty; career indecision; social cognitive career theory, 30826
- Career Decision-Making Difficulties Questionnaire; Chinese version; classification system; career choice; decision making difficulty; college students; Chinese culture; test validity; factor analysis, 9463
- career indecision; career choice types; emotional coping ability, 30757
- caregiving experiences; family caregiving; dementia; caregiving; Korean caregivers; decision-making; long-term care placement, 5501
- certainty effect; decision makers; decisions; time; uncertainty; outcomes; risk; delay, 34437
- chance events; career decision making; high school students; university students; locus of control, 27628
- child development; moral decision making; student attitudes; kinder-garten classroom, 15229
- child influences; purchase decisions; family decision-making; social power theory; preference intensity, 27814
- child maltreatment; out-of-home care; investigative decision-making; child safety, 17874
- child psychology; child psychiatry; decision making; mental health; genetic studies, 29880
- child sexual abuse; forensic evaluations; decision making; mental health professionals, 21723
- child welfare workers; attachment theory; decision making; maltreatment; neglected children; foster care; informed decisions, 21212
- child welfare; child participation; decision making; parental divorce; children's rights; competences; interests; perspective, 7332
- childless men; conceptions of fatherhood; Eastern Germany; intention-formation; decision-making; qualitative research; family formation; male attitudes; low fertility; societal situation, 895
- children's ethnicity; teacher referral; teacher recommendations; gifted and talented programs; educational decision making; African Americans; European Americans, 15260
- children's participation; family farms; labor supply; decision-making model; unitary bargaining framework; cooperative bargaining framework, 3998
- choice option attractiveness; means-end chain model; ladder method, 19007
- Choquet Expected Utility preferences; filtration; dynamic consistency; decision making, 35241
- city & regional planning; public health; planning decisions; public health practitioners, 24765
- clinical assessment; mental health professionals; inpatient violence; inpatient records; risk prediction strategies; individual decision making; aggregate decision making, 11715
- clinical decision making; clinical ethics, 18075
- clinical judgment; capacity evaluations; decision-making capacity; risk assessment; judgment; rehabilitation; mental competence; professional standards, 33462
- clinical judgment; decision making; personality; psychopathology; cognitive processes; clinical psychologists; judgment validity; clinical psychology, 33616
- clinical orientation; substance abuse professionals; clinical decisions; counseling process; education level, 11685
- cognitive ability; dynamic decision making; task performance, 15864
- cognitive control; connectionist mechanisms; prefrontal cortex; decision making; complex cognitive operations; neural networks, 31638
- Cognitive Heuristics; Legal Decision-making; human information processing, 31019
- cognitive strategies; family practice; family physicians; decision making, 24055
- collateral casualties; international law; military ethics; morality; decision making; technological advances, 30923
- collateral casualties; international law; military ethics; morality; decision making; technological advances, 30926
- collateral casualties; international law; military ethics; morality; decision making; technological advances, 30930
- college students; money management tendencies; decision-making, 1067
- commitment; decision making; future outcomes; money; effort; time; sunk costs, 12732
- communicating violence; risk information; forensic decision makers; violence, 12362
- community involvement; administrative decision making; environmental decision making; citizen action; resources; motivation, 32030
- competency; willingness; informed consent; major depression; schizophrenia; psychiatric inpatients; decision-making capacity; research participation, 1150
- compromise effects; attraction effects; decision uncertainty; consumers familiarity, 34064
- computer based business games; freely available game; industrial organizational psychology course; simulation; decision making; student evaluations, 33747
- conformity; change; community effects; Kenya: women's decisions; socioeconomic characteristics; modernization theories; female circumcision; daughters; clitoris, 28872
- connected learning; professional communities; decision making; problem solving; learning organizations, 33709
- conscious thought; unconscious thought; preference development; alternative choices; decision time; processing capacity; complex decisions; decision making; immediate decisions, 3412
- consensus; advice; dissenting opinion; discounting strategy; decision making, 9596
- consent; mental capacity; mental competency; decision making capacity; older adults; rehabilitation; clinical challenges; conceptual models; psychologists, 33457
- consumer choice behavior; decision environments; technology goods; consumer frustration; high-technology durable goods; rating scale; processing frustration; technological pace change, 6381
- consumer choice; evaluation differences; selection decisions; no choice situations; buying decisions, 9189
- consumer decision making; brand clothing; behavioral characteristics; lifestyle, 9212
- consumer decision making; gender differences; test validity, 3274
- consumer trust; advice acceptance; benevolence; expertise; negative emotions; emotional difficulty; decision making, 21659
- consumers; willingness to pay; willingness to accept; judgments; susceptibility; influence; buying and selling decisions; anchoring effects, 9209
- Contextual Needs Assessment; test validity; test reliability; decision making; choice theory; reality therapy, 24868
- control decisions; personal beliefs; swift decisions; personal confidence; previous success; mathematical problems; problem solving; elementary algebra course; choice making; solution strategies, 11955
- conversational basis; dilution effect; decision making; diagnostic information; judgment, 16158
- counterfactual reasoning; comprehension; memory; discourse analysis; hindsight bias; decision making, 12724
- credit card behavior; credit card ownership; prefrontal cortex; cortical dysfunction; economic decision making; neuroeconomics, 31631
- criminal justice system; mental health court; court referrals; case disposition; decision-making processes, 24839
- criminal profiling testimony; mock juror decision making, 32098
- cue training; veracity judgement; verbal cues; visual cues; vocal cues; deception, 3443
- cultural evolution; decision making; biological evolution; public information; others behavior, 22189
- cultural evolution; decision making; biological evolution; public information; others behavior, 22206
- cultural evolution; decision making; biological evolution; public information; others behavior, 22204
- cultural evolution; decision making; biological evolution; public information; others behavior, 22194
- cultural evolution; decision making; biological evolution; public information; others behavior, 22195
- curriculum based assessment; teachers training; decision-making; measurement, 33718
- data mining; financial decisions; decision making; financial data; stock markets, 15305
- death penalty attitudes; reactance effect; legal scholars; damage awards; civil suit; mock juror; suicide; negligence; Plaintiff life-taking, 3033
- death; morality; human dignity; personal dignity; end-of-life decision making; basic dignity; personal dignity, 1082
- decision aid; chronic obstructive pulmonary disease; advance planning; intubation; mechanical ventilation; making choices; advance directives, 23993
- decision aid; treatment condition; hyperplasia; hypertension; health care; decision analysis, 5022
- decision aids; client decision; health care; locally advanced non-small cell lung cancer; advanced non-small cell lung cancer; early stage prostate cancer, 17752
- decision counseling; personal values; preferences; cancer risk testing; cancer screening; cancer control; cancer prevention; chemoprevention; clinical trials; decision making, 30131
- decision making impairments; pathological gambling; functional brain changes; neuropsychological alterations; personality alterations, 20193
- decision making mechanisms; Khepera robot; perceptual experience; signalling response; sensorimotor co-ordination, 12351
- decision making process; appendectomy, 8418
- decision making process; sun damage preventive behavior; sunscreen use; susceptibility to skin cancer, 33309
- decision making processes; decision making skills; cognitive processes; priming paradigm; soccer simulation; soccer players; decision making task; simulated game, 27778
- decision making processes; decision making skills; cognitive processes; priming paradigm; soccer simulation; soccer players; decision making task; simulated game, 27777
- decision making processes; health decisions; health care providers; cancer control; judgment, 30132
- decision making processes; treatment decisions; breast cancer survivorship; psychosocial adaptation; social ecology; situational & temporal context; interpersonal & sociocultural context; coping, 30177
- decision making themes; research; cancer prevention; cancer control; decision preferences, 30130
- decision making; Admiral Nursing team; dementia care; referrals; caregiver support, 24325
- decision making; age differences; framing effects, 31921
- decision making; aging; prefrontal cortex; cognitive ability, 25729
- decision making; assistive technology; workplace accommodations; visual impairments; Job Accommodation Network, 1666
- decision making; choice behavior; contingency, 4203
- decision making; client participation; treatment; informed consent, 26666
- decision making; coping; functionally illiterate consumers; marketing management, 12225
- decision making; decision support; patient preferences; prophylactic surgery; medical management; genetic testing; hereditary ovarian cancer; hereditary breast cancer; susceptibility; BRCA1; BRCA2, 30180
- decision making; emotional decisions; social decisions; frontal lobe injury; prefrontal cortex; brain mechanisms, 10912
- decision making; end-of-life care decisions; dementia; family caregivers; health care providers; long-term-care, 21018
- decision making; medical decisions; medical treatments; constructive preferences; preference measurement; default options; decision environments; affective forecasting; analysis, 30167
- decision making; mental time travel; developmental psychology, 25649
- decision making; P300; norepinephrine; source; event related brain potential; information processing; locus coeruleus-norepinephrine system, 28484
- decision making; robot; screen agent recommendations; physical body; interaction environment, 18607
- decision making; self care; major depression; recovery; women, 35476
- decision making; video games; violence; cooperation; cooperative decision making, 22824
- decision making; visual angle; linear extent; visual perception, 3351
- decision making; worry; risk; flying; terrorism; feelings, 10309
- decision process quality; intention behavior inconsistency; regret; decision justification theory; bad decisions; failed decision process, 25189
- decision processes; decision aids; compensatory processes; cultural factors; East Asia, 18997
- decision research strategies; cancer related decisions; medical emergencies; informed consent; prevention; infectious disease; decision making; risk; preferences, 30124
- decision support; cognitive feedback; outcome feedback; feedforward; decision-making tasks; performance; dynamic decision making, 34417
- decision-making abilities; schizophrenic patients; Chinese patients; inpatients; Hong Kong; maintenance antipsychotic treatment; characteristics; treatment adherence; impairments, 23125

- decision-making competence; external validation; individual differences approach; behavioral decision-making, 15882
- decision-making deficits; Korsakoff Patients; gambling task; executive function; risky decisions, 23279
- decision-making process; leaf-cutting ants; habitat preferences; substrate preferences; scout workers; plants; animal communication, 6719
- decision-making; long-term care; health care delivery; vegetative state; acute brain damage; nursing home patients; end-of-life decisions; coma patients, 8596
- decoy effects; attribute values; asymmetric dominance effect; comparisons; choice decisions, 25159
- deductive equilibrium selection; inductive equilibrium selection; learning dynamics; rational coordination; zero-rationality adaptation, 3421
- defendant dangerousness; capital sentencing; capricious adjudication; jury decision making, 31037
- delay discounting; real rewards; hypothetical rewards, 22065
- deliberative decision-making; democratic decision-making; internal political efficacy, 35153
- direct to consumer; television drug advertisements; drug risks; decision making; warning labels; product information, 8455
- disposition effect; investments; day trader transactions; economic profit, 12037
- dispositional optimism; military training; self assessment; situation awareness; Norwegian Army, 34049
- distribution channels; pricing decisions; retail margin; retailing, 27804
- domestic violence; arrests; decision making; suspect availability; crime scene, 34122
- drug abusers; forgone payoffs; individual differences; decision-making; risk, 23317
- drug coverage policies; physicians; health outcomes; decision making, 8520
- dynamic decision making; systems theory; computer simulations; problem solving; real world systems; micro-worlds, 15469
- dynamic inconsistency; decision making; planned choices; framing, 31406
- economic agents; decision utility; individual choice making; psychological satisfaction; subjective comfort, 19630
- economists; psychologists; behavioral economics; economic psychology; heuristics; decision making, 21969
- Education Maintenance Allowance; full time education; prevention; decision making strategies; young people; financial incentive; education; employment; training, 27397
- electronic shopping; screening tools; consumers utility function; choice quality; customers selectivity, 34059
- emotional information processing abnormalities; decision-making; substance dependence; ventromedial prefrontal cortex lesions; risk taking; gambling task; risk aversion, 20056
- empathy; affective states; hot states; cold states; cancer related decisions; medical decision making; preferences; perspective taking, 30128
- end-of-life care; decision making; dementia; family caregivers; grounded theory, 17894
- end-of-life care; decision-making process; African American family; culturally-sensitive social work; long-term care, 2210
- entrepreneurship; network externalities; social influences; agglomeration; economic characteristics; decision making, 31269
- escalation; group decision making; commitment literature, 33918
- ethical decision making; narratives; ethnographic fieldwork; research subjects; drug dealers, 28181
- ethical practice; child care work; youth care work; feminist consciousness; ethical decision making; identity; ethics, 21210
- ethical problems; end-of-life care; decision making; social workers; health care providers, 11741
- ethical values; involuntary commitment; consulting clinician; crisis clinicians; psychological crises; crisis intervention; practitioner-client relationship; decision making, 2527
- ethics; deafness; medical technology; decision making; professional client interaction, 21207
- ethics; decision making; multicultural perspective; ethnic demographics; racial demographics; counselors, 24353
- ethnographic decision tree modeling; research method design; counseling psychology; decision making, 15767
- evidence based clinical practice; clinical decision making; audiology; speech language pathology, 1694
- evidence-based medicine; legitimacy; authority challenge; hierarchy challenge, 2155
- evolutionary preference; utility functions; dynamic perspective; preference elicitation; preference analysis, 28115
- exercise advertising; self efficacy; decisional balance; exercise behavior, 18544
- expectancy-valence model; emotion; decision making; older adults; cognitive tasks, 28849
- experience based decision; learning models; decision making; payoff feedback; choice behavior, 34439
- expert judgment quality; on the job learning; education; credit decisions; professional credit managers, 5956
- expert system; decision support system; planned behavior; technology; communication technology; decision making, 15481
- factors; risk decisions; risk-taking; play situations; best-friend dyads; fun ratings; danger ratings; peer pressure; parental attitudes; childhood development; boys; girls, 790
- false memories; choice features; option evaluation; memory gaps; choice options; comparison processes; memory accuracy; time; age differences; individual differences, 9649
- family decision making; African American adolescent; behavioral autonomy, 695
- family decision-making; Internet mavens; accessible information; purchase options; virtual marketplace, 25531
- family influence; qualitative assessment; career decisions, 34301
- family influences; college students; occupational identity; career decision making, 18321
- fear of embarrassment; emotional perspective taking; self predictions; predicting others' decisions; public performance; courage, 35266
- feelings; information hypothesis; judgment; decision making; affect, 4355
- film interpreting; language transfer; interpreters; conference interpreting; subtitling; dubbing, 28621
- financial investment judgments; information impact; investment decision, 22076
- financial marketplace; decision making; speculation; stakeholders; business environment; financial rumors; internet; communication technologies; uncertainty; rumors, 2747
- financial traders; trader overconfidence; financial markets; bidding; financial decision-making, 36953
- folk psychology; free will; agent-causal accounts; child perception; agent-causation; young children, 7015
- framing effect; goal framing; decision making; attribute, 22080
- free-choice learning; environmental participation; decision-making; environmental issues, 24772
- functional connectivity; anterior cingulate; orbitofrontal cortices; decision-making; uncertainty; amygdala; risk-taking, 19170
- gambling; decision making; vagus nerve stimulation; vagus nerves; somatic afferent signals; somatic marker hypothesis; epilepsy, 8103
- gender differences; life satisfaction; obsessive-compulsive disorder; indecisiveness, 16890
- gender differences; treatment delay; patients decision-making; myocardial infarction symptoms, 10895
- gender ideology; influence; marital decision making; retirement satisfaction; transition; partner employment; husbands; wives, 22706
- geographic profiling; serial offenders; burglary; offenders strategy; accuracy; decision making, 35747
- group dynamics; resident progress decisions; resident progress committee; decision quality, 24321
- group members; positive reactions; working in groups; goal setting; group decision making; individual decision making; performance, 7460
- habits; norm-directed behavior; decision-making model; travel mode choice, 18581
- health care decision making; Native American women; self care; traditional health practices, 5297
- health care decisions; decision making; chronic illness; disability paradox; errors; happiness reports; happiness predictions; imagination; well being; quality of life; scale recalibration; adaptation, 29694
- health care policy; medical practice; decision making; health care provider decisions; shared decisions; patient preferences; quality of life, 33346
- health policy; decision making; evidence based medicine; nursing; managed care, 14712
- health professionals; obstetric care; decision making; traditional beliefs; pregnancy; labor, 36425
- high-school students; career decision; counseling; taxonomy; decision making difficulties, 2692
- HIV disclosure reasons; nondisclosure; relatives; friends; intimate partners; parents, 10857
- HIV-positive men; risk construction; safer sex decision-making; reinforcement discourses; gay men; bisexual men, 35922
- home care; clinical decision making; health care nurse; evidence based clinical guidelines; clinical guidelines; rural settings, 27102
- human decision making; behavior analysts; problem solving; concept formation, 20257
- human dignity; bioethics; biolaw; decision making; health personnel; euthanasia; deathbed decisions; palliative care, 2546
- husbands; wives; marital relations; male dominance; division of labor; decision making; power, 897
- hypnosis; emotional decision making; coping behaviors, 8373
- image theory; employee performance appraisal; decision making process, 24619
- inaction inertia; stock market; investors; market trends; counterfactual thinking, 4176
- individual differences; decision processing; cognitive style; confidence, 22860
- industrialization; ethical ideology; managers; China; ethical decision making; factor structure; Ethics Position Questionnaire, 27693
- infant feeding decisions; breastfeeding practices; decision making; cross-cultural differences; Colombia; US, 25851
- influenza vaccination; patient care team; elderly decision making, 33307
- information fusion method; fuzzy decision-making; algorithm; information filtering; generalized fuzzy numbers, 27875
- information search; information intermediary; consumers; financial investment decisions, 24734
- information; binary choice; continuous variables; multiple regression; equal weighting; decision making; choice theory, 21901
- informed consent; client rights; decision making; medical ethics; physician perception; medical information, 18073
- informed consent; medication-free schizophrenia research; decisional capacity; antipsychotic regimen discontinuation; neuropsychological performance; psychiatric symptoms; antipsychotic medication, 26858
- initial storage; unfamiliar objects; memory stores; signal detection; object decision task; priming, 25090
- instance theory; analytic processing; nonanalytic processing; feature representations; categorization behavior; decision making processes, 15866

 multicriteria decision making; decision support systems; object orientation; decision analysis, 6114  
 multiple perspective approach; web based collaborative system; decision support system; knowledge management; decision making, 34101  
 national culture; anonymity; group communication; computer-mediated communication; group support systems; criticalness; flaming, 7471  
 operations planning; airport decision support systems; genetic algorithm; airport traffic control, 27888  
 organizational decision support system; research and development project selection, 24805  
 organizational playing field; group support system; member influence behaviors; groups meeting; group processes, 19836  
 pathology; decision tree learning; attribute selection; game trees; algorithm, 31008  
 pedagogical approach; hybrid approach; computer assisted language learning; commercial web development, 30668  
 problem complexity; degree of disparity; intuitive decision making; computer assisted decision making; educational decisions; teachers, 33766  
 selection decisions; distance functions; decision support; objective function; mathematics, 24800  
 shared decision making; health care systems; patient decision aids; decision support tools, 29869  
 spoken dialogue systems; user modeling; cooperative responses; flexible guidance; decision tree learning, 27879  
 spreadsheet knowledge; application success; decision making, 24801  
 stochastic ordering; robustness; classification; Bayesian network; decision support system; probability values, 24798  
 stock charting; New York Stock Exchange Composite Index; data mining; decision support; knowledge engineering; behavioral finance, 15471  
 student learning needs; technology; web based decision support tool; Quality School Portfolio; educational needs, 33675  
 thinking processes; social workers; clinical decision support system, 30537  
 Web-based information systems; electronic commerce; user satisfaction; consumer purchasing decision; task support satisfaction; decision support satisfaction; interface satisfaction, 24726  
**Decision Support Systems—Chapters**  
 Task analysis through cognitive archeology, 9269  
 Using task data in the designing the Swanwick Air Traffic Control Centre, 9274  
**Decision Theory—Serials**  
 agent model; concordance; discordance; group ranking problems; fuzzy preferences; group preference, 24791  
 Bayesian decision theory; global robustness; convergence rates, 25001  
 decision making; medical decisions; medical treatments; constructive preferences; preference measurement; default options; decision environments; affective forecasting; analysis, 30167  
 decision process quality; intention behavior inconsistency; regret; decision justification theory; bad decisions; failed decision process, 25189  
 eigenvalues; wishart distribution; noncentrality parameter matrix; decision theory, 9484  
 knowledge discovery; decision tree learning; algorithm; inference technique, 31012  
 normative selection; Bayesian networks; disintegrable loss functions; model selection; decision theory, 21919  
**Decision Theory—Chapters**  
 Preference theory: An affect-based approach to recurrent decision making, 12761  
**Declarative Knowledge—Serials**  
 adolescent medicine; knowledge organization; inquiry, 28682  
 conceptual priming; declarative memory; recognition memory; familiarity judgments; memory impaired patients, 1625  
 declarative knowledge; cognitive abilities; general ability; narrow ability; multidimensional latent variable analysis, 6574  
 diagnostic explanations; causal knowledge; inconsistencies; conjunction fallacy; facts; beliefs, 28275  
 latent class model; knowledge structure; exploratory data analysis; response patterns, 31281  
 memory function; community-dwelling elderly; white matter hyperintensities; declarative memory; cognitive decline; hippocampus; parahippocampal gyrus; temporal lobes, 3631  
 multiple instantiation; rule mediation; SHRUTI model; relational knowledge; decision-making, 18612  
 Parkinsons disease; Parkinsons disease without dementia; implicit sequence learning; serial reaction time; sequential structures; explicit knowledge, 1647  
 political expertise; scandals; judgments; politicians; young adults; scandal knowledge; politician evaluations; information assimilation; participant knowledge; judgment, 19750  
 readers' misconceptions; text comprehension; scientific text; read aloud; recall, 24495  
 regret; factual outcomes; counterfactual outcomes; uncertainty; decision making, 29185  
**Declarative Knowledge—Chapters**  
 Introduction, 27917  
 On Quantifying and Characterizing Human Knowledge, 6587  
 Providing the Law With Factual Knowledge to Help Set Legal Goals, 27934  
**Decoding** [See Human Information Storage]  
**Deductive Reasoning** [See Inductive Deductive Reasoning]  
**Defendants—Serials**  
 bilateral electronic monitoring programs; domestic violence offenders; intimate partners; victim-centered approach; jail diversion; electronic monitoring; tensions of diversion, 24233  
 competence to stand trial; self-representation; uncooperative defendant, 3064  
 competency to stand trial evaluations; involuntary medication; trial competency; criminal justice system; psychotic disorders; legal decisions, 3073  
 competency to stand trial; defendants attitude; adjudication; intentional inducement of incompetence, 3082  
 ethics; family characteristics; death penalty; homicide; culpability; biopsychosocial characteristics; neuropsychological and psychiatric and educational assessments, 12368  
 extralegal factors; organizational defendants; sentencing; federal sentencing guidelines; standardized punishments, 9321  
 forensic psychiatrists; criminal defendant; competency to stand trial assessment; defendant behavior, 3089  
 forensic psychiatrists; criminal defendant; competency to stand trial assessment; defendant behavior, 21727  
 forensic psychiatrists; criminal defendant; competency to stand trial assessment; defendant behavior, 21731  
 incompetent defendants; trial competency evaluations; mental health courts; court referrals; criminal justice system; hospital treatment, 24838  
 Internet; nonforfeitable sex crimes; adolescent victims; prosecution; extra-familial adult defendants, 29517  
 judgment; decision making; witness; drug courts; drug treatment; judge defendant relations, 31025  
 judgment; decision making; witness; drug courts; drug treatment; judge defendant relations, 31024  
 judgment; decision making; witness; drug courts; drug treatment; judge defendant relations, 31021  
 judgment; decision making; witness; drug courts; drug treatment; judge defendant relations, 31023  
 juvenile decertification; classification; prediction; courts decisions; defendants; juvenile court, 24834  
 Red Hook Community Justice Center; community court; jurisdiction; substance abuse treatment; drug abuse; defendants; sanctions compliance, 31020  
 victim impact statements; criminal trials; capital cases; adjudication, 31040  
 witness credibility; attorney attitudes; forensic psychiatric testimony; personality disorder, 6128  
**Defense Mechanisms** [See Also Compensation (Defense Mechanism), Denial, Displacement (Defense Mechanism), Fantasy (Defense Mechanism), Identification (Defense Mechanism), Introjection, Projection (Defense Mechanism), Projective Identification, Rationalization (Defense Mechanism), Regression (Defense Mechanism), Repression (Defense Mechanism), Suppression (Defense Mechanism)—Serials]  
 affect-based motivational defense system; rejection sensitivity; eyeblink startle magnitude; rejection cues, 513  
 childhood sexual abuse; defensive functioning; treatment seeking behavior; psychological problems, 29460  
 childrens drawings; child therapists; defenses; interpretive skills; defensive processes; childrens play, 33133

Defense Mechanisms—Serials

coping behaviors; defense mechanisms; stress; classification levels; psychological processes; emotional conflicts, 26024

defense mechanisms; panic disorder; remission; symptoms; severity; treatment outcome, 35535

delusions; psychological defenses; self deception; motivational theories; cognitive deficit theories; pathological delusions; psychoanalytic theory; psychodynamic theory, 32323

depression; anxiety; attempted suicide; psychological defense; subliminal perception; object-relation images, 1344

female body objectification; self-esteem; defense mechanism; unconscious existential fears, 19903

grandiose delusions; defense; self esteem; emotional states, 29295

manic defenses; Manic Society; compulsive consumption; social responsibility; social theory; psychoanalysis; interpersonal relationship; Psychoanalytic Theory; American society, 35328

manic defenses; Manic Society; compulsive consumption; social responsibility; social theory; psychoanalysis; interpersonal relationship; Psychoanalytic Theory; American society, 35338

manic defenses; Manic Society; compulsive consumption; social responsibility; social theory; psychoanalysis; interpersonal relationship; Psychoanalytic Theory; American society, 35340

multidimensional perfectionism; ego defense style; college students, 19892

primitive defenses; language; psychopath; borderline personality organization, 1264

religious belief; defensive religion; existential religion; religious motivation; defense mechanism, 4030

signal anxiety; anxiety models; ego function; defense motive; pleasure principle; Freudian displeasure; drive; quantitative-energetic-biological model; ego; experiential-qualitative-psychological model, 13765

social exclusion; hierarchical defense system; physical pain; neural modules; affective states; trait associations; emotional distress, 13661

social pain; physical defense mechanisms; social exclusion; anger; rat models; analgesic mechanisms; fear, 13671

social responsibility; manic defense; social theory; psychoanalysis; interpersonal relationship; Psychoanalytic Theory, 35327

symbolization; object; containment-symbolization function, 19976

**Defense Mechanisms [See Also Compensation (Defense Mechanism), Denial, Displacement (Defense Mechanism), Fantasy (Defense Mechanism), Identification (Defense Mechanism), Introjection, Projection (Defense Mechanism), Projective Identification, Rationalization (Defense Mechanism), Regression (Defense Mechanism), Repression (Defense Mechanism), Suppression (Defense Mechanism)]—Chapters**

Defense and Its Assessment: The Lerner Defense Scale, 15639

**Defensive Behavior (Animal) [See Animal Defensive Behavior]**

**Defensiveness—Serials**

advice; decision making; information seeking; impression; defense; accuracy motivation, 29097

anxiety; defensiveness; cognitive functioning; psychotropic medication use; neuropsychological test performance; veterans, 1181

cardiac vagal tone; defensiveness; motivational style; parasympathetic nervous system; emotional behaviors, 13088

consumer attributions; blame; defensive attributions; product harm crisis; crisis severity; tolerance for ambiguity, 37160

defensive confidence; proattitudinal information; defensive weakness; individual differences; attitude change; personality traits, 7538

Defensive Functioning Scale; major depression; depressive symptoms; mental inhibitions; psychometrics, 15607

defensive functioning; patient-therapist relations; working alliance; supportive psychotherapy; therapist interpretation, 11080

defensive responses; internalized regulatory system; parent child attachment; parent child relationship, 31791

individual differences; electroencephalography; defensive individuals; rumination; distraction; negative mood, 29125

repressive coping style; reactivity; acoustic startle response; eye blink; defensiveness; anxiety, 4343

suppression instructions; defensiveness; negative material; defensive individuals; thought suppression; cognitive performance, 10321

terror management; proximal defenses; mortality salience; sun exposure; self-esteem; health risk, 1086

**Deformity [See Physical Disfigurement]**

**Degrees (Educational) [See Educational Degrees]**

**Dehydration—Serials**

animal behavior; suckling milk kits; farm conditions; drinking water accessibility; dehydration; competitive aggression, 6737

**Dehydrogenases [See Also Alcohol Dehydrogenases]—Serials**

genotyping methods; single nucleotide polymorphisms; aldehyde dehydrogenase 2; DNA; esophageal cancer; melting curve analysis; liquid chromatography; SNaP-shot analysis; Fluorescent-Based PCR-SSCP, 1566

proline dehydrogenase locus; schizophrenia; bipolar affective disorder; velocardiocirculatory syndrome; single nucleotide polymorphism, 35390

**Deinstitutionalization—Serials**

aging process; support groups; family support; developmental disabilities; health service utilization; deinstitutionalization; intellectual disability, 2226

child welfare reform; government welfare services; alternatives to institutionalization; Romania, 36487

deinstitutionalization; community; residential services; quality of life, 2221

deinstitutionalization; older adults; severe mental retardation; quality of life, 2220

deinstitutionalization; state hospitals; psychiatric patients; mental health treatments and services, 2146

fropfschizophrenia; deinstitutionalization; mental retardation; schizophrenia; mental health care services, 26171

John Talbot; deinstitutionalization; serious and long-term mental illness; patient care and needs; treatment, 2101

Life Plans; rehabilitation; deinstitutionalization movement, 2280

longitudinal changes; adaptive behaviors; deinstitutionalization; cognitive competencies; communication; self care skills; independent living skills; social skills; mobility; disruptive behaviors, 17832

mental health; community care facilities; patients with mental health problems; Italian approach to community care, 2206

normalization; de-institutionalization; Arthur Mitchell; The Insane in Private Dwellings, 31730

schizophrenia; learned helplessness; dependence; disorder recovery; hospitalized patients; deinstitutionalization, 32373

**Deinstitutionalization—Chapters**

Community Living: Costs, Outcomes, and Economics of Scale: Findings from U.K. Research, 14790

The Economics of Deinstitutionalization, 14756

**Deja Vu [See Consciousness States]**

**Delay of Gratification—Serials**

affective decision making; perspective taking; delay of gratification paradigm; reward, 28722

delay discounting; real vs hypothetical rewards; within-subjects designs; between-subjects designs, 3429

goals; saving; motivation, 9667

**Delayed Alternation—Serials**

interval duration; temporal tracking; alternation learning; reinforcement schedules; pigeons, 25305

**Delayed Development [See Also Failure to Thrive, Language Delay]—Serials**

cerebral folate deficiency; developmental delay; autism; folinic acid; psychomotor regression; seizures; mental retardation; cerebrospinal fluid, 29587

developmental characteristics; behavioral problems; inversion; chromosomes, 26517

early head start staff; individualized family service plans; developmental delays; policy making, 8851

etiology; mental retardation; tertiary care; cognitive delay; diagnosis, 32644

fatigue; motor delay; liver function; decreased interest; play, 17190

foster care; developmental delays; mental health problems; child protective services; early intervention; service needs; young children; health care guidelines, 20989

institutionalization; developmental delays; behavior problems; adopted children; child outcomes; family outcomes, 8562

occupational therapy; child abuse; child neglect; child emotional needs; developmental interventions; self esteem; stress; developmental delays, 36572

parent-child interactions; developmental delay; behavior problems; child adaptive behavior; reinforcement, 7954

screening; autism; infants; preschool children; developmental delay; emotional problems; behavioural problems; autism; Developmental Behaviour Checklist, 21818

social communication; autism spectrum disorders; developmental delays; early regression, 23369

social safety; comfort; complex chronic conditions; child care; family members; social events; delayed development, 14814

test reliability; test validity; measurement; developmental motor scales; Fine Motor Scale of Peabody Developmental Motor Scales; fine motor skill problems, 21832

Delirium—Serials

time-use patterns; child care; developmental delays; institutionalization, 14764

videotaped interaction; pediatrics; well-child care; child development; cognitive & language development; Latino children; developmental delay; at risk populations; maternal education; poverty, 17839

young children; foster care; prior maltreatment; placement history; developmental delays; cognitive functioning; neuropsychological functioning; physical growth; language development, 21004

**Delayed Development [See Also Failure to Thrive, Language Delay]—Chapters**

Neuropsychological Assessment of 5-6-Year-Old Children with Delayed Mental Development, 18787

**Delayed Feedback—Serials**

delayed feedback; information integration; multiple-systems approach; rule-based learning; category learning; perceptual similarity; stimulus dimensions; hypothesis-testing system; accuracy rates, 6608

failure feedback; leader effectiveness; goal performance; subordinate attitudes; leader affect impact, 4193

optimal classifier feedback; cost benefit decisions; decision criterion learning; perceptual categorization; rewards; delayed feedback, 25181

prefrontal cortex; dopaminergic neuromodulatory; mesocortical dopaminergic system; delayed response task; pyramidal interneuron connection, 31644

**Delayed Parenthood—Serials**

womens educational attainment; parenthood; career opportunities; educated women, 35106

**Delayed Reinforcement [See Reinforcement Delay]**

**Deletion (Chromosome)—Serials**

cachol-O-methyltransferase; 22q11.2 deletion syndrome; psychosis; attentional difficulties; genotype; behavioral problems, 20398

childhood onset schizophrenia; cytogenetic abnormalities; deleted region, 4543

chromosome deletion syndrome; forensics; criminal justice; DiGeorge syndrome; conotruncal anomaly face syndrome; velocardiocirculatory syndrome; genetics; schizophrenia; correctional facilities; prevalence, 20419

deletion syndrome; genetics; neuroanatomy; neuropsychology; velocardiocirculatory syndrome; DiGeorge syndrome, 20395

deletion syndrome; psychiatric morbidity; schizophrenia; psychopathology; developmental disruption; mental health, 17160

neuropsychological characteristics; children; deletion syndrome; cognitive functioning; achievement, 19471

neuropsychological tests; neuroimaging; deletion syndrome; schizophrenia; genetics, 20458

schizophrenia; microdeletion; risk factors; hybridization, 16838

visuospatial disorders; cognitive deficits; chromosome deletion syndrome; numerical deficits; parietal dysfunction, 16724

**Delinquency (Juvenile) [See Juvenile Delinquency]**

**Delirium—Serials**

benzodiazepine withdrawal; Liepmann phenomenon; drug therapy, 23024

cholinesterase inhibition; delirium; vascular dementia; acetylcholinesterase; butyrylcholinesterase; rivastigmine, 11359

Clock Drawing Test; cognitive impairment; delirium; elderly medical inpatients; identification, 31168

delirious behavior; children; influenza; clinical features; EEG findings; influenza associated encephalitis; encephalopathy; differential diagnosis; disease course, 32706

delirious older inpatients; Delirium room; delirium; novel model of care; development; management; economics, 27132

delirious older inpatients; Delirium room; delirium; novel model of care; development; management; economics, 27126

delirium detection; oncology patients; nurses, 28082

delirium; baclofen withdrawal; attempted suicide, 17635

delirium; consciousness disturbance; attention; drug toxicity; risk factors; evidence-based treatment, 7666

delirium; diagnostic criteria; prognosis, 1623

delirium; disorder vulnerability; primary psychiatry; prevention; management; treatment, 7675

delirium; eyedrops; atropine; cyclopentolate; insomnia; nervousness; cycloplegics; mydriatics, 35398

delirium; forebrain vascular lesion; donepezil; drug therapy; antipsychotics; brain surgery side effects; craniopharyngioma, 8416

delirium; frailty; cognitively impaired, 7684

delirium; healthcare providers; elderly patients; dementia, 7665

delirium; intensive care unit; monitoring delirium; delirium management; risk factor; treatment duration; critically ill, 8625

delirium; learning disability; morbidity; distress; eye surgery; anticholinergic overdose; urinary infection; Alzheimers disease; pulmonary infection, 1446

delirium; risperidone; alcohol abuse; injuries; symptoms; side effects, 11226  
 delirium; risperidone; quetiapine; psychotic disorders; genotypes; drug therapy, 30062  
 delirium; subsyndromal delirium; spectrum disorder; risk factors; stress; pathophysiology, 7678  
 haloperidol treatment; cardiac patients; delirium; drug treatment side effects; nonsurgical ileus, 23907  
 hip fractures; delirium; elderly patients; cognitive status, 11351  
 hip fractures; surgery; delirium; elderly patients, 11363  
 long-term prognosis; delirium; frail elderly, 17304  
 mental status change; topiramate; delirium; adverse effect, 33177  
 neurosciences; delirium; brain metabolism; electroencephalogram, 10439  
 olanzapine; delirium, 5232  
 postoperative delirium; elective orthopedic surgery; risk factors; pain; pharmacological agents, 30157  
 propofol; postictal delirium; clozapine; electroconvulsive therapy; schizophrenia, 8364  
 propranolol; delirium; elderly male; etiology, 5201  
 psychoactive medications; delirium; hospitalized patients; drug side effects, 30046  
 risperidone; delirium, 17654  
 treatment strategies; delirium; prevention, 8128  
 valproic acid; delirium; psychotic agitation; consultation liaison service; drug therapy, 26104

**Delirium—Chapters**

The Delirious Patient, 16772  
 Delirium, 20476  
 Neuropsychiatric Aspects of Delirium, 24424

**Delirium Tremens—Serials**

case reports; delirium tremens; alcoholic hallucinations; alcoholic insanity; dementia, 16760  
 delirium tremens; murder; clinical psychiatry; therapeutic process, 10718

Petrovich Musorgsky; Russian composer; alcoholic intoxication; alcoholic epilepsy; delirium tremens; dipsomania, 7885

**Delta Rhythm—Serials**

cranial electrotherapy; gamma frequencies; cortical activity, 5268

**Delusions—Serials**

age disorientation; schizophrenia; delusional misidentification syndrome; intellectual deterioration, 10560  
 anosognosia; two factor delusion theory; hemiplegia; cognitive impairments, 19982  
 anthropology; psychiatry; schizophrenia; hallucinations; delusions, 16852  
 auditory hallucinations; Cotard syndrome; Parkinsons disease; psychotic symptoms; visual hallucinations; schizophrenialike delusions, 4942  
 beliefs; pathology; self awareness; delusions; cognitive science; rationalist approach; empiricist approach, 7682  
 body dysmorphic disorder; delusional disorder; underdiagnosis; endocrinology, 20052  
 Capgras Syndrome; time perception; delusions; symptoms, 16741  
 catatonia; juvenile corrections; mental health; paranoid delusions; lorazepam; cannabis abuse; motivation; self-care declination, 4536  
 cognitive neuropsychiatry; delusions; reasoning; attention; attribution; theory of mind; confabulation; neurobiology; perception; delusional misidentification, 13831  
 Cotard syndrome; electroconvulsive therapy; delusional disorder; drug therapy; depression, 8350  
 delusion; epistemology; cognitive psychology, 1154  
 delusion; temporalization; conceptualization; paradoxical definitions; epistemology; psychopathology, 20030  
 delusional belief; neuropsychological deficits; perceptual impairment; emotional processing impairment; right hemisphere impairment, 32308  
 delusional conviction; reasoning; emotional states; schizophrenia; psychosis; delusions; severity; persistence; psychopathology therapy, 32380  
 delusional disorders; forensic psychiatry; paranoid delusions; psychosis; violence; laws, 35410  
 delusional ideation; psychosis; low-income country; distress; conviction; age differences; education level, 1166  
 delusional misidentification syndromes; paranoid schizophrenia; threat; patients violence, 23082  
 delusional thinking; affective disorder; psychotherapy; psychotherapist, 8184  
 delusions; delusional beliefs; persistence; stability; change prediction, 1148  
 delusions; psychological defenses; self deception; motivational theories; cognitive deficit theories; pathological delusions; psychoanalytic theory; psychodynamic theory, 32323  
 delusions; rationality; belief ascription, 20032  
 delusions; schizophrenia; non-beliefs; mental disorders, 1179  
 delusions; substance abuse; patient violence; hospitalized patients, 2252

doxastic conception; delusions; metacognition, 20026  
 environmental reduplicative paramnesia; atypical Alzheimer's disease; neurofibrillary tangle, 26645  
 grandiose delusions; defense; self esteem; emotional states, 29295  
 hemi-depersonalization syndrome; obsessive compulsive disorder; psychotic reaction; delusions, 16750  
 lycanthropy; Cotard's syndrome; comorbidity, 29351  
 lycanthropy; Cotard's syndrome; comorbidity, 29376  
 lycanthropy; psychopathology; psychodynamics; imagination, 20027  
 lycanthropy; psychopathology; psychodynamics; imagination, 20037  
 motivational themes; psychosis; delusional beliefs; life problems; life goals; mental disorders, 7744  
 narcissistic personality disorder; delusional states; Howard Hughes; psychotherapy, 35551  
 nihilistic delusions; psychotic features; cardiac arrest, 4428  
 Odysseus syndrome; nihilism; Cotard's syndrome; hypochondriacal delusions; immortality; brief depressive episode; paranoid schizophrenia, 29341  
 Odysseus syndrome; nihilism; Cotard's syndrome; hypochondriacal delusions; immortality; brief depressive episode; paranoid schizophrenia, 29367  
 oral parasitosis delusion; major depressive disorder; gustatory hallucinations; tactile hallucinations; auditory hallucinations; tormenting organisms; neurology; pimozide, 26150  
 painful hallucinations; somatic delusions; neuroborreliosis diagnosis; tick borne infection; nervous system disorder; psychiatric disorders, 29765  
 paranoid delusions; attachment behavior; attributions; patient perceptions, 16853  
 paranoid disorder; migrant family; delusions; family members; psychological interventions; antipsychotic treatment, 20127  
 passivity delusions; cortical volume; frontal lobe; parietal lobe association cortex; functional neuroimaging; neuropsychology, 32399  
 persecutory delusions; negative events; attributions; externalizing bias; psychotic symptoms; mentally disordered offenders, 20282  
 persecutory ideation; nonclinical paranoid thoughts; persecutory delusions; paranoia; virtual reality environment; cognitive model; anomalous experiences; reasoning biases; emotional processes, 22878  
 persecutory ideation; paranoia; persecutory delusions; cognitive model; anomalous experiences; emotional processes; reasoning biases, 22877  
 pimozide; delusions; parasitosis; atypical antipsychotics; drug therapy, 5207  
 primary delusion; psychopathology, 4437  
 psychosis; neoplasia; visual hallucinations; delusions; catatonia; parathyroid gland, 22962  
 psychosis; schizophrenia; cognitive-behavioral therapy; psychoeducation; coping skills; delusions, 17532  
 psychosis; treatment; delusions; hallucinations; comorbidity, 13905  
 reasoning; paranormal beliefs; delusional ideation, 6650  
 religious delusions; religious beliefs; schizophrenia; psychiatric treatment, 1696  
 schizophrenia; delusional disorder; language; negative symptoms; speech patterns; oral communication; positive symptoms, 4538  
 schizophrenia; heschl's gyrus; planum temporal; first episode psychosis; unreality symptoms, 26200  
 schizophrenia; theory of mind; persecutory delusions, 16833  
 science; medicine; delusions; cognitive neuropsychiatry; brain; mind; psychiatric cases, 4449  
 subthalamic nucleus; delusion; Parkinsons disease; deep brain stimulation; side effects, 5311  
 unusual experiences; reality testing; alien control delusions; monothematic delusions; pathogenesis, 20042  
 Wittgenstein; empathic understanding; psychopathology; intentionality; delusions, 1182

**Delusions—Chapters**

The delusion of full inclusion, 18317  
**Dementia [See Also Dementia with Lewy Bodies, Presenile Dementia, Senile Dementia, Vascular Dementia]—Serials**  
 abnormal reading; semantic dementia; dementia of the Alzheimer type; recognition memory; neuroanatomy; neuropsychology, 20538  
 active music participation; dementia; music making; special care; music therapy practitioner, 17717  
 Addenbrookes cognitive examination; diagnosis of dementia; test validity; French version, 9423  
 African American elders; Mattis Dementia Rating Scale; cognitive decline; norms; neuropsychological assessment, 24968  
 African American elders; normative data; clinical neuropsychological measures; dementia, 24965  
 age differences; aging; dementia of the Alzheimer type; disease severity; episodic memory processes, 10945

aging; intellectual disabilities; health needs; dementia; elder adults; Downs syndrome, 1451  
 Alzheimer disease; nondemented aging; classical complement activation, 29829  
 Alzheimer's disease; attention; dichotic listening; prepotent pathways; right ear advantage; hemisphere pathway; presentation rate; digit pairs; frontal lobe; mild stages; ordered recall, 35976  
 Alzheimer's disease; dementia; distress responses; self care behaviors; family caregivers; depressed mood, 35447  
 Alzheimer's disease; dementia; family caregiving; emotional stress; genetic connections; identity construction, 5487  
 Alzheimer's disease; dementia; Memories in the Making; art program; structured activity; visual arts; well being, 32809  
 Alzheimer's disease; dementias, 10957  
 Alzheimers Disease Assessment Scale - Cognitive Subscale; cognitive dysfunction; Alzheimers disease; dementia; normative data, 9425  
 Alzheimers Disease; dementia severity; apathy; dysphoria; depression; disease characteristics, 35988  
 Alzheimers disease; dementia; aging; neurodegenerative disorder, 1608  
 Alzheimers disease; dementia; caregivers; health personnel, 14265  
 Alzheimers disease; dementia; family caregivers; funding, 14221  
 Alzheimers disease; dementia; learning needs; family physicians; caregivers, 32760  
 amnesia; dementia; Alzheimers disease; memory disorder; mild cognitive impairment; cognitive functioning, 20582  
 antidiemetic agents; Alzheimers disease; dementia; Alzheimers type, 1983  
 argyrophilic grain disease; frontotemporal dementia; pathological background; neuropsychology; autopsy; presenile onset, 26604

 assessment methods; dementia; awareness; measurement instruments, 32779  
 attachment behavior; dementia; cognitive functioning; pre-morbid attachment; parent fixation, 20526  
 atypical antipsychotics; risk factors; cerebrovascular accidents; dementia; elderly, 23954  
 atypical antipsychotics; risk factors; cerebrovascular accidents; dementia; elderly, 23961  
 atypical progressive dementia; Fragile X premutation; tremor; ataxia; symptoms, 35890  
 awareness; ethical issues; legal issues; dementia; advance directives; decisionmaking; research participation; informed consent; truth telling, 33667  
 behavior problems; dementia; etiology; nonpharmacological interventions; nursing home residents; needed treatment steps, 35974  
 behavioral pathology; functional performance; Alzheimer's disease; dementia; cognitive function; prefrontal cortex, 1592  
 behavioral problems; dementia; salivary cortisol; caregivers; awakening, 27101  
 behavioral problems; mental illness; psychiatric care units; dementia, 24160  
 body height in midlife; dementia; risk factors; Alzheimer's disease; vascular dementia; elderly men, 14223  
 bright light therapy; daytime sleep; nursing home patients; dementia, 23916  
 butyrylcholinesterase; K genotype; Alzheimer's disease; dementia with Lewy bodies; phosphorylated tau; beta amyloid; temporal cortex, 23557  
 care providers; dementia patients; behavioral disturbances; interpersonal interaction, 14806  
 caregiver appraisals; functional dependence; dementia; caregiver reaction; Caregiver Assessment of Function and Upset; psychometric properties, 27969  
 caregiver burden; foster family care providers; staff caregivers; dementia symptoms; intellectual disability, 33425  
 caregiver differences; Alzheimers disease; loss experience; grief reactions; depressive symptoms; dementia; bereavement; stages of disease, 14802  
 caregiving experiences; family caregiving; dementia; caregiving; Korean caregivers; decision-making; long-term care placement, 5501  
 CASCADE cognitive test battery; dementia; cardiovascular determinants; cerebral lesions; atrophy; executive function; global cognitive function; short & long term memory; demographic variables, 20567  
 cerebral glucose metabolism; frontotemporal dementia; neuronal degeneration; semantic dementia; temporal lobe, 10917  
 cerebral volume loss; cognitive deficit; neuropsychological performance; brain atrophy; dementia, 4933  
 chronic pain; dementia; treatment, 26590

- clinical correlates; neuropathological substrates; dementia; awareness; depression; apathy; psychosis; daily life functioning; caregiver burden; global dementia severity; anxiety, 32759
- Clinical Dementia Rating scale; dementia severity; outpatient memory clinic; test validity; transcultural feasibility; multiracial Asian population, 34268
- Cognitive Abilities Screening Instrument; dementia; test reliability; short-term memory, 73
- cognitive assessment tools; early dementia; diagnostic instruments, 4975
- cognitive decline; healthy aging; pathological aging; context processing; age differences; dementia of Alzheimer's type, 17258
- cognitive decline; mild cognitive impairment; cognitive functioning; neuropsychological assessment; older adults; Alzheimer disease, 32785
- cognitive disorders; cognitive functioning; stroke; post-stroke dementia; mild cognitive impairment; amnesia, 1640
- cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3239
- cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3252
- cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3241
- cognitive impairment; dementia; plasma vitamin E levels; older persons, 26583
- cognitive impairment; family caregivers; emotional distress; nondemented patients; dementia patients; depression; anxiety; older persons, 30321
- cognitive impairment; functional impairment; dementia care; quality of life; residential care settings, 8594
- cognitive impairment; quality of life; long term care services; dementia, 29782
- cognitive impairment; temporal orientation; Alzheimers disease; Mini-Mental State Examination, 18784
- cognitive reserve; anosognosia; mild dementia; questionable dementia, 29817
- Cognitive Subscale of Alzheimers Disease Assessment Scale-Chinese Version; Alzheimers disease; dementia; cognitive impairment, 9428
- coherence of mind; daughter caregivers; mothers; dementia; adult attachment; joy; reunion behavior, 8112
- communication interaction; depression; dementia patients; nursing aides; social closeness; training; self rating; proxy rating; patient variables, 36500
- communication problems; caregiver burden; dementia; behavior problems; cognitive ability, 14815
- competence evaluation; neuropsychological tests; differential diagnosis; dementia; depression; test scores; symptom patterns; elderly, 29792
- context theory; dementia; everyday life; older spousal couples relationships, 20544
- conversation; dementia; Alzheimers type; diagnostic symptom; cognitive impairment; linguistic impairments; communicative impairment, 26623
- conversion pseudodementia; old age; psychiatry; cognitive impairment; physical dependency, 4957
- cross cultural differences; mental health; dementia; caregivers; psychometrics; factor structure; metric invariance, 31109
- daytime sleep; well being; dementia; sleep dysfunction; quality of life; social engagement; nursing homes, 20550
- decision making; Admiral Nursing team; dementia care; referrals; caregiver support, 24325
- decision making; end-of-life care decisions; dementia; family caregivers; health care providers; long-term-care, 21018
- delirium; healthcare providers; elderly patients; dementia, 7665
- dementia advocacy; service providers; healthcare providers, 14228
- dementia care; Alzheimers disease; health personnel; health service utilization; nurses; staff training, 20533
- dementia care; Asia; aging populations; quality of services; health care priority; quality of life, 35971
- dementia care; caregivers burden; quality of care; coping behavior; geriatric nursing theory, 1993
- dementia care; communication processes; triad members; triadic interaction; informal carer; health personnel; social personnel, 20518
- dementia care; couplehood; Alzheimer's disease, 17276
- dementia care; family caregivers; subjective experiences; satisfaction; caregiver burden; sense of coherence, 24133
- dementia care; health care services; rural areas; specialized dementia services; research program; specialized personnel; dementia assessment; dementia management; caregiver support, 36428
- dementia care; learning set; innovative practice; nursing care; shared learning; nursing care plan; staff training, 21134
- dementia caregivers; community resources utilization; caregivers attitudes, 30322
- dementia caregivers; community resources utilization; caregivers attitudes, 30330
- dementia caregivers; community resources utilization; caregivers attitudes, 30331
- dementia caregiving; care recipient; emotional ramifications; unmet needs; informal long-term care, 11538
- dementia caregiving; Hispanic; Latinos; caregivers; ethnically diverse group; cultural influences, 30327

- dementia; Alzheimers disease; twins; prevalence; onset, 29781
- dementia; awareness; neurology; psychiatry; psychology; issue papers; methodology; organizing frameworks, 32788
- dementia; awareness; well being; family members; caregivers; quality of life; methodology; ethical issues, 32780
- dementia; Boston Naming Test; test scores; age differences, 15655
- dementia; caregivers; long term care; early behavior problems; depression; institutionalization; caregiver burden, 17895
- dementia; caregiving burden; depression; coping; well being; gender, 33426
- dementia; caregiving; Alzheimer's disease, 10967
- dementia; children view, 23603
- dementia; cognitive performance; serum anticholinergic activity, 29771
- dementia; community based care; health personnel; social service providers; daily activities, 14763
- dementia; corticobasal degeneration; geriatric psychiatry; parkinsonism; cognitive-behavioral changes; motor deficits, 10964
- dementia; diagnosis; patients partner; caregivers; interpersonal relationships; diagnostic disclosure, 32786
- dementia; disablement process; disability progression; mortality, 1582
- dementia; ethnic differences; caregiving stressors; sociodemographic variables; perceived physical health; depressive symptoms; White; Hispanic; African American; caregivers, 33428
- dementia; health problems; elderly people; psychosocial correlates; risk factors, 29823
- dementia; learning disability, 17281
- dementia; mild cognitive impairment; Alzheimer's disease, 1627
- dementia; patient care; ethical system; illness course; treatment; Jewish beliefs; nursing home transfer; artificial nutrition; end of life care; doctor patient relationship, 27011
- dementia; patient report; Nottingham Health Profile; proxy reports; elderly care; care provider, 8084
- dementia; personal experiences; interview; research methods, 14250
- dementia; service use; marginalized groups; minority groups; younger users, 11436
- dementia; undiagnosed diseases; physical disorders; screening, 1521
- dementia; word identification; English speakers, 4934
- depression; Center for Epidemiologic Studies-Depression Scale; CES-D; factor structure; gender differences; caregivers; geriatric patients with dementia; psychometrics; test validity; test reliability, 34249
- depression; cognitive impairment; dementia of Alzheimers type, 35362
- depression; cognitive impairment; dementia of Alzheimers type, 35368
- depression; dementia; mild cognitive impairment; geriatric psychiatry, 1116
- developmental retardation; ataxia; dementia; vision loss; Cockayne syndrome; developmental disorder; transcriptional activity, 35360
- diagnosis; clinical dementia; polymorphisms; genotypes; glutathione S-transferase; sulfotransferase; Alzheimer's disease; mixed dementia; neurochemistry, 23613
- diagnosis; dementia; mental retardation; assessment instrument, 32893
- diagnostic accuracy; Mini-Mental Status Examination; Revises Hasegawa Dementia Scale; Alzheimer's disease; educational level; disease severity, 21844
- differential diagnosis; frontotemporal dementia; semantic dementia; Alzheimer's disease; Consortium to Establish a Registry for Alzheimer's Disease-Neuropsychological Assessment Battery; subtests, 12499
- Disinhibition Scale; test reliability and validity; Alzheimer disease; disinhibited behaviors; dementia, 60
- drivers; dementia; older people; driver assessment; occupational therapy, 35991
- Driving Scenes Test; aging; dementia; Neuropsychological Assessment Battery; visual attention; very mild dementia, 18768
- drug therapy; dementia; elderly patients, 20874
- drug treatments; dementia; caregivers; quality of life; drug treatment effectiveness evaluation; experiences; users; caregivers, 14647
- e-learning dementia care program; healthcare teams; long-term care facilities; online dementia care training; healthcare workers; long-term care facilities; online learning programs, 2105
- early diagnosis; dementia; general practitioners' attitudes, 33628
- early onset dementia; diagnosis; families, 23597
- electroencephalography; EEG; dementia workup; dementia diagnosis; dementia types; aging, 26605
- elopements; older adults; dementia; long-term care facilities; Alzheimer's disease; risk factors; wandering, 10901
- emotional instability; slowly progressive dementia; Alzheimer's disease, 35962
- end of life care; intellectual disability; dementia; person centred care; caregiving; hierarchy model, 32929
- end-of-life care; decision making; dementia; family caregivers; grounded theory, 17894
- epidemiology; mild cognitive impairment; predementia syndromes; disease progression; dementia; cognitive deficits; elderly persons, 32830
- estrogen receptor gene; dementia; polymorphisms; Alzheimers disease; risk factors; brain, 9742
- family caregivers; dementia; caregiver distress; caregiver support; instrumental support; informal; formal; paid; unpaid, 27109
- forgetting; dementia; resistance; task-oriented conversations; social interaction; marital relations, 14231
- frequency distribution; subjective memory complaints; objective memory impairment; mild cognitive impairment; dementia; risk factors; high plasma homocysteine; apolipoprotein E epsilon 4 allele, 32812
- frontotemporal dementia; diagnosis; social changes; personality changes; symptoms, 4967
- frontotemporal dementia; functional neuroimaging; frontal lobe; anosodiaphoria; anosognosia, 35996
- frontotemporal dementia; moria; Witzelsucht; personality change; citalopram; drug therapy, 35995

- Geriatric Depression Scale-new 5-item version; demented individuals; depressed psychiatric outpatients, 31190
- geriatric rehabilitation patients; Vienna List; quality of life; test validation; dementia; proxy-rating measurement, 6360
- gingko biloba; donepezil; rivastigmine; galantamine; cognitive function; cholinesterase inhibitors; dementia, 1984
- gist; true & false recognition; semantic associates; semantic dementia; semantic memory loss; object recognition, 23626
- global brain volume; rate of cognitive change; elderly humans with dementia; mild cognitive deficits; callosal size; hippocampal size; grey matter; white matter, 35986
- gonadotrophin releasing hormone; hormone agonist treatment; aggression; Alzheimers disease; dementia, 33214
- health-related quality of life; nursing home placement; dementia patients; caregiver quality of life; family member patients; caregiver health, 35963
- herpesviridae; APOE epsilon 4 gene; APOE epsilon 3 haplotype; education level; cognitive impairment; dementia risk; genetic factors; environmental factors, 26643
- hippocampal sclerosis dementia; frontotemporal dementia; etiology; Alzheimers disease; pathological diagnosis; clinical course, 29788

hippocampal sclerosis dementia; frontotemporal dementia; etiology; Alzheimers disease; pathological diagnosis; clinical course, 29790

hormone replacement therapy; dementia; Alzheimers disease; risk factors; estrogens, 32761

hospitalization; nursing home residents; Alzheimers disease; dementia; hospital admission rates, 30350

immigrant paid caregivers; primary caregivers; caregiver burden; home care, 8589

impaired facial emotion recognition; negative facial emotions; frontotemporal dementia; Alzheimers patient, 32792

inappropriate sexual behaviors; dementia; treatments; behavior disturbances, 32772

individuality; dementia; long term care; long term care; daily practice; caregiving, 32825

innovative practice; dementia care; quality of life; support groups; health care services; social care services, 17296

insight; legal capacity; dementia; patient competency, 1589

integrated treatment approach; cognitive function; dementia; depression; antidepressants; cholinesterase inhibitors, 17341

intellectual disability; dementia; aging people, 32857

intellectual disability; dementia; health care services, 32808

intellectual disability; support staff; dementia; care home settings; quality of life; quality of care, 33430

interactive voice response system; screening; dementia; referral; education, 36001

intergenerational summer program; dementia; preschool children; seniors; educational program evaluation, 27464

intervention program; persistent & delayed effects; competence; healthcare staff; coping strategies; social support; distress; role overload; caregivers; dementia; long term care; daughters, 33419

intervention programme; caregivers; dementia; long term care; mental health; daughter, 17809

intravascular lymphomatosis; progressive dementia; primary angitis; central nervous system; Creutzfeldt Jacob disease; protein, 35960

isoniazid; dementia; drug overdose; drug therapy, 26619

life events; depression; social support; dementia; psychosocial factors, 1660

lithium therapy; dementia; protein inhibition; disease onset; beta amyloid protein; hyperphosphorylated tau protein; drug therapy, 36228

medication strategy; nonmedication strategies; dementia; Alzheimer's Disease, 1642

memory boxes; European Reminiscence Network; memories; dementia; life experiences, 32847

memory gaps; memory deficits; dementia; cognitive neuroscience terminology, 26594

memory loss; coping strategies; dementia, 23572

memory; dementia; terminal decline; pattern-oriented analysis; aging; cognitive development; mortality, 28835

mild cognitive impairment; cognitive factors; behavioral factors; biological factors; neuropathology; Alzheimers disease; dementia, 20575

mild cognitive impairment; dementia; older adults; activities of daily living, 20587

mild cognitive impairment; MCI; definition; diagnosis; amnesia MCI; MCI criteria; dementia; Alzheimer's disease; clinical trials, 32846

mobility; balance; gait; dual task performance; possible dementia; geriatrics; cognitive; Alzheimer's disease, 23617

multiple system atrophy; differential diagnosis; Lewy body dementia; mental health services; visual hallucinations; parkinsonism; venlafaxine, 32818

multisensory environment; clinical staff; staff attitudes; perception of clients; person centered care; older people with dementia, 2089

mutual support; support groups; early-stage dementia; group members, 17570

neuropsychiatric disorders; childhood; autosomal dominant dementia; mutation; prion protein gene; adolescence, 26599

neuropsychological assessment; Alzheimers disease; frontotemporal dementia; semantic dementia; disorder severity, 10956

neuropsychological evaluation; personality disorder; functional decline; diogenes syndrome; cognitive impairment; dementia; psychological assessment, 16904

neuropsychological evaluation; personality disorder; functional decline; diogenes syndrome; cognitive impairment; dementia; psychological assessment, 16905

neuropsychological functioning; driving competence; older persons; early cognitive decline; visual attention; dementia, 20588

NMDA antagonists; blocking excitotoxicity; dementia; acute brain injury; Alzheimer's disease; N-methyl-D-aspartate receptor; NMDA-mediated excitotoxicity, 1847

novel antipsychotics; psychological symptoms; dementia; behavioral symptoms; debates, 36309

nursing home residents; advanced dementia; risk factors; mortality prognosis; survival rate; symptoms onset; predictability, 2236

nursing home residents; advanced dementia; risk factors; mortality prognosis; survival rate; symptoms onset; predictability, 2242

obstinate constipation; plum-stones; rectum; dementia, 4984

optimal scoring scheme; Informant Questionnaire on Cognitive Decline in the Elderly; stroke survivors; dementia, 1652

paid home care; family caregivers; transitions; stress appraisals; psychological well being; dementia, 30328

pain; dementia; treatment; Alzheimers disease; palliative care, 17185

Parkinson's Disease; cognitive predictors; dementia; mild cognitive impairment, 32807

patient care; dementia; behavioral disorder, 24145

personality changes; clinical diagnosis; dementia; Alzheimer's disease, 17251

pharmacological toxicity; serum anticholinergic activity; dementia; anticholinergic load, 33266

phosphorylated tau; mild cognitive impairment; impairment prediction; Alzheimer disease; dementia; cerebrospinal fluid, 26601

physical aggression; nursing homes; screaming; dementia, 30335

positron emission tomography; mild cognitive impairment; frontotemporal dementia; diagnosis; brain disorders; Alzheimers disease, 1577

pre-diagnostic assessment; Alzheimer's disease; dementia; mild cognitive impairment; neuropsychological assessment, 20537

preclinical dementia; mild cognitive impairment; episodic memory; semantic memory; priming; semantic relations; memory deficits, 36019

presenilin mutation; Bavarian family; familial Alzheimers disease; frontotemporal dementia, 10935

pseudo-pseudohypoparathyroidism; juvenile dementia; progressive mental retardation; memory impairment; fibrotic dysplasia; basal ganglia calcification, 16712

psycho-educational group intervention; caregivers; dementia, 17896

psychological symptoms; caregiver burden; norepinephrine; dementia; behavioral symptoms; Alzheimer's disease; pharmacotherapy, 5193

psychosocial symptoms; comorbidity; quality of life; dementia, 23628

public health; European countries; etiology; dementia; elderly; mortality, 35965

quality of life instruments; dementia; psychometrics; disease severity, 24924

quality of life; dementia patients; Alzheimer's disease, 1621

quality of life; psychotropic treatment; Late-Stage Dementia Scale; clinical trial; psychotropic drug treatment, 15617

quetiapine; diabetic ketoacidosis; elderly patient; atypical antipsychotics; dementia, 33284

recognition memory; Parkinson's disease; dementia; cued recall; retrieval deficit hypothesis, 20545

referral patterns; syndromes; frontotemporal lobar degeneration; non-Alzheimer dementia; diagnosis location; Alzheimer disease; client behavior; patient language; specialty clinics, 35972

remote memory; HIV-associated dementia; probable Alzheimers disease; Huntingtons disease; aging; age differences; retrograde amnesia, 1530

residential care; dementia; care homes; family carers; older people; long term care, 21020

resistance strategies; dementia; privacy; nursing home; surveillance, 29803

risk factors; dementia; depression; elderly; epidemiology; psychiatric study, 35355

risperidone; cardiac side effects; bradycardia; treatment; dementia, 11380

risperidone; drug withdrawal; respiratory dyskinesia; dementia; tardive dyskinesia; serotonin dopamine antagonists; spirometry; fibroscopy, 20776

rivastigmine; dementia; Parkinsons disease; cholinesterase inhibitor, 11368

screening; neuropsychiatry; psychomotor tests; HIV Dementia Scale; neuropsychiatry slowing; neuro AIDS; basal ganglia, 26556

self ratings; objective measures; quality of life; early stage dementia, 35987

semantic dementia; corticobasal degeneration; aphasia; number knowledge; verbal mediation, 4955

# Volume 92 SUBJECT INDEX

## Dementia with Lewy Bodies—Serials

dementia with Lewy bodies; Parkinson disease dementia; phenotypes; differential diagnosis; clinical trial designs; treatment options, 10913  
genetic association; APOE4 allele; lipoproteins; genes; Lewy bodies; Alzheimer's disease, 29822  
hypocretin; orexin; dementia with Lewy bodies; excessive daytime sleepiness; hallucinations; REM sleep behavior disorders; narcolepsy, 1583  
olfactory memory; visual memory; Alzheimer's disease; Lewy body variant; recognition memory; remote memory, 4949  
posterior cortical atrophy; Alzheimer's disease; subcortical gliosis; Creutzfeldt Jacob disease; dementia with Lewy bodies; visuospatial processing; visual recognition, 10909  
psychiatric symptoms; neuropathological substrates; dementia with Lewy bodies; visual hallucinations; delusions; depression; Alzheimer's disease, 23624  
single photon emission computed tomography; 3-dimensional stereotactic surface projection; cerebral blood flow; Parkinson's disease; dementia with Lewy bodies; Alzheimer's disease, 23590  
tau protein; cerebrospinal fluid; patients; dementia with Lewy bodies, 17295  
**Democracy—Serials**  
adult civic education; educational forums; national crisis; United States; citizenship; democracy, 31953  
classroom based democratic education; teacher attitudes; power; citizenship; student skill development, 27432  
collective memory; democratic community, 31958  
communication media; democratic society; communication policy; market liberalism, 3791  
community gardening; democratic values; community garden leaders; association; sociability; civic culture, 12212  
constitutional courts; democratic consolidation; judicial decision making; adjudication; minority linguistic rights, 3048  
cynical distance; ideology; capitalism; liberal; democratic; status quo; authority; society; Slavoj Žižek; disavowal; belief; Marxism; Freudian-Lacanian psychoanalysis; fetishism, 10097  
de facto segregation; democratic schools; culture; schooling; school environment; identity; self; curriculum; urban settings, 15227  
deliberative decision-making; democratic decision-making; internal political efficacy, 35153  
democracy; adolescent attitudes; parental education; political discussions; extracurricular activities; individual rights; representative rule; civic equality; personal values; social vigilance, 16318  
democracy; policing; legislation; police community support officers; police officer training, 15527  
democracy; public speaking; rhetoric, 10194  
democratic majorities; Condorcet Jury Theorem; voters, 13507  
democratic values; authoritarianism; significant contributor; self-esteem; threat, 1090  
democratization; belief systems; social structure; leaders; Fidel Castro; Cold War; communist bloc; Kim Il Sun, 22639  
governmental attitudes; disability laws; on-line environment; disability discrimination, 15494  
human rights; democratic country; legal aid; language; moral narratives, 12383  
information and communication technology; deliberative democratic potential; deliberative democracy; e-government, 25796  
integrated model; women's representation; democratic countries, 22734  
laws; legal justification; criminal libel; democracy, 3084  
liberal media myth; media bias; news media; public opinion; political cynicism; liberal bias; pro-democratic bias, 34827  
market economy; contemporary family; economic transformation; social forces; Polish economy; democracy; European Union, 31961  
policy formulation; resource allocation; policy issues; public sector; social systems; AmericaSpeaks, 18374  
political discourse; democratic self-governance; civil rights; values, 3046  
private policing; economic crime; democratic governance; policing functions; private security firms; financial security; accountability, 24851  
public relations; democracy; business studies; voting behavior; pluralism; values; propaganda, 4124  
racial democracy; black social movement; affirmative action policies; African Brazilians, 13446  
racial inequality; human rights; African descendants; African Brazilians; racial democracy, 13436  
racial prejudice; African Americans; racial group violence; Latin American societies; Blacks; racial democracy, 7286  
social situation; African descendant population; African Brazilians; racial inequalities; black movement, 13452

territorial size; federal democracy; unitary democracy; economy, 837  
transnational terrorism; democracy, 19636  
United Nations Peace Operations; democracy; cold war; peace operations, 7232  
**Democratic Party [See Political Parties]**  
**Demographic Characteristics—Serials**  
academic achievement; family relations; parental education; sociodemographic variables, 21350  
addiction treatment; sociodemographic disparities; access to treatment; HIV infection; injection drug users; needle exchange program, 33504  
adolescent risk behavior; structured time-use; interpersonal connections; self-system characteristics; socio-demographics; social support, 10038  
adult couples; planned pregnancy; unplanned pregnancy; demographic factors; psychosocial environment, 25833  
aggressors against women; partner abuse; adult males; prisoners; demographic characteristics; psychopathological characteristics; community treatment program, 17045  
aging; outpatient service use; schizophrenia spectrum disorders; statewide behavioral healthcare system; demographic correlates, 8552  
alerting attention; orienting attention; executive attention; developmental properties, 691  
American Association of Marriage and Family Therapy; bivariate relationships; annual income; professional identity; geographic locale; race; community size, 24242  
animal cruelty; incarcerated individuals; childhood experiences; demographic characteristics, 13988  
anorexia nervosa; death; demographic characteristics; diagnostic characteristics, 23452  
biomarkers; health; lifestyle; demographic variables; reaction time performance; correlates; age differences, 9574  
body dysmorphic disorder; demographic characteristics; family history; phenomenology; comorbidity, 29686  
breast cancer screening; cross cultural differences; Asian American women; demographic correlates, 35949  
bullying victims; self identification; demographic characteristics, 32512  
bullying; bullying victimization; family factors; internalization; externalization; elementary school students; demographic characteristics; parenting factors; peer relations; psychosocial development, 30768  
business ethics; attitudes; Russian business students; demographic groups; gender; tobacco use; stockholder; year in school; course in business ethics, 21407  
centrality; team networks; social exchange; demographic characteristics; social networks; personality traits; personal values, 10274  
child abuse; physical abuse; sexual abuse; characteristics, 20189  
child care quality; child outcomes; child development; demographic variables; quality of care, 31784  
childhood development outcomes; parents disciplinary practices; parental practices; family intervention; demographic factors; grid-group theory; culture, 13500  
childhood traumatic grief; demographic characteristics; trauma exposure; coping strategies; psychiatric symptoms; self esteem; September 11 attacks, 26105  
children's suggestibility; demographic factors; cognitive factors; psychosocial factors; family factors, 10003  
childs perspective; demographic measures; family size; siblings; family relations; siblings, 31799  
cognitive impairment; response accuracy; response consistency; demographic characteristics, 20589  
college students cheating behavior; problem behaviors correlates; demographic characteristics; gender differences; academic dishonesty, 35624  
communication technology; ethnic group; Whites; Blacks; Hispanics; demographics; media use, 19346  
community treatment orders; involuntary treatment; psychiatric patients; health care use; sociodemographic characteristics; community based services; supportive housing, 17845  
companion animals; self reported health; older women; women health; demographic characteristics, 25749  
complaint symptoms; psychiatric symptoms; sociodemographic characteristics; health care practices; depression; tension, 16694  
condom use; self-efficacy; Latinos; demographic characteristics, 10231  
consumer-behavior; intimate partner violence; womens experiences; demographically diverse group, 14020  
corporal punishment; growth trajectory; antisocial behavior; race differences; family & child characteristics, 29475  
crime; theft; victim characteristics; offender characteristics; demographic characteristics, 14068  
cross-cultural comparison; workplace stressors; coping; demographic characteristics; physical health; mental health; nurses, 14951

## Demographic Characteristics—Serials

cumulative trauma disorders; physical & sensory impairments; workplace discrimination; employment discrimination; demographic characteristics; merit resolutions, 32671  
customer profitability; financial services firm; customer characteristics; persistence; demographics, 6062  
cybersex participants; Internet; online sexual activities; sexual talk; demographic characteristics; sexuality, 29011  
decline; Protestant majority; immigration; attrition; intergenerational pattern, 31978  
delinquent behavior; incarcerated youth; demographic characteristics; educational characteristics; at risk populations; risk factors; correctional facilities, 30441  
dementia; ethnic differences; caregiving stressors; sociodemographic variables; perceived physical health; depressive symptoms; White; Hispanic; African American; caregivers, 33428  
demographic and sleep characteristics; nursing home residents; cognitive impairment; severe sleep-wake pattern inefficiency, 36008  
demographic characteristics; academic profile; psychological profile; counseling services; university students, 36941  
demographic characteristics; incarcerated youth; disabilities; juvenile justice; parole, 36580  
demographic characteristics; treatment history; drug risk behaviors; condom use attitudes; injection drug users; sexual risk behavior; HIV; alcohol abuse; drug rehabilitation; alcohol rehabilitation, 20261  
demographic diversity; misfit effects; quick service restaurants; turnover risk; profitability; age; race; sex; multi-level model, 18446  
demographic effects; middle level managers; guidance; national culture characteristics; social identity; vertical influence; socialization; national variability, 18433  
demographic factors; Big Five personality dimensions; subjective well being, 22881  
demographic factors; domestic violence; pregnancy; low income women; psychological factors; relationship factors; verbal aggression, 7869  
demographic factors; online computer games; gender differences; age differences; marital status; nationality; education level; occupation, 607  
demographic influences; aging; communities; executive functioning; gerontology, 18671  
demographic shift; aging; health care policy; needs; institutional care; nursing facilities; population issues; family issues; medical and technological issues, 11014  
demographics; health status; psychosocial strategies; physical activity; health promotion; intervention; audience segmentation, 30199  
demographics; personal variables; achievement; eighth grade students; algebra; student attitudes, 11916  
demography; clinical characteristics; inpatient treatment; bipolar disorder; psychiatric hospital, 1199  
depression; ethnically diverse older women; demographic & cognitive factors; ethnic minorities; depressive symptomatology; income; widowed status, 1191  
depressive symptomatology; pregnancy; demographic characteristics; bio-psychosocial characteristics; at risk population; Singaporean women, 7660  
diabetes management; developmental differences; verbal memory; memory; demographic factors; ethnicity; socioeconomic status; age, 1534  
diabetes management; metabolic outcomes; group educational program; biomedical factors; perceptual factors; self perceived role, 33312  
diagnostic validity; Wechsler Adult Intelligence Scale-III; traumatic brain injury; test validity; demographically corrected norms; classification, 28057  
dissimilarity; self-categorization theory; self-enhancement; uncertainty reduction; demographics; individual identification; group prototype; perceptions; valence; clarity, 977  
diversity management; sociodemographic differences; work organization; service organizations, 27620  
drug users; sociodemographic characteristics; narcotics; drug addiction; demographic factors; changes in Turkey; socio-psychological reasons; peer pressure; economic reasons; hashish, 20266  
elderly population; fertility; mortality rate; life expectancy; social services, 34976  
employment counselors; older workers; demographics; employment; career development; trends, 27630  
employment services; psychosocial rehabilitation; Project KEEP; HIV; AIDS; demographics, 26541  
environmental preferences; mood states; demographic factors; natural environment; individual differences, 37194  
epidemiology; trauma; American Indian; demographic correlates; racial and ethnic differences, 22967  
Estonian women; depressiveness; sociodemographic correlates; epidemiology; societal change; mental health, 29320

- ethnic group origin; Israeli women; mental health; social demographic strata; social support; health status; education; economic difficulties, 31985
- evidence based interventions; individual clients; demographic factors, 20923
- family system; demography; illness knowledge; quality of life; HIV, 32952
- family therapists; marriage therapists; evidence-based therapies; demographics; practice patterns, 14998
- fatherhood; socio-demographic factors; child care; recreation, 19714
- fatigue; traumatic brain injury; demographic factors; injury related factors; mood; lifestyle, 32865
- fear prevalence; university students; student sex; birthplace, 16633
- feminist self identification; gender attitudes; sociodemographics; United States, 29000
- financial problems; divorce; demographic characteristics, 35116
- fruit intake; stage transitions; demographic characteristics; stability; adults; Transtheoretical Model, 25982
- gerontology; holocaust experience; storytelling; life span; distress; older adults; psychosocial factors; life stories; holocaust survivors; human nature, 19637
- God; attachment; older adults; psychosocial factors; demographic factors; religiosity, 7263
- hearing impairment; deaf; hard of hearing; general disability; deafness; workplace; employment discrimination; allegations filed; demographic characteristics, 32871
- hospital admissions; educational level; marital status; sociodemographic factors; postpartum psychosis; age differences, 35506
- illness perceptions; coronary heart disease; sociodemographics; severity; history; vicarious experience; psychosocial correlates, 35950
- immigrants; psychiatric patients; in-patient care; sociodemographic characteristics; clinical characteristics; care utilization, 24156
- impaired driving; motor vehicle crashes; Swedish youth; drivers sociodemographic characteristics; alcohol; drugs, 30999
- individual characteristics; city structural characteristics; self employment differences; Chinese; Japanese; Filipinos, 27633
- infant feeding practices; prenatal intention; initial breastfeeding experiences; demographic characteristics; intentions to work, 16476
- intellectual disabilities; developmental disabilities; state institutions; state expenditures; population; trends, 20950
- intelligence; neuropsychology; pedophilia; sex offenders; sexual abuse; IQ; sexual offense characteristics, 29462
- internet-based instruction; research-based guidelines; college students; computer skills; attitudes; demographic characteristics; age; sex; regional differences, 30634
- job satisfaction; demographic characteristics; youth development organization employees, 37074
- juvenile delinquency; developing country; offensive behavior; socio demographic characteristics; educational levels; insufficient parental control, 35742
- leisure activities; older employed professionals; future; retirement; sociodemographic factors; occupation; professional activities, 24418
- life meaning; health; mortality rates; social support; coping behavior; demographic characteristics; self efficacy; religion, 25963
- lifestyle; traditional news media; online news adoption; demographics; online news attributes; traditional news media usage, 31766
- maladaptive behaviour patterns; inner meaning fulfillment; demographic variables; age differences; ethnicity; educational background, 24522
- married muslim women; oral contraceptives use; women intentions; theory of planned behavior; demographic variables, 22742
- Men in Australia Telephone Survey; reproductive health disorders; middle-aged & older Australian men; health behavior; health-related knowledge & beliefs; sociodemographic factors; health; lifestyle, 32713
- mental health service use; mental health care; mental health problems; vulnerable youths; American families; geographic variation, 33373
- mental health services; attitudes toward help seeking; mental health service utilization; rural environment; age; education; gender, 17852
- mental illness; co-morbid personality disorders; demographic factors; psychiatric bed use; inpatient psychiatric services, 10082
- methylphenidate; illicit drug use; demographic differences; high school students, 10039
- middle school students; victims; bullying; school climate; demographic factors; attitudinal factors, 4691
- migrant Indian man; migrant Indian woman; English language proficiency; social class; educational status; gender; power relations; interview, 28159
- military fitness class; sociodemographic factors; quality of services; psychological problems; alcohol use; drug use; mental health service, 10435
- models; psychiatric emergency service; mental health system; demographic variables; socioeconomic variables; patient volumes, 27125
- motivation; remote work; demographic dissimilarity; social network centrality; impression management; organizational behavior, 33997
- multiple sclerosis; depression; vulnerability; variability; chronic fatigue; spinal-neuromuscular conditions, 17165
- neuropsychological assessment; Asian Americans; ethnic minority groups; demographic factors; cultural diversity, 6805
- obese children; parental perceptions; child weight; demographic factors, 23427
- obesity; risk factors; premenstrual syndrome; menstrual cycle, 35885
- offenders willingness; alternative sanctions; demographic impact; correctional experience; attitudinal indicators; probation amount; community service; boot camp; offenders perceptions, 36589
- optimism; social network richness; submissive behaviors; well-being; demographic variables, 35203
- organic food; food choice; consumption; natural food; consumer attitudes; motivation; demographic factors; behavioural factors, 4280
- organizational culture; self categorization theory; demographic differences; cooperation with coworkers, 27112
- panic disorder; menopause; disease course; climacteric stage; demographic variables; risk factors, 13931
- panic disorder; phenomenology; anxiety; demographic characteristics; clinical characteristics, 4565
- permanent state employees; employee attitudes; age differences; education level; household size, 2836
- personality; behavioral correlates; occupational accident proneness; demographic factors, 33912
- postpartum depression; psychosocial variables; demographic variables; pregnancy, 13872
- postpartum depression; Turkish women; marital adjustment; demographic characteristics, 23033
- problem behaviors; risk factors; gambling; substance use; alcohol misuse; juvenile delinquency; sociodemographic factors; individual factors; socialization factors; adolescents, 29451
- protest participation; parental socialization; biographical availability; demographics, 10198
- psychiatric factors; suicide risk; demographic characteristics; criminal characteristics; prisoners; risk factors, 17949
- public school students; demographic characteristics; adolescent beliefs; social influence; cigarette sources; obtaining alcohol; commercial sources; social sources, 25717
- randomized controlled trials; psychotherapy; outpatients; mental disorders; patient demographic information, 14350
- registered nurses; employment setting; workplace; rural areas; nursing; work satisfaction; demographics; remote Canada, 36706
- rehabilitation counselor educators; demographic characteristics; rehabilitation counseling, 2496
- religiosity; smoking; exercise; obesity; gerontology; Southern communities, 28841
- road rage; victimization; perpetration; demographics, 30998
- rural mental health services; geographic barriers; climatic barriers; mental health clinicians; ethical changes, 18083
- school characteristics; social contact theory; cross ethnic friend nomination; African Americans; Latinos; Asian-descent; Whites; socioeconomic status; academic disparities, 21401
- sex offenders; spatial patterns; offender characteristics; modus operandi variables; distances traveled; criminal behavior; typologies, 29560
- sexual assault perpetration; risk factors; perpetrator characteristics; peer influences; beliefs; attitudes; sexuality; alcohol use; token resistance, 35736
- sexual assault; psychiatric diagnoses; sociodemographic variables; help seeking behavior; posttraumatic stress disorder; major depressive episode; women, 23680
- sexual minority individuals; legal document execution; wills; powers of attorney; hospital visitation authorization; characteristics, 12390
- sexually violent predators; sexual offenders; committed psychiatric patients; secure state forensic hospital; psychopathy; clinical differences; demographic differences, 8626
- sibling constellation; sibling demographic differences; family structure; creativity; birth order, 16602
- social demographics; school; neighborhood; parenting; academic achievement; Latino young adolescents; social environment, 24490
- social status; children; psychological well being; socioeconomic status; gender; race; ethnicity; stress; life course; preadolescence; early adolescence, 3829
- student perceptions; quality of life; middle school students; family; living environment; friends; demographic variables; school experiences, 27547
- subjective well being; culture; personality; demographics; cross cultural differences, 31817
- subjective well-being; American ethnic group; group culture; personality, 7595
- suicidal ideation; Turkish adolescents; sociodemographic factors; risk factors; school achievement; anxiety depression, 35645
- suicide attempts; schizophrenia; affective disorders; clinical characteristics; demographic characteristics, 13801
- suicide ratios; sociodemographic factors; occupational status; gender differences; marital status; suicide risk, 35608
- syphilis; social change; sociodemographic factors; health status indicators; incidence, 1538
- teaching of financial tasks; money management; parental modeling; financial role transfer; responsibility; young adults; demographic variables, 19698
- television documentary; media influences; suicide; Israeli population; suicidal behavior & methods; demographic characteristics; suicide victims, 14017
- Third International Mathematics and Science Study—Repreat; TIMSS-R; mathematics achievement; student level; class level; school level; student characteristics; 8th grade students; Belgium, 30737
- Third International Mathematics and Science Study; TIMSS 1995; TIMSS 1999; cross cultural differences; mathematics performance; instruction environments; background characteristics; 8th grade students, 30725
- tobacco use; early epidemic stages; demographic patterns; socioeconomic patterns, 32065
- traumatic brain injury; workplace discrimination; employment discrimination; Americans; demographic characteristics, 32821
- unobserved population heterogeneity; factor mixture models; observed source covariates; longitudinal analysis; adolescent development, 15736
- violent behavior; perpetration; at risk population; demographic background; personality; problem behavior, 4686
- violent offenses; juvenile sex offenders; demographic characteristics; psychosocial characteristics; male offenders, 29576
- violent police behavior; police personnel characteristics; citizens' characteristics; situational circumstances; theories; methods of control, 31053
- visuo-perceptual tasks; demographic effects; error analysis; education level; literacy; search strategy; African American elders, 28260
- warden perceptions; prison sex; sexual assaults; institutional characteristics; demographic variables; consensual sexual activities, 36585
- wardens perceptions; inmate fear; sexual assault; demographic factors; institutional factors, 36586
- women; prisoners; employment history; needs; demographic characteristics, 27207
- work interference with family; family interference with work; work factors; nonwork factors; demographic factors; work family conflict; gender; marital status, 37047
- workaholic; working hours; employee attitude; motivation; demographic factors, 5985
- workplace discrimination; disfigurement; demographic characteristics; disfigured Americans, 32720
- workplace discrimination; HIV; AIDS; employment discrimination; demographic characteristics, 32730
- young workers; mental health; psychological symptoms; psychosocial support; coping; sociodemographic characteristics, 24644
- Zarit Burden Interview; Korean version; psychometric properties; caregiver characteristics; caregiver burden; reliability; validity; factor structure; Korea, 34213

**Demographic Characteristics—Chapters**

Collaborate With Whom? Clergy Responses to Psychological Characteristics, 20850

Demographic correlates, 20250

Effect of Individual Variables, 3222

Who Is at the Door? The Demography of Higher Education in the 21st Century, 18121

Demonic Possession [See Spirit Possession]

Demonstrations (Social) [See Social Demonstrations]

**Dendrites—Serials**

cell dendritic morphology; algorithmic description; hippocampal granule cell; dentate gyrus granule cells; neurons; statistical details; computational neuroanatomy; stochastic models, 31279

dendritic spines; long-term plasticity; memory; long-term memory; morphological changes, 22287

# Volume 92 SUBJECT INDEX

## Dendrites—Serials

functional neuroanatomy; neuronal morphology; dendritic architecture; synapses; brain; automatic geometric reconstruction; neuronal structure; confocal image stacks, 25382

lamina-specific reductions; dendritic spine density; prefrontal cortex; schizophrenia; prefrontal pyramidal neurons; cortical layers, 26188

pyramidal neuron morphology; inducible knockout; brain derived neurotrophic factor; dendritic spine; prefrontal cortex; schizophrenia; messenger ribonucleic acid; genes, 26181

pyramidal neurons; cerebral cortex; dendritic input; somatosensory cortex; dendritic depolarization; rats, 3616

### Dental—Serials

coping; stereotype threat; denial; impression management; African Americans; Whites; Asians; temporary employees; incompetence; older adults; students, 29109

dental function; schizophrenia; picture completion test; deception; Minnesota Multiphasic Personality Inventory, 7756

denial; suicide survivors & victims; warning signs; suicide risk; suicidal ideation; treatment; prevention, 14004

liars; truth tellers; cooperation; denials; personality traits; justifications, 13731

sex offenders; denial; offending behavior; adult male sexual offenders; prisons, 21071

suicidal denial; religiousness; Idaho; suicide deniers, 33011

### Density (Social) [See Social Density]

### Dental Surgery—Serials

acupuncture analgesia; dental surgery; expectancy; placebo, 30152

acupuncture analgesia; dental surgery; expectancy; placebo, 30162

dental surgery; acupuncture analgesia; expectancy; placebo, 30150

### Dental Treatment [See Also Dental Surgery]—Serials

Dental Anxiety Scale; salivary cortisol; dental fear; periodontitis therapy, 18794

dental general practitioners; dental services; disabled patients; dentist attitudes; health care services, 2489

dental practice; dentists attitudes; self efficacy; informed consent; replication study, 5715

dental services; mental retardation; Medicaid program; health care services; health insurance; dental services needs, 8538

dental visits; adult smokers; adult non smokers; oral diseases; dental care use, 36403

hypnopuncture; dental treatment; gag reflex; hypnosis; acupuncture, 17736

long-term therapeutic treatment; severe gag reflex; dental treatment; hypnosis; acupuncture; Hypnopuncture, 17169

oral health practices; adolescent attitudes; Israel; dental visits; tooth brushing; flossing, 30219

### Dentist Patient Interaction [See Therapeutic Processes]

### Dentistry—Serials

dental practice; dentists attitudes; self efficacy; informed consent; replication study, 5715

dental services; mental retardation; Medicaid program; health care services; health insurance; dental services needs, 8538

early childhood caries; socioeconomic status; environmental determinants; oral health inequalities; dental caries; oral hygiene; inner-city children, 20009

oral health practices; adolescent attitudes; Israel; dental visits; tooth brushing; flossing, 30219

Revised Iowa Dental Control Index; test reliability; test validity; psychometric properties; dental situation, 12533

tobacco research; nicotine research; cessation intervention; dentistry; telephone quit lines, 24186

### Dentists—Serials

dental general practitioners; dental services; disabled patients; dentist attitudes; health care services, 2489

### Deoxycorticosterone—Serials

sodium appetite; sodium preference; deoxycorticosterone acetate; procurement fixed ratio; operant conditioning; rats, 12954

### Deoxyglucose—Serials

deoxyglucose; plasma catecholamines; glucose levels; schizophrenia; norepinephrine, 8288

### Deoxyribonucleic Acid—Serials

forensic DNA evidence; travel pathways; chain of custody; gestalt continuity; communication, 28192

jumping DNA; RNA; neural development, 28433

quantitative trait loci; genotyping; pooled DNA; genome screen; single nucleotide polymorphisms, 398

schizophrenia; epigenetic regulatory system; ligand-activated nuclear receptors; gene transcription; chromatin therapeutics; DNA; implications for drug therapeutics, 13916

single nucleotide polymorphisms; preamplified DNA; allelic distribution of genomic DNA; monozygotic twins, 403

## Deoxyribonucleic Acid—Chapters

Molecular Structure of Nucleic Acids: A Structure for Deoxyribose Nucleic Acid, 12981

Psychiatry in the Genomic Era, 12974

### Dependency (Drug) [See Drug Dependency]

### Dependency (Personality)—Serials

acute and severe psychosis; recovery; dependency; self-criticism; efficacy; personality dimensions, 4541

chimpanzees; personality; dominance; extraversion; dependability; agreeableness; emotionality; openness, 15981

co twin dependence; social interactions; academic achievement; twin siblings; leisure time activities; educational attainment, 31887

gender differences; interdependent orientation; relationally interdependent; collectively interdependent; trust; social identity, 22837

interpersonal dependency; child abuse perpetrators; victims; personality traits; pathology; distress, 20192

mood fluctuations; dependency; self criticism; mood disturbance duration, 7601

schizophrenia; learned helplessness; dependence; disorder recovery; hospitalized patients; deinstitutionalization, 32373

social skills; major depression; mood disorders; personality disorder; interpersonal dependency, 4482

### Dependency (Personality)—Chapters

Conceptualizing dependency, 13752

Context-specific deficits and strengths, 13739

Dependency across the life span, 13305

Healthy and unhealthy dependency, 13850

Quantifying dependency, 13738

The Rorschach Oral Dependency Scale, 15633

### Dependent Personality Disorder—Serials

couple therapy; dependent personality disorder; intimate relationships; treatment outcome, 8248

### Dependent Personality Disorder—Books

The dependent patient: A practitioner's guide, 14353

### Dependent Personality Disorder—Chapters

Approaches to treatment, 14377

Assessment, 13961

Diagnosis, 13960

An integrated treatment model, 14376

Specialized treatment issues, 14378

### Dependent Variables—Serials

dependent variable; episodic severity; challenging behavior; applied behavior analysis, 11137

### Depersonalization—Serials

dissociative disorders; psychogenic amnesia; fugue; dissociative identity disorder; depersonalization disorder; conversion disorder; hysteria, 32317

hemi-depersonalization syndrome; obsessive compulsive disorder; psychotic reaction; delusions, 16750

schizotypy; dissociation; depersonalization disorder, 10501

social anxiety; depersonalization; social phobia, 35401

### Deployment (Military) [See Military Deployment]

### Depression (Emotion)—Serials

active neurosteroid; allottetrahydrocorticosterone; long term potentiation; rat hippocampus; depression syndrome, 3702

adolescent development; adolescent personality; environmental risk; maladjustment; behavior problems; depressed mood; protective factors; major depression; school achievement; self esteem, 7120

adolescent substance use; sexually abused girls; depressive self-concept; behavioral under-control, 35655

adult attachment; depressive symptoms; validation; self-reinforcement; anxiety; model; reassurance, 29049

age differences; depression; marital processes; marital satisfaction; marital quality, 13465

anxiety; depression; antenatal; postnatal; mothers; infant negative behavioral reactivity, 7107

anxiety; depression; quality of life; cleft lip; cleft palate; mothers, 35919

attachment style; excessive reassurance seeking; couple relationship processes; depression, 13626

attributional style; personality traits; traitness; metatraits; depressive symptoms, 10313

audience evaluation; social anxiety; depression; facial crowds; emotions; social phobia; comorbid depression; evaluation ratings; decision latencies; mixed facial displays, 19984

bereavement; written disclosure; vagal tone; depression; respiratory sinus arrhythmia; emotions, 14217

body fat; depression; mood changes; exercise; older women, 16600

body objectification; disordered eating; depressed mood; gender differences, 1471

boundary ambiguity; coping patterns; depression; epileptic children; mothers; child care, 36493

caregiver differences; Alzheimers disease; loss experience; grief reactions; depressive symptoms; dementia; bereavement; stages of disease, 14802

caregiver stress; well being; depression; moods, 11542

## Depression (Emotion)—Serials

cognitive behavioral therapy; inflammatory bowel disease; depression; physical illness; adolescents; global psychological functioning; social functioning; physical health, 8231

corticosterone; depression-like behavior; predator odor test; open field test; forced swim test; defensive behaviors; anxiety; rats, 6858

dementia; caregivers; long term care; early behavior problems; depression; institutionalization; caregiver burden, 17895

depressed mood; cardiovascular exercise program, 36281

depressed mood; delinquent behavior; family conflict; anger; adolescents; gender differences, 7158

depressed mood; social support; Romanian adolescents; gender; self efficacy; stressors, 25969

depression symptoms; predicting drug abstinence; substance abuse treatment; outpatient; demographic characteristics, 30374

depression; anxiety; attempted suicide; psychological defense; subliminal perception; object-relation images, 1344

depression; anxiety; pain; juvenile idiopathic arthritis, 29679

depression; anxiety; sleep disturbances; sleep complaints; sleep problems, 28354

depression; smoking; peer relation, 13876

depression; Turkish college students; gender differences; problem solving; social support; submissiveness, 32181

depressive mood; occupational stress; mental health case managers; age differences; mental health agencies, 2498

depressive realism; outcome density bias; contingency judgments; instrumental actions; depressed mood; cognitive distortion, 9605

depressive symptoms; aging; individual differences, 7183

depressive symptoms; cigarette use; African American adolescents, 13285

depressive symptoms; experimental smoking; intention to smoke; youth ethnic groups; depression; Chinese American; Hispanic; Latino; Persian; Iranian; White, 22582

depressive symptoms; gender differences; African American adolescents; low income level; interpersonal stressors; ruminative coping, 7121

divorce; life experiences; midlife; women; depression; coping behavior; health promotion, 35120

emergency ambulance personnel; emotional distress; post traumatic stress disorder; anxiety; depression, 36766

emotion-congruent attentional biases; hierarchical models; emotional disorders; anxiety; depression, 13733

emotion; self criticism; self resilience; cognition; depression, 22914

emotional support; conflict; depression; relationship satisfaction; romantic partner, 10266

estrogen levels; progesterone levels; menstrual cycle; anxiety; depression; premenstrual dysphoric disorder; blood plasma, 8035

fear of cognitive dyscontrol; alcohol abuse; alcohol drinking patterns; anxiety sensitivity; depression, 26339

fear; anxiety; depression; lactation; animal pregnancy; physiological changes; corticotropin releasing factor; hypothalamic pituitary adrenal function; urocortin; peptides; maternal aggression, 34627

health related quality of life; coronary artery disease patients; structural equation modeling; depression; anxiety symptoms, 23545

high quality daycare; low income children; maternal depression; poverty; early intervention; child developmental outcomes, 25594

illness experiences; women; fibroids; psychological distress; anxiety; depression, 10838

individual factors; smoking status; health care access; physician advice trust; depressive symptoms; smoking cessation; health care utilization, 33499

late life widowhood; coping; depressive feelings; gender differences, 28828

maladaptive perfectionism; adult attachment; self-esteem; college students; depression, 18348

male depression; general practice; associative factors; depressive symptoms; diagnosis, 10552

married Korean women; depression; work role; coping patterns, 7382

maternal attributes; maternal perceptions; postpartum depression; depressed mood, 20086

mathematics; self concept; depression; university education; education majors, 18220

mismatched couple; dating couples; relationship functioning; depressive symptomatology; romantic relationship, 33000

mood assessment; impulsivity; ecstasy use; depression, 14062

negative cognitions; cognitive style; depressive symptoms; daily stressors; prediction, 16617

negative emotion; close relation; dating couples; emotional transmission; depression; assortative mating, 10282

negative mood regulation expectancies; depressed mood; individual differences; incremental validity, 29141

# Volume 92 SUBJECT INDEX

## Depression (Emotion)—Serials

obsessions; compulsions; perfectionism; trait anxiety; depressed mood; responsibility, 32177  
parental bereavement; predictors; death of child; depression; grief; risk factors; adjustment, 35324  
parental rejection; adolescent depression; aggression; sex differences; age differences; withdrawal behavior, 25679  
physical health; caregiving women; depressive symptoms; family members; psychological well being, 30325  
primary prevention program; program evaluation; fifth grade school children; eating behavior; body image; weight concern; emotional well being; self esteem, anxiety; depression, 26948  
puberty; peer victimization; ethnicity; internalizing symptoms; self worth; depressed mood; distress; ethnic minority adolescents, 19998  
religiosity; unipolar depression; religious functioning; christian community, 32955  
resilience; loss; bereaved spouses; bereaved parents; bereaved gay men; depression, 22862  
response styles; theory of depression; causal mediation; depressive symptoms, 34470  
school counselors; depression; ecological approach; children; adolescents, 18320  
self silencing; depression; gender differences; personality; sociocultural factors; self concealment; self esteem; masculinity; personality traits, 32186  
social support; depression; organizational productivity; work-stress, 18444  
street violence; adolescent violence; depression; well being, 25685  
subjective religiosity; depression; social support; stress exposure; gender differences, 31867  
valence manipulation; arousal components; mood states; autobiographical memory; memory specificity; overgeneral memories; depressed mood, 15918  
war; mental health; refugees; depression; post traumatic stress disorder; traumatic events; gender differences; Kosovar refugees, 4553  
work-family conflict; positive spillover; dual earner couples; longitudinal effects; depressive symptoms; crossover effects; emotion transmission; work stress; spousal depression; depressed spouse, 21607  
worry; rumination; repetitive thought process; anxiety; adolescent attitude; depression, 4349  
**Depressive Reaction (Neurotic)** [See Major Depression]  
**Deprivation** [See Also Cultural Deprivation, Food Deprivation, Sleep Deprivation]—Serials  
child well-being; economic deprivation; economic conditions; policy implications, 2201  
developmental amblyopia; brain cells; visual deprivation; early deprivation; childhood development, 34388  
forensic psychiatric need; urban areas; rural areas; material deprivation; forensic admission rates; service utilisation, 36433  
policemen; psychological disengagement; self-esteem; relative deprivation, 24848  
social comparison; relative deprivation; ethnic minorities; ingroup members; outgroup members; majority members; self-esteem; life satisfaction; group identification, 16580  
**Depth Perception** [See Also Stereoscopic Vision]—Serials  
associative grouping; associative processes; attention; segregation; motion ambiguity; top down processing, 21995  
binocular depth perception; temporal frequency; temporal correlation; dynamic random dot stereograms, 21994  
binocular disparity; judgments; time to contact; depth information; size arrival effect; familiar size, 25111  
child drawings; three dimensional models; two dimensional models; depth cues; noncanonical orientations, 9980  
depth perception; second-order motion; head movement; stimulus pattern; visual system, 3353  
motion parallax; eye movements; ethanol intoxication affects; depth perception; retinal motion, 6865  
object interpolation; object perception; three dimensional displays; spatial orientation, 28220  
phantom stereopsis; visual processing; depth perception; binocularly unmatched features, 22008  
vertical disparity gradients; depth curvature, 31347  
visual stability; depth perception; concomitant motion perception; motion parallax; head movements; velocity, 28232  
**Depth Psychology**—Serials  
active imagination; depth psychology; visualized mental imagery; dreams; art; image-based psychological activity; transference; countertransference, 20735  
applied analysis; public opinion; depth psychology; national affairs; large group trials, 14488  
internal conflicts; depth psychology, 13754  
transactional analysis; unconsciousness; depth psychotherapy, 29906  
**Depth Psychology—Chapters**  
Developmental Research, 13210

## Dermatitis—Serials

Dennis Brown; dermatology; psychiatry; psychotherapy; dermatitis; psychoanalysis, 24241  
fasciitis panniculitis syndrome; complex regional pain syndrome; thumb; dermatitis; epidermal hyperkeratosis; inflammation, 20439  
long-term psychological treatment outcome; atopic dermatitis; group treatment programs; relapse prevention; treatment effectiveness, 1699  
psychogenic dermatitis; hypnosis; ideomotor questioning; direct suggestions; numbness, 14621  
vulvodynia; chronic burning; chronic pain; vulva; chronic vulval symptoms; tricyclic antidepressants; irritant dermatitis, 4867  
**Dermatomes** [See Cutaneous Receptive Fields]  
**Desegregation** [See Social Integration]  
**Desensitization (Systematic)** [See Systematic Desensitization Therapy]  
**Design (Experimental)** [See Experimental Design]  
**Design (Man Machine Systems)** [See Human Machine Systems Design]  
**Desipramine**—Serials  
chronic treatment; clomipramine; desipramine; long term visuo spatial memory; rats; antidepressants; working memory; monoamine-reuptake-inhibitors, 13096  
cocaine dependence; desipramine treatment; methadone; buprenorphine; baseline urine; opioid dependence, 17661  
selective norepinephrine reuptake blocker; cocaine self-administration; monkeys; atomoxetine; animal model; methylphenidate; desipramine; abuse liability, 584  
**Desirability (Social)** [See Social Desirability]  
**Desires** [See Motivation]  
**Detection (Signal)** [See Signal Detection (Perception)]  
**Detention (Legal)** [See Legal Detention]  
**Determinism**—Serials  
disadvantaged groups; astrology; prejudice; stigmatized groups; paranormal determinism; ethnic groups, 4278  
plain person; free will; determinism; consciousness, 15954  
plain person; free will; determinism; consciousness, 15955  
reasoning; determinism; epiphenomenalism; free will, 15952  
**Detoxification**—Serials  
clinical predictors; naltrexone; alcoholic patients; psychotherapy; detoxification, 23902  
detoxification centers; length of stay; alcoholism; drug abuse; drug detoxification; alcohol detoxification, 17927  
drug cessation; loneliness; drug abusers; detox centers; methadone maintenance; men, 2320  
fear during alcohol detoxification; environmental setting of detoxification; physical consequences of withdrawal; medication; living without alcohol, 33468  
opiate detoxification; arrestees; inmates; clonidine; jail management; drug abuse, 14876  
opiate withdrawal syndrome; benzodiazepine dependence; benzodiazepine withdrawal; detoxification treatment; opiate dependence, 5545  
outpatient opiate detoxification; abstinence-contingent incentives; treatment outcomes; opiate abstinence; cocaine abstinence; monetary vouchers, 5551  
oxcarbazepine; alcohol detoxification; drug therapy; treatment evaluation; carbamazepine, 26344  
oxcarbazepine; alcohol relapse prevention; detoxification; drug tolerability; drug efficacy; drug therapy, 8647  
parenteral thiamine; alcohol detoxification; Wernicke-Korsakoff syndrome; prevention; treatment, 36550  
parenteral thiamine; alcohol detoxification; Wernicke-Korsakoff syndrome; prevention; treatment, 36555  
reinforcement based therapy; outpatients; drug free treatment; heroin abusers; residential detoxification; abstinence, 33484  
substance abuse; comorbidity; posttraumatic stress disorder; detoxification; group counseling; cognitive behavioral therapy, 35346  
withdrawal symptoms severity; Anesthesia-Assisted Rapid Opiate Detoxification Procedure; treatment effectiveness, 24210  
**Developing Countries**—Serials  
developed countries; global tobacco research; smoking prevalence; tobacco control; developing countries, 32062  
family medicine; Latin America; family physicians; primary health care, 5445  
happiness; life satisfaction; industrialized countries; perceived happiness, 4331  
information technologies; communication technologies; children; industrially advanced countries; child development; ergonomics, 25711  
national character; homicide; suicide; industrialized nations; big five factors, 32495  
poverty; children; intellectual disabilities; life course; parent; family functioning; health; mental health; well being, 10774

## Developing Countries—Chapters

schizophrenia; developing countries; developed countries; caregiver burden; expressed emotion; cross cultural differences, 35495  
terrorism; developed countries; developing countries; human rights; United Nations, 26398  
**Developing Countries—Chapters**  
Historical Trends in Patterns of Time Use among Young Adults in Developed Countries, 13311  
**Developing Countries—Serials**  
child labor supply; family farms; economic factors; developing countries, 35015  
Christianity; Africa; African Independent Churches; Pentecostal-Charismatic Churches; globalization; modernity; religion; African societies; Africanization; anthropology, 874  
crime; social interactions; developing country; criminal behavior, 26385  
depression; anxiety; poverty; medicalize; medical model; medical intervention; developing countries, 4459  
developed countries; global tobacco research; smoking prevalence; tobacco control; developing countries, 32062  
developing countries; health professional training; Child and Adolescent Mental Health Services; staff education; India, 24290  
environmental education; developing countries; school teachers; environmentalist; ecologist; educationist; environmental attitudes, 24425  
environmental psychology seminar; environmental issues; developing countries; crowding urbanization; disasters, 24771  
ergonomics; safety at work; health at work; industrially developing countries; International Labour Organization; occupational safety; occupational health; local solutions; safer workplaces, 27745  
family medicine; Ecuador; developing countries; primary health care; medical education, 5394  
family medicine; Latin America; family physicians; primary health care, 5445  
HIV prevention strategy; sexual behaviour; abstinence; faithfulness; condoms usage; HIV vaccine; developing countries, 5337  
intercultural discourse; Amerindian development; legal documents; discourse practice; community based development, 19672  
juvenile delinquency; developing country; offensive behavior; socio demographic characteristics; educational levels; insufficient parental control, 35742  
mental disorders; homicide; psychiatric evaluation; psychiatric diagnosis; victim relationship; developing country, 10731  
mental health counseling; developing countries; culture sensitivity; mental health counselors, 20667  
mental health protections; developing countries; legislative protections; mental illness; human rights; Sri Lanka, 27928  
mental health research; department of mental health; World Health Organization; developing countries; substance abuse, 13815  
mental health research; scientific journals; low income countries; middle income countries, 11433  
mental health; mental health policy; health care delivery; low-income countries, 5405  
mental hygiene; special school teachers, 18135  
mental models; poverty; developing nations; causal analysis, 19631  
Nigerian public health policy; health sector reform; primary care services; health problems; tertiary health institutions; financial resources; support programmes; Nigerian Minister of Health, 5388  
organizational population; developing countries; survey; drop and collect technique, 12261  
religion; culture; mental health counseling; psychological interventions; treatment; Western treatments; cross cultural differences, 20659  
schizophrenia; developing countries; developed countries; caregiver burden; expressed emotion; cross cultural differences, 35495  
security needs; arms exports; defense industry; security level; defense costs; developing countries, 831  
terrorism; developed countries; developing countries; human rights; United Nations, 26398  
transitional economy; private ventures; entrepreneurs; venture survival, 9119  
Turkish consumers; consumer attitudes; environmental sensitivity; consumer classification; developing countries, 27839  
untreated psychosis duration; first episode psychosis; treatment outcome; developing country, 29871  
**Developing Countries—Chapters**  
Literacy and New Technologies: Ten Principles for Assisting the Poor, 21344  
What Do Children Do When They Cannot Go to School?, 7174

# Volume 92 SUBJECT INDEX

## Development—Serials

**Development** [See Also **Animal Development**, **Career Development**, **Community Development**, **Curriculum Development**, **Delayed Development**, **Human Development**, **Organizational Development**, **Physical Development**, **Precocious Development**, **Professional Development**, **Program Development**, **Psychogenesis**]—Serials

African-U.S. identity; development theory; psychological orientation; African American; identity progression; racial identity diffusion; identity status; identity state; anti-African/Black correlation, 7093  
behavior analysis; analysis techniques; latent growth curve modeling, 3283  
behavioral-genetic research; causation; developmental psychopathology; antisocial behavior; gene interaction; environmental interaction, 29491  
child molesters; deviant sexual preferences; developmental factors; sexual offense; sexual criminal activity; psychosocial deficits pathway; sexualization pathway, 32577  
dyadic & group perspectives; close relationships; interdependence; relationship influences; development; life span, 34929  
educational research; student development, 24383  
extracurricular activities; talent development; gifted students; participation, 5894  
higher education; active learning; personal development planning; classrooms, 30582  
imitation; resonance; growth; mirroring; intensive psychotherapy; autism, 23375  
individual differences; individual development; latent groups; perceptual development; heterogeneity; perceptual development, 25597  
innate conceptual constraints; development issues; cross-cultural differences; biological inheritance; group identity; social learning; folkbiology; folk sociology; sociocultural perspective, 679  
insulin-like growth factors; genetic susceptibility; fetal growth; growth hormones; birth complications; preadult growth; schizophrenia, 1211  
mental representation; social development; socialization experience; interventions; development, 9936  
moral formation; developmentalism; cognitive & conative & affective growth; educational implications; moral education, 14997  
moral formation; developmentalism; cognitive & conative & affective growth; educational implications; moral education, 15012  
multicultural counseling; Journal of Counseling & Development; publications, 26708  
natural capital metaphor; education; learning; sustainable development; economic capital, 30648  
natural capital; metaphor; economic understanding; environment knowledge; sustainable development, 30979  
natural capital; sustainable development; learning; metaphor; public policy; education, 30630  
ontogeny; echolocation; atlantic bottlenose dolphin, 31326  
personal growth; communication; sojourning; self efficacy; transformation, 35298  
public attitudes; epilepsy; attitudinal instrument development; test validity; test reliability; psychometric properties, 10290  
social relations model; actor partner interdependence model; developmental research, 34932  
teaching ontogenesis; socio-cognitive development; Theory of Mind; culture; evolution, 7086  
Web services; agent-oriented interaction; development environment, 3007  
youthwork; higher education; educational program; youth development; leadership; learning; teaching, 30659

Behavior genetics principles: Perspectives in development, personality, and psychopathology, 7026  
**Development** [See Also **Animal Development**, **Career Development**, **Community Development**, **Curriculum Development**, **Delayed Development**, **Human Development**, **Organizational Development**, **Physical Development**, **Precocious Development**, **Professional Development**, **Program Development**, **Psychogenesis**]—Chapters  
Activity participation and the well-being of children and adolescents in the context of welfare reform, 14788  
After-school programs for low-income children: Differences in program quality, 13330  
After-school programs, antisocial behavior, and positive youth development: An exploration of the relationship between program implementation and changes in youth behavior, 15161  
Assessment of Reading Comprehension: The RAND Reading Study Group Vision, 15707

Behavioral Genetics: Background, Current Research, and Goals for the Future, 7171  
Developing Teams and Team Leaders: Strategies and Principles, 12135  
Dorothy, there is no yellow brick road: The paradox community youth development approaches for Latino and African American Urban youth, 14801  
An Ecocultural Perspective on the Development of Competence, 7293  
Emotional Intelligence and Leadership Development, 12129  
Examining the Full Range Model of Leadership: Looking Back to Transform Forward, 12128  
Gestalt Therapy Theory of Change, 14417  
The present and future of research on activity settings as developmental contexts, 12639  
Ritual Behavior and Community Change: Exploring the Social-Psychological Roles of Net Rituals in the Developmental Processes of Online Consumption Communities, 15406  
A Technology to Support Leader Development: Computer Games, 12134  
Toward a Science of Leader Development, 12131  
Understanding the Development of Leadership Complexity Through Latent Growth Modeling, 12130  
**Developmental Age Groups—Serials**  
age differences; emotional reactivity; sadness; age-relevant themes; autonomic reactions, 16227  
parental status; child age; adult engagement pattern; parental relationship, 914  
relative age effect; self-esteem; development; suicide; emotional development; age of entry; formal educational system; self-efficacy, 697  
**Developmental Age Groups—Chapters**  
An exploration of the marital and family issues of the later-life adult, 3979  
Intergenerational Communication: Intergroup, Accommodation, and Family Perspectives, 7499  
Keeping all five balls in the air: Juggling family communication at midlife, 4091  
Media Usage Patterns and Portrayals of Seniors, 7209  
The Portrayal of Older Adults in Political Advertising, 7377  
**Developmental Differences** [See **Age Differences**]  
**Developmental Disabilities—Serials**  
aging process; support groups; family support; developmental disabilities; health service utilization; deinstitutionalization; intellectual disability, 2226  
applied behavior analysis; behavior modification; developmental disabilities; major mental illness; behavioral healthcare; human services organizations, 17835  
Arabic numerals; developmental dyscalculia; magnitude; physical size; vertical positioning; height; shades of grayness; numerical congruity effect; physical comparisons, 35775  
autism; developmental disabilities; diagnosis; autistic children; treatment, 1433  
autism; developmental disabilities; vocalization, 4792  
autism; developmental disorders, 7950  
autism; developmental disorders; Aspergers syndrome, 22963  
autism; supported retirement; leisure education; retirement skills; developmental disabilities; work transition; community-based skills training, 8235  
behavior problems; competing stimuli; treatment; hygiene routines; developmental disabilities, 10757  
behavioral interventions; developmental disorders; bedtime disturbances; nighttime awakenings; sleep difficulties, 5125  
behavioral treatment; self injurious head banging; head hitting; young children; developmental disabilities, 35770  
behaviour problems; parenting stress; prosocial behavior; maternal stress; intellectual disabilities; mental health, 10772  
caregiving; economic well-being; maternal employment; developmental disabilities; caregiver parents, 8587  
challenging behaviors; staff reports; intellectual disabilities, 26429  
child development; special education; collaboration; disabilities; sociocultural context, 33846  
child location; self-injurious behavior; functional analysis conditions; antecedent stimuli; developmental disabilities, 23358  
child psychology; child psychiatry; intellectual disability; cognitive impairment, 20004  
childhood disintegrative disorder; developmental disorders not otherwise specified; autistic disorder; disintegrative psychosis, 20330  
clonidine; severe sleep problems; neurodevelopmental disorders; drug therapy, 20420  
communication skills; children; developmental disabilities; listener feedback; breakdowns; repair behaviors, 26417  
community living; Community Imperative; parents' perspectives; developmental disabilities; institutions, 26971

## Developmental Disabilities—Serials

computer presented video prompting; microwave oven use teaching; developmental disabilities; daily living skills training, 32614  
cortical volume; developmental instability; intellectual ability; environmental factors; genetic perturbations; intelligence; brain development; metabolic efficiency, 12756  
developmental disabilities; aberrant behavior; preschool children; behavior problems; persistence, 10753  
developmental disabilities; aggression; behavioural interventions; pharmacological interventions; children; adolescents, 11033  
developmental disabilities; behavioral healthcare organization; quality of care; professional standards, 17834  
developmental disabilities; challenging behavior; positive behavior support plans; behavioral interventions; family interventions; family members; grandmother, 11142  
developmental disabilities; embedded instruction; teaching methods; academic skills; school inclusion, 5886  
developmental disabilities; empowerment; family; health care delivery; parents, 20337  
developmental disabilities; family; parents; siblings; social support; heterogeneous group; socio-emotional functioning, 20316  
developmental disabilities; family; stress; coping behavior; child characteristics; life stressors; social support; parental outcomes, 20341  
developmental disabilities; institutions; quality of life, 26980  
developmental disabilities; instructional task presentations; aggressive behavior; naturalistic observations; intervention, 7938  
developmental disabilities; intellectual disabilities; genetic disorders; dementia; depression, 1114  
developmental disabilities; visual visual conditional discriminations; gustatory visual conditional discriminations, 26434  
developmental disabilities; websites; family; cognitive disabilities; parents; learning disabilities, 20340  
developmental disabilities; work performance; happiness; work task choice; on task behaviour; aberrant behaviours, 26438  
developmental disorders; early adversity; genetic inheritance; toxin exposure; prenatal stress; brain injuries; prenatal compromise; malnutrition, 23392  
developmental disorders; neurobiology; brain anatomy; brain physiology; children, 23367  
developmental disorders; prevention; coordination disorder; conduct problems; intelligence; mental disorders; offenders, 29248  
developmental disorders; reading; elementary school students, 29604  
developmental dyslexia; neural processing; tones; phonemes; auditory processing; event-related brain potentials; cortical sound reception; mismatch negativity; sound reception, 23366  
developmental language disorders, 10794  
developmental retardation; ataxia; dementia; vision loss; Cockayne syndrome; developmental disorder; transcriptional activity, 35360  
developmentally disabled; child molesters; child perpetrators; adult sexual molestation; penile plethysmography, 32956  
direct instruction; writers workshop; early writing skills; augmentative and alternative communication; developmentally disabled children, 2713  
dual diagnosis; developmental disability; mental health problems; Inventory of Client & Agency Planning; support needs; functional status; outpatient consultation, 24877  
ecobehavioral analysis; interactive engagement; children; developmental disabilities; peers; inclusive preschools; Down syndrome, 30778  
ecological assessments; standardized vocational assessments; vocational rehabilitation counselors; developmental disabilities; counselor attitudes, 5579  
electrophysiology; developmental language impairments; electrophysiological measures; brain activity; neurocognitive techniques; top down approach, 10801  
embedded instruction effectiveness; students; developmental disabilities; general education classes, 2711  
end of life care; older people; developmental disability; intellectual disability; health care organizations, 2056  
environmental toxicants; developmental disabilities; learning disabilities; behavioral disabilities; etiology, 16707  
family adaptation; coping behavior; resources; developmental disabilities; behavior problems; parental attitudes; child characteristics; parental locus of control, 20326  
family environment; parents; developmental disabilities; family harmony, 20342  
gaze shift patterns; developmental disabilities; at risk children; nonspeaking children; communication skills, 26408

- genes; environmental factors; developmental language disorders; study design; language acquisition; language development, 10806
- grief; bereavement; developmental disabilities; coping behavior; traumatic experiences; emotional expression, 7981
- group dynamics; intellectual disabilities; group psychotherapy; psychiatric disorders, 20343
- growth disorders; psychometrics; quality of life; growth hormone; test validity; test reliability, 31175

Severe aggressive and self-destructive behavior: The myth of the nonaversive treatment of severe behavior, 17393  
Sifting sound practice from snake oil, 17392  
Sustainability of Daily Routines as a Family Outcome, 17097  
Where do fads come from?, 17412
- Developmental Measures—Serials**  
Adolescent Minor Stress Inventory: test development; minor stress; test reliability; test validity, 27991  
cortical volume; developmental instability; intellectual ability; environmental factors; genetic perturbations; intelligence; brain development; metabolic efficiency, 12756  
nonverbal working memory; Childrens Size Ordering Task; test validity; attention deficit disorder with hyperactivity, 27993  
pediatric psychology; Bayley Infant Neurodevelopmental Screener; cognitive ability; motor ability, 28  
test reliability; test validity; measurement; developmental motor scales; Fine Motor Scale of Peabody Developmental Motor Scales; fine motor skill problems, 21832
- Developmental Psychology [See Also Adolescent Psychology, Child Psychology, Gerontology]—Serials**  
Abraham Maslow; Jean Baker Miller; developmental model; gender; self-actualization; mental health; affiliation, 25580  
Actor-Partner Interdependence Model; developmental psychology; dyadic & interpersonal relationships; mother-adolescent dyads; bidirectional effects, 34909  
attachment parenting: course concept; teaching methods; developmental psychology, 27493  
attention deficit hyperactivity disorder; preschool hyperactivity; developmental psychopathology; risk factors; taxonomy, 17079  
cognitive perspectives; developmental psychology; past; future events; mental time travel; times of past, 25167  
collaborative teaching; developmental psychology; interdisciplinary teaching method; coordinated presentations; common reading; interdisciplinary course, 33765  
decision making; mental time travel; developmental psychology, 25649  
developmental perspective; psychiatric assessment; diagnosis; intellectual disability; integrative diagnosis, 10918  
developmental psychology; editorial, 13193  
Developmental Psychology; fields of inquiry, 16218

# Volume 92 SUBJECT INDEX

## Developmental Psychology—Serials

developmental psychology; historical analyses; human developmental sciences; research programs, 9942  
developmental psychology; latent class analysis; theories, 25030  
developmental psychology; nature nurture; public policy; gene environment interaction; gene environment transaction; gene environment fit, 9935  
developmental psychology; social development; cognitive development; psychobiology; temperament, 9951  
dynamic systems theory; behavioral change; developmental theory; infants; motivation, 22931  
early child development; developmental psychology; infant growth; postnatal life; Gesell, 9934  
emotional disorder; behavioral disorders; developmental psychology; teacher training; students behavior, 36803  
Esther Stillman Thelen; developmental psychology; motor development; movement therapist, 14883  
female psychology; mother-daughter relationship; female development; mother-daughter bond, 7345  
feminism; feminist therapy; developmental research; cognitive behavioral techniques; social activism; multicultural awareness, 29898  
forensic developmental psychology; children's reports; sexually abused children; suggestive interviews; suggestibility; false reports; false beliefs, 9311  
homework assignment; citation problems; developmental psychology students, 8887  
interrupted time series; developmental processes; latent variable approach; treatment effects, 6433  
Jean Piaget; child psychology; psychologists, 692  
L. S. Vygotsky's lectures; psychology of preschool children, 25599  
neutral claims; gendered meanings; parenthood; developmental psychology; modern welfare state; childcare, 19392  
obituary; Joseph Church; developmental psychology; child development, 2384  
pedology; environment; psychology; Vygotsky; child psychology, 34844  
perinatal psychology; human reproduction; newborn child; unborn child; psychological dimensions; emotional development; pregnancy; mental development, 31803  
personality traits; personality psychology; life span; social integration; developmental approach, 7598  
pretherapy; childhood imitation; intersubjectivity; functional development; developmental psychology, 11038  
psychoanalytic theory; female development; mothers; mother child relations, 7626  
social psychiatry; genetic psychiatry; developmental psychiatry; quantitative genetics; molecular genetics; environmental risks; genetic susceptibilities, 5034  
temperament; developmental psychopathology; emotional reactivity; psychiatric disorders, 20049  
**Developmental Psychology [See Also Adolescent Psychology, Child Psychology, Gerontology]—Books**  
Culture and human development: The importance of cross-cultural research for the social sciences, 35097  
Heinz Werner and developmental science, 13207

Six Paths to Adulthood: Fast Starters, Parents without Careers, Educated Partners, Educated Singles, Working Singles, and Slow Starters, 13320  
Social Policy and the Transition to Adulthood: Toward Stronger Institutions and Individual Capacities, 13327  
The Transition to Adulthood during the Twentieth Century: Race, Nativity, and Gender, 13308  
The Transition to Adulthood for Youth Leaving Public Systems: Challenges to Policies and Research, 14792  
**Deviant Behavior [See Antisocial Behavior]**  
**Deviation IQ [See Standard Scores]**  
**Deviations (Sexual) [See Paraphilias]**  
**Devices (Experimental) [See Apparatus]**  
**Dexamethasone—Serials**  
antenatal dexamethasone treatment; developmental effects; nonhuman primates; fetal exposure; adverse side effects; infant monkeys; betamethasone, 22346  
combined dexamethasone test; cortisol responses; major depressive episode; outpatient treatment, 4476  
depot risperidone; oral risperidone; allergic reaction; side effects; dexamethasone, 33212  
depot risperidone; rash; allergic reaction; side effects; urticaria; diphenhydramine; dexamethasone; chronic schizophrenia; paranoia; disorganized thinking; cocaine use; ziprasidone, 36230  
dexamethasone; verbal declarative memory; posttraumatic stress disorder; hippocampus; hypothalamic pituitary adrenal axis; glucocorticoid receptors, 10597  
**Dexamethasone Suppression Test—Serials**  
dexamethasone suppression test; borderline personality disorder; posttraumatic stress disorder; comorbidity; hypothalamic pituitary adrenal axis, 32319  
psychiatric patients; at risk population; suicide; neuroendocrinology; dexamethasone suppression test; hypothalamic pituitary adrenal axis; stress reactions, 29454  
**Dexamphetamine [See Dextroamphetamine]**  
**Dexedrine [See Dextroamphetamine]**  
**Dexterity (Physical) [See Physical Dexterity]**  
**Dextroamphetamine—Serials**  
d-amphetamine; cued target detection; inhibition of return; delayed attention; visual search; cocaine use, 34730  
D-amphetamine; pigeons; temporal discrimination; stimulus control, 28568  
open field activity; psychostimulants; cocaine; mouse; d-amphetamine; genotypes; locomotor behavior, 13106  
outpatient treatment; cocaine dependence; dextroamphetamine, 2317  
prepulse inhibition; acoustic startle reflex; pigs; D-amphetamine; sensorimotor gating; animal models of neuropsychiatric disorders, 561

stimulus discrimination; stimulants; self-reported effects; d-amphetamine; methylphenidate; stimulus generalization; triazolam, 13116  
substance abuse treatment; methylphenidate abuse; dextroamphetamine abuse; adolescent substance abuse; eating disorder; bupropion; attention deficit hyperactivity disorder, 1377  
sucrose; wheel running reinforcement; D amphetamine; rats; response rate, 28545  
**Diabetes [See Also Diabetes Insipidus, Diabetes Mellitus]—Serials**  
adolescent behavior; type 1 diabetes; family functioning; metabolic control; chronic illnesses, 23499  
antipsychotic drugs; type 2 diabetes risk; at risk patients; drug side effects, 11222  
antipsychotics; antipsychotic polypharmacy; diabetes, 14618  
antipsychotics; antipsychotic polypharmacy; diabetes, 14619  
antipsychotics; diabetes; weight gain; blood sugar; Food and Drug Administration, 23957  
attachment orientations; spouse support; type 2 diabetes; psychosocial factors, 26510  
blood glucose levels; type 1 diabetes; symptom discrimination; estimation; cues; hypoglycemia; hyperglycemia, 4874  
cardiovascular disease; risk factors; diabetes; mental distress status, 17191  
chronic illness; Hmong Shamans; diabetes; hypertension, 29669  
computer-based hypoglycaemia education program; hypoglycaemia education program; patient education; diabetic patients, 14677  
coronary artery bypass graft; gender discrepancy; angina; primary diagnosis; diabetes; hypertension; comorbidity; heart disease, 20880  
cultural influences; diabetes self management; socioeconomic factors; beliefs, 32717  
cultural issues; Chinese Americans; type 2 diabetes; disease management; experiences; responses, 8387  
depression; diabetes; comorbidity; adolescent; psychiatric nurse, 35357  
depression; interpersonal relationships; diabetes; perception of self; perception of others; attachment, 35854  
diabetes education; diabetes care; developmental changes; adolescent development, 14649  
diabetes education; diabetes care; patient support; diabetes self management; disease knowledge; patient care satisfaction; quality of life; health care utilization; rural conditions; rural clinics, 36393  
diabetes management; developmental differences; verbal memory; memory; demographic factors; ethnicity; socioeconomic status; age, 1534  
diabetes management; metabolic outcomes; group educational program; biomedical factors; perceptual factors; self perceived role, 33312  
diabetes management; motivational interviewing; health impact, 14294  
diabetes patient; psychotherapy; cognitive analytic therapy; client identity; treatment adherence, 29946  
diabetes patient; staff education; patient-centred consultations; health care professionals; reflective tutoring, 14924  
diabetes rehabilitation; intensive education programme; self management difficulties; glycemic control; health related quality of life; empowerment, 26954  
diabetes; brief tailored self-management intervention; lifestyle change adherence, 1968  
diabetes; Diabetes Self-Management Profile; reliability; validity; factor structure; adherence; tertiary care; metabolic control, 24936  
diabetes; disease disclosure; parental perceptions; hypoglycemic symptoms; evaluations, 10813  
diabetes; obesity; brain; body fat content; glucose metabolism; neuronal systems; energy intake; energy expenditure; endogenous glucose production, 14194  
diabetes; online diabetes education; websites, 24010  
diabetes; online health advice; computer mediated communication; lexical entrainment; medical experts, 33353  
diabetes; parental support; Adolescents Autonomy Scale; scale development; psychometrics; test reliability, 18741  
diabetes; patient education; patient counseling, 14612  
diabetes; peer education; type 2 diabetes patients; educational diabetes programme; dropout rate; patient satisfaction; physician attitudes; physician workload, 14690  
diabetes; self managed illness; well being; health care professionals; clinical expertise, 29646  
diabetes; tardive dyskinesia; Parkinsonism; akathisia; schizophrenia; extrapyramidal symptoms; antipsychotics, 4526  
diabetic keto-acidotic coma; olanzapine initiation; euglycaemia; drug therapy; hyperglycemia; psychosis; antipsychotics, 1877  
diabetic patients; quality of life; patient education; psychological well being, 14687

## Diabetes—Serials

- diabetic retinopathy; menu selection task; vision performance; interface design, 23647
- diabetic retinopathy; quality of life; test construction; test validity; RetQoL, 12543
- diet counseling; primary care; nutritional counseling; diabetes; doctor attitudes, 33295
- dietary counseling; interaction patterns; production role; reception roles; multiple party encounters; child diabetes; adolescent diabetes; adult participants, 11323
- dietary long chain polyunsaturated fatty acids; hippocampal lipid peroxidation; N-methyl-D-aspartate receptor subunits; NMDA; streptozotocin-diabetic rats, 9832
- disabilities; potentially modifiable factors; risk factors; disease severity, 20455
- doctor-patient interaction; diabetes treatment; patient compliance; assessment; objectivity; health behavior, 11032
- electroconvulsive therapy; pulmonary embolism; depression; hypertension; diabetes, 20834
- empathy; dietetic consultations; diabetes, 32686
- empowerment group education; diabetes patients; physicians; nurses, 14942
- general & diabetes-specific conflict; self care adherence; adolescents; Type 1 diabetes; family structure; maternal employment, 17166
- gestational diabetes; Pima Indian women; risk factors; health knowledge, 26533
- glycaemic control; cognitive behavioral group training; diabetes; self care; behavior change; dysfunctional beliefs; emotions, 36158
- glycemic control; diabetes self management; patient activation intervention; passive education, 11143
- group-based counselling programme; diabetes-related stress; coping behavior; psychological well-being; glycaemic control; type 1 diabetes; type 2 diabetes, 14607
- health education; educational programmes; diabetes patients; psychosocial programmes; self management; cost effectiveness, 14660
- health programs; physical fitness; income level; disease onset; Mexican American children; type 2 diabetes; preadolescent children; school-based health program, 17192
- health related quality of life; chronic illness; diabetes; asthma; cystic fibrosis, 35902
- health-related quality of life; diabetes; comorbidity; heart disease; stroke; arthritis, 29678
- lifestyle; diabetes; cardiovascular risk factors; bariatric surgery; weight loss; metabolic risk, 11376
- lived experience; alcoholism; diabetes; dual diagnoses; male alcoholics; phenomenology, 10420
- medical regimen adherence; medical outcomes; multidimensional health locus of control beliefs; low-income individuals; type 2 diabetes, 33249
- medication adherence; Type 2 diabetes; hemoglobin; blood pressure; cholesterol levels; medication beliefs; depression; diabetes; African Americans; urban health; disease self-management, 30059
- Mediterranean Lifestyle Program; coronary heart disease; behavioral risk factors; diabetes; self care; lifestyle; psychosocial outcomes; at risk women, 24040
- metabolic effects; drug therapy; atypical antipsychotics; hyperglycemia; diabetes; metabolism, 33201
- metabolic effects; drug therapy; atypical antipsychotics; hyperglycemia; diabetes; metabolism, 33194
- mood; quality of life; daily activities; glycosylated hemoglobin; metabolic control; verbal memory; cognitive function; elderly; diabetes; residential care facilities, 23490
- neuroimmunologic syndrome; major depression; diabetes; cytokines; interleukins; interferons; tumor necrosis factor; neurotransmitter; glutamic acid; comorbidity; biological markers, 29250
- omega-3 fatty acid; omega-6 fatty acid; diabetes; type 2 diabetes; coronary heart disease; cow milk; mortality; milk, 1537
- psychological impact; diabetes prognosis; psychological adjustment; coping; social comparison activity, 23483
- psychometric validation; Pediatric Inventory for Parents; chronic disease-related parental stress; mothers; Type 1 diabetes; childhood psychopathology; anxiety, 15670
- psychometrics; New Fear of Hypoglycemia Scale; test reliability; hypoglycemia; scale development; diabetes, 18744
- psychosocial factors; health promoting behaviors; diabetes; elderly, 5382
- psychosocial intervention; quality of life; metabolic control; empowerment; diabetes; glycemic control, 5518
- quetiapine; diabetic ketoacidosis; elderly patient; atypical antipsychotics; dementia, 33284
- Schedule for the Evaluation of Individual Quality of Life-Direct Weight; diabetes type 1, 22
- self-management program; type 2 diabetes, 36304
- socioeconomic status; glycosylated hemoglobin; non diabetes, 34705
- spousal support; asthma; diabetes; self efficacy; physical health; mental health; self management routines, 26512
- Surinam South Asians; low socio-economic status; patient characteristics; culture-specific diabetes care; intervention; blood sugar, 14610
- temperament; character; adolescents; type 1 diabetes; eating disorders; eating problems, 10411
- topiramate; adjunctive treatment; psychiatric patients; diabetes; antiepileptic medication, 14645
- type 2 diabetes patients; cognitive orientation; patient attitudes; disease duration, 14181
- type 2 diabetes patients; emotional reactions; diagnosis; information provision, 14191
- unstable angina; diabetes; neuropathy; symptom differences, 20413
- weight loss; type 2 diabetes treatment; dietary restraint; obesity treatment, 14629
- workplace; diabetes; American diabetes; physical impairment; sensory impairment; neurological impairments; employment discrimination experiences, 32701
- Diabetes [See Also Diabetes Insipidus, Diabetes Mellitus]—Chapters**
- The Ethics of Newborn Screening Diabetes Research, 21228
- Diabetes Insipidus—Serials**
- multisystemic therapy; home-based treatment; adolescents; regimen adherence; type 1 diabetes; metabolic control, 8412
- Diabetes Mellitus—Serials**
- academic achievement; self image; diabetes mellitus; rheumatoid arthritis, 29661
- antipsychotic choice; diabetes mellitus; clinical ramifications; risk factor, 26816
- antipsychotic drugs; schizophrenic patients; metabolic control; diabetes mellitus; insulin therapy; diagnosis, 20755
- antipsychotic drugs; schizophrenic patients; metabolic control; diabetes mellitus; insulin therapy; diagnosis, 20754
- cardiovascular risk factors; cognitive function; hypertension; health behaviors; diabetes mellitus, 20513
- diabetes education; Turkish immigrant diabetes; cost effectiveness; patient characteristics; self efficacy, 29695
- diabetes mellitus; antipsychotics; clozapine; schizoaffective disorder; schizophrenia, 36273
- diabetes mellitus; hyperglycemia; clozapine; depot neuroleptics; glucose levels, 20786
- diabetes mellitus; schizophrenia; risk factors, 26182
- diabetes mellitus; ziprasidone treatment; antipsychotics; disorder onset, 17680
- diabetes rehabilitation; self management difficulties; quality of life; treatment goals, 5320
- dietary approach; obesity; weight watchers; heart diseases; risk reduction, 11398
- embryonal risks; gestational diabetes mellitus; congenital anomalies; risk factor, 1531
- health care cost; schizophrenia; psychopathology; diabetes mellitus, 36458
- health education; children's understanding; causes of illness; diabetes mellitus; illness-related concepts; school functioning; family functioning; development of thinking; anxiety; locus of control, 9970
- incidence; new-onset diabetes mellitus; psychiatric patients; mental illness; atypical neuroleptics; sociodemographic & clinical & pharmacotherapeutic characteristics, 26857
- insulin dependent diabetes mellitus; schizophrenia; glutamic acid decarboxylase 65 antibodies, 16828
- memory performance; peripheral neuropathy; diabetes mellitus; Akita mice; pancreatic cells; hypoinsulinemia; hyperglycemia; insulin, 16020
- metabolic syndrome; schizophrenia; type 2 diabetes mellitus; neuroleptics; prevalence; screening; weight gain; prevention, 29260
- patient education; web based information; health education; Internet; diabetes mellitus, 14688
- perceived health; functioning; diabetes mellitus, 35874
- personality factors; disordered eating; young women; Type 1 diabetes mellitus; pathogenesis; borderline personality characteristics; perfectionism, 10440
- posttraumatic stress disorder in parents; child diabetes diagnosis; risk factors, 32430
- psychological factors; clinic attendance; glycemic control; type 2 diabetes mellitus, 17158
- psychological interventions; glycemic control; type 2 diabetes; treatment adherence; psychological therapy, 5067
- quetiapine; successful treatment; psychosis; comorbidity; insulin dependent diabetes mellitus; autoimmune disorders; schizophrenia, 8276
- risperidone; diabetic ketoacidosis; diabetes mellitus; valproate; lithium; metabolic acidosis; bipolar affective disorder, 17671
- social stigma; schizophrenia; diabetes mellitus; interpersonal relationships; family support, 16710
- transactional stress & coping model; sickle cell disease; insulin dependent diabetes mellitus; childhood chronic illness; psychosocial factors, 35876
- type 1 diabetes; insulin-dependent diabetes; diabetes clinics; coping strategies; motivation, 23951
- type 2 diabetes mellitus; familial disorder; self-care; family members, 4876
- Wide Range Assessment of Memory and Learning; confirmatory factor analysis; insulin dependent diabetes mellitus; test validity, 6328
- Diacetylmorphine [See Heroin]**
- Diagnosis [See Also Computer Assisted Diagnosis, Differential Diagnosis, Educational Diagnosis, Galvanic Skin Response, Medical Diagnosis, Psychodiagnosis]—Serials**
- Aberrant Behavior Checklist; Global Assessment of Functioning; mental retardation; mental illness; psychiatric assessment, 24947
- accelerometry; motor seizures; severe epilepsy; diagnosis, 36002
- acute stress disorder; posttraumatic stress disorder; cancer; cancer diagnosis, 17230
- Addenbrookes cognitive examination; diagnosis of dementia; test validity; French version, 9423
- addictions; non-substance-related addictions; behavioral addictions; diagnosis, 17022
- adult criminals; psychopathy diagnoses; hyperactivity impulsivity-attention problems; conduct problems; childhood psychopathy; self report, 19989
- alternative medicine use; psychiatric inpatients; acute care; complementary medicine use; clinical diagnoses; depressive disorder; substance abuse; schizophrenia; anxiety disorders, 16744
- anorexia nervosa; death; demographic characteristics; diagnostic characteristics, 23452
- anorexia nervosa; differential diagnosis; diagnostic criteria; treatment decisions; gastrointestinal stromal tumors; cognitive behavioral therapy, 4403
- anorexia nervosa; differential diagnosis; diagnostic criteria; treatment decisions; gastrointestinal stromal tumors; cognitive behavioral therapy, 4401
- anorexia nervosa; epidemiology; diagnostic criteria; environmental risk factors; gene environment interplay; genetic risk factors, 23424
- anxiety disorders; diagnosis; epidemiology; cognitive behavior therapy; treatment; bipolar disorder, 7780
- anxiety; emotional suppression; psychological distress; breast cancer diagnosis; benign breast tumor; emotional distress, 10874
- aripiprazole; pediatric bipolar disorder; neuropsychiatric disorder; morbidity levels; diagnosis; outpatient youth, 16778
- Asperger syndrome; diagnosis; autism spectrum disorders; language disorder, 22968
- Asperger syndrome; diagnosis; disease onset, 23183
- assessment instruments; eating disorder professionals; clinical practice; treatment process, 9386
- assessment; management; dysphagia; epidemiology; research framework; speech pathology clinical practice, 35833
- assistive technology; persistent vegetative state; minimally conscious state; multidisciplinary team; diagnosis; impaired states of consciousness, 33458
- atherosclerotic cerebral infarction; diagnosis; prevention; risk factors; carotid artery stenosis, 32757
- attention deficit hyperactivity disorder; behavioral disorder; symptoms; diagnosis; cognitive behavioral psychotherapy; pharmacotherapy, 35774
- attention deficit hyperactivity disorder; childhood neuropsychiatric syndrome; diagnosis; adolescents; adults, 23395
- attention deficit hyperactivity disorder; diagnosis; discourse analysis; doctor patient interaction; talk-in-interaction; medication, 20335
- attention deficit hyperactivity disorder; Diagnostic and Statistical Manual; predictive validity; functional impairment, 4793
- attention deficit hyperactivity disorder; primary care physicians; diagnosis; treatment options; medical risk, 4784
- attention deficit hyperactivity disorder; borderline personality disorder; diagnosis; behavioral inhibition; sustained attention; comorbidity, 35381
- attention-deficit hyperactivity disorder; psychiatric disorder; diagnosis, 20320
- audiologists; auditory processing disorder; diagnosis; referral, 21177
- Autism Behavior Checklist; Childhood Autism Rating Scale; DSM-IV criteria; diagnosis of autism, 6337
- autism spectrum disorders; diagnosis, 23360
- autism; childhood diagnosis; psychosocial outcomes, 32588
- avoidant personality disorder; binge eating disorder; diagnostic efficiency; Diagnostic and Statistical Manual-IV; factorial structure, 4433
- behavioural characteristics; autistic features; Cohen Syndrome; diagnostic criteria; physical characteristics, 20325
- benign paroxysmal positional vertigo; traumatic brain injury; dizziness; diagnosis; treatment; particle repositioning manoeuvre, 32826

- bipolar depression; caregivers; diagnosis; treatment; antidepressant drugs, 29305
- bipolar disorder; creative outlets; diagnosis, 1185
- bipolar disorder; diagnosis; mental health, 1196
- bipolar disorder; diagnosis; primary health care; comorbidity; mortality rates; pharmacotherapy, 10545
- bipolar disorders; mood stabilizers; antidepressants, 1688
- bipolar II disorder; major depressive disorder; patient management; diagnosis; hypomania; drug therapy, 16801
- bootstrap; confidence interval; fatness cutoff; overweight diagnosis; obesity; children; adolescents, 35809
- borderline personality disorder; Asperger syndrome; diagnosis; confusion, 35349
- breast cancer diagnosis; treatment; psychosocial adjustment; psychosexual adjustment; patient well-being; emotional distress; marital satisfaction, 17233
- breast cancer; personality; coping behavior; well-being; cancer diagnosis; cancer treatment, 23542
- cancer diagnosis; disclosure preferences; prognosis, 36763
- cancer diagnosis; work; retirement; breast cancer; colorectal cancer; lung cancer; prostate cancer; cancer survivors, 20497
- case formulation; clinical tool; psychotherapy; diagnosis, 36141
- cataonia; diagnostic classification systems; prevalence; response to treatment; syndromes; etiology; diagnostic validity, 10505
- cataonia; dia; nosis; classification systems; prevalence; response to treatment; syndromes; etiology; diagnostic validity, 10506
- cerebrovascular-related brain injury; diagnosis; neuropathology; vascular dementia severity; cognitive impairment; cerebrovascular disease; cardiovascular disease; neurofibrillary tangles, 35973
- child & adolescent mental health services; service standard; disorders; health care delivery; psychiatric diagnosis, 33327
- child & adolescent psychopharmacology; bipolar disorder onset & diagnosis, 4479
- child maltreatment; diagnosis; treatment; developmentally adverse interpersonal trauma; altered affect regulation; information processing abilities; neurobiology, 23138
- childhood disintegrative disorder; speech loss; autistic disorder; epilepsy, 1418
- childhood paroxysmal kinesigenic dyskinesia; abnormal involuntary movements; diagnosis; etiology; anticonvulsant medication; video & EEG monitoring, 23596
- chronic catatonic schizophrenia; phenomenology; diagnosis; disease course; catatonia; schizophrenic children; schizophrenic adolescents, 29340
- chronic fatigue syndrome; diagnostic criteria; major depressive disorder; symptomatology, 14179
- clients; payment; psychologists diagnostic decision; managed care; ethical issues, 8801
- clinical assessment; psychiatric morbidity; chronic epilepsy; test validity; psychometrics, 24959
- clinical diagnosis; dogs training; dogs assistance; olfactory disease detection; human bladder cancer, 3516
- clinical disorders; personality disorders; mental disorders; standard psychiatric nomenclature, 29284
- clinical pathways; treatment guidelines; mood & anxiety disorders; diagnosis; psychotherapy & pharmacotherapy guidelines, 11024
- clinical practice patterns; health maintenance; pediatricians' perceptions; obesity; diagnosis, 26519
- cognitive assessment tools; early dementia; diagnostic instruments, 4975
- cognitive-behavioral model; generalized anxiety disorder; diagnostic specificity; symptom specificity; panic disorder with agoraphobia; comorbidity, 23136
- conversation; dementia; Alzheimer's type; diagnostic symptom; cognitive impairment; linguistic impairments; communicative impairment, 26623
- conversational basis; dilution effect; decision making; diagnostic information; judgment, 16158
- coronary artery bypass graft; gender discrepancy; angina; primary diagnosis; diabetes; hypertension; comorbidity; heart disease, 20880
- corticobasal degeneration; imaging studies; diagnostic adjunct, 20556
- cough mixtures; prescribing; Hong Kong; cough-related illnesses; diagnosis; drug data; health care delivery; primary care, 30292
- cough, fever, altered mental status; weakness; clinical diagnoses, 32946
- criteria-based diagnoses; postconcussional syndrome; disease thresholds, 10906
- cycloid psychosis; diagnostic features; boundary disorder; nosological status, 35508
- delirium; diagnostic criteria; prognosis, 1623
- dementia with Lewy bodies; diagnosis, 36017
- dementia; diagnosis; patients partner; caregivers; interpersonal relationships; diagnostic disclosure, 32786
- dementia; undiagnosed diseases; physical disorders; screening, 1521
- dependent patient; diagnosis; assessment; treatment; dependent psychotherapy, 11058
- depression inventories; clinical judgment; Children's Depression Inventory; diagnosis, 3204
- depression treatment; pregnancy; risk management; psychotropic medication; disease onset; well-being, 4469
- depression; communication; men; diagnosis; psychotherapy; cultural masculinity; symptom patterns, 26145
- depression; schizophrenia; diagnosis; treatment, 13917
- depressive disorder; primary care; diagnosis; mental health clinician; professional referral, 35453
- depressive disorders; primary care setting; Croatia; physician treatment; psychiatrist treatment; prevalence; detection, 32337
- diagnosis threat; cognitive performance; mild head injury; anxiety; depression, 17314
- diagnosis; affective disorders; substance use disorders; comorbidity; treatment; major depression; bipolar disorder, 10436
- diagnosis; bipolar disorder; disorder onset; prepubertal children; euphoria; grandiosity; family history, 26137
- diagnosis; bipolar disorder; unipolar disorder; subthreshold syndromes; prognosis; symptoms, 20070
- diagnosis; borderline personality disorder; mental disorders; comorbidity, 20182
- diagnosis; chronic insomnia treatment; personal burden; socioeconomic burden, 32891
- diagnosis; chronic insomnia treatment; personal burden; socioeconomic burden, 32959
- diagnosis; clinical dementia; polymorphisms; genotypes; glutathione S-transferase; sulfotransferase; Alzheimer's disease; mixed dementia; neurochemistry, 23613
- diagnosis; dementia; mental retardation; assessment instrument, 32893
- diagnosis; drug treatment; anxiety disorders; serotonin reuptake inhibitors; benzodiazepines, 14551
- diagnosis; erectile dysfunction; risk factors; screening test; oral therapy, 26504
- diagnosis; first episode psychosis; psychiatric emergency; psychotic disorder, 30352
- diagnosis; intellectual disability; cognitive functioning; adaptive behavior; gender differences; age effects; offenders, 35766
- diagnosis; male adolescent; optometric care; congenital nystagmus; decreased distance vision; optometric vision therapy, 17748
- diagnosis; marriage & family counseling; third party payers; treatment practices; mental health counseling; ethical dilemmas; counselors; neurochemistry, 8793
- diagnosis; probable Creutzfeldt Jakob disease; protein positive; cerebrospinal fluid; magnetic resonance imaging, 32764
- diagnosis; severe depressive episode; mifepristone; neuro-psychiatric adverse effects; antimalaria prophylaxis, 33287
- diagnosis; treatment; longer term reverberations; beneficial consequences; well being; quality of life; breast cancer; 1 year postsurgery; 5-8 years postsurgery; distress; depression, 5310
- diagnosis; treatment; transgendered patients; age; gender; relationships; occupation; education; drug & alcohol abuse; secondary diagnoses; sexual orientation; Diagnostic and Statistical Manual, 965
- diagnostic accuracy; Mini-Mental Status Examination; Revises Hasegawa Dementia Scale; Alzheimer's disease; educational level; disease severity, 21844
- Diagnostic and Statistical Manual of Mental Disorders; DSM-IV; classification; psychopathology; Generalized Interpersonal Theory of Personality and Psychopathology; diagnoses; empirical approach, 29207
- diagnostic efficiency; Schizophrenia Index; Perceptual Thinking Index; schizophrenia; mania; test reliability; test validity, 28038
- diagnostic information; patients; chest pain; coronary artery disease; stress testing, 35871
- diagnostic issues; treatment issues; bipolar mixed states; bipolar missed states; depressive symptoms; manic symptoms, 26130
- diagnostic problem solving; compact representation; diagnoses; algorithm, 18599
- diagnostic value; EEG; syncope, 23472
- dimensional classification; research agenda; international conferences; American Psychiatric Association; disease classification; personality disorders, 29444
- dimensional models; personality disorders; diagnostic system; neuroticism; negative affectivity; emotional dysregulation; antagonistic behavior, 29442
- Diogenes syndrome; diagnosis; social withdrawal; abnormal collectionism; elderly patient; self neglect, 35403
- discrepancies; legal definition; capacity; British Medical Association; guidelines, 6129
- disruptive behavior disorders; attention deficit disorder; child diagnosis; child ability, 30
- disruptive behavior; preschoolers; young children; diagnostic observation; Disruptive Behavior Diagnostic Observation Schedule; clinical assessment, 34261
- doctors; error type; diagnosis; patient outcomes; cognitive processes, 14970
- dream telling; containment; group analysis; dreams, 11157
- drug detection; diagnosis; drug evaluation; classification program; drug impairments; police officers, 35708
- DSM-IV; clinical social work; diagnosis; linguistic anthropology; schizophrenia, 26183
- early childhood intervention; family; professional competence; practitioners preparation; teaching method, 5685
- early diagnosis; dementia; general practitioners' attitudes, 33628
- early onset dementia; diagnosis; families, 23597
- eating disorders not otherwise specified; psychopathology; questionnaire measures; clinical groups; bulimia; anorexia nervosa, 29632
- electroconvulsive therapy; older women's experiences; diagnosis; depression, 30102
- electroencephalogram; standardization; aircrew selection; pathological grapho-elements; digital video; automated detection; epilepsy, 17318
- electroencephalography; EEG; dementia workup; dementia diagnosis; dementia types; aging, 26605
- employment status; cancer patients; cancer diagnosis, 20506
- etiology; mental retardation; tertiary care; cognitive delay; diagnosis, 32644
- executive functioning; diagnosis; psychopathology; major depression; schizophrenia, 20057
- extrapyramidal symptoms; diagnosis; methodology, 22360
- family counseling; ethical dilemmas; diagnosis; marriage counseling, 21206
- family experiences; coping strategies; family well being; child's diagnosis; Fragile X syndrome; Down syndrome; mothers, 32641
- female inmates; conduct disorder; diagnostic utility; predictive utility; antisocial personality disorder; symptoms, 29458
- female sexual dysfunction; diagnosis; structured diagnostic method; convergent validity; intrarater reliability; subtypes; postmenopausal women, 24880
- fetal alcohol spectrum disorder; primary care; neurodevelopmental disorder; clinical diagnosis; family members; pregnancy, 35680
- frequency doubling technology; magnocellular pathway deficiencies; Matrix, 11036
- gender bias; depression treatment; depression diagnosis; primary care patients, 4486
- gender identity disorder; children; adolescents; disorder diagnosis; disorder assessment, 32334
- genetics; learning disabilities; reading; language; mathematics; generalist genes; genetic diagnoses, 29245
- group B streptococcal vulvovaginitis; postpubertal adolescent girls; young women; clinical findings; diagnosis; treatment, 23478
- hydrocephalus; ventriculomegaly; vegetative state; severe head injuries; diagnosis, 32837
- insomnia; treatment outcome; older adults; cognitive behavioral treatment; aging; diagnostic classification; sleep; treatment efficacy, 32704
- intrusive recollections; breast cancer survivors; biomedical determinants; psychosocial determinants; cancer diagnosis; women; cancer treatment, 23535
- juvenile bipolar disorder; children; adolescents; diagnosis; mood stabilizers; antipsychotics, 23050
- likelihood ratios; clinical diagnosis; patient care; diagnostic accuracy; medical decision making; symptoms, 26672
- liver function tests; alcohol dependence; opioid dependence; diagnosis, 36545
- magnetic resonance imaging; Alzheimer's disease; diagnosis; structural MRI abnormalities; Down's syndrome; adults, 4411
- major depression; Alzheimer's disease; diagnosis, 16719
- male depression; general practice; associative factors; depressive symptoms; diagnosis, 10552
- medical differences; social differences; migrant patients; HIV infection; French patients; diagnosis; patient characteristics; access to outpatient clinic, 23521
- mental deficiency; special school leavers; after care; early twentieth century; Birmingham; state education policy; diagnosis, 33857
- mental health clinicians; diagnostic errors; counseling psychology; doctoral students, 33035
- mental health system; medical model; diagnosis; mental illness; marketing; drug therapy, 20931
- mental retardation diagnosis; death penalty; court cases; judicial decisions, 9310
- mild cognitive impairment; MCI; definition; diagnosis; amnesic MCI; MCI criteria; dementia; Alzheimer's disease; clinical trials, 32846
- minimally conscious state; vegetative state; disorder prevalence; incidence; diagnostic criteria, 32767

- model of personality disorder; personality disorders; personality disorder classification; five-factor model of personality disorders, 10625
- mothers' perceptions; quality of life; early diagnosis; treatment; retinoblastoma; risk factor; IQ, 20448
- multiple diagnosis; substance use; runaway shelter; treatment outcome; youths psychiatry, 21062
- music therapy; low awareness states; rehabilitation programmes; multidisciplinary care; diagnosis; assessment; vegetative state, 32340
- National Health Service; waiting times; symptom origins, 30283
- neuroleptic malignant syndrome; antipsychotic medications; diagnostic dilemmas; therapeutic dilemmas, 35387
- Neuroleptic Malignant Syndrome; neuroleptic toxicity; Levenson's criteria; lorazepam; treatment challenge, 8323
- neuropsychological evaluation; diagnosis; Tourette's syndrome; neuropathology, 32829
- neuropsychological studies; anorexia nervosa; eating disorders; cognitive flexibility; ecologic validity; treatment; diagnosis, 23458
- neuropsychological testing; brain imaging; Alzheimer's disease; early diagnosis; amyloid accumulation, 14267
- Nevoid Basal Cell Carcinoma Syndrome; infants; variable expressivity; age related manifestations; diagnosis, 23538
- non-organic behaviour; non-organic hearing loss; effective diagnosis; psychological needs; factitious disorders, 4834
- nonconvulsive status epilepticus; epilepsy surgery; diagnosis; single photon emission computed tomography, 17283
- nonepileptic seizures; diagnosis protocols; psychological pseudoseizures, 26644
- number of years undiagnosed; bipolar disorder; morbidity; diagnosis; patients, 29314
- obsessive compulsive disorder; schizotypy; schizophrenia; therapeutic implications; medical diagnosis; etiological identification, 32329
- overanxious disorder; informant disagreement; twins; parent report; child report; generalized anxiety disorder; diagnostic or-rule; parent psychiatric history, 7782
- panic disorder; patients; diagnosis, 10611
- paradigm failures; treatment-resistant depression; treatment; depression; bipolar disorder; diagnosis; models, 35459
- parental communication; children's behavior; diagnosis; childhood leukaemia; open communication; patient attitudes, 26559
- parenting; borderline personality disorder; mothers; diagnosis; motivation, 32460
- Parkinson's disease; iodine; metadobenzylguanidine; cardiac sympathetic innervation; pupils; cocaine eye drops; phenylephrine eye drops; multiple system atrophy, 17507
- pediatric bipolar disorder; disruptive behavior disorder; pediatric mania; childhood onset mania; diagnosis, 4467
- permanent vegetative state; ethics; decision making; uncertainty; diagnosis, 33637
- personality disorder; American Psychiatric Association; diagnostic manual; cross cultural issues; disease classification, 29445
- personality disorders; diagnosis; personality syndromes; borderline personality disorder; histrionic personality disorder, 23175
- personality; anorexia nervosa; personality assessment; diagnostic category; risk factors, 23461
- positron emission tomography; mild cognitive impairment; frontotemporal dementia; diagnosis; brain disorders; Alzheimer's disease, 1577
- postconcussional syndrome; pathology; brain trauma; subjective complaints; central nervous system effects, 23575
- postnatal depression; diagnosis; early detection; Edinburgh Postnatal Depression Scale, 10525
- postnatal support services; Downs syndrome; Spanish medical system; maternal response; postnatal diagnosis; physician behavior; emotional responses, 27043
- posttraumatic stress disorder; diagnosis; traumatic experience; psychopharmacology; psychotherapy, 7786
- posttraumatic stress disorder; DSM categories; psychiatrists; practitioners; diagnosis, 35523
- practice parameter; risk factors; clinical practice; psychiatric disorders; children; adolescents; substance use disorders; diagnosis, 27144
- pre-diagnostic assessment; Alzheimer's disease; dementia; mild cognitive impairment; neuropsychological assessment, 20537
- predictors; mediators; maternal psychological adjustment; mothers; cancer diagnosed children; acute illnesses; depression; anxiety; mental health; stress; social support; coping; child behavior, 1558
- preschool children; schizophrenia; psychotic symptoms; diagnosis; disorder onset, 32368
- prevalence; nature; mental disorders; primary care; Arabic translation; self-report diagnostic instruments, 32310
- primary open-angle glaucoma; early diagnosis; optic disc; retinal nerve fibre layer; visual field, 5009
- problematic behavior; systematic compensatory adaptation; autism; communicative impairment; diagnostic indices, 26415
- pseudoseizures; diagnosis; treatment; conversion disorders; etiology, 23474
- psychiatric diagnoses; comorbidity; suicidal behavior; psychiatrically hospitalized adolescents; psychiatric functioning, 1121
- psychiatric diagnosis; chronic fatigue syndrome; depression, 29691
- psychiatric diagnosis; inpatient psychiatric consultation; consultation-liaison psychiatry; mental disorders; managed care environment, 11001
- psychiatric diagnosis; older adults; emergency services; patient characteristics; health care delivery, 20035
- psychiatric diagnosis; school psychologists; special education; eligibility decisions; emotional disturbance, 18057
- psychiatric diagnosis; suicide; global perspective; public health; suicide prevention; comorbidity, 7635
- psychiatric disorders; diagnostic criteria; aging; elderly psychiatric patients; psychopathology, 35391
- psychiatric disorders; Symptom Checklist; mental disorders; scale development; psychometrics; scale reliability, 12505
- psychiatric hospital; diagnosis; patient disposition; affective disorders; schizophrenic disorder; length of stay; schizoaffective disorder; treatment outcome, 21023
- psychiatric morbidity; homicide offenders; attempted homicide; psychiatric diagnosis; mental disorders, 4772
- psychiatric patients; cerebral autosomal dominant arteriopathy; diagnosis; leukoencephalopathy; central nervous system; subcortical infarcts; psychiatric disturbances, 23494
- psychiatric patients; cerebral autosomal dominant arteriopathy; diagnosis; leukoencephalopathy; central nervous system; subcortical infarcts; psychiatric disturbances, 23500
- race & gender disparities; psychiatric rates; emergency departments; emergency department patients; psychiatric disorders; diagnosis; injury type, 14827
- rating scales; Asperger's Disorder; diagnostic assessment; autism, 18788
- referral patterns; syndromes; frontotemporal lobar degeneration; non-Alzheimer dementia; diagnosis location; Alzheimer disease; client behavior; patient language; specialty clinics, 35972
- rehabilitation; brain damage; interdisciplinary team; diagnosis; recovery, 33449
- research partners; community health advisors; health advisors recruitment; training; cancer awareness; cancer detection; cancer disparities; African American community, 11508
- Rorschach Test; diagnostic indicators; attention deficit hyperactivity disorder; Somatic Inkblot Series-I; test performance, 28032
- sacroiliac joint dysfunction; diagnosis; treatment options, 32727
- school district resources; autistic disorder; disorder identification, 20339
- scoring systems; Current Scoring System; Somatic Inkblot Series-I; Extended Scoring System; diagnosis; mental disorders, 28037
- screening; diagnosis; early syphilis management; genitourinary medicine clinics; human immunodeficiency virus; genitourinary medicine clinics, 32712
- seasonal affective disorder; distinct diagnostic entity; quality of life; winter months; summer months, 26149
- semantic memory impairment; Alzheimer's disease; cognitive impairment; clinical diagnosis, 17319
- sexual addiction; psychodynamics; compulsive sexual behavior; paraphilia; extramarital relationship; masculine identity; diagnosis, 35583

# Volume 92 SUBJECT INDEX

## Diagnostic and Statistical Manual—Serials

dimensional classification; research agenda; international conferences; American Psychiatric Association; disease classification; personality disorders, 29444

DSM-IV symptoms; pervasive developmental disorder; PDD; elementary school children; autism; Aspergers syndrome, 35761

DSM-IV; clinical social work; diagnosis; linguistic anthropology; schizophrenia, 26183

DSM-oriented scales; syndromes; statistics; taxonomies; multitaxonomic approaches; diagnostic categories; mental disorders, 9352

DSM-oriented scales; syndromes; statistics; taxonomies; multitaxonomic approaches; diagnostic categories; mental disorders, 9348

DSM-oriented scales; syndromes; statistics; taxonomies; multitaxonomic approaches; diagnostic categories; mental disorders, 9347

eating disorder; Not Otherwise Specified category, 32649

model of personality disorder; personality disorders; personality disorder classification; five-factor model of personality disorders, 10625

obsessive compulsive disorder; prevalence; severity; DSM-III diagnostic criteria, 23167

obsessive compulsive disorder; remission; obsessive compulsive spectrum disorders; Diagnostic & Statistical Manual of Mental Disorders, 7789

personality disorder; American Psychiatric Association; diagnostic manual; cross cultural issues; disease classification, 29445

personality disorders; competing models; Diagnostic and Statistical Manual; factor structure, 23177

personality disorders; Diagnostic and Statistical Manual of Mental Disorders; dimensional classification, 23182

posttraumatic stress disorder; DSM categories; psychiatrists; practitioners; diagnosis, 35523

psychiatric diagnoses; Diagnostic and Statistical Manual; professional ethics; labeling, 30567

psychiatry; personality disorders; DSM, 24064

routine clinical work; Global Assessment of Functioning; DSM-IV axis; mental health, 26700

schizophrenia; myths; diagnostic criteria; ICD10; DSM IV; psychiatric symptoms, 4520

sexual dysfunction; human females; Diagnostic and Statistical Manual; sexual fantasies; sexual desire, 32673

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35857

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35889

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35881

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35877

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35894

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35916

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35883

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35879

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35884

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35851

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35846

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35910

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35870

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35841

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35912

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35844

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35845

sexual dysfunction; sexual pain disorder; dyspareunia; DSM; classification criteria, 35859

somatiform disorders; consultation-liaison psychiatry; DSM-V, 17173

tic disorders; Tourette's disorder; Tourette Syndrome; diagnosis; distress; Diagnostic and Statistical Manual of Mental Disorders; DSM-IV-TR, 17273

traumatic stressor; Diagnostic and Statistical Manual of Mental Disorders; posttraumatic stress disorder symptomatology; stressful life event; diagnostic criteria, 29409

**Diagnostic and Statistical Manual—Chapters**

Assessment of Psychopathology, 3224

Balancing Act: Assessing Strengths in Mental Health Practice, 14796

Diagnosing a Taxon: Specific Applications for the DSM, 3139

Diagnosis, 13960

The Effect of Causal Theories on Mental Disorder Diagnosis, 20063

Evolution of Classification in the Diagnostic and Statistical Manual of Mental Disorders: Current Problems and Proposed Alternatives, 4422

The Limits of Diagnostic Criteria: The Role of Social Context in Clinicians' Judgments of Mental Disorder, 12452

**Diagnostic Interview Schedule—Serials**

homeless population; drug abuse; shelters; residential history; Diagnostic Interview Schedule; Homeless supplement; residential patterns, 55

**Dialect—Serials**

African-American English forms; age; AAE tokens; dialect; socioeconomic status; African-American school-aged children, 2559

contact languages; Brussels French; transfer; interference; intra-systemic & inter-systemic factors, 34821

French; regional languages; speakers perception; linguistic security; prescriptivism, 28639

Hispanic English; language development; Hispanic communities; dialect, 649

linguistics; language; Jersey Norman French; transfer-induced changes; speech, 34808

locative prepositions; Cajun French; linguistics; language development; bilingualism; foreign language learning, 34802

minority language; foreign language learning; linguistics; English to French, 34816

neural language processing; whistled language; brain regions; Silbo Gomero, 19166

Ojibwe classroom; indigenous language programs; indigenous languages; self determination; sovereignty; tribal communities; community based programs, 27400

Ojibwe classroom; indigenous language programs; indigenous languages; self determination; sovereignty; tribal communities; community based programs, 27404

regional dialects; ethnic dialects; international dialects; listening comprehension; English as a second language, 13152

scalar phonetic property; phonology; articulatory control; dorsopalatal contact; pharyngealization; velarization; dialect, 6950

spanglish; communities; Hispanics; linguistics; Spanish dialects; bilingualism; language origin, 16167

talker gender; dialect categorization; perception of dialect variation; gender differences, 19358

**Dialectics—Serials**

Asian Americans; stereotype; model minority; yellow peril; dialectics; racial triangulation; Rising Sun, 28660

counter-intuitive beliefs; tolerance; contradictions; naive dialecticism; religious representations; East Asian cultures; religion role, 4036

creativity; resilience; humanistic psychology; dialectical thinking capacity; coping, 16621

dialectical behavior therapy; hospitalization; adolescents; residential care; cognitive behavioral therapy; borderline personality disorder; treatment outcome, 1789

dialectical behavior therapy; impulsive and self-destructive behaviors; Grove Street Adolescent Residence; troubled adolescents, 2162

dialectical contradictions; parent child relations; bereavement; social network; child death, 13729

dialectics; retirement communities; Sun City; lifestyle, 25745

health care teams; interpersonal communication skills; nurses; role dialects; role expectations; professionalism, 24323

master slave dialectic; Frederick Douglass, 22636

parasuicidality; parasuicidal behavior; borderline personality disorder; patient careism; treatment recidivism; symbiotic relationship; existential needs, 20617

psychoanalysis; self-disclosure; HIV; dialectical thinking, 1845

psychotherapy; erotic feelings; intersubjective theory; physical contact; dialectics, 26729

self-esteem; psychological adjustment; psychological well-being; cultural differences; psychological contradiction; naive dialecticism, 4367

self; mind; subjectivity; social constitution; dialectics; feminist writings, 10326

testing; psychometric perspectives; sociocultural perspectives; assessment; dialogue; theories; practices; school-based testing; research discourse, 31103

testing; psychometric perspectives; sociocultural perspectives; assessment; dialogue; theories; practices; school-based testing; research discourse, 31115

testing; psychometric perspectives; sociocultural perspectives; assessment; dialogue; theories; practices; school-based testing; research discourse, 31116

testing; psychometric perspectives; sociocultural perspectives; assessment; dialogue; theories; practices; school-based testing; research discourse, 31104

## Dietary Restraint—Serials

testing; psychometric perspectives; sociocultural perspectives; assessment; dialogue; theories; practices; school-based testing; research discourse, 31105

testing; psychometric perspectives; sociocultural perspectives; assessment; dialogue; theories; practices; school-based testing; research discourse, 31117

turning points; dialectical interpretations; organizational team development; team members, 18400

**Dialectics—Chapters**

Dialectical Behavior Therapy of Severe and Chronic Problems, 17555

Dialectical Behavior Therapy, 23791

**Dialysis [See Also Hemodialysis]—Serials**

microdialysis; brain structures; drugs analysis; vasopressin; oxytocin, 9855

safety requirements; medical equipment; dialysis machines; cognitive walkthrough, 26681

**Diarrhea—Serials**

carcinoid tumor; selective serotonin reuptake inhibitors; diarrhea; elderly patient; depression; citalopram; serotonin; pathophysiology, 11289

colon motility; panic attack; gastrointestinal distress, 32280

**Diathesis Stress Model—Serials**

diathesis stress model; panic attack; anxiety sensitivity; epidemiology; panic-related distress, 20168

**Diazepam—Serials**

anxiolytic; paeonol; mice; benzodiazepine diazepam; locomotor activity, 31710

benzodiazepine withdrawal; Liepmann's phenomenon; drug therapy, 23024

benzodiazepine; diazepam administration; GABA-benzodiazepine; receptor complex; anxiety disorders; anxious patients; drug tolerance; drug therapy; saccadic eye movement; panic patients, 8272

forced swimming stress; GABA brain concentration; benzodiazepines; sensitivity; allopregnanolone; diazepam, 19283

lithium; imipramine; diazepam; nitrate levels; rats; amygdala, 22357

lorazepam; diazepam; catatonic signs; schizophrenia; electroconvulsive therapy, 17657

meropenem; valproic acid; seizures; diazepam; pharmacokinetic interaction; antibiotics, 36234

therapeutic doses; diazepam; human impulsive behavior, 571

**Dichoptic Stimulation—Serials**

binaural hearing; binocular vision; dichoptic colour mixing; ear dominance; auditory localisation; spatial localisation; visual localisation, 34367

dichoptic scanning; non-linguistic stimuli; spatial stimuli; verbal stimuli; hemisphere functioning, 3588

**Dichotic Stimulation—Serials**

age effects; dichotic stimuli; corpus callosum deficit; dichotic listening performance; attention condition, 228

Alzheimer's disease; attention; dichotic listening; prepotent pathways; right ear advantage; hemisphere pathway; presentation rate; digit pairs; frontal lobe; mild states; ordered recall, 35976

binaural hearing; binocular vision; dichoptic colour mixing; ear dominance; auditory localisation; spatial localisation; visual localisation, 34367

dichotic target detection; words; attention; laterality effects, 18981

emotion words; recall; memory retention; lateral dominance; left ear; dichotic listening, 16052

octave illusion; perceived intensity; loudness, 31379

psychometric measures; behavioral measures; central auditory function; central auditory processing deficits; digit span test; dichotic listening test, 8121

sound lateralization; Parkinson's disease; cognitive sensory deficits; spatial perception; auditory perception; dichotic stimuli, 8099

verbal dichotic listening; manual performance; epilepsy-free children; congenital unilateral brain lesions; cerebral reorganization; hemiplegia, 1587

**Dietary Restraint—Serials**

alternative medicine; complementary medicine; hypnosis; meditation; yoga; biofeedback; exercise; chiropractic therapy; massage therapy; dietary adaptations; acupuncture, 36283

caloric preloading; food related thought; eating related thought; thought suppression; restrained eaters; unrestrained eaters; dietary restraint, 29112

caloric restriction; Alzheimer's disease; disease progression; disease risk; A beta plaque accumulation, 25429

caloric restriction; longevity; behaviour; cognition; affect; adverse effects; chronic hunger; food deprivation; dietary restriction; eating disorders, 8472

celiac disease; gluten free diet; computer based training program; conventional training; client training, 17759

cognitive restraint; eating patterns; nutritional intake; physical activity, 29163

counterregulatory eating behavior; restrained eaters; stressful situations; multiple item test meals, 16651

# Volume 92 SUBJECT INDEX

## Dietary Restraint—Serials

daily stress; coping; dietary restraint; binge eating; psychological stress; coping strategies, 1462  
dietary approaches; treatment; obesity; hunger; satiety; weight loss, 20376  
dietary restraint; cognitive performance; abstinent drug users; restrained eaters, 6831  
dietary restraint; impulsivity; eating behavior; eating disorder; comorbidity; inhibitory control deficit; bulimic symptoms, 8011  
dietary restriction; religious movements; anorexia; dietary habits; ideological groups, 23447  
dieting; body image; body ideal; self-perception; body mass index; adolescents, 16312  
dieting; dietary restraint; bulimia nervosa; obesity; prevention; weight maintenance diet; adolescent girls; dietary restraint theory, 29636  
discriminant validity; Restraint Scale; test-retest reliability; language translation; eating disordered women, 6361  
eating inventory questionnaire; cognitive eating restraint; restricted intake; resting energy expenditure; body composition; cortisol; dietary intake; physical activity, 75  
food consumption; attribution style; modeling; dietary restraint; female undergraduates; peers, 7515  
food; dieting; Food Phobia Survey; test validation; test reliability; psychometrics; eating disorder; fear; guilt, 3198  
friendship; adolescent girls; body image; body dissatisfaction; restrained eating; body weight, 23431  
imagery processes; food cravings; visuospatial ability, 36350  
preschool children; food restraint behaviors; dieting behaviors, 28772  
restrained eaters; high fat palatable foods; priming paradigm; food likes, 16594  
self control; self regulation; dieting decisions; cognitive decision process; motivational decision processes; theory of planned behavior, 4317  
self set dieting rules; low achievement rates; dieting strategies, 29152  
special dietary requirement; psychosocial approaches; balanced diet, 33291  
thin ideal images; dietary restraint; diet commercials; snack food consumption; women; inspiration, 22599  
thiol antioxidant supplementation; diet reverses; behavioral dysfunction; mice; premature ageing; N-acetylcysteine; glutathione, 16115  
unrealistic expectations; self perceptions; restrained eaters; unrealistic promises; dieting; diet advertisements; unrestrained eaters; realistic promises; weight loss inspiration, 16597  
weight loss; type 2 diabetes treatment; dietary restraint; obesity treatment, 14629  
**Dietary Supplements—Serials**  
acute psychosis; Rapture; brief psychotic episode; piperazine; dietary supplement; persecutory delusional beliefs; auditory & visual hallucinations; arson; cannabis; nitrous oxide; benzodiazepines, 7737  
aging; nutrition; supplanting nutritional status; nutritional supplementation; immune function; poor health; inflammation; life style factors, 10065  
binge eating; satiety; bulimia nervosa; macronutrient intake; dietary supplements; food intake, 8004  
client-provider communication; program evaluation; growth monitoring counseling skills; supplemental nutrition program; patient centered approach; client perspective, 8464  
creatine; cyclocreatine; kainate; injury; rats; energy precursor supplementation; animal models, 6863  
dietary problems; treatment regimen; phenylketonuria; primary caregivers; affective intensity; parenting style, 29670  
dietary soy supplements; anxiety; male & female rats; phytoestrogen supplements; behavior, 19317  
gingko biloba; donepezil; rivastigmine; galantamine; cognitive function; cholinesterase inhibitors; dementia, 1984  
lecithin; carnitine; carbohydrates; cognition; supplement interactions; acetylcholine metabolism; dietary supplements; reaction time; memory, 538  
nutritional composition; binge eating disorder; bulimia nervosa; ethnic differences; whites; blacks, 8001  
pecan-supplemented diets; hyperlipidemic individuals; serum lipoproteins; dietary intakes, 17168  
policy makers; decision-making model; dietary supplements; health; nutrition, 24725  
television viewing; television reduction; public health programs; women; infants; children; pediatric overweight, 30268  
well being; supplemental nutrition program; economic health; infants; women; children; poverty, 8449  
**Diets—Serials**  
aging; older men; food intake; diet; appetite, 7189  
antidepressant; ketogenic diet; epilepsy; anticonvulsant medication; behavioral problems; cognitive functioning; attention deficit; mood stabilizer; rats; animal model, 9853

Apteranoripidae; feeding behavior; diet; scorpionflies; morphology; alimentary canal; mouthparts, 19134  
bipolar disorder; Atkins diet; psychotic episode; dietary changes; valproic acid, 23055  
black howlers; hurricane; severe habitat destruction; animal activity; animal diet, 34512  
body image; gender differences; generation differences; dieting attitude; family resemblance, 10350  
body weight changes; exercise; dietary patterns; college students; obesity, 33308  
Children's Eating Attitude Test scores; eating behavior; primary school children; dietary intake; body shape satisfaction; body shape satisfaction, 25707  
cholesterol-lowering diet; telephone delivered behavioral intervention; diet adherence; self-efficacy based intervention; hypercholesterolemia, 23999  
computerized dietary assessment programs; nutrition education research; computer literacy, 36371  
crickets; sexual display; death; phenotypic quality; protein diet; ageing, 9719  
diet counseling; primary care; nutritional counseling; diabetes; doctor attitudes, 33295  
diet related chronic illness; family relations; coping behavior; coronary heart disease; coeliac disease, 30323  
diet therapy; narcolepsy; low-carbohydrate ketogenic diet; sleepiness; Atkins' diet, 14585  
diet; epilepsy treatment; drug treatments; ketogenic diet; fasting; dietary regimens, 17250  
diet; religious organizations; dietary fat consumption; dietary behaviors; Eating for a Healthy Life (EHL) project; intervention package; self-help books; motivational messages; social interactions, 2010  
Dietary Analysis Plus Program; college nutrition class; on-line dietary analysis program; health behavior; eating habits, 15128  
dietary approach; obesity; weight watchers; heart diseases; risk reduction, 11398  
dietary folate; risk factors; depression; Finnish middle-aged men; cobalamin; discharge diagnosis, 7729  
dietary health strategies; reduced fat food; food choice, 36377  
dietary intake; health behavior; white females; black females; nutrition; exercise; diet; health risk factors; body image, 8392  
dietary intake; omega-3 fatty acids; major depression; mood; suicide, 13860  
dietary intake; omega-3 fatty acids; major depression; mood; suicide, 13867  
dietary learning; flavors; foods; preferences; research; critical developmental period; portion size; dietary behaviors; associative learning; humans; awareness; satiety, 25206  
dietary preferences; food; threonine concentration; piglets; feeding behavior, 31698  
dietary restriction; religious movements; anorexia; dietary habits; ideological groups, 23447  
dieters; non-dieters; perceived vitamin content; ordinary foods; diet foods; fat; sugar; salt, 2030  
dieting; dietary restraint; bulimia nervosa; obesity; prevention; weight maintenance diet; adolescent girls; dietary restraint theory, 29636  
dieting; weight loss; serotonin receptors; psychiatric disorders; feeding; satiety, 1469  
eating inventory questionnaire; cognitive eating restraint; restricted intake; resting energy expenditure; body composition; cortisol; dietary intake; physical activity, 75  
eating patterns; dietary patterns; cardiovascular risk factors; Mexican Americans; heart healthy eating; community based heart disease prevention, 1572  
economic inequality; child malnutrition; per capita consumption; maternal education; housing conditions; health services access; ethnicity; fertility; diet composition; stunting, 16392  
exercise motivation; diet motivation; overweight women; weight-loss program; theory of planned behavior (TPB); exercise and diet behavior, 5266  
fast food; pediatric practitioners; nutrition guidelines, 36402  
fat intakes; dietary interventions; African Americans; low income group; high risk population, 16613  
few food diet; severe migraine; children, 5329  
first trimester predictors; diet; birth outcomes; low income level; pregnant women; biopsychosocial factors; behavioral factors; cognitive factors, 24005  
food monitoring system; food cup; rats; animal feeding, 9732  
health benefits; omega-3 polyunsaturated fatty acids; cardiovascular disease; heart disease; food intake; dietary guidelines, 1937  
health risks; food scares; lifestyle decisions; health campaigns; physical inactivity; diet; smoking; environmental sustainability; consumer food choices, 36357  
Latin Americans; urbanisation; obesity; diet; socioeconomic; health problems; rural environments; traditional lifestyles, 26481

## Differential Diagnosis—Serials

locomotor response; amphetamine; psychostimulants; mice; diet; protein malnutrition; psychoactive drugs, 16110  
magical beliefs; food beliefs; health beliefs; diet; negative experiences, 1034  
mediation; media; health; lifestyle; diet; exercise, 14666  
migraine; food allergy; food triggers; elimination diets, 5328  
muscular ideal; risk factors; steroids; body image; muscle dysmorphia; ephedrine; dieting; males, 13556  
nutrition education program; World Wide Web; adolescent audience; Diet Analysis Program; database selection; foods; user input accuracy; process evaluation, 36352  
oral sensation; chronic disease risk; cardiovascular disease; dietary behaviors; taste genetics, 1573  
overweight; children; adolescents; dieting; eating disorders; risks, 23425  
patient view; dietary research, 34337  
peer influences; body dissatisfaction; dieting awareness; young girls, 25673  
physical activity; African Americans; low fat diet; Hispanics; middle school students; low income level; health problems, 36943  
pork; poultry; consumption; consumer beliefs; Theory of Reasoned Action; influence of important others; Irish consumers, 2950  
prefed diet; dietary preference reduction; Norway rats; golden hamsters; preference longevity, 12840  
program development; food store intervention; stakeholder participation; community-based dietary intervention; community participation; American Indians; obesity, 11429  
psychological predictors; social predictors; health behavior; behavior change; fruit & vegetable consumption; low-income population; behavioral counseling; nutrition education, 5375  
self set dieting rules; low achievement rates; dieting strategies, 29152  
social recognition; sticklebacks; cues; habitat conditioning; diet, 25338  
soy intervention; adolescent girls; soy foods; nutritional intervention, 14678  
special dietary requirement; psychosocial approaches; balanced diet, 33291  
thin ideal images; dietary restraint; diet commercials; snack food consumption; women; inspiration, 22599  
vascular risk factors; major depression; diet; deep white matter & periventricular & subcortical hyperintensities; structural brain changes; vitamins, 20084  
weight gain; stereotypical thinking; food nutrients; food influence judgements; positive health reputations; health media; obesity, 29633  
workers interpretations; worker attitudes; healthy eating, 16583  
**Diets—Chapters**  
Big Food, Big Money, Big Children, 19436  
Food for Thought... and Good Health, 19612  
**Differential Aptitude Tests—Serials**  
intelligence tests; Flynn effect; measurement invariance, 43  
**Differential Diagnosis—Serials**  
basal ganglia diseases; first episode psychosis; Huntington's disease; Wilson's disease; Fahr's disease; differential diagnosis, 4550  
bipolar depression; unipolar depression; clinical diagnosis; bipolar disorder; treatment, 35429  
body dysmorphic disorder; delusional disorder; underdiagnosis; endocrinology, 20052  
brief screening tool; prepubertal adolescents; early adolescent; bipolar disorder phenotype; child mania; attention deficit hyperactivity disorder, 24952  
competence evaluation; neuropsychological tests; differential diagnosis; dementia; depression; test scores; symptom patterns; elderly, 29792  
delirious behavior; children; influenza; clinical features; EEG findings; influenza associated encephalitis; encephalopathy; differential diagnosis; disease course, 32706  
dementia with Lewy bodies; Alzheimer's disease; attention; memory; mental construction; Mini-Mental State Examination subscores; differentiating dementia type; early dementia, 10937  
dementia with Lewy bodies; Alzheimer's disease; attention; memory; mental construction; Mini-Mental State Examination subscores; differentiating dementia type; early dementia, 9385  
dementia with Lewy bodies; Parkinson disease dementia; phenotypes; differential diagnosis; clinical trial designs; treatment options, 10913  
differential diagnosis; frontotemporal dementia; semantic dementia; Alzheimer's disease; Consortium to Establish a Registry for Alzheimer's Disease-Neuropsychological Assessment Battery; subtests, 12499  
differential diagnosis; major mental disorders; psychiatry, 7686

## Volume 92 SUBJECT INDEX

### Differential Diagnosis—Serials

differential diagnosis; psychiatric disorders; treatment; epilepsy; behavioral problems; risk factors; prevalence; family factors; children; adolescents; behavior disorders, 1602

differential diagnosis; selective mutism; bilingual children; immigrant children; language proficiency, 26500

differential diagnosis; speech problems; bilingualism; health problems; school performance; treatment planning, 17946

differential treatment; health workers; social identity; hospital practice; health care, 2251

excessive daytime sleepiness; differential diagnosis; sleep fragmentation; central nervous system dysfunction; obstructive sleep apnea; periodic limb movement disorder, 35880

functional gastrointestinal symptoms; psychiatric disorders; misdiagnosis; differential diagnosis; small bowel tumors; psychiatric screening, 20454

Mayo-Portland Adaptability Inventory; differential diagnosis; severe traumatic brain injury; frontal lobe damage; anosognosia; test validity, 28045

mesial temporal sclerosis; psychotic depression; psychopathology; misdiagnosis; atypical course, 7642

progressive anarthria; motor speech disorder; writing performance; primary progressive aphasia; linguistic basis; differential diagnosis, 26495

pseudobulbar affect; affective lability; differential diagnosis, 29761

psychopathology; acute and transient psychotic disorders; schizophrenia; schizoaffective psychoses; differential diagnosis, 32398

unipolar depression; bipolar disorder; differentiation; distinctions; neurobiology; symptomatology; psychosocial antecedents, 23043

**Differential Diagnosis—Chapters**

Dementia and Schizophrenia: Similarities and Differences, 23130

Diagnosis of mental health in young children, 13824

Mania, catatonia, and psychosis, 20014

Research-supported differential diagnosis of specific learning disabilities, 15632

**Differential Limen** [See Thresholds]

**Differential Personality Inventory** [See Nonprojective Personality Measures]

**Differential Reinforcement—Serials**

autism; food consumption; noncontingent presentation of preferred materials; differential reinforcement of alternative behavior; response cost, 23773

differential reinforcement; reinforcement contingency; classroom activities, 23774

disruptive behavior; response cost; differential reinforcement; preschool classroom, 2685

fixed time schedules; contingent schedules; negative reinforcement; aberrant behavior; compliance; differential reinforcement, 14100

tic suppression; verbal instruction; Tourette's syndrome; differential reinforcement; classroom behavior, 1806

treatment; multiply controlled problem behaviors; procedural variations of differential reinforcement; autism spectrum disorder; self injury; aggression; disruption; functional analyses; extinction, 26431

**Difficulty Level (Test)—Serials**

item parameters; item-fit statistic; item discrimination; item difficulty; level of guessing, 93

**Digestion—Serials**

physiology; Ivan Petrovich Pavlov; Nobel Prize award; classical conditioning; digestion, 31098

physiology; Ivan Petrovich Pavlov; Nobel prize award; digestion; Classical conditioning, 2404

**Digestive System Disorders** [See Also Cystic Fibrosis, Gastrointestinal Disorders, Jaundice, Liver Disorders]—Serials

Celiac disease; antigliadin antibodies; epilepsy; comorbidity; prevalence; anti-endomysial antibodies; anti-tissue transglutaminase antibodies, 23512

celiac disease; gluten free diet; computer based training program; conventional training; client training, 17759

somatosensory amplification; alexithymia; functional dyspepsia, 8037

**Digit Span Testing—Serials**

comparability; reliability; practice effects; digit symbol substitution; symbol digit modalities; alternate forms, 28067

psychometric measures; behavioral measures; central auditory function; central auditory processing deficits; digit span test; dichotic listening test, 8121

reliable digit span; laboratory induced pain implications; clinical use; test validity; cognitive test performance; negative response bias, 18666

reliable digit span; malingering pain related disability; chronic pain patients; neurocognitive dysfunction; traumatic brain injury; spinal cord injuries, 26513

**Digital Computers—Serials**

digital video; psychiatry; professional presentation; therapeutic development, 30475

information architects; digital media production; instructional design program; teaching methods; student attitudes, 5796

**Digits (Mathematics)** [See Numbers (Numerals)]

**Dihydroxytryptamine—Serials**

median raphe; hamster; serotonergic projections; circadian rhythm; light; neurotoxin, 34709

**Dilantin** [See Diphenylhydantoin]

**Dilation (Pupil)** [See Pupil Dilation]

**Diphenylhydantoin—Serials**

oxcarbazepine; phenytoin; EEG; cognition, 9864

**Diphenylhydantoin Sodium** [See Diphenylhydantoin]

**Directed Revery Therapy** [See Guided Imagery]

**Direction Perception—Serials**

anticipatory postural adjustments; walking; body configuration; direction alteration, 3397

audiovisual integration; motion; multisensory integration; direction discrimination, 15831

baseball outfielders; linear optical trajectory; catching fly balls; optical acceleration; optic acceleration cancellation theory; linear optic trajectory theory; ball interception, 25150

direction uncertainty; joystick pointing; reaction time; eye movements; choice reaction, 18924

footsteps; dogs; direction perception; odor trail, 25275

gaze-cued attention orienting; eye direction; squinting; gaze direction, 14285

heading perception; self motion; ecstasy users; marijuana users; drug abstinence; cognitive processes; driving behavior, 22365

human magnocellular pathway; global motion perception; direction discrimination, 205

motion transparency; visual processing; motion perception; oscillation detection; signal strength, 9555

moving stimuli; direction-based correspondence effects, 21983

neurons; macaque; motion perception; motion adaptation; direction perception, 22293

onset repulsion effect; localization errors; motion perception; movement direction, 9560

parallel processing; spatial information; serial order information; working memory; remembered target direction, 31330

pattern motion; component motion sensitivity; cat superior colliculus; direction tuning responses; collicular neurons; visual motion perception, 22299

radial motion bias; motion discrimination; visual thresholds; neural mechanisms; speed gradients; motion patterns directions, 21981

reaction time asymmetries; visual motion processing; motion detectors; discrimination tasks; expansion; contraction; radial direction, 31357

sense of direction; landmark piloting; inertial cues; White King pigeons; Columbia livia; visual cues, 31522

speed lines; direction judgments; visual tracking; stimulus movement; orientation mechanisms, 22005

torso direction; eye direction; head; reaction time; judgement speed; eye-head relationship, 12691

visuo-motor transformations; hand-foot coordination; incongruity hypothesis; visual motion structures; iso- and non-iso-directionality; perceived movement direction; visual-grouping hypothesis, 25095

**Direction Perception—Chapters**

Dynamics of Perceptual Bistability: Plaids and Binocular Rivalry Compared, 18973

Perception of the Direction of Frequency Sweeps in Moving Ripple Noise Stimuli, 25136

**Disabilities** [See Also Developmental Disabilities, Learning Disabilities, Multiple Disabilities, Reading Disabilities]—Serials

academic performance; college students; disabilities; learning disabilities, 24557

aging people; mild intellectual disabilities; moderate intellectual disabilities; reminiscence; occurrence; content; feelings; type; memories, 17085

alignment; content validity; Wisconsin Alternate Assessment; disabled students, 12555

assistive technologies; environmental factors; International Classification of Functioning Disability and Health; community environments; comprehensive assessment systems, 22978

assistive technology solutions; disabilities; employment, 27750

assistive technology; postsecondary students; disabled students; instructional accommodations, 24563

benzodiazepines; intellectual disability; drug therapy, 11284

Blacks; Hispanics; ethnic identity; disabilities; peer mentors; spinal cord injury; violence; rehabilitation hospital, 17904

brain damage; rehabilitation; virtual reality; cognitive abilities, 29793

brain damage; rehabilitation; virtual reality; cognitive abilities, 29806

### Disabilities—Serials

bullying; school interventions; commercial intervention programs; disabled children, 11944

capabilities framework; disabilities; social models; autonomy; civil rights; social participation, 7636

caregivers engagement; intellectual disability; health care services; older parents, 2229

cerebral anoxia; cardiac arrest; disability, 8073

child care; disability; family structure; low income status; preschool children; quality of child care, 27114

child development; special education; collaboration; disabilities; sociocultural context, 33846

childhood disabilities; parenting; social relationships, 19991

co-teaching; middle school classroom; disabled students; solo-taught class; secondary education; student inclusion; special education, 21441

cognitive organizers; mild disabilities; content area learning; student satisfaction; software; social studies, 30772

communitarianism; community; intellectual disability; social capital, 35772

community services; health care; disabilities; therapeutic recreation, 26904

community services; inclusive recreation; disabilities; benchmarks; quality of services, 26900

community-based leisure services; therapeutic recreation; disabilities; social support; health promotion; lifestyle, 26896

comorbidity; medicaid enrolled children; health problems; mental health problems; disability; unmet service needs, 17803

compliance; practitioners; problem behavior; high probability request sequences; disabilities; research, 36161

conflict of interest; biomedical research; disabilities; research abuse; children; experimental risks, 14976

conflict of interest; biomedical research; disabilities; research abuse; children; experimental risks, 14980

conversation skills; peer mediated conversational repair; disabilities; students, 29263

coping strategies; parents; well being; autism; preschool children; school age children, 35765

corporate culture; disability laws; disabled people; organizational learning, 18367

corporate culture; disabled people; employment; economic disparity; social disparity; job promotion, 18478

corporate culture; workplace diversity; disabled people; corporate leadership, 18477

cross-cultural comparison; otherness; disabled persons; disabilities; attitudes, 7284

death row; disabled youth; juvenile justice system; race; delinquency; crime, 10741

demographic characteristics; incarcerated youth; disabilities; juvenile justice; parole, 36580

dental general practitioners; dental services; disabled patients; dentist attitudes; health care services, 2489

depression correlates; prevalence; disabled adults; environmental factors; healthy behaviors; major disabilities; risk behaviors; sociodemographics, 13799

developing children's attitudes; physical disabilities; intellectual disabilities; cerebral palsy; Down syndrome, 30779

disabilities experience; social integration; social environment; society; social support, 22986

disabilities; potentially modifiable factors; risk factors; disease severity, 20455

disability community; Internet use; social model of disability, 10412

disability equality training; health care staff; participative consultative process; staff training, 8759

disability issues; radio programmes; mainstreaming; treatment, 16725

Disability Rating scale; Coma/Near-Coma scale; severe head injury; inter-rater reliability, 31207

disability; employment; work performance; anxiety disorders; labor force participation; prevalence rates, 13948

disability; gender; race; immigrant women; community integration; civil rights, 22948

disability; literature; William Faulkner, 31734

disability; social integration; living standards; state pension; state programmes; health, 16731

disability; sociological understandings; medical sociology, 4414

disabled adolescents; peers; disabilities; perceived differences; self-views; intimate relationship & friendship development; sexual development; sociological & psychological implications; sexuality, 4399

disabled children; caregiver training; program evaluation; massage skills, 8491

disabled children; support organization; health services; parental role, 24091

disabled people; ethnography; anthropology; marginalization, 19981

disabled people; TV dramas, 28668

disabled students; accountability systems; students performance; standards assessment; school inclusion, 36933

- educational inclusion; education; equal educational opportunities; social participation; disabled students; educational system, 18302
- educational support; postsecondary education; disabled students, 24567
- elementary school counselors; disabled students; counselor strategies; personal needs; social needs, 30807
- emotional availability; disabled children; genetic mental retardation syndromes; caregiver child interactions; hearing impairments; autism; parenting, 35344
- employment discrimination; multiple sclerosis; disabilities; employment discrimination complaints, 10853
- employment rate; disabilities, 10393
- employment rehabilitation; physical disabilities; consumer participation, 11595
- employment restrictions; anxiety disorders; disability; government funded vocational assistance, 29433
- environmental factors; aphasia; disability, 4958
- epistemology; community psychology; disability; research, 17819
- families; humor; disabled family member; grief; sadness, 7644
- family placement schemes; intellectual disabilities; elderly carers; placement providers; training, 2232
- family professional partnerships; childhood disabilities; meaning; mothers' perspective, 16705
- family resources; parenting role stress; two earner families; disabled children; parenting challenges; work demands, 25857
- fetal alcohol syndrome; prevention; disability models; parental narratives, 32567
- functional disability; disability transitions; depressive symptoms; late life; elderly, 22623
- gay men; chronic illness; disability; social constructivist perspective; minority groups; mental health, 10414
- Handicap Assessment and Resource Tool; aged people; hospital; occupational therapist; clinician perceptions; clinical utility; psychometrics, 34215
- health care decisions; decision making; chronic illness; disability paradox; errors; happiness reports; happiness predictions; imagination; well being; quality of life; scale recalibration; adaptation, 29694
- health care needs; disabled children; multi-agency services; emotional needs; social needs; families, 33387
- health care policy; disabled children; health care delivery; affected families, 36454
- health promotion; capacity building; spinal cord injuries; neurological disabilities; community organizations, 35966
- human males; sports; spinal cord injury; metaphors; narrative types; disabled; identity reconstruction; rugby union football, 4879
- hypnotic analgesia; chronic pain; disabilities, 20843
- immigrants; Chinese Canadian mothers; education involvement; disabled children; special education students, 5881
- inclusion; leisure; context; social acceptance; recreation programs; people with disabilities, 10401
- institutional experience; disabilities; philanthropic involvement; childhood development, 29229
- intellectual disabilities, 26420
- intellectual disabilities; genetics; lifespan; evidence based practice, 35793
- intellectual disabilities; menstruation; menstrual care; help from carers; independent care, 35802
- intellectual disabilities; mental retardation; developmental disabilities; criminal justice system; DNA tests; serious crimes; wrong-person convictions, 17119
- intellectual disability; assessment; pain; psychopathology; risk assessment & offending; autism; preference & choice; dementia, 35798
- intellectual disability; term; disability literature, 35803
- International Classification of Functioning Disability and Health; clinical & health care settings; clinical assessments; clinician communication; Procedural Manual; functional status, 22975
- International Classification of Functioning Disability and Health; disorder classification; governmental uses; health fields, 22942
- International Classification of Functioning Disability and Health; rehabilitation psychology; clinical practice, 24171
- International Classification of Functioning Disability and Health; rehabilitation psychology; health care service, 24165
- international law; mental health; disabled people; client rights; disability convention; human rights, 27930
- international rehabilitation; disabilities; educational exchange; rehabilitation education; cross cultural differences, 36660
- interpretation; analogue designs; rehabilitation counseling; disability studies, 12606
- job retention services; chronic diseases; work disability; at risk population; job satisfaction; rheumatic diseases, 11578
- juvenile corrections systems; disabilities; incarcerated youth, 17954
- Latino; vocational rehabilitation; disabilities; racial groups; ethnic groups; access to care; epidemiology, 33514
- least restrictive environment; special education laws; students involvement; childhood disability; high school art class, 9882
- life satisfaction; disability; traumatic brain injury, 14248
- literacy; disabled children; parental perceptions; social support, 10455
- mathematical problem-solving; mathematical problem-solving intervention; Center on Accelerating Student Learning; math-disabled students, 24554
- mental health professionals; disability competence; self-awareness; perceived knowledge; perceived skills; social desirability, 8786
- mental illness; substance abuse; mental health center; transitional housing program; homeless shelter system; vocational rehabilitation, 30410
- metacognition; pre-service teachers; disabilities; disability understanding; self efficacy; learning ability; Asian context; acceptance of disabled, 32268
- mindfulness meditation; somatic education; somatic awareness; self awareness; experiential learning; college & university curriculum; course; disabled students, 2607
- mispredictions; focusing illusions; adaptation; quality of life estimates; disability estimates; life satisfaction, 25196
- mothers resolution; childrens disability non resolution; down syndrome; autism; cognitive intervention; mothers emotional state, 33100
- mothers; disabled children; medical model; social model; minority model; disability; mainstream society, 32285
- motor-vehicle crashes; adult injury; disability, 6104
- MRC CRASH; intravenous corticosteroid; head injury outcomes; death; disability, 30144

dent discourse, 133

Asperger syndrome; linguistic resources; communication  
skills; sociolinguistics, 23165

attention deficit hyperactivity disorder; diagnosis; discourse  
analysis; doctor patient interaction; talk-in-interaction;  
medication, 20335

autobiographical memory; social role; social discourse;  
autobiographical events; social factors; culture, 15927

casualty; language production; discourse fragment  
continuation; language consequences; discourse gaps; nar-  
rative; temporal recency; textual recency, 16188

causal inferences; reading; comprehension narratives; goal  
plan knowledge, 19028

child labour; International Labour Organization; well-being; discourse analysis; Organization of Employers and Workers, 23947

child prostitution; textual abuse; language analysis; child abuse; print media; lexical redescription; exploitative language, 35584

Chinese women; female body; personal memories; foot binding; storytelling; discourse analysis; literature; sex roles, 28592

class inclusion; correspondence models; metaphorical discourse; psycholinguistics, 22441

co-principalships; shared leadership; storying techniques; discourse analysis, 3309

communication pattern; demand/withdraw discussion patterns; parent-adolescent relationships; parents' issues; adolescents' issues; gender, 28746

community identity; discursive construction, 10265

complex narrative goal structures; memory-based influences; situational influences; reading, 19027

conference presentation introductions; socialisation; academic discourse community; written academic genres; spoken research genre; English, 19371

conversational analysis; discourse analysis; family social work case; family positions; drug addiction, 24128

criminal women; spiritualism; lesbianism; Victorian discourse, 7234

discourse analysis; electroconvulsive therapy, 36289

discourse analysis; fatherhood; family alliances; infancy; family functioning, 28965

discourse analysis; organizational change, 21569

discourse analysis; psychoanalysis; Jacques Lacan; text; psychoanalytic theory, 19972

discourse comprehension; memory-based processes; explanation-based processes, 19009

discourse context; lexical anticipation; prediction-sensitive parsing; grammatical gender; EEG, 22088

discourse cues; survey questions; misunderstanding; misinterpretation; disfluencies; speech; pauses; stammers; hedges, 646

discourse; social cognition; metaphor; semantics; cognitive schemas; employee interaction, 1000

discursive psychology; discourse analysis; psychological phenomena; constructionism; cognition; social critique, 35256

discursive psychology; qualitative approach; interaction; medical settings; psychological words; psychological displays; conversation, 25563

discursive shifts; agency; children; discipline; governmentality; literacy; story; subjection; social changes, 28753

discursive themes; mothering practices; good mother; motherhood, 25838

dualistic thinking; conflict resolution; dualism; social discourse, 34778

ethnic discrimination; majority group members; majority minority dichotomy, 16450

Faircloughs textually oriented critical discourse analysis; public relations; news production; Slovenia; text production, 31768

food evaluations; families; eating practices; discursive approach; interaction, 528

fuzzy transparency; public speech; linguistic elements, 6951

gender experience; second language use; linguistic expertise; Bakhtin's concepts, 6961

genre metadiscourse; genre introductory sections; corporate annual reports; British companies; environmental reports, 19372

health; health care practice; discourse analysis; qualitative research, 160

human males; sports; management; masculinity; discursive practices, 28997

interactive writing; email dialogues; learning; virtual discourse; discourse analysis; interactive writing; literacy development; curricular knowledge; personal knowledge, 30635

intercultural discourse; Amerindian development; legal documents; discourse practice; community based development, 19672

lesbian jokes; methodological problems; methodological questions, 618

lesbian jokes; methodological problems; methodological questions, 621

lesbian jokes; methodological problems; methodological questions, 622

lexical aspect; written discourse; English verbal morphology; creole speaking students; narratives, 22402

life story; ideal speech conditions; life history dialogue; discourse; norms; normative institutional arrangements; hermeneutic dialogue, 19363

literature classroom; reception theories; classroom discourse; discourse analysis; teachers; teaching methods; students response, 11864

local discourse; global research; ethnography; local knowledge; linguistics, 13141

males; masculinity; emotions; discourse analysis; masculine emotional behavior, 4272

maternity leave; leave policies; workplace experiences; pregnancy; feminist poststructuralist discourse analysis, 13518

memory-based approaches; discourse comprehension; irrelevant information; granularity; reading; information access, 19024

mental disorder; linguistic analytic philosophy; long-term schizophrenia, 4505

mental disorder; linguistic analytic philosophy; long-term schizophrenia, 4512

mental disorder; linguistic analytic philosophy; long-term schizophrenia, 4513

mental disorder; linguistic analytic philosophy; long-term schizophrenia, 4519

mental disorder; linguistic analytic philosophy; long-term schizophrenia, 4546

mental disorder; linguistic analytic philosophy; long-term schizophrenia, 4547

mental health services; power; user involvement; participation; discourse, 20936

multiple interrogation; interpretive effects; superiority phenomena; sentence level; discourse-related contingencies; question focus; question structure constraints; English interrogatory formations, 16178

national identities; Japanese immigrants; discourse analysis; social processes; modernity, 19375

needle fixation; drug injecting use; discourse analysis; medical discourse, 32532

needle fixation; drug injecting use; discourse analysis; medical discourse, 32547

negative irony; mitigation; logical thinking, 13149

news articles; press; media; discourse analysis; ideology, 19387

organizational change; discourse analysis; language; behaviorist & cognitivist views, 21582

organizational discourse; symbolic action; organizational development; senior managers; conceptualization, 21574

overinterpretation; psychoanalytic interpretive strategies; qualitative researchers; discursive analytic interpretation, 31305

probabilistic approach; argument interpretation mechanism; models; user's beliefs; user inferences; Bayesian networks; discourse interpretation, 27883

psycho-linguistic embodiment; parental ethnotheories; cultural processes; parental reasoning; linguistic discourse analysis; mothers, 836

psycho-linguistic embodiment; parental ethnotheories; cultural processes; parental reasoning; linguistic discourse analysis; mothers, 821

racialist homophobia; African nationalist movement; masculinity; political discourse, 22627

reading comprehension; anaphoric reference; discourse analysis; sentences, 13144

religious genres; entextualization; literacy; Gypsy culture; Gitano; oral genres, 13242

rhetorical theory; discourse analysis; macro news frames; micro linguistic choices; news texts; reparative therapy; homosexuality; news discourse; rhetorical goal; idealized science vision; Ex-gay, 34838

Robert Brandom; deflationism; truth; reference; predication; language; philosophy of language, 34787

sexual abuse; discourse analysis; detention home; narratives, 10645

sexual motives; judicial sentencing decisions; child sexual abuse; offenders; judicial discourse; discursive social psychology, 20298

social cognition; discourse analysis; cognitive linguistics; business media, 19347

suicidology; analysis of suicide related texts; role of discourse; linguistic aspects; prescriptive process, 10661

syllable onset interval; syntactic units; spontaneous speech; discourse units; Taiwan Mandarin, 3771

synchronic context; diachronic relevance; discourse analysis; temporal context; social worlds; social identity; time, 22418

syntax; semantics; pragmatics; Croatian political discourse; tobacco, 28629

systemic research; qualitative research; research methodologies; grounded theory; discourse analysis; narrative analysis; psychotherapy; application; experiences; more than one language; participants, 31294

technological determinism; discursive closure; organizational mergers; managerial decisions; managerial strategies, 9118

temporal patterning; speech; iconic gestures; conversational discourse; Chinese conversation, 22401

terrorism; September 11th; discourse analysis; interactional dynamics; online forum; cross cultural differences, 31966

text processing; comprehension; search after meaning; top-down processing, 19014

traditional religious funerals; rituals; discourse analysis; language; contemporary secular funerals, 19622

tribal jurisprudence; legal processes; colonial legal institutions; Hopi tribal court; indigenous people; laws; courtrooms; discourse, 27912

war; smoking gun; metaphors; idioms; ideology; political lexicon; property attribution model, 22396

world knowledge; discourse processing; reading comprehension; episodic knowledge, 18998

youth indoctrination; post-war period; Spanish Civil War; Francisco Franco; Fascist civics textbook; absolute power, 9928

## Discrimination Learning—Serials

### Discrimination Learning [See Also Drug Discrimination, Matching to Sample, Nonreversal Shift Learning, Reversal Shift Learning]—Serials

antecedent selection; typical verbal antecedents; simplified antecedents; autism; picture discriminations; preschool children, 32592  
associative learning; discrimination learning; instrumental learning; reinforcement, 28339  
auditory frequency; frequency discrimination; discrimination learning; stimulus variability, 31376  
bidirectional associations; backward associations; forward associations; temporal coding; temporal integration; humans; rats, 28368  
brain damage; discrimination shift learning; cortical lesions; subcortical lesions; group differences, 35985  
color vision; color discriminations; *Leontopithecus chrysomelas*; discrimination learning; golden-headed lion tamarins, 34697  
concurrent discriminations; discrimination learning; successive reversal of concurrent discriminations; proactive interference; Rhesus monkeys, 22186  
conditional discrimination learning; aging; awareness; eyeblink conditioning; eyelid conditioned response frequency, 6698  
conditional discrimination learning; aging; awareness; eyeblink conditioning; eyelid conditioned response frequency, 6692  
conspicuous faces; sheep; age differences; face recognition; discrimination learning, 6673  
contextual control; fluid consumption; saccharin; context extinction; danger; discrimination training, 34499  
discrimination learning; attentional process; visual cues; acquired distinctiveness, 34440  
discrimination training; phonemic contrasts; phonological processing; school children; perceptual learning, 27572  
discriminative stimuli; cues; choice response; rats; delay effects; preferences, 6685  
fornix lesions; cingulohypothalamic neuronal patterns; discrimination learning; rabbits, 6796  
hippocampus; cytochrome oxidase activity; rats; visual discrimination learning; easy discrimination; difficult discrimination, 22175  
hissing habituation; Madagascar hissing cockroaches; discriminatory behavior; taming; insect-human contact, 6670  
imitation; observation; association; pigeon; stimulus-response; response-outcome associations; imitative learning; instrumental discrimination, 28385  
implicit memory; simultaneous discrimination; stimulus dimension relevance; incidental memory; learning criterion; response latencies; category learning, 6741  
Iowa Gambling Task; somatic marker hypothesis; decision making; implicit knowledge; reversal learning; ventromedial prefrontal cortex patients, 22070  
learning; configural discrimination; configural pre-training; conditioned stimulus, 15919  
learning; discrimination; cuticular hydrocarbons; honeybees; recognition cues, 25292  
learning; limbic system; medial temporal lobe; cognition; hippocampal formation; Rhesus monkeys; ablations; discrimination learning; recognition memory; amnesia, 25433  
learning; limbic system; medial temporal lobe; cognition; hippocampal formation; Rhesus monkeys; ablations; contextual retrieval; object object associations; hippocampal memory, 25402  
marmosets; color vision; color discrimination ability; gummivore callitrichid; ecology; insectivore callitrichid, 31497  
memory; emotional interactions; discriminative fear learning; animal fearful individuals; fear generalization, 22153  
monkey; hippocampus; development; recognition memory; maturation; learning; limbic system; medial temporal lobe; cognition; ablations; contextual retrieval; object associations; hippocampal memory, 34638  
monkey; perirhinal cortex; visual memory; visual perception; cognitive role; discrimination learning, 28461  
NMDA receptor antagonism; nidopallium caudolaterale; pigeons; contextual processing; response selection; matching to sample; stimulus-response association; avian; prefrontal; DL-AP5, 25409  
partly occluded photos; food; pigeons; visual perception; perceptual completion; discrimination learning, 19118  
pigeons; transposition; multiple discrimination training, 28382  
prefrontal cortex; discrimination rule learning; extradimensional set shifting; rats; N-methyl-D-aspartate receptor antagonist; MK801; cognitive flexibility, 19325  
spatial discrimination; animal learning; nitric oxide synthase inhibition; dopamine receptors; muscarinic acetylcholine receptors, 28563  
summation; ordinality; chimpanzees; monkeys; numerousness; food items; color, 28370

task-switching; reconfiguration demands; task set shift; stimulus repetitions; stimulus-response; mapping rules; selection difficulty; switch costs; exogenous reconfiguration; stimulus sequence, 6568  
temporal discrimination; archiving data; animal learning; animal behavior, 9700  
test order; nodal distance; derived discriminative stimulus functions, 22136  
variability discrimination; humans; animals; adaptive action, 6658  
visual discrimination task; spiking network model; fire neurons; integrate neurons; synaptic parameters, 31559  
**Discriminative Learning** [See Discrimination Learning]  
**Discriminative Stimulus** [See Conditioned Stimulus]  
**Discussion (Group)** [See Group Discussion]  
**Disease Course—Serials**  
affective disorders; depression; neuropathology; illness course; pathophysiology, 7711  
agitated depression; bipolar I disorder; prevalence; phenomenology; outcome, 10544  
agitated depression; bipolar I disorder; prevalence; phenomenology; outcome, 10550  
Alzheimer disease; cholinesterase inhibitor rivastigmine; dementia severities; disease stage; treatment response, 11354  
Alzheimer disease; single-photon emission computed tomography; disease progression; age differences, 8093  
Alzheimer's disease; disease course; depressive symptoms; sociodemographic variables; cognitive impairment; functional impairment; remission, 10908  
Alzheimer's disease; disease course; depressive symptoms; sociodemographic variables; cognitive impairment; functional impairment; remission, 10923  
assaultive trauma; illness course; psychotic bipolar disorder; clinical & functional outcome; symptom severity; episode recurrence; vulnerability factor, 23061  
attention deficit hyperactivity disorder; psychiatric symptoms; teenagers; adult population, 23383  
atypical progressive dementia; Fragile X premutation; tremor; ataxia; symptoms, 35890  
autism spectrum disorders; early symptoms; disease onset, 17069  
bipolar disorder; psychosocial interventions; depressive symptoms; manic symptoms; disease course, 7724  
breast cancer; psychological distress; disease stage; coping strategies; coping resources; social support; demographic factors, 29737  
cancer progression; helplessness; hopelessness; interleukin; psychological factors; psychoneuroimmunological model; sympathetic nervous system; hypothalamic pituitary adrenal axis, 35937  
childhood abuse; bipolar disorders; childhood trauma; psychopathology; at risk population, 16782  
childhood laterality; adult schizophrenia spectrum disorders; disorder course; eye dominance; prodrome; childhood development, 13914  
chronic catatonic schizophrenia; phenomenology; diagnosis; disease course; catatonia; schizophrenic children; schizophrenic adolescents, 29340  
cognitive decline; gene variation; disease progression; Alzheimers disease; K allele variant of butyrylcholinesterase, 23581  
comorbidity; long term course; opiates; drug dependency; drug therapy, 35719  
corticobasal syndrome; nonfluent progressive aphasia; frontotemporal lobar degeneration; disease stages, 10927  
depression; schizophrenia; disease course; depressive symptoms; predictive value; course; outcome, 29333  
depressive disorder; bipolar disorder; course of illness, 7716  
depressive disorder; outpatients; self-stigma; sociodemographic characteristics; symptom severity; illness course, 23080  
depressive symptoms; older adults; religious involvement; aging population; disorder course, 13863  
developmental abnormalities; striatum; young bipolar patients; anatomical abnormalities; basal ganglia; illness course; mood disorders, 20096  
disease course; depressive symptomatology; cancer diagnosis; breast cancer; colon cancer; lung cancer; prostate cancer; psychological response; geriatric patients, 4920  
disorder recovery; eating disorder; patients' attitudes; disorder course, 23441  
disposable optimism; disease progression; HIV infection; proactive behavior; avoidant coping; major depression, 26543  
drug abuse; AIDS progression; monkey model; opiates, 4893  
dysthymic disorder; chronic stress; adverse parent-child relationships; family history; disease course, 7705  
early behavioral symptoms; Alzheimer's disease; cognitive status; disease course; functional status; survival time, 23637

## Disease Course—Serials

epidemiology; mild cognitive impairment; premeditation syndromes; disease progression; dementia; cognitive deficits; elderly persons, 32830  
episode duration; recurrent diseases; major depression; estimates; estimation; Monte Carlo simulation; Markov models, 13875  
gender differences; bipolar disorder; age differences; disorder onset; disease course; comorbidity; symptoms, 20090  
health education; children's understanding; causes of illness; diabetes mellitus; illness-related concepts; school functioning; family functioning; development of thinking; anxiety; locus of control, 9970  
hypocortisolism; developmental model; sympathetic nervous system; immune system; stress sensitivity; pain; fatigue, 32685  
illness course; treatment principles; course typologies; schizophrenia; affective disorders; research concepts, 7667  
late life depression; generalized anxiety disorder; symptoms; disease course; patients, 10449  
major depressive disorder; lifetime course; age at onset; comorbidity; generalized anxiety disorder; elderly patients, 10485  
mixed anxiety depressive disorder; disease course; disease occurrence; primary care patients, 20060  
neurological disease; disease evolution; etiopathogenesis; pathophysiology; therapeutic interventions, 8111  
nicotine dependence; Fagerstrom test; cigarette smoking, 14051  
obsessive-compulsive disorder; cognitive behavioral therapy; early adulthood; disease onset; drug therapy; exposure; response prevention, 4577  
panic disorder; menopause; disease course; climacteric stage; demographic variables; risk factors, 13931  
parental depression; major depressive disorder; psychiatric course; adolescence; young adulthood, 32352  
parental rearing; illness course; therapy refractory affective disorders; depression; childhood experiences, 29313  
pediatric asthma; asthma onset; disease course; family; emotional characteristics; asthma management behaviors; physiological factors, 1515  
posttraumatic stress disorder; acute stress disorder; anxiety & depressive & substance use disorders; depression; psychological disorders; comorbidity; course; adjustment; cancer diagnosis, 35944  
posttraumatic stress disorder; delayed onset; longitudinal analysis; Somalia; military peacekeepers; war zone exposure; symptom course, 1246  
psychiatric disorders; schizophrenic psychoses; disease course; long term treatment; relapse; relapse prevention; psychiatric diagnoses, 7752  
psychosocial factors; disease course; schizophrenia; hospitalization; psychosocial stress; relapse, 20124  
psychotic disorders; epidemiology; disease course; schizophrenia; disorder onset; remission; affective psychosis, 10586  
remission; major depressive disorder; personality disorder; comorbidity; remission course, 13832  
repetitive transcranial magnetic stimulation; posttreatment course; depression; major depressive episode, 23922  
repetitive transcranial magnetic stimulation; posttreatment course; depression; major depressive episode, 5269  
repetitive transcranial magnetic stimulation; posttreatment course; depression; major depressive episode, 23921  
repression; high anxiety; risk factors; cancer incidence; cancer progression; early mortality; aberrant diurnal cortisol rhythms; women; metastatic breast cancer, 4913  
sad films; vagal withdrawal; depression recovery; respiratory sinus arrhythmia, 29327  
schizophrenia spectrum disorder; disease course; schizotypal personality disorder; psychiatrically hospitalized mothers; offspring, 35483  
schizophrenia; acute and transient psychotic disorder; psychiatric symptoms, 20134  
schizophrenia; depression; risk factors; psychotic symptoms; early course, 29277  
schizophrenia; illness duration; age; lexical storage; memory, 29366  
schizophrenia; prefrontal grey matter; long term course; etiopathogenic mechanism; disorder relapse; physiological correlates, 7741  
schizophrenia; recovery; recovering, 32395  
self efficacy; HIV viral load; distress; AIDS; human females, 8059  
student evaluations; problem-based learning; interprofessional education; education curricula; social work students; chronic illness trajectory model; HIV AIDS Prevention and Care course, 30514  
substance abuse; diagnosis; disease course; treatment; mood disorders; dual diagnosis, 10422  
type 2 diabetes patients; cognitive orientation; patient attitudes; disease duration, 14181  
vocal intensity decline; Parkinsons disease; phonology; disease course, 36012

Wolf-Hirschhorn syndrome; chromosomal syndrome; long-term survival; diagnosis, 14182

**Disease Course—Chapters**

The activation of microglia as an early sign of disease progression in Alzheimer's disease, 20602  
Beyond Dementia Praecox: Findings From Long-Term Follow-Up Studies of Schizophrenia, 7765

Clinical Features and Course of Schizophrenia in Late Life, 23128

Foundations: Adaptation, Accommodation, *Aristos*, 14277  
Introduction: Schizophrenia in Late Life, 23132

The longitudinal course of borderline personality disorder, 13964

Sociocultural Factors in the Treatment of Personality Disorders, 8215

**Disease Outbreaks [See Epidemics]****Disease Transmission—Serials**

disorder transmission; child attributions; genetic disorders; contagious illnesses; age differences; understanding, 9982

epidemiology; HIV infection; immigration; disease transmission, 1549

family planning services; prevention; mother-to-child HIV transmission; antiretroviral interventions; prevention of unintended pregnancy, 32919

family-based association approach; mapping disease susceptibility genes; interval principal component test, 1131  
female choice; novel antigens; lekking great snipe; immune response; parasite; animal mate selection; paternal care; disease transmission; antibodies, 12906

gay men; bisexual men; unprotected sex; HIV transmission; HIV prevention, 29704

HIV screening; mother to child transmission; antiretroviral medications; health care provider perceptions; HIV screening, 2495

HIV; prevalence; hepatitis C; intravenous drug usage; unsafe sex, 1551

structural violence; racial disparity; HIV transmission, 1553  
**Diseases (Venereal) [See Sexually Transmitted Diseases]**

**Disgust—Serials**

body hair; disgust sensitivity; body hair removal; relationship; femininity; attractiveness; women attitudes, 7612  
contamination ideation; disgust; excessive washing; factor analysis, 31488

disgust sensitivity; anxiety sensitivity; fainting history; film stimuli, 19948

disgust sensitivity; sex differences; contamination fear; anxiety, 13722

erotic pictures; disgust-inducing pictures; hemodynamic responses; brain; withdrawal tendencies; sadomasochistic scenes; ventral striatum, 31632

fearfulness; disgust sensitivity; religious obsessions, 13723  
impaired perception; taste stimuli; olfactory stimuli; facial expressions; Huntingtons disease; vocal intonations; disgust, 20564

interpersonal odor; disgust; disease risk; odor source; self-stranger; attachment, 25935

neurobiology; fear; disgust; emotions; startle reflex; psychophysiology, 25446

phobias; spiders; disgust; avoidance, 20165

sex differences; disgust sensitivity; blood injection injury fears, 32220

sexuality; disgust; suffering; sexual countertransference; embarrassment; affect; abjection; intersubjectivity; shame; racism; obscenity, 19795

sexuality; embarrassment; suffering; sexual countertransference; affect; abjection; intersubjectivity; shame; racism; psychoanalysis; power, 19776

sexuality; suffering; disgust; sexual countertransference; embarrassment; affect; abjection; intersubjectivity; shame; racism; psychoanalytic & cultural & historical & neurobiological perspectives, 19769

sexuality; suffering; sexual countertransference; embarrassment; affect; abjection; intersubjectivity; shame; racism, 19777

trait anxiety; disgust sensitivity; brain activity; disgust induction; disgust processing; functional magnetic resonance imaging; right amygdala, 34567

**Dishonesty—Serials**

Cloze test; plagiarism detection; text readability, 21788

hypocrisy; susceptibility; trust; psychoanalytic treatment, 20732

impostor tendencies; academic dishonesty; student attitude; cheating; plagiarism; college students, 13979

individual differences; workplace deviance; academic dishonesty; workplace integrity; counterproductive work behaviors, 24530

medical students' attitudes; academic misconduct; media misinterpretation; dishonesty; reputation; Dundee Medical School, 5859

multinational enterprises; government corruption; public sector; organizational legitimacy; strategic decision making, 24593

plagiarism; self-plagiarism; technology, 25533

plagiarism; self-plagiarism; technology, 31737

self control; staged opportunity; fraudulent behavior; General Theory of Crime; temporal ordering; crime opportunity; fraud commission; natural settings, 1339

surveillance; dishonesty; counterfactual sinner; observers; cheating; counterfactual thought; person perception; trust; incentives, 35202

**Dislike [See Aversion]****Disorder Course [See Disease Course]**

**Disorders [See Also Atypical Disorders, Behavior Disorders, Communication Disorders, Congenital Disorders, Emotionally Disturbed, Learning Disorders, Mental Disorders, Physical Disorders]—Serials**

attention deficit hyperactivity disorder; other disorders; psychopathophysiology; neuropsychological & neurobiological correlates; genetics, 17061

child psychology; adolescent psychology; disorders, 22956  
conscious; unconscious; consciousness; vision; volition; impaired awareness, 15958

death; dignity; end-of-life care; serious illness, 2017  
drug addiction; disease concept; drugs, 32556

ethics; informed consent; negative feedback; longitudinal study; study validity, 18672

etiology; cognitive disorders; genetic factors; environmental factors; top down approach; bottom up approach; phenotypes, 10447

factor structure; Childhood Illness Attitude Scales, 9434  
Family Adaptability and Cohesion Evaluation Scale; family functioning; test validity; disorders, 34252

family interaction patterns; family/systems approach; illness; quality of life, 14300

family-based association approach; mapping disease susceptibility genes; interval principal component test, 1131  
health state scenarios; health care services; cost effectiveness; disease states, 13794

Lesch Nyhan disease; spasticity; cognitive retardation; self-injurious behavior, 35363

likelihood ratios; clinical diagnosis; patient care; diagnostic accuracy; medical decision making; symptoms, 26672

mild head injury; heterogeneous disorders; personality profile; neuropsychology, 1651

Parsons; medicine; medical sociology; health; illness; body; emotion; trust; uncertainty, 25809

pediatrician referral; behavioral health disorders; psychotherapy, 36305

personality; clinical disorders; neuroticism; conscientiousness; agreeableness; extraversion; Five-Factor Model, 18710

physicians; physician health problems; physician illness; substance abuse; behavioral difficulties, 5750

Processing Speed Index; clinical disorders; perceptual organization; freedom from distractibility; verbal comprehension; Wechsler Intelligence Scale for Children Third Edition; IQ, 18727

psychiatry; classification; disorders, 26083

quality of life; needs; psychometrics; health status; disease specific; clinical trials, 81

self management interventions; academic outcomes; emotional disorders; behavioral disorders; children; adolescents; students, 33855

sleep; sleep attitudes; health; society; sleep deprivation; circadian disruption; lifestyle; work, 28520

society; social processes; shame; humiliation; ethnic groups; disabled individuals; chronically ill, 7521

spiritual disposition; illness; adaptation; spiritual beliefs; religious orientation; God; locus of control; faith; hope, 35065

stress; resilience; illness; coping; women athletes, 30916

stress; stress responses; psychological determinants; behavioral determinants; biological determinants; vulnerability; health; disorders; chronic diseases, 32296

visual narratives; pediatric illness experience; Video Intervention Prevention Assessment, 29873

**Disorders [See Also Atypical Disorders, Behavior Disorders, Communication Disorders, Congenital Disorders, Emotionally Disturbed, Learning Disorders, Mental Disorders, Physical Disorders]—Chapters**

Family adaptation in illness, disease, and disability, 7651

Illusions of progress: Business as usual, 15057

**Disorientation (Place) [See Place Disorientation]**

**Displacement (Defense Mechanism)—Serials**

transmitted trauma; sexual abuse; displacement; interactive enactment; childhood abuse; psychoanalysis; intrafamilial trauma, 29199

**Displays [See Also Graphical Displays, Tactual Displays, Visual Displays]—Serials**

adaptive displays; emotional disorders; treatment; virtual environment; emotional states, 33237

contrast configuration; apparent motion; static displays; motion grouping; contrast polarity, 34380

investor experience; investment choices; asset choice; asset allocation; information overload; information display, 27608

ontology display; history representation; organizational memory information systems, 36963

patient education materials; mental health problems; health information; pamphlets; location, 14657

trophy displays; animal trophy; masculinity; wildlife photography; hunting, 27859

**Disposition [See Personality]****Disruptive Behavior [See Behavior Problems]****Dissatisfaction—Serials**

binge eating; self-esteem; body image dissatisfaction; obesity; men; women; bariatric surgery, 23433

body image dissatisfaction; Bahamian adolescent girls; Black Girls; White Girls, 32900

body image dissatisfaction; eating disturbance; Australian women; Hong Kong women; self esteem; biopsychosocial mediation model, 26487

body image; college students; sex differences; appearance investment; body mass; ethnic differences, 7547

childhood beauty pageants; beauty contestants; adult disordered eating; body dissatisfaction; depression; self-esteem; mental health, 26491

dissatisfied consumers; marketing researchers; consumer complain; situational challenge, 21640

eating disorder; body image; dissatisfaction; binge eating disorder, 35817

emotional labor; emotion regulation; burnout; emotional exhaustion; job autonomy; control; customer-contact employees; cross cultural differences; job dissatisfaction; emotional culture, 37057

friendship; adolescent girls; body image; body dissatisfaction; restrained eating; body weight, 23431

marital dissatisfaction; military downsizing; Russian army officers; spouses; strain crossover; gender; dual-earner couples; mediated effects; social undermining, 896

media exposure; mood; body image dissatisfaction; product priming; appearance, 19882

peer influences; body dissatisfaction; dieting awareness; young girls, 25673

relationship dissatisfaction; destructive disagreement belief; close friendship; irrational beliefs, 19817

risk factors; body dissatisfaction; adolescents; eating pathology; depression; social support; dating partners, 7018

romantic relationship dissatisfaction; conflict; independent self-construal; interdependent self-construal, 19843

self esteem; body dissatisfaction; locus of control; gender differences; cross cultural differences, 35303

silhouette randomization; Figure Rating Scales; body shape; body dissatisfaction, 21799

social allergies; romantic relationships; behavioral repetition; emotional sensitization; relationship dissatisfaction; dating couples; hypersensitive annoyance; disgust; emotional reaction, 22800

social comparison; body dissatisfaction; thin ideal; negative affect; control, 35249

topic avoidance; relationship dissatisfaction; parent-child relationships; dating relationships; communication privacy management theory, 988

**Dissatisfaction—Chapters**

Manage My Stress, 23816

**Dissociation—Serials**

adult attachment dimensions; early maladaptive schemas; sexual offenders; violent offenders; disorganized attachment style; dissociation, 1381

agreement dissociations; German agrammatic speakers; linguistic theories; bidirectional dissociation; tree pruning hypothesis; tenses, 32776

automatic retrieval; implicit memory; process dissociation; speeded response, 25217

B. F. Skinner; behaviorism; personal life; biography; inner conflict; dissociation; consciousness; scientific attitudes, 15535

causality; callosotomy; split-brain; cerebral asymmetry; causal inference; causal perception; inferential components; direct perception; dissociating processes, 34429

childhood sexual abuse; physical abuse; adult vulnerability; attachment; dissociation; posttraumatic stress disorder; terrorist attack, 1345

childhood trauma; dissociation; drug abuse; child abuse; major depression; borderline personality disorder; lesbians; alcohol abuse, 26359

consciousness theory; psychological phenomena; supernormal phenomena; dissociation, 9674

consciousness; dissociation; dream recall; medical students, 19078

core beliefs; impulsivity; psychiatric population; dissociation; cognitions, 13829

depression; autobiographical memory; latency & specificity of retrieved memories; borderline personality disorder; categorical memories; hedonic tone; self mutilation; dissociation, 32330

dissociation theory; detachment; compartmentalization; conceptualization; clinical practice, 17357

dissociation; addiction treatment; substance abuse; psychoanalysis; psychoanalytic approaches, 36533

dissociation; addiction treatment; substance abuse; psychoanalysis; psychoanalytic approaches, 36532

dissociation; cognitive failures; working memory; personality measures, 15933  
 dissociation; consciousness states; psychopathology; dissociative experience, 10481  
 dissociation; developmental psychoneurobiology; psychopathology; dissociative disorders; bodily sensations; dorsal motor nucleus; motivation, 1168  
 dissociation; elementary school children; speech disorder; language disorder; dissociative disorders; trauma, 23032  
 dissociation; fantasy proneness; psychiatric patients; impulsivity; borderline personality disorder; schizophrenia; major depression, 26118  
 dissociation; internal models of protection; psychotherapy; child abuse survivors; interpersonal protection; representations of protection; client-therapist relationship; self-criticism, 17453  
 dissociation; posttraumatic stress disorder; sexual abuse; school-aged girls, 10632  
 dissociation; psychoanalytic theory; conflict; unconscious intention; personal meaning, 32254  
 dissociations; self-rated motivation; memory performance; extrinsic motivation, 28328  
 dissociative disorders; treatment; dissociative processes; trauma, 35402  
 dissociative experience; dissociative phenomena; everyday life; dissociations, 1118  
 dissociative experience; sleep-related experiences; sleeping pattern; individual differences; sleep disturbance; morningness; evenness, 4329  
 Dissociative Experiences Scale; prison inmates; students; dissociative experiences; psychometrics, 21807  
 dissociative experiences; childhood abuse; Child Dissociative Checklist; test validity; test reliability; psychometrics, 21827  
 dissociative modes of experience; contemporary society; dissociogenic society; nonpathological dissociation, 1128  
 dissociative processes; multiple personality; dream functions; human psyche, 7657  
 dissociative states; New Age/ambient music; trance music states; altered states; trance states, 590  
 dissociative symptoms; mental health; psychiatric outpatients; trauma; ambulatory mental health clinic; treatment seeking, 8551  
 dissociative symptoms; plague; 15th century; post-traumatic reactions; psychological trauma; hyperarousal symptoms, 29209  
 distress; dissociation; embodied experience; biocultural bases; spirit possession mediumship; mental health; cultural belief system; dissociation; religious practices; consciousness states, 25806  
 eating patterns; object relations theory; body shame; dissociation; compulsive eating; comorbidity; abuse; trauma, 10787  
 failed treatment; traumatized children; childhood dissociation; child therapists; disruptive behavior, 23031  
 healing process; dissociation; terrorism; emotional trauma; adolescents; anniversary events; emotional trauma, 31874  
 Hispanics; at-risk population; posttraumatic stress disorder; peritraumatic dissociation; coping behavior; police officers; PTSD symptom severity, 23148  
 inhibition dissociation; error processing; anterior cingulate cortex activation; inferior frontal gyrus; prefrontal cortex activation, 22267  
 meditational states; dissociative states; combat-related post-traumatic stress disorder; yoga, 1256  
 olfactory stimuli; emotional processes; affective processes; dissociation; visual stimuli; frontotemporal damage, 23629  
 open & closed words; sentence production; modality-specific dissociation; neuropsychology of language; brain injury; cerebrovascular accident; written modality; word production, 4928  
 peritraumatic dissociation; posttraumatic stress; children; adolescents; traumatic experiences; road traffic accidents, 10615  
 peritraumatic dissociation; risk factors; posttraumatic stress disorder; experiential avoidance, 23144  
 Peritraumatic Dissociative Experiences Questionnaire self-report version; validation; trauma exposure; French speaking traumatized victims, 34217  
 physical problems; stress; dissociative processes; dissociative experiences scale; somatic symptoms, 10483  
 physiological arousal; dissociation; trauma victims; physiological activity; motor vehicle accident; physical assault; narratives, 23505  
 posttraumatic stress disorder; crime; trance; correctional center; dissociation; offender rehabilitation; trauma therapy, 23341  
 psychoanalysis; substance users; omnipotence; transference; dissociation; therapeutic exchange, 36199  
 psychoanalysis; substance users; omnipotence; transference; dissociation; therapeutic exchange, 36198  
 schizotypy; dissociation; depersonalization disorder, 10501

self-pluralism; dissociation, 18276  
 sexual addiction; boredom proneness; social connectedness; dissociation; internet; homosexuals, 35172  
 single-case studies; statistical methods; dissociations; Monte Carlo simulation, 34311  
 testing; impairment; dissociation; neuropsychology; Monte Carlo simulations; revised tests; Type I error rate, 21838  
 trauma & dissociation hospital unit; inpatient & day hospital program; functioning & evaluation; mental health services, 8614  
 trauma theory; trauma survivors; trauma therapists; dissociation, 10460

Faculty development, student satisfaction, and reported learning in the SUNY learning network, 8838  
 Going online: Promoting student success via distance learning, 15176

A second look at learning sciences, classrooms, and technology: Issues of implementation: Making it work in the real world, 8900

The Student in the Online Classroom, 18120

Toward a Sociology of Educational Technology, 8913

Using technology as a training, supervision, and consultation aid, 14940

**Distance Learning [See Distance Education]****Distance Perception [See Also Motion Parallax]—Serials**

distance cognition; route angularity effect; school age children; turns; distance estimation, 7063

distance estimation; optic flow; visual perception, 6498

distance estimation; self-relevant borders; psychological boundary; self-not-self differentiation; visual perception; mental maps, 19855

face recognition; distance; illumination; courtroom; familiar face, 12402

grasping; grip aperture; visual size & distance processing; visual form agnosia; transparent stimuli, 8104

high speed transportation; industrial capitalism; social perception; time perception; distance perception, 2996

object trajectories; trajectory continuity; occluder; young infants; perception; time; distance, 34855

path integration; known location; uncertainty; landmark location; response consistency, 28331

spatial terms; distance inference; spatial description; words, 34412

tool-use posture; tool length; postural changes; displacement posture, 3373

vehicle distance estimation; luminous flux; nighttime driving; horizontal separation; spatial variation; inter-head-light width, 18573

virtual environment; gender differences; distance estimation, 207

visual angles; relative distance perception; observation point; visual information, 31360

**Distortion (Perceptual) [See Perceptual Distortion]****Distraction—Serials**

clinical distractibility; psychotic symptoms; Stroop interference; schizophrenia; affective psychosis, 32414

**Distraction—Serials**

age differences; targets; distraction; visual perception; stimulation, 31373

anxiety; electrodermal responses; distractors; coping behavior, 26225

articulatory suppression; irrelevant speech effect; short term memory; serial recall; stimulus input, 28337

attention induced motion blindness; motion distraction; inhibition, 6631

background distraction; spatial biases; line bisections; attentional processing; hemispheric asymmetries; focal attention; global attention, 28346

behavioral interventions; infant immunizations; infants' pain; distraction; pain management; parents, 26910

bottom-up effects; working memory; attention; electrophysiological distraction; deviance strength; behavioral & event-related brain potentials, 9623

consumer distractions; food-sampling programs; program effectiveness; somatosensory experiences; affective component; models, 27803

dispositional hostility; cardiovascular reactivity; anger recall; distraction; rumination; women, 3687

distracter effects; kinematics; reaching movements; distracter interference; locus of interference; target distracter separation, 234

distractor; fovea; perceptual load; attention; response competition; eye fixation, 25105

driver sleepiness; driver fatigue; inattention; distraction; motor vehicle collision; fatalities; driver injuries; safety belts, 37196

food sample; informational components; affective components; subsequent choice; distractions; pleasure, 9208

hand movements; visual distracters; reaching movements; response competition, 232

masking; latent inhibition; schizotypality; attention; distraction, 4506

negative difference (Nd); amodal spatial information; selective attention; visual attention switching, 34708

negative priming; masked distractors; prime awareness; unconscious perception; temporal discrimination, 15936

neutral distraction; genital arousal; subjective sexual arousal; sexual function; sexual dysfunction; men; erotic stimulation; physiological arousal, 4148

online attentional control; distractor exclusion; covert spatial orienting; visual interference; spatial attention; visual field, 18944

performance degradation; music; cognitive mechanisms; performance pressure; distraction monitoring; explicit monitoring; attentional processes, 19342

reference frames; motion detection; eye movements; visual processing; retina; distractors, 28228

remote distractor effect; saccade programming; channel interactions; lateral inhibition; spatial frequency; Gabor patches, 28523

response priming; planning; execution; goal-directed movements; distracting stimulus; movement trajectories; response vector model; response activation model; salience, 25099

response repetition; auditory distraction; electrophysiological effects; behavioral effect; response change, 15837

selective attention; attentional control; methamphetamine dependence; task shifting; selective inhibition, 20270

speeded detection; distraction; fear of spiders; eye movements; threat; visual search processes; anxiety; attentional biases, 20157

visual distraction; predator stress; rats; aging; short term memory; age differences; spatial memory, 373

visual distraction; visuo-spatial memory; serial recall; visual information; sandwich effect, 22146

visual search; inter-item symmetry; Attentional Engagement Theory; serial inspection, 6528

**Distraction—Chapters**

Language comprehension in complex environments: Distraction by competing speech in young and older adult listeners, 18986

**Distress—Serials**

activity; sleep; anticipatory distress; breast surgery patients; breast cancer; distress-reducing interventions; exercise, 14215

acute pain episodes; infant distress; maternal soothing; immunization, 19439

adult attachment dimensions; emotional distress; symptoms; cognitive risk factors; interpersonal stress; mediational model; cognitive mechanisms; insecurity, 19906

adult attachment; help seeking intentions; mediating roles; psychological distress; perceived social support, 29188

adult emotional functioning; developmental antecedents; childhood personality attributes; Behavioral Inhibition; Distress Proneness; Attention; Inappropriate Interpersonal Self-Regulation, 3921

adult verbal conflict; domestic violence; infant exposure; sensitivity; distress, 22550

African Americans; religiosity; gender differences; strain reactions; distress, 25994

agonias measurement; female Portuguese immigrants; psychometrics; Agonias scale; distress; scale reliability, 79

Alzheimer's disease; dementia; distress responses; self care behaviors; family caregivers; depressed mood, 35447

anxiety sensitivity; worry; distress; fear, 16614

anxiety; depression; interpersonal appraisals; dysphoria; emotionally distressed individuals, 4450

anxiety; emotional suppression; psychological distress; breast cancer diagnosis; benign breast tumor; emotional distress, 10874

Arab Americans; personal control; perceived discrimination; prejudice; self esteem; psychological distress; mental health, 885

attachment behavior; adult social competencies; social support; psychological distress; interpersonal processes; college students; alexithymia; social self-efficacy; causal mediation, 29074

attachment styles; relationship threat responses; behavioral inhibition system; behavioural activation system; distress; attractiveness, 7587

auditory hallucinations; voices interpretation; distress, 7751

Big Five personality dimensions; psychological distress; work family conflict; family work conflict; models, 35305

Bowen family systems theory; chronic anxiety; marital satisfaction; psychological distress, 5148

brain injury; family members; adaptation; adjustment; coping; psychological distress, 29769

breast cancer patients; screening; cancer-related distress; psychosocial support, 10885

breast cancer; psychological distress; disease stage; coping strategies; coping resources; social support; demographic factors, 29737

Brief Symptom Inventory; test validity; test reliability; economically disadvantaged; Hispanic mothers; psychological distress, 18718

bystander emotional distress; medical malpractice cases; medical negligence; federal legislation, 3044

cancer patients; psychological distress; psychosocial support; psychosocial treatment strategies; protocol, 1972

candy; death thoughts; terror management function; eating; soothing effect; distress, 25990

cardiovascular disease; risk factors; diabetes; mental distress status, 17191

Changes in Outlook Questionnaire; positive and negative changes; psychometric evaluation; adversity aftermath; posttraumatic stress; psychological distress; reliability; validity; factor structure, 15668

Chicana college students; distress; social support; sociocultural variables; biculturalism, 5856

childhood & adolescent sexual abuse; psychological distress; social relationships; ethnic differences, 7846

childhood fears; phobias; treatment; personal distress; assessment tools; medications; psychosocial interventions, 23140

childhood sexual abuse; emotional distress; shame; coping strategies; interpersonal difficulties, 10682

childhood trauma; abuse exposure; traumatic events; adolescent problem behaviors; conduct problems; adult outcomes; psychological distress; substance-abusing women offenders; criminal behaviors, 16946

chronic pain location; personality traits; alexithymia; somatosensory amplification; attachment; counterdependency; emotional distress, 29664

community violence; perceived growth; physical injuries; survivors; trauma severity; distress; optimism, 32721

community violence; posttraumatic stress disorder; parent child interdependent coping; parental distress; depression; child distress, 26051

compulsive behavior; tobacco users; emotional distress; smokers, 10255

conjugal loss; initial distress; elder couples; bereavement; resilience; grief, 16366

coping strategies; mediators; perceived control; distress; sexual assault survivors; attributions; emotional adjustment, 29474

coping; life events; distress; community; emotion-focused coping; problem-focused coping, 23997

counseling needs; psychological distress; vocational problems; university students; help seeking behavior; gender differences; racial differences, 33884

couple distress; behavioral couples therapy; emotionally focused therapy; treatment outcome evaluation; treatment efficacy, 8165

cultural expectations; ethical responses; client distress; physician attitudes; medical errors; injury, 18064

death distress; death anxiety; depression; death obsession; anxiety disorder patients; schizophrenia; addicts, 1113

delirium; learning disability; morbidity; distress; eye surgery; anticholinergic overdose; urinary infection; Alzheimers disease; pulmonary infection, 1446

delusional ideation; psychosis; low-income country; distress; conviction; age differences; education level, 1166

depressive symptoms; prison inmates; victimization; incarceration; racial disparity, 14877

desired control; anticipated control; psychological distress; childbirth; obstetric patients; social support, 7307

diathesis stress model; panic attack; anxiety sensitivity; epidemiology; panic-related distress, 20168

dietary restraint; body dissatisfaction; psychological distress; negative attitudes; emotional eating; binge eating; abnormal eating attitudes; low self-esteem; stress; depression, 14158

distress; anxiety disorders; treatment outcome; disclosure; cognitive behavioral therapy; children; adolescents, 20155

distress; cancer patient; distress management screening measure; psychopathology; test validity; psychometrics, 9398

distress; natural killer receptors; lymphocytes; natural killer cells; cytotoxicity; cytokine secretion, 22326

distress; terminal illness; self perceived burden, 29701

distressed couples; marriage education; relationship adjustment; intimate relationship skills, 23792

early maladaptive schemas; personality disorder; patients; schema modification; symptomatic relief; psychological distress; chronic interpersonal difficulties, 23736

earthquake-related psychological distress; Pamitha earthquake; posttraumatic stress disorder; survivors; traumatic stress symptoms, 35538

economic stress; marital adjustment; couples; psychological distress; dyadic level, 890

- educational needs; palliative care nurses; psychological distress; self efficacy, 24295  
 embedded journalists; Iraq War; psychological distress; vulnerability, 22875  
 emotional distress & trauma; political violence exposure; immigration status; independent immigrants; sponsored immigrants; refugees; ethnic/cultural communities, 7239  
 emotional distress; marital adjustment; caregivers burden; posttraumatic stress disorder; war veterans; impairment level, 20140  
 emotional distress; pain; mammography screening; breast symptoms; breast implants; cancer detection concerns, 2011  
 emotional distress; prenatal screening; test results; fetal abnormality; pregnancy; maternal serum alpha fetoprotein test; distress prediction; child medical concerns; dispositional optimism, 18795  
 emotional distress; suicidal ideation; suicidal attempt; delinquency; gender differences, 1317  
 emotional reactivity; psychological distress; Bowen Theory; family therapy, 5138  
 erectile dysfunction; United Kingdom; general practitioners; urologists; psychiatrists; distress, 33630  
 ethnic density; cultural congruity; mental illness; migrants; distress, 26101  
 ethnicity; family cohesion; religiosity; emotional distress; schizophrenia; relatives; Anglo & Latino & African Americans; family members, 26204  
 exposure therapy; relaxation therapy; rescripting therapy; nightmares; sleep quality; psychological distress; post-traumatic stress symptoms; depression, 36065  
 expressive writing; writing intervention; somatic symptoms; mood; distress; psychological functioning, 4880  
 external health locus of control; self efficacy; emotional distress; illness severity, 7606  
 faith; spiritual cry; distress; traumatic events; crisis interventionist; traumatized individual, 11477  
 family caregivers; family dyadic beliefs; pain controllability; patient symptom distress; subjective caregiver burden; cancer, 30329  
 family conflict; divorce; attachment patterns; psychological distress; social adjustment; college freshmen; parent child relations, 5862  
 feminist identity; feminist consciousness; feminist attitudes; distress; anger, 1051  
 gambling behavior; psychological distress; college students, 33031  
 Gender Role Conflict Scale; adolescents; psychometrics; psychological distress; test validity, 10205

**Dogmatism—Serials**  
dogmatism; Myers-Briggs psychological types; religiosity, 22900  
**Domestic Service Personnel—Serials**  
foreign domestics; Taiwanese employers; labor migration; household employers; globalization; housework, 30814

## Dominance Hierarchy—Serials

**Domestication (Animal)** [See Animal Domestication]  
**Dominance** [See Also Animal Dominance, Cerebral Dominance, Dominance Hierarchy]—Serials  
African Americans; affirmative action beneficiaries; social dominance orientation; job status; attitudes; future job performance; career progression, 33940  
authoritarianism; social dominance; sociopolitical context; political interest; political involvement; value orientations; cross cultural differences, 19743  
determiner selection; dominance; language production; diminutives; plurals, 9909  
dominance behavior; threats; social influence; dominant message content; dominant demeanor, 16538  
gender differences; behavioral dominance; behavioral affiliation; demanding interaction; social interaction, 35223  
narcissism; self-esteem; dominance, 7543  
news; photos; cultural hegemony; female representation, 16209  
pleasure; arousal; dominance; missing dimension, 25254  
power; interactional dominance; interpersonal relationships, 22802  
public relations; organizational decisions; dominant coalition; power relationships; activism, 33998  
right-wing authoritarianism; Social Dominance Orientation; prejudice predictors; dual group processes; individual differences; group dynamics; personality, 22888  
social identity; daily social interaction; social dominance; self construal, 26008  
social identity; domination; resistance; social change; self categorization; psychological processes; social action, 7238  
social stereotypes; sex stereotypes; anger displays; happiness; smiling; dominance; affiliation; prescriptive social norms; sex differences, 22833  
subordinate groups; dominant group; positive negative asymmetry effect; group dynamics, 35206  
symmetrical communication; public relations; hegemony; professional ethics; power relations; collaborative negotiation, 31774  
trait dominance; cardiovascular responses; psychological responses; social influence; gender dominance; partner dominance, 16093  
**Dominance (Animal)** [See Animal Dominance]  
**Dominance Hierarchy—Serials**  
American bison males; natural seasonal grouping dynamics; age; weight; breeding season; social dominance, 28411  
dominance rank; spatial ability; Meadow voles; contest competition; scramble competition; dominant males; spatial memory, 375  
ethnic hierarchies; ethnic prejudice; social dominance orientation; social distance; ethnic rankings; ethnic ratings, 22680  
evolutionary ecology; despotism; skew theory; social stratification; human social evolution, 16425  
exposure; dangers; personal observations; British higher education; matrix of identity; experiences; class status; parenting status; gender; sexuality; structural discrimination, 33732  
husbands; wives; marital relations; male dominance; division of labor; decision making; power, 897  
Interpersonal Hierarchy Expectation Scale; individual difference construct; interpersonal perception prediction; test construction; test reliability; test validity, 24898  
legitimation; delegitimation; informal power; prestige orders; task oriented situations, 35219  
linear dominance hierarchies; social ranking; pairwise encounters; competition, 31245  
organizational identity; hierarchical differentiation; identity differentiation; organizational strategy; organizational change, 6017  
queen adoption; leaf cutting ant; monogynous ant colonies; queen recognition, 28415  
queue selection; switching; false clown anemonefish; animal social rank; animal dominance, 19130  
self; men's prisons; prison coping; maleness; male environment; ethnographic study; hypermasculinity; hierarchies; domination; patriarchy; victims; male prisoners; identity; fraternity; power, 25917  
social dominance orientation; right wing authoritarianism; political militants; attachment style, 35261  
social dominance theory; psychological reductionism; conceptual redundancy; biological reductionism; hierarchy justification; social identity; system justification, 7260  
social dominance; rank; peering; subordination; bonobos, 34553  
social hierarchy; quality of life; primate health; dominance hierarchies; socioeconomic status, 22212  
social identity theory; system justification; social dominance; social change; social stability, 7259  
social oppression; social attitudes; sexual practices; behavioral self surveillance; dominated groups; American moral dispositions; dominance patterns; sexual inequality; sexual capital, 35175

social space; organizational behavior; name avoidance; first name use; organizational social systems; organizational structure, 18474  
social status; health; dominance hierarchy; quality of life; stress; social species; stress-related disease; nonhuman species, 868  
students' attitudes; war; authoritarianism; social dominance; Iraq, 13375  
system justification theory; social psychology; political psychology; intergroup conflict; social order; outgroup favoritism; social order, 7258  
threat sensitivity; organizational hierarchies; organizational communication, 18481  
workplace power; minority groups; white men; black women; organizational hierarchy, 15325  
**Dominance Hierarchy—Chapters**  
Powerpuff Girls: Fighting Evil Gender Messages or Postmodern Paradox?, 13529  
**Domination [See Authoritarianism]**  
**Dopamine—Serials**  
6 hydroxydopamine lesions; hamsters; sexual experience; copulatory interactions; basal forebrain dopamine activity, 12987  
acute psychosis; sustained release; bupropion overdose; antidepressant; amphetamines dopamine neurotransmission, 17693  
addiction; computational model; temporal-difference reinforcement learning; dopamine; natural learning systems; neurobiology, 10715  
age related effects; bromocriptine; sensory gating; rhesus monkeys; dopamine receptors, 22265  
alcohol dependence syndrome; subtyping; sensation seeking; alcoholism onset; dopamine activity, 23316  
alpha synuclein; mRNA levels; alcohol craving; dopamine neurons; dopamine neurons, 10690  
amantadine; cognitive function; chronic traumatic brain injury; prefrontal cortex; dopamine receptors, 30171  
amphetamine; habituation; dopamine; nucleus accumbens; fear conditioning, 16111  
anorexia nervosa; serotonergic systems; dopaminergic systems; atypical antipsychotics, 14514  
anxiety; cocaine related behaviors; novel object task; dopamine transmission; ventral tegmental area neurons; nucleus accumbens; serotonin; rats, 25498  
caffeine; dopaminergic system; behavioural pharmacology; psychostimulant effects; neuro-chemical mechanisms; drug effects; drug of abuse; adenosine, 19288  
Catechol-O-Methyltransferase; polymorphism; tonic-phase dopamine hypothesis; neuropsychiatric phenotypes, 3564  
cholecystokinin tetrapeptide; water maze performance; neonatal young rats; swimming abilities, 570  
chronic antidopaminergic medication; schizophrenia; amygdala enlargement; dopaminergic neurotransmission; neuronal plasticity, 1913  
computer simulations; neuronal functioning; psychopharmacology; dopamine; impulsive choices; mature choices; attention deficit/hyperactivity disorder, 23352  
cortisol; cocaine; plasma prolactin; growth hormone levels; growth hormone levels; dopaminergic effects, 23287  
dopamine D2 receptor gene; neuroticism-anxiety; agentic extraversion; TaqI gene polymorphism, 22232  
dopamine D2 receptor T allele; memory; attention tasks; mild traumatic brain injury; response latency; cognitive outcome, 35993  
dopamine D2; receptor genes; methamphetamine abuse; substance use disorders; psychosis, 7887  
dopamine D4 receptor; DRD4; -521 allele; infant attachment disorganization; behavioral genetics; gene polymorphism, 767  
dopamine D4 receptor; DRD4; -521 allele; infant attachment disorganization; behavioral genetics; gene polymorphism, 750  
dopamine depletion; perforated synapses; synaptic plasticity; corpus striatum; rats; lesion, 12982  
dopamine receptor binding; schizophrenia, 26205  
dopamine receptor gene; polymorphism; novelty seeking; childhood development; nature; nurture, 3579  
dopamine receptor; genes; polymorphism; cognitive impulsiveness; alcohol dependence, 29540  
dopamine receptors; methyl aspartate; nucleus accumbens; instrumental memory; cellular plasticity; rats; lever pressing response, 25496  
dopamine responsive task; idiopathic Parkinsons disease; walking while talking test; cognitive functioning, 30066  
dopamine transporter density; schizophrenic subjects; tardive dyskinesia, 4549  
dopamine transporter genotype; methylphenidate dose response; attention deficit disorder with hyperactivity; children with ADHD, 26876  
dopamine transporter; neuroreceptor imaging; attention deficit hyperactivity disorder; catecholamine dysregulation; pathophysiology, 32615

dopamine transporters; transporter density; psychotropic-naïve patients; obsessive-compulsive disorder; serotonin transporters; binding patterns, 10618  
dopamine volume neurotransmission; primate prefrontal cortex; perisomatic plasma membrane, 13017  
dopamine; alcoholism; neurobiology; ethanol abuse; nucleus accumbens, 10720  
dopamine; antidepressant; forced swimming test; mouse, 9863  
dopamine; cognitive control; spontaneous eyeblink rate; dopamine gene polymorphisms; perseveration; distractibility, 19142  
dopamine; D3 receptor partial agonist BP 897; amphetamine-conditioned place preference; rats; drug dosages, 22341  
dopamine; dopamine-deficient mice; liking; wanting; learning; rewards; goal-directed behavior; caffeine, 13095  
dopamine; dopamine-deficient mice; liking; wanting; learning; rewards; goal-directed behavior, 13112  
dopamine; drug cues; heroin dependent patients; alcohol dependence; cognitive process; haloperidol, 8293  
dopamine; gene polymorphism; cocaine dependence, 35687  
dopamine; nicotinic agonist epibatidine; frontal cortex; nucleus accumbens; rats; nicotinic acetylcholine receptors; nAChRs, 537  
dopamine; obsessive compulsive disorder; antipsychotics; psychophysiology, 7779  
dopamine; receptor antagonism; preoptic area; maternal behavior; lactating rats; hypothalamus; lactation; motivation; neurotransmitters, 34750  
dopamine; rewarding effect; orosensory stimulation; sucrose; increased eating; rats, 576  
dopaminergic modulation; spike activity; sensorimotor cortex neurons; conditioned reflex; glutamatergic transmission; gamma aminobutyric acid antagonistsergic transmission, 34657  
dopaminergic response; Parkinson disease; levodopa; pharmacokinetics; pharmacodynamic factors; drug therapy, 14640  
dopaminergic stabilizers; social withdrawal; rats; negative symptoms; schizophrenia; antipsychotic drugs; haloperidol; clozapine; motor activity; MK-801, 31717  
dopaminergic system; etiology; anorexia nervosa; single nucleotide polymorphisms; genes, 35805  
drug addiction; dopamine; neurobiological computational model; cocaine; reward prediction; fatty foods; alcohol; opiates, 10685  
electroconvulsive shock seizures; dopaminergic agonists; animal locomotion; rats; immobility; Porsolt test, 6818  
embryo; treatment patients; medical outcomes; dopamine neurons; placebo effect; brain surgery; quality of life; Parkinson's disease, 4979  
environmental enrichment; neuronal death; parkinsonism; dopamine neurons; methyl-phenyl-tetrahydropyridine; mice; exercise, 34603  
estrogen replacement therapy; dopamine transporter; postmenopausal women, 6854  
excitotoxic lesions; neonatal ventral hippocampus; immobility response; rats; postnatal hypersensitivity; dopaminergic activity, 34605  
extracellular dopamine; acetylcholine; nucleus accumbens; ethanol; alcohol withdrawal; rats; naloxone; opioid withdrawal; aversion; neurophysiological correlates, 9861  
female sexual arousal disorder; hypoactive sexual desire disorder; erotic film exposure; dopamine response; norepinephrine response, 26520  
fibroblast growth factor; immunoreactivity; dopamine pathways; hydroxydopamine; partial lesion; nigrostriatal system; midbrain, 19298  
galactorrhea; ziprasidone; drug therapy; drug dosage; drug side effects, 20799  
gene polymorphism; dopamine receptor gene; mRNA; drug treatment; neuropsychiatric disorders, 9738  
gene transcription factor; molecular mechanisms; alcohol addiction; drug addiction; withdrawal; dopamine receptor activation, 29550  
genotypes; polymorphism; dopamine D2 receptor; schizophrenia, 13906  
glial responses; dopaminergic striatal reinnervation; lesions; rats; dopaminergic substantia nigra pars compacta; dopaminergic axons; dopamine, 460  
habit learning; genetics; dopamine receptor; schizophrenia; Ser9Gly polymorphism, 26187  
haloperidol; brain dopamine; smoking cues; conditioned response; reaction time, 19312  
hyperdopaminergia; behavioral lateralization; schizophrenia; mice; cerebral lateralization; genetic model, 16045  
individual capacity difference; working memory; prefrontal cortex; dopamine receptor stimulation; bromocriptine, 34734  
limb movement disorders; muscle weakness; sleep disorders; dietary factors; airborne factors; restless legs syndrome; dopamine; central nervous system motor control pathways, 1506

low density lipoprotein cholesterol level; dopamine receptor; novelty seeking; cardiovascular risk; polymorphism, 387  
lower limb; motor restlessness; Asperger disorder; acrometry; dopaminergic deficit; movement regulation, 4627  
lymphocyte dopamine; Alzheimers disease; cholinergic deficit; peripheral blood lymphocytes; neurodegenerative disorders; acetylcholinesterase, 1610  
memory systems; striatal dopamine; receptor density; single photon emission computed tomography, 34593  
mesoaccumbens; dopamine neurophysiology; stereotypy; environmental-induced; stereotypic behavior; dopamine receptor densities; dissociation constants; horses; equines; crib-biting; dopamine; accumbens, 19270  
mesocortical dopamine projection; anterior cingulate cortex; rats; effort-related decisions; rewards, 13119  
mesolimbic dopamine; diurnal variation; opiate induced feeding; opiate drugs, 31687  
methylphenidate; dopaminergic neurons; ventral midbrain; rats, 16113  
midbrain dopamine; prefrontal function; catecholamine-O-methyltransferase; genotypes; genes, 22268  
MPTP; Parkinson states; dopaminergic neurons, 28575  
neurochemical monitoring; brain; glutamate; animal behavior; dopamine; glucose; oxygen; cerebral blood flow, 34560  
novelty seeking; dopamine receptor gene; repeat alleles; type 4 gene; polymorphism; smokers; cigarette smoking behavior; individual differences, 13558  
NQO1(PH); pathological role; Parkinson's disease; substantia nigra pars compacta; dopamine autooxidation; dopamine-quinone detoxication; NQO1 immunoreactivity; anti-oxidant properties, 1657  
nucleus accumbens; dopamine; glutamate receptor antagonist; rats; neural mechanisms; goal-directed behavior, 13120  
openness; intellect; cognitive traits; dopaminergic function; prefrontal cortex, 28453  
Parkinson disease; levodopa infusion therapy; decarboxylase inhibitor; plasma levodopa; dopamine; motor functions; drug therapy, 5324  
Parkinson's disease; positive reinforcement; negative reinforcement; dopamine; cognitive reinforcement learning; basal ganglia, 10922  
pedunculopontine tegmental nucleus; conditioned responses; midbrain dopamine neurons; behaving rats, 31613  
polymorphisms; paranoid schizophrenia; neurotransmitter dysfunctions; polymorphisms; dopamine; serotonin, 1232  
prefrontal cortex; dopaminergic neuromodulatory; mesocortical dopaminergic system; delayed response task; pyramidal interneuron connection, 31644  
prefrontal cortex; state dependent alteration; glutamate transmission; dopaminergic contribution; cortical dopamine; cognitive functions; prefronto mesoprefrontal system; psychostimulant, 31724  
progesterone; lordosis; hamsters; dopamine receptor; ventral tegmental area; sexual behavior, 28584  
protein signaling; nucleus accumbens; dopamine receptor; locomotor hyperactivity; pertussis toxin; cocaine, 575  
quetiapine discontinuation syndrome; histamine; neuroleptic drug; bipolar disorder; serotonin; dopamine; histamine; adrenergic receptors, 30050  
receptor occupancy; dopamine receptor; time-course; plasma pharmacokinetics; antipsychotics; human brain; schizophrenia, 20126  
receptor occupancy; dopamine receptor; time-course; plasma pharmacokinetics; antipsychotics; human brain; schizophrenia, 20135  
receptor occupancy; dopamine receptor; time-course; plasma pharmacokinetics; antipsychotics; human brain; schizophrenia, 20137  
reward value; adaptive coding; dopamine neurons; reward outcomes; animal behavior, 19203  
schizophrenia; 40 base pair repeat polymorphism; dopamine transporter gene; risk factors, 13897  
schizophrenia; alleles; dopamine D4 receptor gene; polymorphism; 120 bp duplication; Danish subjects, 13911  
schizophrenia; dopamine D4 receptor; genetic risk; Polish population; 48 base pair polymorphism; genotypes, 13913  
sensitization; morphine; oral stereotypy; aged rats; biting behavior; dopamine, 9844  
striatal dopamine receptor density; neuroticism, 25406  
striatal dopamine transporter; cognitive aging; episodic memory; executive functioning; age-related deficits, 16368  
striatal dopaminergic binding; serotonergic transporter binding; mice; ventromedial striatum, 34616  
substance misuse; molecular genetics; dopamine; personality features; genetic factors; environmental factors, 5576  
substituted benzamides; psychiatric patients; dopaminergic neurons; sulpiride; amisulpride; antipsychotic effects; dysthymia; schizophrenia; depressive syndromes, 1896

sulpiride; amphetamine induced disruption; overshadowing; rat; conditioned emotional response; dopamine receptor; dextroamphetamine, 9854  
 synaptic plasticity; glutamatergic synapses; dopamine neurons; ventral tegmental area; acute amphetamine injection; rats; behavioral sensitization, 9833  
 taste pathways; nucleus accumbens; dopamine release; sapid sucrose; limbic forebrain; sensory message; gustatory thalamus; thalamocortical axis; lesions; parabrachial nuclei; reward, 19144  
 Tourette's syndrome; dopamine D1 receptor; gene; neuropsychiatric diseases, 8086  
 transdermal dopaminergic stimulation; rotigotine patch; idiopathic Parkinson disease; treatment; drug efficacy, 29787  
 turning behavior; right handers; handedness; cerebral dopamine asymmetries; hemispheric dopamine asymmetries; cerebral dopamine asymmetries, 444  
 tyrosine depletion; phenylalanine depletion; depressive relapse; antidepressant-treated patients; dopamine neurotransmission, 1887  
 unilateral lesions; mesostriatal dopaminergic pathway; withdrawal response; rat hindpaw; mechanical stimulation; pain; hydroxydopamine, 25515  
 visual stimuli; midbrain dopaminergic neurons; short latency; reinforcement learning; visual cortex; rats, 19171

**Dopamine—Chapters**

The Role of Dopamine Systems in Cognitive Aging, 16378  
**Dopamine Agonists [See Also Amphetamine, Apomorphine, Moprine, Quinpirole]—Serials**

dopamine agonist pergolide; cocaine dependence; outpatient treatment; depressive symptoms, 33477  
 dopamine receptor agonists; pramipexole; ropinirole; mania; Parkinson's Disease, 23027  
 dopamine receptor partial agonist; psychosis; Parkinson's Disease; aripiprazole; schizophrenia treatment; treatment effectiveness, 36251  
 dopamine; D3 receptor partial agonist BP 897; amphetamine-conditioned place preference; rats; drug dosages, 22341  
 intra-basolateral amygdala administration; dopamine receptor agonist; BP 897; intra-nucleus accumbens administration; amphetamine conditioned activity, 6845  
 partial agonism; schizophrenia, 14513  
 quinoprotein; quinone; dopamine agonist; pergolide; Parkinson's disease; male mice; levodopa; neurotoxicity, 31605

**Dopamine Antagonists [See Also Sulpiride]—Serials**

aggressive behavior; male mice; dopaminergic systems; dopamine receptor antagonist; brain, 34588  
 alcohol withdrawal syndrome; carbamazepine; tiapride; sleep apnoea syndrome; respiratory depression; epileptic seizures, 17921  
 apomorphine; dopamine antagonist; pigeons; intrastriatal injections; repeated administration; behavioral sensitization; conditioned response; sensitized response; pecking; caudal avian striatum, 307  
 dopamine receptor antagonist; chicks; memory deficits; memory reconsolidation; reminder activated retrieval, 19323  
 dopamine; rewarding effect; orosensory stimulation; sucrose; increased eating; rats, 576  
 reinforcement; appetitive; classical conditioning; feeding behavior; dopamine antagonist; aplysia; methylergonovine, 25507  
 selective antagonists; dopamine receptors; food related responses; defensive responses; conditioned paw placing responses; cats, 34741

**Dormitories—Serials**

coping strategies; student residential facilities; university halls of residence; high density living; student response; cognitive responses; territorial strategies; gender differences, 18257  
 student satisfaction; special programs; residence halls; Fresh Start policies, 24458

**Dorsal Horns—Serials**

neurokinin receptor; dorsal horn neurons; peripheral nerve injury; enhanced synaptic response; tactile allodynia, 23641

**Dorsal Roots—Serials**

antiganglion neuron antibodies; sensory neuropathy; pathogenesis; Sjogren syndrome; dorsal root; ganglion neuron, 23611  
 spinal neural cyclooxygenase-2; pain; rats; lumbar disk herniation; nerve root, 3723

**Doubt—Serials**

Catholic tradition; psychological growth; pastoral counsel; human suffering; anxiety; existential doubt; guilt, 19657  
**Down Syndrome [See Downs Syndrome]**

**Downs Syndrome—Serials**

aging; intellectual disabilities; adults; Down syndrome, 32634  
 aging; intellectual disabilities; health needs; dementia; elder adults; Downs syndrome, 1451

autistic children; autism; maternal separation; emotional relationship formation; Downs syndrome; Strange Situation; contact initiation; strangers, 1425  
 body composition; Downs syndrome; field-based assessment, 24879  
 cerebral laterality; verbal motor integration; Down syndrome; cerebral specialization; hemisphere dominance; dichotic listening, 10775  
 child noncompliance; special education; problem behavior; errorless compliance training; Down syndrome, 21433  
 Downs syndrome; family; adults, 14152  
 Downs syndrome; specific language impairment; physical condition; psychological condition; developing children; chromosome disorder, 7987

eating behaviour; food choices; diets; high sugar foods; high sugar beverages; oral health; Down's syndrome; autistic spectrum disorder; cri du chat syndrome; siblings, 10750

ecobehavioral analysis; interactive engagement; children; developmental disabilities; peers; inclusive preschools; Down syndrome, 30778

family experiences; coping strategies; family well being; child's diagnosis; Fragile X syndrome; Down syndrome; mothers, 32641

impaired sustained attention; error induced stereotypy; aged mice; Down syndrome; Alzheimer's disease; mouse model, 6653

learning new word meaning; word mapping; disambiguation; intellectual disabilities; cognitive impairments; Down syndrome; autism spectrum disorders, 20355

magnetic resonance imaging; Alzheimer's disease; diagnosis; structural MRI abnormalities; Down's syndrome; adults, 4411

mothers resolution; children's disability non resolution; down syndrome; autism; cognitive intervention; mothers emotional state, 33100

multiple phobias; agoraphobia; Down syndrome; cognitive behavioral treatment; panic attacks, 11136

nonverbal requesting; problem solving skills; toddlers; Down syndrome; developmental disabilities, 31827

personality; Down syndrome; disposition, 35795  
 postnatal support services; Downs syndrome; Spanish medical system; maternal response; postnatal diagnosis; physician behavior; emotional responses, 27043

self-awareness; young adults; Down syndrome; self understanding, 7983

thyroid disorders; Down syndrome; misdiagnosis, 10781  
 verbal deficits; visuospatial deficits; working memory deficits; Down syndrome, 7986

verbal short-term memory; Down syndrome; rapid forgetting; phonological memory; capacity limitation, 23420

verbal working memory; mental retardation; recall; middle-age adults; Down syndrome; semantic loop effects; phonological loop effects, 7985

**Downs Syndrome—Books**

Adventures in the mainstream: Coming of age with Down syndrome, 32645

**Downs Syndrome—Chapters**

"I Am a Woman Now!": Rewriting Cartographies of Girlhood From the Critical Standpoint of Disability, 17122

**Downsizing—Serials**

concession climate; serial downsizers; job performance, 12171

downsizing; employees experience, 12138  
 downsizing; perceived justice; personality; survivors; job attitudes, 4318

job uncertainty; personal control; downsizing; survivors; victims, 30880

managers; workplace stress; downsizing; worker health; employees; stress coping strategies; manufacturing organization; health behaviors; sex differences; alcohol use, 27707

marital dissatisfaction; military downsizing; Russian army officers; spouses; strain crossover; gender; dual-earner couples; mediated effects; social undermining, 896

organizational downsizing; corporate reputation; downsizing; negative impact, 37124

organizational downsizing; employment change, 2864  
 organizational downsizing; management layoff survivors; coping; executives; middle managers; job insecurity; job performance; workload demands; well being, 24625

procedural justice; distributive justice; downsizing condition; organizational commitment, 37049

severance packages; downsizing; organizational developments; organizational commitment; job satisfaction; turnover; absenteeism, 12102

voluntary redundancy; downsizing process; organizational change; financial incentives; employee morale, 37095

**Downsizing—Chapters**

Downsizing or reduction-in-force: A crisis residual, 9034

**Draftees—Serials**

conscriptio; masculinity; femininity; equity in military service; gender order; popular cultural response; geopolitical factors; threat; protection; television entertainment; ideology, 27790

**Drama—Serials**

disabled people; TV dramas, 28668  
 drama; tragedy; comedy; fictional cognition; mate selection; evolutionary psychology, 28603  
 fan activism; soap opera; daytime drama; Another World, 28604

feelings; media characters; character liking; drama; disposition theory; schema theory; attitude; perception; moral evaluations; media enjoyment, 3796

reusable roleplayers; appraisal based architecture; pedagogical drama; emotions; computer-simulated characters; cognitive appraisal, 36862

safety; servitude; creative women; self-development; drama; The Hours; motion pictures, 592

scene cliques; Shakespeare drama; plays; audience, 28606  
 Shakespeare's plays; authorship; Stratfordian chronology; Oxfordian chronology; thematic content; political context, 597

soap operas; drama; social structure; social networks; Shakespearean plays, 28664

theatre; catharsis; tragedy; philosophy; pity; fear; Aristotle, 3747

**Drama—Chapters**

Drama Therapy and Psychodrama, 17725

**Drama Therapy [See Psychodrama]**

**Draw A Man Test [See Human Figures Drawing]**

**Drawing—Serials**

anomalous infant bodies; abnormally developed infants; observational drawing; deformities, 32718

art therapy; autism; drawings, 1943  
 art therapy; talk therapy; scribble drawings, 1950

child drawings; three dimensional models; two dimensional models; depth cues; noncanonical orientations, 9980

childhood experiences; constructional apraxia; planning abilities; drawing, 17308

children's expressive drawing; childhood development, 7010

childrens drawings; child therapists; defenses; interpretive skills; defensive processes; childrens play, 33133

Clock Drawing Test; screening method; mild cognitive impairment; geriatric patients, 74

creative activity; drawing; private speech; self-regulation, 785

drawing performance; hand preference; horizontal lines, 745

drawing; art therapy, 1954  
 drawings; art therapy; quintuple coronary bypass graft operation; recovery, 1953

egocentric spatial representation; frontoparietal cortex; right putaminal hemorrhage; allocentric cues; spatial distortion, 4968

emotional impact; qualitative research; methodology; participant-produced drawings; participant experiences; emotions, 9532

Family Relations Test; psychiatric treatment; family member representations, 18669

formal art therapy; informal art therapy; projective drawings; art therapists; psychometric reliability; assessments, 1944

Formal Elements Art Therapy Scale; Child and Adolescent Functional Assessment Scale, 24925

human face depiction; face perception; facial expression; identity perception; artistic facial representations; viewpoints; three quarters view advantage; expression; identity, 591

mindful creativity; drawings; mindfulness; perceived competence, 1056

mother-child social interaction; drawing development; speech, 34854

motor learning; spina bifida; dissociation; mirror drawing performance level; acquisition rate; congenital cerebellar malformation, 4846

movement amplitude; bimanual circle-tracing; drawing; coordination dynamics, 3391

movement control; bimanual coordination stability; rate amplitude; circle drawing; childhood development; movement rate, 19470

neural correlates; impaired clock drawing performance; Alzheimer's disease; regional cerebral blow; severity; semantic memory, 23612

processing; spatial parallel coding; drawing; copying; parallel cues; drawing; children, 25607

psychosomatic medicine; clock-drawing test; cognitive dysfunction; screening, 9403

screening; aggression; Draw a Story assessment; at risk populations, 1942

sexual abuse victims; sexual assault; artistic language; recurring graphic forms; image conversion; specific trauma; post traumatic symptomatology, 7932

thought impairment; drawings; cognitive assessment; emotional health; behavioral health; behavior disorders; emotional disorders, 6343

timing variability; circle drawing; tapping; timed movements; emergent timing; motor performance, 31399

writing; drawing; handedness; handwriting, 19397

**Drawing—Chapters**

Animals in Children's Stories, 13126

**Dream Analysis—Serials**

ancient Mesopotamia; dreams; dreaming; dream interpretation; Dumuzi of Uruk; dream motifs; sacred mythology; cultural context, 6646

children's dreams; nightmares; developmental changes; trends, 34955

dream analysis; brain function; sleep; visuo-spatial processing; verbal activity; cognitive process, 4385

dream interpretation; auditory messages; children's interpretation; divine dreams, 34904

dream telling; containment; group analysis; dreams, 11157

dreaming; dreams; Threat Simulation Theory; dream studies; dream content, 9673

dreaming; season-related themes; waking; winter themes; summer themes, 3502

dreams; pastoral counseling; Calvin Springer Hall; Ira Progoff; dream theories, 32985

medicalization; dreams; sick bodies; confused minds; mental derangement; drunkenness, 9340

models; dream sessions; implementation; intention; action plans; client involvement; therapist skills; difficulty level, 26741

nested ideation; reality; dream analysis; art, 32245

parapraxis; dream thoughts; dream work, 23843

psychoanalytic dream study; irrationality; brain damage; psychopathology; consciousness; transference, 30001

psychotherapy; dreams; dream sessions; dream discussion; dream attitudes; client attitudes; dream recall, 8183

sleep; individual development; cognitive process; neuropsychology; dream analysis, 3688

time limited therapy; dream work; counseling; primary care; dream work, 29890

**Dream Analysis—Chapters**

Theory and strategy of dream interpretation, 13768

**Dream Content—Serials**

ancient Mesopotamia; dreams; dreaming; dream interpretation; Dumuzi of Uruk; dream motifs; sacred mythology; cultural context, 6646

children's dreams; nightmares; developmental changes; trends, 34955

cognitive effects; trauma; alpha function; beta screen; dreams; dream association; screen memories; analysis, 23833

dream analysis; brain function; sleep; visuo-spatial processing; verbal activity; cognitive process, 4385

dream imagery; emotion; visual imagery; contextualizing image theory; dual imagery theory; emotion type; emotion intensity, 15948

dream interpretation; auditory messages; children's interpretation; divine dreams, 34904

dreaming; dreams; Threat Simulation Theory; dream studies; dream content, 9673

dreaming; season-related themes; waking; winter themes; summer themes, 3502

dreaming; visual system; visual perception; dream imagery; cognitive theory, 8119

drug dreams; outpatients; bipolar disorder; cocaine dependence; triggers; drug abuse treatment, 1127

drug dreams; outpatients; bipolar disorder; cocaine dependence; triggers; drug abuse treatment, 1145

emotions; dream diaries; home dreams; rapid eye movement dreams; life satisfaction; women; age differences, 25265

gender differences; dream contents; dream themes; stability, 9675

gender differences; dreaming; dream recall; work related dreams; dream content, 28353

gender; age; aggressive dream content; Spanish children; Spanish adolescents, 34846

Lee Acculturation Dream Scale; acculturation; dream narratives; Korean immigrant college students, 28006

marital satisfaction; dreams; relationship quality, 35108

nested ideation; reality; dream analysis; art, 32245

neurocognitive approach; dreams; J. Allan Hobson; Mark Solms; dreaming; dream content; neurophysiology; psychosis; neurocognitive activation-synthesis, 15950

neurocognitive approach; dreams; Mark Solms; dreaming; dream content; neurophysiology; psychosis; neurocognitive activation-synthesis; dream theory; dream cognitions; REM, 16022

neurocognitive approach; dreams; Mark Solms; dreaming; dream content; neurophysiology; psychosis; neurocognitive activation-synthesis; dream theory; dream cognitions, 16033

parapraxis; dream thoughts; dream work, 23843

rater training; dream content; content analysis scales; judges scoring; interrater reliability, 9358

REM dreaming; late childhood; adolescence, 34957

self report evaluations; past dream experiences; dream content; beliefs; dream recall frequency; memory, 25255

theory of mind; dreaming; awareness; feelings; thoughts; intentions of others; dream characters; consciousness; neuronal connections, 15953

typical dreams; atypicality; dreaming; state of mind; arousal; dream themes; universal dream motifs; dream awareness; psychophysiological states, 28352

**Dream Content—Chapters**

Dreams of Animals, 14495

**Dream Interpretation** [See Dream Analysis]**Dream Recall—Serials**

consciousness; dissociation; dream recall; medical students, 19078

dream generator; NREM sleep; dream recall; electroencephalographic power, 302

Dream Recall Frequency Scale; trait variable; interindividual difference; personality dimension; sleep disorder; test reliability; stability, 4384

dream recall frequency; selective attention; attitude towards dreams, 13685

gender differences; dreaming; dream recall; work related dreams; dream content, 28353

individual differences; dreams; dream recall; sensory modalities; imagery abilities, 25263

NREM sleep dream recall; dream length; cortical activation; non rapid eye movement sleep; sleep, 306

self report evaluations; past dream experiences; dream content; beliefs; dream recall frequency; memory, 25255

**Dreaming** [See Also Lucid Dreaming, Nightmares, REM Dreams]—Serials

community building; Gestalt therapy; dreams, 29904

community building; Gestalt therapy; dreams, 29905

community building; Gestalt therapy; dreams, 29908

community building; Gestalt therapy; dreams, 29938

dissociative processes; multiple personality; dream functions; human psyche, 7657

dream analysis; brain function; sleep; visuo-spatial processing; verbal activity; cognitive process, 4385

dream imagery; emotion; visual imagery; contextualizing image theory; dual imagery theory; emotion type; emotion intensity, 15948

dream interpretation; auditory messages; children's interpretation; divine dreams, 34904

dream recall frequency; selective attention; attitude towards dreams, 13685

dream telling; containment; group analysis; dreams, 11157

dreaming; dreams; Threat Simulation Theory; dream studies; dream content, 9673

dreaming; season-related themes; waking; winter themes; summer themes, 3502

dreaming; temporal lobe seizures; neuronal network; emotion; memory; left dysplastic amygdala, 36026

dreaming; visual system; visual perception; dream imagery; cognitive theory, 8119

dreams; pastoral counseling; Calvin Springer Hall; Ira Progoff; dream theories, 32985

dreams; visions; Anglo Saxon England; Christianity; conversion; history, 25798

earliest remembered dreams; children's dreams; fantasy; wish fulfillment; nightmares, 34474

gender differences; dream contents; dream themes; stability, 9675

gender differences; dreaming; dream recall; work related dreams; dream content, 28353

gender; age; aggressive dream content; Spanish children; Spanish adolescents, 34846

individual differences; dreams; dream recall; sensory modalities; imagery abilities, 25263

medicalization; dreams; sick bodies; confused minds; mental derangement; drunkenness, 9340

neurocognitive approach; dreams; J. Allan Hobson; Mark Solms; dreaming; dream content; neurophysiology; psychosis; neurocognitive activation-synthesis, 15950

neurocognitive approach; dreams; Mark Solms; dreaming; dream content; neurophysiology; psychosis; neurocognitive activation-synthesis; dream theory; dream cognitions; REM, 16022

neurocognitive approach; dreams; Mark Solms; dreaming; dream content; neurophysiology; psychosis; neurocognitive activation-synthesis; dream theory; dream cognitions, 16033

non local communication; remote viewing; stared at sensation; pet owner connections; precognition; dreams; prayer; media consumption; individual differences, 25268

psychodynamic psychotherapy; serotonin transporter binding; dream screen; major depression; midbrain level, 26155

psychotherapy; dreams; dream sessions; dream discussion; dream attitudes; client attitudes; dream recall, 8183

sleep paralysis; traditional interpretations; dreaming; Inuit concepts; shamanism, 17176

sleep; dreams; memory consolidation; stress hormone; cortisol, 9856

temporal references; dreams; autobiographical memories; semantic cues; temporal distribution similarities, 25213

theory of mind; dreaming; awareness; feelings; thoughts; intentions of others; dream characters; consciousness; neuronal connections, 15953

threat simulation theory; dreams; dreaming; theory of evolution; evolutionary psychology, 6647

trauma; dreaming; psychological distress; Kurdish children, 34948

typical dreams; atypicality; dreaming; state of mind; arousal; dream themes; universal dream motifs; dream awareness; psychophysiological states, 28352

**Dreaming** [See Also Lucid Dreaming, Nightmares, REM Dreams]—Chapters

Theory and strategy of dream interpretation, 13768

**Drinking (Alcohol)** [See Alcohol Drinking Patterns]**Drinking Attitudes** [See Alcohol Drinking Attitudes]**Drinking Behavior** [See Also Alcohol Drinking Patterns, Animal Drinking Behavior, Water Intake]—Serials

addiction; drinking behavior; alcohol use, 26370

beverage consumption; affective reactions; masked happy faces; angry faces; value judgments; consequential behavior; motivation; conscious feelings; affective primes, 18934

cognitive skills; drinking behavior change; executive cognitive function; memory, 35657

drinking control; couple relationships; individualization; alcohol use; social control, 13563

interactive voice response technology; drinking related behaviors; alcohol pharmacotherapy trials, 5555

planned behavior; social influence; silence; peer influence; drinking behavior; self efficacy; alcohol drinking attitude; opinion expression, 7424

self-fulfilling prophecies; parental beliefs; mothers' beliefs; fathers' beliefs; child drinking behavior; synergistic accumulation effects, 7361

self-reports; accuracy; alcohol offenders; rural environment; drinking; DWI; alcohol-dependency, 29549

**Drinking Behavior** [See Also Alcohol Drinking Patterns, Animal Drinking Behavior, Water Intake]—Books

Controlling your drinking: Tools to make moderation work for you, 17038

**Drinking Behavior (Animal)** [See Animal Drinking Behavior]**Drive** [See Motivation]**Driver Education—Serials**

driver education; prevention efforts; injury prevention; traffic crashes; youth driving culture, 9954

graduated driver licensing; teenage drivers; risk factors; driver education; passenger restrictions; driving practice, 30992

licensure examination; road test; driving license; driver performance, 9290

theoretical framework; driver education; desktop virtual reality-based learning environment; driver education system; instructional design, 2592

traffic crashes; driver education; controlled trials; traffic accident prevention, 18579

**Driver Safety** [See Highway Safety]**Drivers—Serials**

adaptive cruise control; mental workload; vehicle automation; physical workload; manual driving; drivers, 15466

blood alcohol concentrations; alcohol consumption; motorcycle accidents; alcohol-impaired driving, 14053

cell phone conversations; driving performance; automobile drivers, 6102

collision crash; time-to-collision; crash alert timing; steering judgments; braking judgment; controlled driving; drivers' perceptions, 18580

crosswalks; driver yielding; driver enforcement program; pedestrians; feedback flyers; verbal warnings; written warnings; saturation enforcement, 3000

driver age; engine size; accident severity; motorcyclists accidents; two wheelers; fault risk modeling; severity modeling, 18592

driver behavior; driver trust; Forward Collision Warning System; alarm timing; braking strategy, 12317

driver experience; alcohol impairment; driving task; driver skill; sober driving, 35672

driver hand positions; risk perception; steering wheel; road accidents, 31001

driver impairment; portable performance tester; evaluation; sensitivity to ethanol, 31135

driver licensing procedures; older drivers; traffic accidents; driver safety; crash risk, 2997

driver licensing program; teenage motor vehicle morbidity; mortality; teenage driving, 12325

driver training; driving performance; accident risk; safe driving behavior, 18575

drivers; dementia; older people; driver assessment; occupational therapy, 35991

driving behaviour; young drivers; lifestyle; high accident risk, 2998

driving habits; older men; glaucoma; eye disorder; driving patterns; driving cessation, 26648

drug driving; road safety; driver behavior; substance use, 14042

drug use; alcohol use; motor vehicle crashes; trauma center; injured drivers, 35720

expert drivers; police drivers; performance feedback; self ratings, 12332  
 graduated driver licensing; teenage drivers; risk factors; driver education; passenger restrictions; driving practice, 30992  
 health awareness; bus drivers; bus conductors; congested roads; strain; stress; government buses; private buses, 15463  
 impaired driving; motor vehicle crashes; Swedish youth; drivers sociodemographic characteristics; alcohol; drugs, 30999  
 licensure examination; road test; driving license; driver performance, 9290  
 motor traffic accidents; age; probationary drivers; non-probationary drivers; night time accidents, 18571  
 myths; sexuality misconceptions; information sources; risk perceptions; Bodabodamen; health education, 17784  
 older drivers; accident involvement; license, 30991  
 older drivers; driving impairment; patient management; ethical issues; treatment; patient autonomy, 18074  
 parent-imposed limits; risks; adolescent driving; graduated driver licensing; high-risk driving, 21688  
 professional drivers; sleepiness; accidents; traffic conditions; age effects; timing, 37199  
 publicity campaigns; crashes; young male drivers; drink driving; speed, 37201  
 risky driving habits; motor vehicle driver injury; traffic convictions, 30985  
 road accidents; cross flow turns; drivers; driving behavior, 30988  
 road signs; cameras; road markings; driving behavior; drivers; implications for police work; traffic flow, 30984  
 safe driving practices; work related drivers; speed; driving behavior, 12322  
 safety belt use; racial differences; driving behavior; Blacks; Whites, 3001  
 seatbelt-gearshift delay prompt; seatbelt use evaluation; motorists, 27873  
 short relay operations; sleep behavior; train drivers alertness; attention; vigilance, 34095  
 slow driving; road safety; drivers; speed choice, 6099  
 speed limits enforcement; penalty rules; drivers' perceptions; driving license, 18576  
 teen drivers; parental knowledge; drivers safety; parental expectation; driving license, 18585  
 traffic crashes; driver education; controlled trials; traffic accident prevention, 18579  
 vehicle design requirements; older drivers; driving license holders; automotive design; age differences, 34092  
 vehicle pedestrian crashes; intersections; Florida; drivers; traffic characteristics; environmental characteristics; injury severity, 30995  
 vibrotactile displays; in-vehicle navigation system; driving simulator; workload conditions; driving behavior; driver safety, 12330  
 visual information; driving; visual skills; eye movements; police drivers; gaze durations, 27869  
**Driving Behavior [See Also Aggressive Driving Behavior, Driving Under the Influence]—Serials**  
 adaptive cruise control; mental workload; vehicle automation; physical workload; manual driving; drivers, 15466  
 age; performance; sleep deprivation; reaction time; sleep-related accidents; sleepiness; driving skills, 9821  
 alcohol dependence; driving; health professionals; clinical implication; Driver and Vehicle Licensing Agency, 35661  
 Alzheimers disease; roadside targets; drivers; safety errors; traffic sign identification; visual recognition; visual search, 32852  
 attention allocation; verbal interactions; verbalization rates; dynamic spatial scenes; driving task; task performance, 2993  
 cell phone conversations; driving performance; automobile drivers, 6102  
 cellular phone usage; driving hazards; motor traffic accidents; safety motivation, 18583  
 cognition; sensory factor; motor process; physical factor; safe driving behavior; older adults, 18572  
 collision crash; time-to-collision; crash alert timing; steering judgments; braking judgment; controlled driving; drivers' perceptions, 18580  
 driver age; engine size; accident severity; motorcyclists accidents; two wheelers; fault risk modeling; severity modeling, 18592  
 driver assessment; rehabilitation; occupational therapists; cognitive skills; perceptual skills; reaction time; road law knowledge, 34193  
 driver behavior; driver trust; Forward Collision Warning System; alarm timing; braking strategy, 12317  
 driver education; prevention efforts; injury prevention; traffic crashes; youth driving culture, 9954  
 driver experience; alcohol impairment; driving task; driver skill; sober driving, 35672  
 driver hand positions; risk perception; steering wheel; road accidents, 31001

driver sleepiness; driver fatigue; inattention; distraction; motor vehicle collision; fatalities; driver injuries; safety belts, 37196  
 driver training; driving performance; accident risk; safe driving behavior, 18575  
 drivers performance; crash avoidance; electrodermal activity; driving situation, 24774  
 drivers; dementia; older people; driver assessment; occupational therapy, 35991  
 drivers; movement direction; braking; driving behavior; global optic flow; gaze direction; vertical barrier; cars; approach directions; speed control; optic expansion; collision point, 18965  
 driving behavior; cannabis; driving attitude; driving under the influence, 26365  
 driving behavior; parental driving style; traffic convictions; motor traffic accidents; lifestyle; genetic disposition; model learning, 15455  
 driving behavior; premorbid factor; traumatic brain injury; driving safety, 14257  
 driving behavior; traffic accidents; speed rules; risk taking attitudes; models, 12335  
 driving behaviour; young drivers; lifestyle; high accident risk, 2998  
 driving capacity; drug dependent patients; methadone treatment; oral morphine treatment, 27162  
 driving duration; partial sleep deprivation; subsequent alertness; car drivers performance, 27872  
 driving fatigue; magnitopuncture stimulation; heart rate; reaction time, 14622  
 driving habits; older men; glaucoma; eye disorder; driving patterns; driving cessation, 26648  
 Driving Scenes Test; aging; dementia; Neuropsychological Assessment Battery; visual attention; very mild dementia, 18768  
 driving simulator performance; schizophrenia; symptoms; driving behavior, 16829  
 driving situations; subjective risk; recognition memory, 9626  
 driving styles; parents; adult offspring; intergenerational transmission, 18587  
 driving-while-intoxicated; DWI conviction history; aviation pilots; driving behavior; crash risk, 17018  
 drowsiness; simulated driving; sleep deprivation; road accidents; mental alertness; electroencephalography, 27870  
 drug driving; road safety; driver behavior; substance use, 14042  
 drug-related risky driving; driving behavior; adolescent risk factors; academic qualifications; personality; mental health; anti social behavior, 2987  
 electroencephalogram; driver fatigue; driving behavior; drivers, 15459  
 enforcement programs; seat belt use; motor vehicle crashes; driver education, 12334  
 expert drivers; police drivers; performance feedback; self ratings, 12332  
 eye movements; visual attention; car driving; nighttime drives; intentional car following, 6504  
 gaze patterns; visual control; driving behavior; braking; car driving; automobile drivers; straight roads; automobiles; speed; expertise level; optic expansion; gaze direction, 18964  
 geriatric driving competence; automobile crashes; neuropsychological assessment; elderly drivers, 13335  
 graduated driver licensing; teenage drivers; risk factors; driver education; passenger restrictions; driving practice, 30992  
 hands free mobile phones; mobile phone conversation; peripheral visual system; driving behavior; driving under influence, 15460  
 hands-free mobile phone; driving track environment; driving behavior; biomechanical factors; perceptual factors, 12329  
 heading perception; self motion; ecstasy users; marijuana users; drug abstinence; cognitive processes; driving behavior, 22365  
 homogenous traffic flow; accident frequency; motor vehicles; rural roads, 2994  
 hypnosis; driving phobia; avoidance behavior; accidents, 30108  
 hypocrisy; behavioral change; self concept; highway safety; speed limits, 10328  
 intelligent speed adaptation; accident savings; cost-benefit analysis; UK External Vehicle Speed Control; accident reduction, 21684  
 legislation; seat belt use penalties; child restraint systems; government regulation, 12318  
 licensure examination; road test; driving license; driver performance, 9290  
 marijuana use; car crash injury; driving, 23290  
 mass media; planned behaviour intervention; driving speed; Theory of Planned Behaviour; road safety; speed control, 12328  
 mild traumatic brain injury; driving skills; Useful Field of View test, 36014

nabilone; neuropsychological functions; driving ability; cannabinoid; multiple sclerosis; spasticity, 26933  
 neural correlates; driving performance; positron emission tomography; simulation; regional cerebral blood flow, 31575  
 neuropsychological functioning; driving competence; older persons; early cognitive decline; visual attention; dementia, 20588  
 non-fatal motor vehicle accidents; large animal collision; hospital emergencies; safety devices, 9284  
 novice drivers; safe driving; self-rating; self-efficacy; instructors; theory of planned behavior, 18590  
 oculomotor changes; road events; simulated driving; attention; vigilance; eye movements; blinking, 16080  
 older drivers; accident involvement; license, 30991  
 older drivers; driving impairment; patient management; ethical issues; treatment; patient autonomy, 18074  
 opioid medication; driving ability; nonmalignant pain; quality of life, 20428  
 parent-imposed limits; risks; adolescent driving; graduated driver licensing; high-risk driving, 21688  
 passenger restrictions; teenage drivers; legislation; injury crash; driving behavior; accident prevention, 18574  
 pedestrian clothing; driving behavior; right of way; pedestrian safety, 12323  
 pedestrian fatalities; road accidents; night time; pedestrian conspicuity; pedestrian safety, 9289  
 pelican crossings; automatic method; safety monitoring; pedestrian crossing behavior; accident risks, 37198  
 perceived risk; ticketed; seat belt use, 6095  
 personality traits; fear response; print advertisements; driver safety behavior, 6077  
 physician reporting; impaired drivers; physician responsibility; medically at-risk drivers; state laws; elderly drivers, 2547  
 physician reporting; impaired drivers; physician responsibility; medically at-risk drivers; state laws; elderly drivers, 2539  
 police officers; seat belt use; driving safety, 18582  
 professional drivers; sleepiness; accidents; traffic conditions; age effects; timing, 37199  
 Propensity for Angry Driving Scale; test validity; driving behavior; aggressiveness; verbal abuse; gestures, 6290  
 publicity campaigns; crashes; young male drivers; drink driving; speed, 37201  
 punishment sensitivity; traffic violations; reward sensitivity; gender differences; personality traits; road traffic rules, 2988  
 quality of voices; mobile phones; interruptions; brain responses; neural effects; driving behavior, 34094  
 respiratory abnormalities; highway-driving; driving phobia; psychophysiological assessment; self-report; physiological responses; fear; anxiety, 13927  
 risk attitudes; risk behavior; traffic safety; program effects; program evaluation; behavior modification; community-based attitude campaign; attitude change; behavior change; adolescents, 24014  
 risky driving habits; motor vehicle driver injury; traffic convictions, 30985  
 road accidents; cross flow turns; drivers; driving behavior, 30988  
 road signs; cameras; road markings; driving behavior; drivers; implications for police work; traffic flow, 30984  
 safe driving practices; work related drivers; speed; driving behavior, 12322  
 safety belt use; racial differences; driving behavior; Blacks; Whites, 3001  
 seat belt use; high visibility enforcement; law enforcement; highway safety, 12324  
 sensitivity; eye-movement measures; auditory in-vehicle task difficulty; visual in-vehicle task difficulty; driving task, 31000  
 simulating traffic engineering solutions; predicting driving behaviour changes; road environments, 34097  
 slow driving; road safety; drivers; speed choice, 6099  
 speed limits enforcement; penalty rules; drivers' perceptions; driving license, 18576  
 speed limits; safety; road accident; roadways; urban environment; accident counts, 18591  
 speed; pedestrian safety; road accidents; pedestrian crashes, 15457  
 standardized visual performance test; driving research environments; driving performance; project HASTE, 30997  
 teen driving; parental involvement; driving rules; driving behavior, 9287  
 tire condition; drivers; driving safety; traffic accidents; tire maintenance, 18584  
 traffic crashes; driver education; controlled trials; traffic accident prevention, 18579  
 traffic volume; traffic flow; rainfall; weather variable; road accident, 18577  
 traumatic brain injury; driving ability; professional practice; safe driving, 14226  
 truck drivers alertness; wakefulness; sleepiness; night driving, 6100

## Volume 92 SUBJECT INDEX

### Driving Behavior—Serials

vehicle distance estimation; luminous flux; nighttime driving; horizontal separation; spatial variation; inter-headlight width, 18573  
vibrotactile displays; in-vehicle navigation system; driving simulator; workload conditions; driving behavior; driver safety, 12330  
virtual reality exposure therapy; driving phobia, 5134  
visual information; driving; visual skills; eye movements; police drivers; gaze durations, 27869

**Driving Behavior [See Also Aggressive Driving Behavior, Driving Under the Influence]—Chapters**  
Clinical and Ethical Issues When Treating Impaired Drivers, 17400  
How to Help the Older Driver, 16385

#### Driving Under the Influence—Serials

alcohol use; traffic deaths; motor accidents, 9286  
blood alcohol concentrations; alcohol consumption; motor-cycle accidents; alcohol-impaired driving, 14053  
driver experience; alcohol impairment; driving task; driver skill; sober driving, 35672  
driving behavior; cannabis; driving attitude; driving under the influence, 26365  
driving under the influence; ethnic group; alcohol; drug, 16520  
driving-while-intoxicated; DWI conviction history; aviation pilots; driving behavior; crash risk, 17018  
drunk driving; alcohol use; traffic behavior; monoamine oxidase; smoking; personality risk factor, 29532  
drunk driving; publicity campaigns; policy recommendations; crashes, 18588  
environmental prevention programmes; driving under the influence; DUI; college students, 27496  
Fatal Vision Goggles; college students; drunk driving; student attitudes, 7418  
impaired driving; motor vehicle crashes; Swedish youth; drivers sociodemographic characteristics; alcohol; drugs, 30999  
motivation; self efficacy; behavior change; driving under the influence; binge drinking, 26353  
risk factors; alcohol impaired drivers; marijuana impaired drivers; alcohol use; adolescents; social context, 20263  
self efficacy; driving behaviours; recidivism; self report; drunk driving; repeat offenders; alcohol rehabilitation, 26327  
stages of change; driving under influence; offenders; motivation; self efficacy, 33496

**Dropouts [See Also School Dropouts, Treatment Dropouts]—Serials**  
cognitive performance; mental abilities; experimental dropouts; frailty, 15794  
low-income clients; Latinos; dropouts; counseling services; barriers, 11045  
social practice; temporalization; linear time; individualism; time out; drop out; unemployment; identity, 1081  
urban teenagers; high school dropout; poverty; employment; adult type jobs; teen jobs, 33835

#### Drowsiness [See Sleep Onset]

**Drug Abstinence [See Also Sobriety]—Serials**  
abstinence syndrome; heroin addicts; short term memory deficit; event-related potentials; opioid abuse; physiological correlates, 7900  
abstinence; amphetamine dependence; cognitive performance, 35702  
abstinent drug abusers; neurocognitive performance; emotional function; autonomic reactivity; task performance; executive function; decision making; skin conductance; vigilance; impulsivity, 14045  
bupropion; relapse prevention; drug efficacy; smoking abstinence, 17648  
chewing tobacco; nicotine replacement therapy; abstinence rates, 24207  
clinicians attitudes; abstinence; drug problems; twelve step groups; referral practices, 27324  
cocaine abstinence; methadone maintained patients; drug injection; long term reinforcement, 2323  
cocaine; drug abstinence; methadone maintenance; intermittent reinforcement; voucher-based reinforcement; monetary incentives, 5566  
cognitive ability; treatment engagement; drug abuse treatment; treatment outcomes; drug abusers; treatment retention; drug abstinence, 36547  
depression symptoms; predicting drug abstinence; substance abuse treatment; outpatient; demographic characteristics, 30374  
dietary restraint; cognitive performance; abstinent drug users; restrained eaters, 6831  
drug abuse treatment; pregnant women; non-treatment-seeking women; drug abuse; drug abstinence, 2310  
drug use; cocaine; drug dependency; homeless persons; day treatment; abstinent-contingent housing; abstinent-contingent work; urine toxicologies; abstinence; lapse; relapse, 2315  
drug users; treatment aspirations; harm reduction; risk behaviour reduction; drug use abstinence, 33495

harm reduction; drug treatment services; drug abuse treatment; healthy scepticism; drug users abstinence, 33490  
heroin abstinence; treatment outcome; client characteristics; drug rehabilitation, 27152  
marijuana; cocaine; sharing; drug gifts; drug rehabilitation, 23299  
marital attachment; delinquent peers; marijuana use; drug desistance, 35684

Minnesota Multiphasic Personality Inventory; tobacco abstinence; nicotine dependence treatment; cigarette smoking; trait anxiety; depression; neuroticism; pessimism; test reliability, 24914

motivation; substance use abstinence; homeless women; substance use quitting; characteristics, 7897  
neuropsychological functioning; cocaine dependence; abstinence; neuropsychological deficits, 26309

operant treatment; cocaine addiction; reinforcement contingency; rehabilitation program; treatment planning, 8672  
outpatient opiate detoxification; abstinence-contingent incentives; treatment outcomes; opiate abstinence; cocaine abstinence; monetary vouchers, 5551

prefrontal cortical dysfunction; abstinent cocaine abusers; executive cognitive functions; anterior cingulate cortex; lateral prefrontal cortex, 10689

reinforcement based therapy; outpatients; drug free treatment; heroin abusers; residential detoxification; abstinence, 33484

smokeless tobacco users; outpatient tobacco-dependence treatment program; tobacco abstinence; patient characteristics, 11397

smoking abstinence; abstinence contingent incentives; monetary incentives; initial abstinence; relapse risk; carbon monoxide, 5534

smoking cessation; cigarette smoking; relapse trajectories; female smokers; cigarette abstinence, 33472  
social drinking; nonabstinence treatment goals; treatment goal choice; alcohol use disorders, 27165

social support; mutual aid participation; substance use; twelve-step groups; drug abstinence; dual diagnosis; psychiatric illness; double trouble in recovery, 11568  
substance use; personality traits; drug abstainers; moderate drug users; heavy drug users; conscientiousness; impulse control; agreeableness; extraversion; emotional stability, 7907

taste responses; monosodium glutamate; alcohol exposure; abstinent alcoholics, 29556  
vocational rehabilitation; substance user treatment; employment; cost effectiveness; drug abstinence, 11559

voucher delivery schedules; initiation; cocaine abstinence; reinforcement; methadone maintenance patients, 36535  
workplace intervention; drug addiction; heroin abstinence; cocaine abstinence; drug rehabilitation; unemployment; data entry operators, 14861

**Drug Abuse [See Also Alcohol Abuse, Drug Dependency, Inhalant Abuse, Polydrug Abuse]—Serials**  
acute toxic drug effects; club drugs; short term physiological toxicity; behavioral effects; late-night dance clubs; GHB; ketamine; MDMA; Rohypnol, 4737  
acute yohimbine; impulsivity; norepinephrine; alpha noradrenergic receptors; psychiatric disorder; substance use disorders, 22985

addiction journal; Africa, 35696  
addiction services; treatment services; service delivery; dual diagnosis; mental health; substance abuse; treatment outcomes, 32934

addiction; research, 10725  
addiction; substance abuse; alcohol abuse, 26343  
addictions; non-substance-related addictions; behavioral addictions; diagnosis, 17022

addictive disorders; substance use disorders; substance dependence; substance abuse; comorbidity; psychiatric illnesses; medical illnesses, 10708

adolescence; schizophrenia; drug abuse; disorder vulnerability; neurobiological psychosocial developmental factors, 35374

adolescent delinquency; psychological health problems; volatile substance use; cigarette smoking; behavior problems; psychological distress, 7883

adolescent drug abuse; non-White ethnic youths; Personal Experience Inventory; psychometric properties; racial and ethnic differences; adolescent boys; test reliability; test validity, 3217

adolescent drug abuser; pastoral response, 32896

# Volume 92 SUBJECT INDEX

## Drug Addiction—Serials

drug addiction; aberrant behavior; brain structure; drug rehabilitation, 10722  
 drug addiction; disease concept; drugs, 32556  
 drug addiction; dopamine; neurobiological computational model; cocaine; reward prediction; fatty foods; alcohol; opiates, 10685  
 drug addiction; drug recovery; ecological framework; Acculturation Model; sobriety; sociocultural factors; cultural identity, 8665  
 drug addiction; drug trafficking; drug prevention programmes; adolescents; marijuana; ecstasy; tranquilisers, 5539  
 drug addiction; obesity; food intake; habit formation; genetics; brain reward circuitry, 22987  
 drug addiction; stress vulnerability; treatment strategies, 30387  
 drug side effects; club drug abuse; social consequences; epidemiological factors; public health, 32565  
 drug-abusing mothers; incarcerated mothers; individual characteristics; vulnerability; mother child relations, 20258  
 Dutch Addiction Programme; research projects, 26308  
 family therapy theory; family therapy techniques; substance addiction; treatment rationale; group treatment, 2286  
 gene transcription factor; molecular mechanisms; alcohol addiction; drug addiction; withdrawal; dopamine receptor activation, 29550  
 habituation; drug taking; sensitization; behavioral processes; drug tolerance; drug addiction, 34722  
 healthy lifestyle; health behavior; drug rehabilitation; drug addiction; healthy living, 5570  
 impaired physicians; anesthesiologists; opiate abuse; opiate addiction; risk factors; protective factors; occupational exposure; fentanyl, 5751  
 inhalant-induced; panic-like symptoms; solvent addiction; comorbid panic disorder; neurotransmission, 10713  
 interactive skills; infant development; high risk population; substance-dependent mothers; residential treatment; pregnancy; mother child relations, 19412  
 Latinas; women addicts; first generation immigrants; drug abuse, 29525  
 mediated addiction; anti drug television commercials; drug discourses; illegal drugs; involvement; government programs, 35674  
 medical comorbidity; addictive disorders; drug dependence; alcohol addiction; tobacco addiction; opiate addiction; cocaine addiction; amphetamine addiction, 10723  
 methadone maintenance therapy; test validity; drug addiction; psychometrics; addiction treatment; treatment effectiveness; Knowledge, Attitudes, and Readiness to Adopt survey, 14839  
 methamphetamine addiction; gamma vinyl; gamma aminobutyric acid; GABA; drug therapy; cocaine addiction; drug safety; drug efficacy, 27191  
 multiple problems; chronic addicts; needs; addiction care services; alcoholics; methadone programs; treatment guidelines; drug rehabilitation; client profiles, 26375  
 narcotics addicts; health conditions; aging males, 7893  
 news brief; drug policy; public policy; addiction science; drug misuse; Public Policy Project; new book; international collaboration, 26313  
 nicotine addiction; public health problem; pharmacological treatments; behavioral treatments; tobacco smoking, 2292  
 nursing roles; transtheoretical model; addictions; psychiatric disorders; stages of change, 26686  
 occupational exposure; physicians; drugs; substance use; addiction risk, 10699  
 operant treatment; cocaine addiction; reinforcement contingency; rehabilitation program; treatment planning, 8672  
 opiate addicted individuals; illness narratives; ontological security; methadone maintenance treatment; disorder recovery; methadone patients, 36570  
 opioid side effects; opioid addiction; anti inflammatory medication; medication noncompliance; pain, 26924  
 oxyContin addiction; pain treatment, 4741  
 physical activity; substance abuse treatment; addiction recovery; Transtheoretical Model, 8688  
 polydrug use; addictive drug use; multiple drugs, 26360  
 prazosin; adrenergic antagonist; cocaine; drug seeking behavior; norepinephrine, 22372  
 psychosocial factors; opiate dependence; Turkish migrants; substance abuse; German addiction research; cultural effects, 1359  
 public policy; insurance benefit parity; alcohol addiction; drug addiction; nicotine addiction, 5533  
 reinforcer effectiveness; drug consumption; drug addiction; habituation; tolerance, 34745  
 religious development; Jewish alcoholics; Jewish drug addicts; spirituality; integrity, 30369  
 sensitization; habituation; drug intake; drug addiction; models, 34756  
 substance abusers; ego functioning; addiction severity, 17014

substance misuse; substance addiction; psychiatric disorder comorbidity; pharmacological management; evidence-based guidelines, 1885  
 Teen-Addiction Severity Index; conversion; validation; Internet; telephone; self-report; interactive voice response; reliability; convergent validity; test equating, 15602  
 tobacco consumption; nicotine conjugate vaccine; immunisation; tobacco smoking & nicotine addiction therapy & prevention; open future rights; ethical problems, 5359  
 treatment programmes; addictive disorders; psychosocial treatment; psychopharmacological treatment; meta-analysis; randomized controlled trials; longitudinal prospective studies; early intervention, 36525  
 treatment programmes; addictive disorders; psychosocial treatment; psychopharmacological treatment; meta-analysis; randomized controlled trials; longitudinal prospective studies; early intervention, 27177  
 university student beliefs; Turkish university students; drug addiction; gender differences; risk factors, 10692  
 vocational rehabilitation; substance use; patient employment; cost-effectiveness; substance users, 11587  
**Drug Addiction [See Also Heroin Addiction]—Books**  
 Learning the language of addiction counseling (2nd ed.), 14865  
**Drug Addiction [See Also Heroin Addiction]—Chapters**  
 Addiction Recovery Tools, 24217  
 Couples and Addiction, 17939  
 HIV/AIDS, 22992  
 Substance-related disorders, 20275  
 Types of Addictive Drugs, 23320  
**Drug Administration Methods [See Also Drug Self Administration, Injections]—Serials**  
 antiretroviral therapy; HIV infection; substance abuse; alcohol abuse; substance abuse treatment; injection drug users; methadone maintenance therapy, 2319  
 bolus intrathecal baclofen; anti-spasticity effects, 30149  
 covert medication administration; mental incapacity; treatment refusal; ethics; autonomy; antipsychotic medication, 27376  
 divalproex sodium; bipolar disorder; psychiatric disorder; drug therapy; patient preference; drug side effects; treatment compliance, 14546  
 drug administration method; psychotropic drugs; drug therapy; injections; oral ingestion, 8326  
 fatal opiate overdoses; regimen changes; naltrexone treatment; implants; tablets; heroin users; naltrexone administration, 27183  
 fatal opiate overdoses; regimen changes; naltrexone treatment; implants; tablets; heroin users; naltrexone administration, 27171  
 hepatitis B; concomitant administration; tetanus-diphtheria; measles-mumps-rubella; vaccination; immunogenicity, 17775  
 injectable risperidone; oral risperidone; risperidone; schizophrenia; injections; drug efficacy; drug safety, 11231  
 intra-basolateral amygdala administration; dopamine receptor agonist; BP 897; intra-nucleus accumbens administration; amphetamine conditioned activity, 6845  
 intranasal administration; cholecystokinin; central nervous system; auditory event related potential, 16109  
 passive administration; self administration; heroin abuse; electroencephalographic activation; mu opioids; fentanyl; methadone; heroin dependence, 10701  
 racial factors; ethnic factors; medication safety; gender differences; medication dosage, 30252  
 roux en Y gastric bypass surgery patients; psychiatric medications; postoperative drug dosing; in vitro drug dissolution model; psychiatric illness, 23905  
 treatment noncompliance; orally disintegrating olanzapine tablets; chronic schizophrenia; tardive dyskinesia, 5188  
 treatment noncompliance; orally disintegrating olanzapine tablets; chronic schizophrenia; tardive dyskinesia, 5183  
 weight loss; conventional & orally disintegrating olanzapine tablets, 1860  
**Drug Adverse Reactions [See Side Effects (Drug)]**  
**Drug Allergies—Serials**  
 depot risperidone; oral risperidone; allergic reaction; side effects; dexamethasone, 33212  
 zonisamide; side effects; allergic reactions; sulfonamide anticonvulsant, 11261  
**Drug Augmentation—Serials**  
 antidepressant therapy; estrogen; postmenopausal women; serotonin reuptake inhibitor; raloxifene; drug augmentation, 14532  
 antipsychotic augmentation therapy; mood stabilizer therapy; bipolar disorder; bipolar mania; combination therapy; depressive phase control; side effect profile, 23855  
 bilateral exophthalmos; therapy resistant disorders; augmentation strategy; depressive syndrome; endocrine ophthalmopathy; antidepressant drugs; drug augmentation, 35427  
 celecoxib augmentation; schizophrenia patients; antipsychotic medications; drug therapy; continuously symptomatic outpatient, 30081

## Drug Dependency—Serials

dehydroepiandrosterone augmentation; schizophrenia symptomatology; neurosteroids; gamma aminobutyric receptors; negative symptoms; antipsychotic medications; side effects, 26878  
 drug therapy; selegiline augmentation; antipsychotic drugs; negative symptoms; schizophrenics, 13886  
 fluoxetine; treatment resistant body dysmorphic disorder; olanzapine augmentation, 23897  
 placebo; pimozide; drug augmentation; fluoxetine; body dysmorphic disorder, 13843  
 resistant obsessive compulsive disorder; augmentation strategy; olanzapine; serotonin reuptake inhibitors, 29417  
 riluzole augmentation; treatment-resistant depression; glutamate; mood disorders; major depressive disorder, 5228  
 risperidone augmentation; selective serotonin reuptake inhibitor treatment; treatment resistant obsessive compulsive disorder; adolescents, 11291  
 treatment resistant depression; aripiprazole augmentation; adjunctive treatment; major depression; disorder severity; venlafaxine; mirtazapine, 30048  
 treatment resistant depression; treatment options; treatment augmentation; serotonin reuptake inhibitors; antidepressant medications; norepinephrine reuptake inhibitors, 20771  
 treatment-resistant obsessive-compulsive disorder; quetiapine; drug augmentation; serotonin reuptake inhibitors; treatment outcomes, 26826  
**Drug Dependency [See Also Drug Addiction]—Serials**  
 abstinence; amphetamine dependence; cognitive performance, 35702  
 alcohol consumption; cannabis; cannabis dependence; cannabis consumption, 29553  
 alcohol dependence syndrome; subtyping; sensation seeking; alcoholism onset; dopamine activity, 23316  
 alcohol policy; alcohol; risk factors; premature death; low mortality; low income countries; drug dependence; emotional harms; mental harms; crime; family violence, 4723  
 anesthesiologist; collapse; opioid abuse; drug dependence, 14033  
 antisocial personality; cocaine dependence; opioid dependence; gender differences; eye movement control, 17006  
 anxiety disorders; substance dependence; late adolescents; young adults; comorbid anxiety disorders; substance use problems; risk factors, 22966  
 attachment behavior; depression; nicotine dependence; undergraduate students; cigarette smoking; social desirability; gender, 13560  
 attachment framework; drug-dependent mothers; risk factors; psychosocial factors; early bonding experience; depression; illicit drug use; perceived support; family environment; parenting, 29555  
 bulimia nervosa; comorbidity; psychiatric disorders, 17125  
 buprenorphine; clinics; opioid dependence; drug therapy; outpatient setting, 36522  
 bupropion hydrochloride; dopamine; norepinephrine reuptake inhibitor; catecholamines; amphetamine addiction, 14846  
 cannabis dependence; International Classification of Diseases; Diagnostic and Statistical Manual of Mental Disorder, Fourth Edition, 26362  
 cannabis dependence; schizophrenia-spectrum disorders; African American patients; comorbidity; substance abuse; negative symptoms; psychopathology, 1120  
 cannabis dependent; epidemiology; risk assessment; United States, 29528  
 chemically dependent patients; psychodynamics; family dynamics; addiction, 29195  
 co-morbidity; Attention Deficit Hyperactivity Disorder; substance dependence; adolescents; psychostimulants; prevalence, 4400  
 cocaine dependence; desipramine treatment; methadone; buprenorphine; baseline urine; opioid dependence, 17661  
 cocaine dependence; drug counseling; individual cognitive therapy, 5569  
 cocaine dependence; pharmacotherapy trials; lead in period; cocaine use; treatment retention; administration routes, 14847  
 cocaine vaccine; immunotherapy; cocaine abuse & dependence prevention & treatment; ethical issues, 5358  
 cocaine vaccine; immunotherapy; cocaine abuse & dependence prevention & treatment; ethical issues, 5340  
 cocaine dependency; epidemiology; public health, 23308  
 comorbid physical disorders; alcohol dependence; cocaine dependence; hospitalized psychiatric patients; viral hepatitis; dual diagnosis, 1139  
 comorbidity; long term course; opiates; drug dependency; drug therapy, 35719  
 construct validity; opioid dependent patient; comorbidity; personality pathology; personality disorders; psychometrics, 12498

# Volume 92 SUBJECT INDEX

## Drug Dependency—Serials

cough suppressant; adolescent drug abuse; cough medicine; substance dependence syndrome; cocaine; dextromethorphan; opiate alkaloids, 26348

cue exposure therapy; opiate dependent clients; addictive disorders; drug dependence, 26346

depression; negative self-image; suicidal attempts; substance use; substance dependence; cocaine; marijuana; alcohol; sex differences, 4395

depressive episodes; alcoholics; treatment; substance induced depression; major depressive disorder, 4758

depressive symptoms; buprenorphine; methadone maintenance; opiate dependence; heroin, 11561

Dimensions of Tobacco-Dependence Scale; adolescents; test development; test reliability, 24931

dopamine agonist pergolide; cocaine dependence; outpatient treatment; depressive symptoms, 33477

dopamine; drug cues; heroin dependent patients; alcohol dependence; cognitive process; haloperidol, 8293

dopamine; gene polymorphism; cocaine dependence, 35687

driving capacity; drug dependent patients; methadone treatment; oral morphine treatment, 27162

drug abuse; drug dependence; affect liability; symptoms; alcohol methamphetamine; rural treatment population; impulsivity, 32560

drug abuse; drug dependence; causal common contingent; twin pairs, 26311

drug craving; drug seeking; opioids; drug dependence; acute withdrawal; drug reinforcement; money reinforcement, 14048

drug dependence treatment; opiate dependence treatment; methadone; naltrexone; buprenorphine, 5553

drug dependence; prison inmates; alcohol dependence; addiction; diagnostic screening instrument; instrument accuracy, 28023

drug dreams; outpatients; bipolar disorder; cocaine dependence; triggers; drug abuse treatment, 1145

drug dreams; outpatients; bipolar disorder; cocaine dependence; triggers; drug abuse treatment, 1127

drug treatment retention; drug-dependent pregnant women; cash; vouchers; reinforcement amount; reinforcement delay; reinforcement potency; voucher discounting, 14859

drug use; drug abuse; drug dependence, 7902

DSM-IV; alcohol dependence; recovery, 27164

emotional information processing abnormalities; decision-making; substance dependence; ventromedial prefrontal cortex lesions; risk taking; gambling task; risk aversion, 20056

ethanol ingestion; carboline norharman; alcohol dependence; male Wistar rats; plasma levels; alcohol withdrawal, 550

factor analysis; Fagerstrom Test for Nicotine Dependence; nicotine dependence, 21828

Fagerstrom Test for Nicotine Dependence; daily smokers; ex-smokers, 24984

Fagerstrom Test for Nicotine Dependence; Heavy Smoking Index, 31123

Fagerstrom Test for Nicotine Dependence; smokers; schizophrenia; comorbidity; drug dependence measurement, 9413

fluoxetine dependence; amineptine abuser; seizure, 7906

forgiveness therapy; anger; mood; vulnerability; substance use & dependence; residential treatment; depression; anxiety; self esteem, 8635

gene-environment interaction; genetic factors; environmental factors; risk factors; nicotine addiction; drug dependence treatment, 7904

genetic variants; alcohol dehydrogenase 4 gene polymorphisms; alcohol dependence, 23296

genetics; alcohol dependence; genetic linkage; genetic marker; chromosomes; gamma-aminobutyric acid, 10688

GHB; gamma hydroxy butyrate; intoxication; dependency; drug abuse, 35671

Glover Nilsson smoking behavioral questionnaire; behavior patterns; smoking dependence; questionnaire development, 34235

hepatitis C treatment; methadone clinic; treatment interest; health knowledge; opiate dependent patients, 30402

hepatitis C; neurocognitive dysfunction; HIV infection; methamphetamine dependence; comorbidity; cognitive deficits, 26059

heroin dependence; government policy; heroin overdose deaths; heroin research, 1360

heroin dependence; government policy; heroin overdose deaths; heroin research, 1378

heroin shortage; Australia; heroin supply; drug overdoses; heroin dependence; treatment seeking; injecting drug use; drug specific offences, 26330

heroin shortage; Australia; heroin supply; drug overdoses; heroin dependence; treatment seeking; injecting drug use; drug specific offences, 26372

heroin shortage; Australia; heroin supply; drug overdoses; heroin dependence; treatment seeking; injecting drug use; drug specific offences, 26332

heroin shortage; Australia; heroin supply; drug overdoses; heroin dependence; treatment seeking; injecting drug use; drug specific offences, 26337

heroin shortage; Australia; heroin supply; drug overdoses; heroin dependence; treatment seeking; injecting drug use; drug specific offences, 26367

heroin shortage; Australia; heroin supply; drug overdoses; heroin dependence; treatment seeking; injecting drug use; drug specific offences, 26345

HIV infection; risk behaviors; opiate dependent patients; seropositivity; injection drug-use, 4911

HIV/AIDS knowledge; cocaine dependent; outpatients; education intervention, 36351

Holyoake Codependency Index; test validation; construct validity; substance abuse; codependency, 34226

impulsivity; drug dependent patients; suicidal behavior, 1373

inhalant abuse; inhalant dependence; coexisting multiple drug abuse; mental health treatment; delinquent behaviors; adolescents, 4765

liver function tests; alcohol dependence; opiate dependence; diagnosis, 36545

Malcolm H Lader; drug dependence; clinical psychopharmacology, 33532

medication adherence; pharmacotherapy; alcohol dependence; opiate dependence; substance use disorder, 5574

mental disorders; nicotine dependence; behavioral therapy; pharmacotherapy; bupropion; tricyclic antidepressants; clonidine; serotonin reuptake inhibitors, 27156

methadone maintenance therapy; physician; therapeutic option; opiate dependence, 14992

methadone maintenance; opioids; drug dependency; pharmacotherapy, 36542

methamphetamine dependence; episodic verbal memory; cognitive mechanisms; verbal encoding; verbal retrieval, 10727

methamphetamine dependence; gay men; HIV status disclosure; sexual partners; HIV prevention; outpatient drug treatment, 23301

metyrapone; cocaine; drug interaction; cocaine dependence; drug treatment; drug rehabilitation, 24214

modafinil; cocaine dependence; drug therapy; narcolepsy; sleep disorder; somnolence; obstructive sleep apnea hypopnea syndrome; shift work disorder, 23866

naltrexone treatment; alcohol dependence; opiate dependence; comorbidity; major depression, 17681

National Epidemiologic Survey on Alcohol and Related Conditions; NESARC; alcohol dependence, 27158

neuropsychological functioning; cocaine dependence; abstinence; neuropsychological deficits, 26309

nicotine dependence measurement; adolescence; Fagerstrom Tolerance Questionnaire; cigarette smoking; racial & ethnic differences; depressive symptoms, 21776

nicotine dependence syndrome scale; test validity; nicotine dependence; chippers; regular smokers; psychometrics, 27986

nicotine dependence; Fagerstrom test; cigarette smoking, 14051

nicotine dependence; schizophrenia; smoking; self medication, 20104

nicotine dependence; smoking behavior; retrospective assessments, 25905

nicotine dependence; smoking cessation; smoking abstinence; self efficacy; stages of change variables, 17915

nicotine dependence; smoking initiation; genetic factors; heritability, 29041

nicotine replacement therapy; nicotine lozenge; tobacco smoking; drug dependence; light smokers, 35711

nitrite inhalant use; drug use patterns; adolescent drug use; alcohol dependence; drug dependence, 29557

nurse assessment; alcohol dependency; drug dependency; brief interventions; hospitalization; morbidity; mortality, 11657

opiate dependence treatment; buprenorphine prescribing; methadone treatment; availability; treatment services, 36524

opiate withdrawal syndrome; benzodiazepine dependence; benzodiazepine withdrawal; detoxification treatment; opiate dependence, 5545

opiate dependence; drug withdrawal; drug exposure, 20259

opiate dependence; physician impairment; medical disorders; psychiatric disorders, 14994

opiate tolerance; cancer; acute pain; chronic pain; opiate dependence, 20421

oral nifedipine; cocaine dependence treatment; treatment efficacy; outpatient treatment; cocaine craving; treatment adherence; depressive symptoms; abuse abstinence, 24203

outpatient treatment; cocaine dependence; dexamphetamine, 2317

parent adolescent relationships; multi family therapy; communication; closeness; chemical dependency treatment, 11154

parenteral zolpidem dependence; opiate like withdrawal symptoms; imidazopyridine hypnotic agent; abuse; intravenous abuse, 1365

party drugs; club drugs; ketamine; rohypnol; methylenedioxymethamphetamine; gamma hydroxybutyrate, 32545

Peniston electroencephalographic biofeedback protocol; chemical dependency; depression, 5256

perfusion abnormalities; decision making; cocaine dependence; cognitive functioning; hyperperfusion, 4763

pharmacotherapy; relapse prevention; addictive disorders; tobacco dependence; alcohol dependence; opiate dependence; cocaine dependence, 11572

physician; opiate addiction; residential care; methadone maintenance therapy; psychotherapeutic approach, 14993

post-traumatic stress disorder; heroin dependence; drug dependency; treatment outcomes; epidemiology, 35689

primary medical care; health evaluation; personalized referral; substance dependence; health behavior; drug detoxification, 2325

psychiatry residents; drug dependence disorders; public health hazards; substance abuse training; test validity; Addiction Training Scale; test reliability, 3255

psychoanalysis; chemically dependent patients; drug abusers; psychoanalytic clinic, 11191

psychoanalysis; chemically dependent patients; mother child relationship; symbiotic object relationship; family relationships, 30005

psychological distress; marijuana use; cognitive behavior therapy; self efficacy, 27155

quality of life; dual diagnosis; bipolar affective disorder; substance dependence, 20098

quasi compulsory treatment; drug dependent offenders, 24209

recovery; alcoholism; alcohol dependency, 27154

recovery; alcoholism; alcohol dependency, 27196

recovery; chemically dependent adolescents; treatment implications, 36527

recovery; DSM-IV alcohol dependence; alcoholism; 27193

reinforcing effects; cocaine dependence; N-methyl-D-aspartate antagonists; outpatient; mementine; drug therapy, 32568

retention; methadone maintenance treatment; opiate dependence, 27194

risky sexual practices; HIV infection; heroin; cocaine; sensation seeking; executive neurocognitive functions; HIV serostatus; substance dependence, 20256

selective attention; attentional control; methamphetamine dependence; task shifting; selective inhibition, 20270

self rated general health; psychiatric disorders; nicotine dependence; alcohol dependence; depression; anxiety disorders; somatoform disorders, 29231

smoking craving; nicotine dependence; brain activation; functional magnetic resonance imaging, 17020

smoking cues; cognitive biases; nicotine dependence; eye movements; addiction, 32550

smoking expectancy; drug craving; neuroimaging; brain activity; neural responses; cues, 31727

smoking relapse; African American smokers; nicotine dependence; smoking cessation, 4726

social phobia prevalence; generalized subtype; nongeneralized subtype; drug dependence; substance abuse; gender differences, 10728

songwriting; lyric analysis; music therapy techniques; emotional change; chemically dependent people, 27168

stage model of recovery; chemically dependent adolescents; recovery process; chemical dependence, 5538

substance dependence; African American women; substance abuse; culture care theory, 29533

substance dependence; bipolar disorder; Integrated Group Therapy, 11182

substance dependence; HIV sexual risk reduction intervention; severe mental illness; sexual risk behaviors, 30198

substance dependence; phobic disorders; comorbid substance dependence; adolescent psychiatric patients; temporal relationship; age of onset, 1249

substance dependence; role of brain; public health policy, 4755

substance dependent students; school based programs; continuum of care, 36952

substance use history; controlled release oxycodone dependence & abuse; legitimate & illicit drug use; detoxification, 7901

substance use; dependence; drugs; alcohol; familial alcoholism; personality; trajectories, 4725

tobacco dependence treatment; residential addictions treatment; tobacco free facilities; program evaluation, 30405

tobacco use; nicotine dependence; smoking; psychiatric patients; India; correlates; prevalence, 32271

tramadol abuse; physicians; drug dependence; drug availability; drug laws; drug overdose, 29523

- tramadol abuse; physicians; drug dependence; drug availability; drug laws; drug overdose, 29551  
treatment adherence; HIV infection; mental illness; chemical dependency; antiretroviral medications, 10451  
treatment effects; electroencephalography biofeedback; crack cocaine dependency; homeless mission, 5540  
treatment outcome; cognitive behavioral therapy; substance dependence; cocaine dependence; homework assignments; practice assignments; mediators; mechanisms of action, 36534  
twelve step facilitation; offender treatment; alcohol dependency; drug dependency; spirituality, 2322  
vocational education program; Working It Out; multimedia psychoeducational intervention; employment; substance dependency, 11580  
zopiclone; drug dependence; insomnia; spasmodic torticollis; neurological treatment, 26929
- Drug Dependency [See Also Drug Addiction]—Chapters**  
Gestalt Approaches to Substance Use/Abuse/Dependency: Theory and Practice, 14383  
The influence of drugs and alcohol on family communication: The effects that substance abuse has on family members and the effects that family members have on substance abuse, 4767  
Neuropsychiatric Aspects of Ethanol and Other Chemical Dependencies, 4768  
Substance Use Disorders, 14066  
Substance-Related Disorders, 17039
- Drug Discrimination—Serials**  
discriminative stimulus effects; methamphetamine; gamma aminobutyric acid agonists receptor; rats, 28556  
discriminative stimulus effects; tetrahydrocannabinol; methanandamide; rats, 9825  
gamma hydroxybutyric acid; gamma hydroxyvaleric acid; gamma aminobutyric acid agonists; drug abuse; pharmacological profile; behavioral profiles; drug discrimination; drug dosages, 22345  
stimulus discrimination; stimulants; self-reported effects; d-amphetamine; methylphenidate; stimulus generalization; triazolam, 13116
- Drug Distribution—Serials**  
crack cocaine; departure rulings; sentencing guidelines; criminal conviction, 21715  
drug activity; neighborhood social organization; drug distribution systems; geographic location, 23292  
drug trafficking; Armed Revolutionary Forces of Colombia; Taliban; government policy; illicit products, 20296  
female dealers; drug dealing patterns; criminal justice system; drug treatment; trafficking activities; methamphetamine, 35709  
homicide; race differences; illegal drug markets; law enforcement; Blacks; Whites, 1399  
political system; drugs; terrorism; government policy; public participation, 20288  
protection motivation theory; adolescent drug trafficking; health motivation; risk involvement, 10744
- Drug Dosages [See Also Drug Overdoses]—Serials**  
acute naltrexone treatment; ethanol consumption; ethanol-preferring rats; alcohol accepting rats; taste reactivity; naltrexone dosage; ethanol palatability; aversive response; opioidergic mechanisms, 544  
adverse effects; bulimia nervosa; complex partial seizure; fluvoxamine; drug dosage, 20791  
amphetamine; locomotor activity; locomotor stimulant effect; baclofen; rats; drug dosages, 536  
antiparkinsonian drugs; tremorine-induced tremors; Parkinsons disease; drug dosage; plumbago scandens; mice; medicinal plants; louco, 9851  
antipsychotic medications; aggressive behavior; self-injurious behavior; mental retardation; dosages, 14537  
blood plasma levels; schizophrenic patient; drug doses; risperidone; antipsychotics, 8273  
bupropion; obsessive-compulsive disorder; drug efficacy; dosage, 16897  
cabergoline treatment; risperidone-induced hyperprolactinemia; atypical antipsychotic risperidone; endocrine side effects; sexual side effects; drug tolerance; drug dosage; patient compliance, 5223  
cabergoline treatment; risperidone-induced hyperprolactinemia; atypical antipsychotic risperidone; endocrine side effects; sexual side effects; drug tolerance; drug dosage; patient compliance, 5180  
cannabinoid receptor agonist; operant behavior; locomotor activity; rats; cannabinoids; drug dosage, 16112  
chronic pain; chronic insomnia; quetiapine; drug therapy; drug dosage, 35861  
circadian shift; lipid metabolism; carbohydrate metabolism; singly housed zebra finches; undirected song production; drug doses; food intake; anhydromannitol; carbohydrate; deoxyglucose, 19287  
clinical trial results; reports; dosage; response measurement; clinical psychopharmacology; trial dropout, 26836  
clozapine; olanzapine; treatment-resistant schizophrenia; drug efficacy; blood flow; drug dosage; brain activation patterns, 1858  
deoxyglucose; plasma catecholamines; glucose levels; schizophrenia; norepinephrine, 8288  
dopamine transporter genotype; methylphenidate dose response; attention deficit disorder with hyperactivity; children with ADHD, 26876  
drug interactions; atypical antipsychotics; olanzapine; clozapine; drug dosing; drug efficacy; cytochrome; genetic variability, 23859  
gamma hydroxybutyric acid; gamma hydroxyvaleric acid; gamma aminobutyric acid agonists; drug abuse; pharmacological profile; behavioral profiles; drug discrimination; drug dosages, 22345  
generic agents effectiveness; psychopharmacologic treatment; dosage form; blood levels, 26844  
haloperidol decanoate; dose response relationship; schizophrenia relapse; prevention, 36270  
intraperitoneal acetyl-L-carnitine; anxiety-like behaviours; rats; carnitine, 19310  
long term care; methadone maintenance; drug therapy; drug abuse; drug dosages, 36552  
medication; drug dosages; clinicians; professional guidelines; medical risk, 23909  
methamphetamine exposure; nonhuman primates; behavioral abnormalities; physiological abnormalities; drug dosages; rhesus macaque; animal death; modeling, 16122  
methylphenidate; drug dosages; drug prescription; attention deficit-hyperactivity disorder, 1892  
mu-opioid agonist; buprenorphine; chronic pain; acute pain; drug withdrawal; drug dosages, 36316  
neuroleptic malignant syndrome; electroconvulsive therapy; drug induced psychiatric states; Parkinsons disease; major depression; paranoid psychosis; high drug doses; levodopa; drug therapy, 30103  
neuroleptic treatments; schizophrenia; dose reduction; antipsychotic drugs, 20774  
pharmacoeconomics; drug dosages; antidepressant drugs, 26861  
positional asphyxiation; Paroxetine; selective serotonin reuptake inhibitor; blood levels; mechanical asphyxiation; metabolic characteristics; dosage; depression; social phobia, 26850  
relationship building; antidepressant medication; decision making; adverse drug reaction; drug dosages; information needs, 8294  
renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder; single doses; multiple dosages, 20809  
renal insufficiency; long term lithium treatment; creatinine; bipolar disorder; major depression; schizoaffective disorder, 20811  
resistant anxiety; elderly; risperidone; drug therapy; drug dose, 11265  
second generation antipsychotics; drug dosages; hospitalized patients; mental illness, 33180  
severe tachycardia; drug low dosage; clozapine; drug therapy; drug side effects, 36266  
summer treatment program; young children; attention-deficit hyperactivity disorder; methylphenidate; effective dose; social behavior; academic performance, 17642  
swallowing; low dose therapy; selective serotonin reuptake inhibitor; choking phobia; children, 20750  
therapeutic doses; diazepam; human impulsive behavior, 571  
ziprasidone; schizophrenia; extrapyramidal side effects; dystonia; drug dosage, 17668

- substance abuse treatment; health care utilization; mental health services; managed care; health care costs; psychiatric disorders, 11564
- substance abuse treatment; methamphetamine; community treatment, 27182
- substance abuse treatment; methylphenidate abuse; dextroamphetamine abuse; adolescent substance abuse; eating disorder; bupropion; attention deficit hyperactivity disorder, 1377
- substance abuse treatment; poly-substance use; treatment duration, 21063
- substance abuse treatment; professional training; treatment outcomes; co-occurring disorders; quality of care; treatment program; staff knowledge; job satisfaction, 27167
- substance abuse treatment; transtheoretical model; behavior change, 33500
- substance abuse treatment; treatment adherence; residential treatment program, 27172
- substance abuse treatment; treatment facilities; alcohol abuse; psychiatry, 17924
- substance abuse treatment; treatment needs; geographic distribution; treatment access; interstate variations, 2297
- substance abuse treatment; treatment needs; healthcare costs; managed care, 21061
- substance abuse treatment; treatment outcomes; ethics; homelessness; addiction treatment, 21056
- substance abuse treatment; treatment retention; drug severity; drug treatment; alcohol treatment; therapeutic community, 24212
- substance abuse; juvenile justice; health services; juvenile offenders; substance user treatment programs, 30357
- substance abuse; substance abuse treatment; drug rehabilitation; treatment compliance; traumatic brain injury, 29772
- substance abuse; treatment outcome; Medicaid managed care; program clients, 30389
- substance disorders; day treatment; attrition; adolescent behavior, 26355
- substance misuse intervention; troubled youth, 30373
- substance misuse; treatment programs; health care providers, 2284
- substance use; drug urges; alcohol abuse; Obsessive Compulsive Drinking Scale; test reliability; psychometrics; drug rehabilitation; test development, 6332
- substance use; treatment options; methamphetamine; solvents, 1363
- substance-abusing parents; parent attitudes; mothers; fathers; child participation; treatment participation, 8650
- substance use disorders; occupational therapy interventions; brief interventions; cognitive behavioral therapy; motivational strategies; drug rehabilitation, 2324
- therapeutic alliance; substance abuse treatment, 27150
- therapeutic communities; heroin addicts; locus of control; sociodemographic characteristics; time in community; psychopathology; self-esteem; long-term outcomes, 8649
- tobacco dependence treatment; residential addictions treatment; tobacco free facilities; program evaluation, 30405
- tobacco use; cigarette smoking; smoking cessation intervention; adolescents; substance abuse; drug rehabilitation, 30391
- transtheoretical model; addiction research; addiction treatment; addictive behavior change; theory, 33494
- transtheoretical model; addiction treatment; behavior change; treatment success, 27178

# Volume 92 SUBJECT INDEX

## Drug Rehabilitation—Serials

translational model; substance abuse treatment; behavior change; counseling strategies; motivational interviewing, 27197

trauma integrated services; Substance Abuse and Mental Health Services Administration; health service policy, 27037

trauma screening; addiction treatment; clinician attitudes, 30555

traumatic injury; inpatient drug abuse consultation; alcohol; patient reaction; drug rehabilitation; alcohol abuse consultation, 17021

treatment effectiveness; telephone-based continuing care; alcohol & cocaine use disorders; brief counseling intervention; relapse prevention; 12-step group counseling; substance use outcomes, 8666

treatment effects; electroencephalography biofeedback; crack cocaine dependency; homeless mission, 5540

treatment engagement; recovery stages; therapeutic relationship; post-treatment recovery; patient motivation; cognitive therapy; outpatient methadone treatment, 5568

treatment motivation; therapeutic engagement; corrections-based treatment; treatment program; internal treatment motivation; substance use, 5563

treatment outcomes; aftercare population; criminal justice clients; outpatient drug-free treatment; aftercare, 8644

treatment outcomes; childhood sexual abuse; drug abuse treatment; substance abuse, 27146

treatment outcomes; client characteristics; substance abuse, 21044

treatment outcomes; drug use; rural adolescents; juvenile justice; mental health problems; nonrural youth; substance abuse treatment, 30393

treatment outcomes; opiate dependence; antisocial personality disorder; comorbidity, 36544

treatment programmes; addictive disorders; psychosocial treatment; psychopharmacological treatment; meta-analysis; randomized controlled trials; longitudinal prospective studies; early intervention, 36525

treatment programmes; addictive disorders; psychosocial treatment; psychopharmacological treatment; meta-analysis; randomized controlled trials; longitudinal prospective studies; early intervention, 27177

United Kingdom; substance misuse treatment; enforcement agencies; UK alcohol services, 36559

vocational rehabilitation; correctional systems; employment services; criminal justice clients; drug rehabilitation, 11609

vocational rehabilitation; substance user treatment programs, 11554

vocational rehabilitation; substance user treatment; employment; cost effectiveness; drug abstinence, 11559

vocational rehabilitation; treatment outcomes; treatment effectiveness; client participation; substance user treatment facilities, 11591

voucher exchanges; criminal justice system; drug abuse treatment programs; voucher based contingency management; contingency management interventions, 36561

women; trauma; strategies; healing; traumatic violent experiences; substance abuse; mental health treatment; substance abuse treatment, 36099

working alliance; treatment satisfaction; posttreatment drug use; substance abuse; adolescents, 30400

workplace intervention; drug addiction; heroin abstinence; cocaine abstinence; drug rehabilitation; unemployment; data entry operators, 14861

**Drug Rehabilitation [See Also Alcohol Rehabilitation, Detoxification]—Books**

Addiction, assessment, and treatment with adolescents, adults, and families, 33506

Learning the language of addiction counseling (2nd ed.), 14865

Treatment planning for person-centered care: The road to mental health and addiction recovery, 17384

**Drug Rehabilitation [See Also Alcohol Rehabilitation, Detoxification]—Chapters**

Addiction Recovery Tools, 24217

Faith-Based Substance Abuse Treatment Programs, 21065

History of Drug Policy, Treatment, and Recovery, 23325

Substance Abuse Counseling, 5578

**Drug Self Administration—Serials**

gamma aminobutyric acid receptor agonists; ethanol self-administration; ethanol sedation; mice; alcohol craving; alcohol reinforcement, 16104

immune function; neuroendocrine; somatic alterations; animal models; heroin abuse; self-administration; rats, 3734

intracerebroventricular self-administration; anabolic-androgenic steroids; male hamsters; testosterone; reinforcement; preferences; androgen; operant behavior, 25483

locomotor activity; novel environment; cocaine self-administration; rats; learning; addiction; locomotor response; operant responding, 34742

locomotor activity; novel environment; cocaine self-administration; rats; learning, 19315

nicotine; N-methyl-D-aspartate receptor; glutamate receptors; intravenous cocaine; mice; channel blockers; mepharmine; self-administration; nicotine receptor blockers, 19282

selective norepinephrine reuptake blocker; cocaine self-administration; monkeys; atomoxetine; animal model; methylphenidate; desipramine; abuse liability, 584

**Drug Sensitivity—Serials**

6-hydroxydopamine; snail neurons; long term sensitization; neuron membrane changes, 34716

adults; adolescents; rats; age differences; nicotine; sensitivity; initial exposure; responses; females, 22348

apomorphine; dopamine antagonist; pigeons; intrastriatal injections; repeated administration; behavioral sensitization; conditioned response; sensitized response; pecking; caudal avian striatum, 307

aripiprazole; atypical antipsychotic; dopamine; long-term treatment; schizophrenia; efficacy; safety; haloperidol; relapse, 20763

asthma; aspirin sensitivity; quality of life; nasal polyposis, 26502

atypical antipsychotics; psychotropic medications; first episode psychosis; cognitive difficulties; schizophrenia; prophylactic antipsychotics, 8330

baclofen; cocaine sensitization; rats; medial prefrontal cortex; motor activity; drug effects, 31720

central sensitization; opioids; analgesics; acute pain; chronic pain; animal models, 19321

chicks; feather pecking line; laying hens; apomorphine sensitivity; behavioral response; coping strategy; dopamine receptor density, 19328

cocaine reinforcement; endogenous cannabinoid; behavioral sensitization; cannabinoid receptors; drugs, 9847

cocaine sensitization; diurnal rhythms; circadian rhythms; seasonal rhythms; inbred mice; behavioral traits; genetic differences, 531

drug tolerance; response-disruptive effects; drug sensitization; pigeons; fixed ratio; key peck, 565

forced swimming stress; GABA brain concentration; benzodiazepines; sensitivity; allopregnanolone; diazepam, 19283

functional somatic illnesses; chronic fatigue syndrome; multiple chemical sensitivity; myalgic encephalomyelitis; cognitive problems; functionality, 26536

headache; prolactinoma; cabergoline, 35891

hemodynamic reaction; cardiovascular reaction; genotypes; alcoholic reactions; alcohol sensitivity, 31713

leukotrienes; inflammation; pain; zileuton; nociception; rats; prostaglandins, 31719

nociceptin receptor; hyperlocomotion; morphine; sensitization expression attenuation, 19305

olanzapine; schizotypal personality disorder; olanzapine tolerability; atypical antipsychotic drugs; drug therapy; drug efficacy, 1881

Ritalin LA; Concerta; Strattera; drug therapy; pharmacodynamic & pharmacokinetic properties; efficacy; safety; cost; attention-deficit hyperactivity disorder, 8302

schizophrenia; quetiapine; drug therapy; drug safety; antipsychotics; drug efficacy; long term treatment, 1880

selective serotonin reuptake inhibitors; major depression; drug safety; drug efficacy; self-harm; suicidal ideation, 20083

**Drug Synergism [See Drug Interactions]**

**Drug Testing [See Drug Usage Screening]**

**Drug Therapy [See Also Hormone Therapy, Polypharmacy]—Serials**

academic psychiatrists; drug information; clinical trials, 30134

acetylcholinesterase inhibitor; Lewy body dementia; drug side effects; donepezil; rivastigmine; drug switching, 35961

acetylcholinesterase inhibitors; dementia with Lewy bodies; cognitive symptoms; behavioral symptoms, 11285

active antiretroviral therapy; employment status; British Columbia; HIV, 30172

acute cerebral infarction; thrombolytic treatment; intravenous tissue plasminogen activator, 32749

Acute Dystonia; drug treatment; chronic hepatitis B infection; acute dystonic reactions; side effects; lamivudine, 33282

adherence; HIV; antiretroviral therapy; avoidance-oriented coping; social support; stress; coping model; medication adherence; viral load, 30187

adjunctive treatment; cocaine dependence; aminobutyric acid; schizoaffective disorder; substance abuse disorder; substance dependence; baclofen treatment, 1879

adolescent acute mania; intravenous valproate; neurological side effects; tolerability; efficacy, 1909

adverse effects; bulimia nervosa; complex partial seizure; fluvoxamine; drug dosage, 20791

affective psychosis; Accutane; isotretinoin; drug therapy, 20858

aggression; agitation; intramuscular ziprasidone; neuropsychiatric disorders, 5192

## Drug Therapy—Serials

aggression; topiramate; borderline personality disorder; anger; male patients, 20792

akathisia; quetiapine; insomnia; drug side effects; atypical antipsychotic agents; drug therapy, 30156

alcoholism; combination treatment; pharmacotherapy; behavioral therapy; COMBINE; research, 36554

alendronic acid; neuroleptic drugs; osteopenia; antipsychotic drugs; hyperprolactinemia; menstrual disturbance; paranoid schizophrenia, 1868

Alexander of Macedon; epilepsy; medication; seizure, 1619

Alzheimer disease; acetylcholinesterase inhibitors; memantine; treatment; prevention; anti-inflammatory drugs, 30178

Alzheimer disease; cholinesterase inhibitor rivastigmine; dementia severities; disease stage; treatment response, 11354

Alzheimer's disease; cognitive & behavioral & physiological changes; incontinence medications; caregiver burden, 20547

Alzheimer's disease; trial designs; cholinesterase inhibitors; treatment effects; rivastigmine; donepezil; galantamine; cognitive performance; dropout rate, 14557

Alzheimer's disease; trial designs; cholinesterase inhibitors; treatment effects; rivastigmine; donepezil; galantamine; cognitive performance; dropout rate, 14564

Alzheimer's Disease; negative symptoms; olanzapine; treatment efficacy; neuropsychiatric symptoms, 36264

amlodipine; cocaine dependence; calcium channel antagonists; drug treatment, 30073

amplitude reduction; schizophrenia; neuroleptics; drug therapy; psychosis, 20820

amyloid; peptide generation; reticulin; Alzheimer's disease; drug therapy, 8409

analgesic effects; topical methadone; morphine; pain management; drug therapy, 20864

androgen; hypoactive sexual desire; testosterone; drug therapy; postmenopausal women, 20881

anger attacks; bipolar depression; sample size; hypomanic symptoms; type II error; major depressive episode; mania; mood stabilizers; depressive mixed state, 7702

anger attacks; bipolar depression; sample size; hypomanic symptoms; type II error; major depressive episode; mania; mood stabilizers; depressive mixed state, 7720

anhedonia; depression; motor functioning; Parkinson's disease; drug treatment; pramipexole, 26615

animal model; anxiolytic suppression; transcranial magnetic stimulation; psychiatric disorders; depression; anxiety disorder; rats, 31703

animal models; depression; antidepressants; drug therapy, 28424

anorexia nervosa; pharmacologic treatment; psychological symptoms; psychopathology, 23849

anorexia nervosa; psychosis; antipsychotic medications, 23450

anti-retroviral treatment; tuberculosis; South Africa; intergenerational transmission; HIV; health knowledge, 30164

anticonvulsant medications; refractory patients; bipolar disorder; mood stabilizers; toxic reactions; topiramate; lithium toxicity, 1846

anticonvulsant zonisamide; migraine headache prevention, 11345

antidementia agents; Alzheimer's disease; dementia; Alzheimer's type, 1983

antidepressant drugs; suicide risk; marketing; psychoactive drugs; drug therapy; student populations; non-adult patients, 1918

antidepressant medication management; depression treatment quality; clinical improvement; Health Plan Employer Data and Information Set; quality of care; depression severity, 26869

antidepressant medication; adverse drug reactions; poor metabolizers; antidepressant side effects; fluoxetine; nortriptyline; genotypes; major depression; antidepressants, 14540

antidepressant medication; First Nations people; drug therapy, 11292

antidepressant medications; treatment-resistant depression; aripiprazole; dopamine serotonin system; major depression; side effects, 14506

antidepressant response; adolescents; drug treatment, 36219

antidepressant response; community mental health center; depression; pharmacotherapy; drug therapy, 8278

antidepressant therapy; depression; serotonin reuptake inhibitors; serotonin norepinephrine reuptake inhibitors; suicidal ideation; cancer; chemotherapy; drug therapy, 11241

antidepressant therapy; estrogen; postmenopausal women; serotonin reuptake inhibitor; raloxifene; drug augmentation, 14532

antidepressant treatment; cerebrospinal fluid; depression; neuropeptide substance P; serum, 33184

antidepressant treatment; gender; serum leptin levels; major depression; drug therapy; sexual dimorphism, 26825

- antidepressant treatment; major depression; neural receptors; antipsychotics; antidepressants; serotonin reuptake inhibitors; fluvoxamine, 26875
- antidepressant; antipsychotic drug; drug prescription; schizophrenia; psychotic disorders, 14554
- antidepressant; drug therapy; suicide; risk factors, 20784
- antidepressant; pharmacotherapy; depression treatment; citalopram; placebo; geriatric patients, 36223
- antidepressants; chronic irritable dysphoria; bipolar disorder; mania; drug therapy, 36229
- antidepressants; major depression; drug therapy; evidence-based treatment, 17665
- antidepressants; public health; major depressive disorder, 30083
- antidepressants; public health; major depressive disorder, 30092
- antidepressants; selective serotonin reuptake inhibitors; serotonin norepinephrine reuptake inhibitors; anxiety disorders; anxiolytic medications; benzodiazepines; depression syndromes, 1904
- antienuretic properties; selective serotonin reuptake inhibitors; major depressive disorders; tricyclic antidepressants; nocturnal enuresis; daytime wetting; paroxetine-induced enuresis; enuresis, 1987
- antiepileptic drug therapy; forgetting; seizures; cognitive side effects; refractory temporal lobe epilepsy; carbamazepine; phenobarbital; phenytoin, 23980
- antiepileptic medications; psychiatric disorder; behavioral disorder; comorbidity; epilepsy, 1979
- antihypertensive medication; medication adherence; psychiatric illness; psychotic disorder; comorbidity; blood pressure, 16825
- antipsychotic action onset; olanzapine treatment; schizophrenia; schizophreniform & schizoaffective disorders; positive & negative symptoms, 5220
- antipsychotic augmentation therapy; mood stabilizer therapy; bipolar disorder; bipolar mania; combination therapy; depressive phase control; side effect profile, 23855
- antipsychotic choice; diabetes mellitus; clinical ramifications; risk factor, 26816
- antipsychotic drugs; drug associated weight gain, 30094
- antipsychotic drugs; drug side effects; glucose-insulin homeostasis; lipid metabolism, 1889
- antipsychotic drugs; schizophrenia; medication change; prediction, 11282
- antipsychotic drugs; type 2 diabetes risk; at risk patients; drug side effects, 11222
- antipsychotic medication; magnesium sulphate treatment; QTc interval, 1888
- antipsychotic medications; mental health costs; schizophrenia; treatment; clozapine; veterans, 8328
- antipsychotic medications; primary care physicians; delirium; psychosis; agitation; aggression; dementia; primary psychotic disorders; schizophrenia; psychotic depression; drug side effects, 1865
- antipsychotic medications; risperidone; mental retardation; psychiatric disorders, 14566
- antipsychotic treatment; schizophrenia patients, 30054
- antipsychotic-induced QTc interval prolongation; substance abuse; cocaine; schizophrenia; clozapine psychotherapy; quetiapine; drug therapy, 5185
- antipsychotic-induced sexual dysfunction; plasma prolactin levels; risperidone; quetiapine; schizophrenia, 5309
- antipsychotics; breast feeding; risperidone; postpartum psychosis, 36216
- antipsychotics; first generation antipsychotics; second generation antipsychotics; efficacy, 14519
- antiretroviral therapy; treatment adherence; interventions efficacy; human immunodeficiency virus; effectiveness, 33257
- antithrombotic therapy; stroke; transient ischemic attack; race; gender, 14637
- anxiety disorders; benzodiazepine; drug therapy; cognitive effects; drug efficacy; long-term drug use; controls shortage, 8270
- anxiety disorders; moods disorders; bipolar disorder; prolactin response; hyperprolactinemia; antipsychotic drugs, 1157
- anxiety disorders; selective serotonin reuptake inhibitors; treatment-refractory patients; neuroleptic drugs, 1854
- anxiogenic effects; Sumatriptan; panic disorder; serotonergic function; postsynaptic serotonin, 30033
- aripiprazole; adjunctive treatment; refractory major depression; antidepressants, 10536
- aripiprazole; agitation; neuroleptic malignant syndrome; Mexican Americans; drug therapy, 30042
- aripiprazole; alcohol use; alcohol craving; schizophrenia, 26883
- aripiprazole; atypical antipsychotic; dopamine; long-term treatment; schizophrenia; efficacy; safety; haloperidol; relapse, 20763
- aripiprazole; galactorrhea; breast tenderness; atypical neuroleptics; side effects; hyperprolactinemia; prolactin; psychosis, 30051
- aripiprazole; neuroleptic malignant syndrome; atypical antipsychotic; schizophrenia, 5181
- aripiprazole; pediatric bipolar disorder; neuropsychiatric disorder; morbidity levels; diagnosis; outpatient youth, 16778
- aripiprazole; schizoaffective disorder; bipolar disorder; drug therapy, 17649
- aripiprazole; side effects; Tourette's syndrome; antipsychotic, 17647
- Aspergers syndrome; schizophrenia; risperidone treatment; social relations, 23892
- assessment; combined therapy trials; clinical trials; pharmacotherapy; behavior therapy; alcoholism treatment, 36541
- asthma medication; serotonin; psychological difficulties; depression; corticosteroid use, 17762
- astroglial protein; visually evoked potentials; antidepressant treatment; depression, 17656
- atherogenic metabolic development; risk factor; atypical antipsychotics; cardiovascular disease; reference group, 14538
- atherogenic metabolic development; risk factor; atypical antipsychotics; cardiovascular disease; reference group, 14507
- atomoxetine hydrochloride; executive function; children; attention-deficit/hyperactivity disorder, 23852
- atomoxetine; attention deficit hyperactivity disorder; gender norms; symptom severity, 1856
- atomoxetine; motor tic disorder; attention-deficit/hyperactivity disorder; Tourette's disorder; tic disorder; selective norepinephrine reuptake inhibitor; comorbidity; onset, 23881
- attention deficit hyperactivity disorder; ADHD; pharmacological treatment evaluation; medication conditions; impulsivity; stimulant medication, 26859
- attention deficit hyperactivity disorder; atomoxetine; mania; drug therapy; drug side effects, 8298
- attention deficit hyperactivity disorder; child psychiatry; medical model; psychotropic medication; bioecological perspective; professional ethics, 30578
- attention deficit hyperactivity disorder; diagnosis; discourse analysis; doctor patient interaction; talk-in-interaction; medication, 20335
- attention deficit hyperactivity disorder; medication effects; drug treatment; school behavior; school performance; methodology; variables; design, 5202
- attention deficit hyperactivity disorder; methylphenidate & selegiline treatment outcomes & side effects, 5212
- attention deficit hyperactivity disorder; methylphenidate; behavioral treatment; combined treatment; behavior modification; dosage, 23683
- attention deficit hyperactivity disorder; neurobiology; brain catecholamine system; pathophysiology; pharmacologic interventions, 32595
- attention deficit hyperactivity disorder; sustained attention; maladaptive behaviors; stimulant medication; methylphenidate; dextroamphetamine, 10759
- attention deficit hyperactivity disorder; sustained attention; maladaptive behaviors; stimulant medication; methylphenidate; dextroamphetamine, 23391
- attention deficit hyperactivity disorder; sustained attention; maladaptive behaviors; stimulant medication; methylphenidate; dextroamphetamine, 23382
- attention deficit hyperactivity disorder; treatment response; psychostimulant medication; symptoms; parental behaviour ratings, 23870
- attention-deficit hyperactivity disorder; prescription stimulants; nonmedical use; prescription abuse, 17008
- attention-deficit hyperactivity; motor tics; atomoxetine; drug therapy; drug side effects; severity; symptoms, 23863
- attitudes; medication; working memory impairment; schizophrenia patients, 20113
- atypical antipsychotic drugs; neuroleptic malignant syndrome; epidemiology; clozapine; risperidone; olanzapine; quetiapine, 14508
- atypical antipsychotics; adjunctive therapy; treatment efficacy; monotherapy; drug tolerance; bipolar disorder subpopulations; mixed mania; psychotic episodes; children; adolescents; elderly patients, 23861
- atypical antipsychotics; adverse events; drug tolerance; bipolar disorder; drug therapy; heterogeneous tolerability; drug safety profile, 23888
- atypical antipsychotics; antipsychotic prevalence rates; Medicaid; children; adolescents; managed care organization, 26860
- atypical antipsychotics; bipolar disorder; mania; maintenance treatment, 23914
- atypical antipsychotics; bipolar mania; bipolar disorder; maintenance therapy; quetiapine, 20819
- atypical antipsychotics; borderline personality disorder, 17754
- atypical antipsychotics; clozapine; drug therapy; schizophrenia, 33217
- atypical antipsychotics; focal tardive dystonia; quetiapine; schizophrenia, 33188
- atypical antipsychotics; glucose dysregulation; insulin dysregulation; drug treatment options; metabolic derangements; cardiovascular disease; drug therapy, 11238
- atypical antipsychotics; glucose dysregulation; patients; schizophrenia; psychotic disorders, 5199
- atypical antipsychotics; psychotropic medications; first episode psychosis; cognitive difficulties; schizophrenia; prophylactic antipsychotics, 8330
- atypical antipsychotics; schizophrenia; drug therapy; clozapine; long-term effectiveness, 36243
- atypical antipsychotics; schizophrenia; side effects; symptoms, 26849
- atypical neuroleptic; risperidone; nosebleeding, 1866
- auditory function; clinical depression; selective serotonin reuptake inhibitors; drug therapy, 10530
- auditory gating; ondansetron; drug therapy; schizophrenics, 13882
- augmentation therapy; acute mania; bipolar disorder; mood stabilizers; atypical antipsychotics; drug efficacy; drug safety; drug tolerance; combination drug treatments, 23872
- bank voles; captivity induced stereotypes; fluoxetine; selective serotonin reuptake inhibitor, 34747
- basal prolactin values; treatment response; reboxetine; major depression; citalopram; mono-aminergic therapy; antidepressant treatment; reuptake inhibitors, 36254
- behavior therapy; clinical trials; drug therapy; methodology, 34334
- behavioral improvement; attention deficit disorder with hyperactivity; behavioral treatment; medication, 31079
- benzodiazepine abuse; benzodiazepine withdrawal; drug abuse; withdrawal symptoms; drug therapy; physiologic dependence; addiction; unintentional benzodiazepine abuse, 8269
- benzodiazepine use; cognitive impairment; cognitive behavioral therapy; anxiety disorders, 20154
- benzodiazepine withdrawal; Liepmann's phenomenon; drug therapy, 23024
- benzodiazepine; anxiety disorders; drug abuse; drug dependence; drug addiction, 20793
- benzodiazepine; cognitive changes; explicit memory; drug therapy; visuospatial deficits; drug abuse; case report, 8271
- benzodiazepine; diazepam administration; GABA-benzodiazepine; receptor complex; anxiety disorders; anxious patients; drug tolerance; drug therapy; saccadic eye movement; panic patients, 8272
- benzodiazepines; anxiety disorder; public perception; abuse liability; physical dependence, 20804
- benzodiazepines; children; adolescents; psychiatric applications, 30097
- benzodiazepines; clinical practice; side effects, 20742
- benzodiazepines; intellectual disability; drug therapy, 11284
- beta-adrenergic receptor sensitivity; panic disorder; gender differences; isoproterenol; drug dosage, 8308
- biochemical intervention; biologically based mental illness; psychotherapy; placebo; medication; mental disorders; healthcare policy, 26697
- biomarkers; sialic acid index; plasma apolipoprotein J; chronic alcohol consumption; alcohol use disorders; medication efficacy, 35721
- bipolar disorder; anticonvulsants; antiepileptic drugs; drug safety; drug tolerance, 23906
- bipolar disorder; antiepileptic medications; geriatric bipolar affective disorders; geriatric psychopharmacology; pharmacologic agents; dementia; behavior changes; clinicians, 1920
- bipolar disorder; lithium; mania; major depression; treatment; efficacy; safety; mood stabilizer, 23856
- bipolar disorder; maintenance treatment; Finland; mood stabilizers; mania; drug therapy, 30085
- bipolar disorder; pharmacologic treatments; public health; side effects; risk factors; psychosocial interventions, 10537
- bipolar disorder; pharmacotherapy, 23878
- bipolar disorder; premenstrual mood exacerbation; quetiapine withdrawal; discontinuation syndrome; causal mechanisms, 23876
- bipolar disorder; standardized treatment; elderly patients; lithium; valproate, 20767
- bipolar disorder; substance abuse; risk factors; psychotherapeutic approaches; pharmacotherapy; prevalence; etiology, 22940
- bipolar disorder; symptoms; clinical features; genetics; drug therapy; lithium; pathophysiology; neurochemistry; neuroanatomy; neuroimaging, 7708
- bipolar disorder; treatment guidelines; African application; drug therapy, 26871
- bipolar disorder; treatment guidelines; Canadian Network for Mood and Anxiety Treatments; drug therapy, 26810
- bipolar disorder; treatment guidelines; Canadian Network for Mood and Anxiety Treatments; drug therapy, 26837

- bipolar disorder; treatment guidelines; Canadian Network for Mood and Anxiety Treatments; drug therapy, 26814
- bipolar disorder; treatment guidelines; Canadian Network for Mood and Anxiety Treatments; drug therapy, 26882
- bipolar disorder; treatment; treatment outcome; drug therapy; anxiety; depression; aborted suicide attempt, 4474
- bipolar disorders; bipolar spectrum disorders; pharmacotherapy; mood disorders, 32473
- bipolar disorders; mood stabilizers; antidepressants, 1688
- bipolar II disorder; major depressive disorder; patient management; diagnosis; hypomania; drug therapy, 16801
- bipolar mixed states; treatment; symptom switching; mania; depression; lithium; antidepressant drugs; anticonvulsants; conventional & atypical antipsychotics, 36275
- bipolar mood disorder; lithium; inositol concentration; inositol-depletion hypothesis, 14535
- bipolar patients; antisocial effect; lithium; long term medication; suicidal behavior; mortality, 32500
- bipolar spectrum disorders; psychopharmacology; evidence based therapy; drug combinations; anticonvulsants; antidepressants; lamotrigine; atypical antipsychotics, 5235
- blood plasma levels; schizophrenic patient; drug doses; risperidone; antipsychotics, 8273
- body dysmorphic disorder; comorbidity; OCD; social phobia; depression; personality disorders; prevalence; cognitive therapy; selective serotonin reuptake inhibitors; behavioral model; conditioning, 10491
- body dysmorphic disorder; drug therapy; serotonin-reuptake inhibitors; SSRIs; selective serotonin reuptake inhibitors; SSRIs; dosage; treatment length; ECT, 11274
- body dysmorphic disorder; pharmacotherapy; bupropion; fluoxetine; sertraline; major depression; drug therapy, 14641
- body weight gain; antipsychotic drugs; negative symptoms, 36246
- bolus intrathecal baclofen; anti-spasticity effects, 30149
- botulinum toxin injection; ptosis; treatment; migraine headache, 23508
- botulinum toxin type A; acquired brain injury; children; adolescents; spasticity; drug therapy; clinical experience, 26938
- botulinum toxin; quality of life; drug therapy; treatment outcomes; dystonia; spasticity, 5301
- buprenorphine; clinics; opioid dependence; drug therapy; outpatient setting, 36522
- buprenorphine; methadone; outpatient treatment; opioid dependence, 27174
- buprenorphine; opiate; addiction treatment; family practice; substance abuse; treatment outcomes, 24180
- bupropion hydrochloride; dopamine; norepinephrine reuptake inhibitor; catecholamines; amphetamine addiction, 14846
- bupropion treatment; smoking cessation; adverse neuropsychiatric events; psychiatric disorders, 5234
- bupropion; depression symptoms; smoking cessation; antidepressants, 8312
- bupropion; hyponatremia; oxcarbazepine; sodium abnormalities; depressive symptoms, 14511
- bupropion; obsessive-compulsive disorder; drug efficacy; dosage, 16897
- bupropion; placebo; smoking cessation; health care professionals; physicians; nurses; treatment; relapse prevention, 27201
- bupropion; postpartum depression; depressive symptoms; antidepressants treatment; treatment efficacy, 33207
- bupropion; pregnancy; smokers; nicotine; smoking cessation, 24179
- bupropion; smoking reduction; schizophrenia; tobacco smoking; nicotine dependence, 29350
- butyrylcholinesterase; K genotype; Alzheimer's disease; dementia with Lewy bodies; phosphorylated tau; beta amyloid; temporal cortex, 23557
- cannabinoid therapy; gliomas; malignant primary brain tumors; cancer; glioblastoma multiforme, 1915
- cannabinoids; bipolar affective disorder; cannabis; therapeutic potential; delta-9-tetrahydrocannabinol; cannabidiol; synthetic cannabinoids, 23848

- working hours; Australia; couple households; paid employment, 30867

# Volume 92 SUBJECT INDEX

## Dual Careers—Serials

working women; childcare; work injuries; physical demands; ergonomics; homemaking; dual demands; family life, 27748

working women; work options; childcare; family life; glass ceiling; sexual harassment; women entrepreneurs; race; poverty; unpaid work; disabled women, 25874

## Dual Careers—Serials

Dual-Earner Couples: Good/Bad for Her and/or Him?, 13483

Maternal and Dual-Earner Employment and Children's Development: Redefining the Research Agenda, 13209

## Dual Diagnosis—Serials

12-step facilitation therapy; mentally ill patients; dually diagnosed individuals, 36292

addiction services; treatment services; service delivery; dual diagnosis; mental health; substance abuse; treatment outcomes, 32934

behavioral interventions; psychiatric disorders; substance use disorders; comorbidity; dual diagnosis; biopsychosocial approach, 11134

bizarre speech; noncontingent reinforcement; social reinforcement; dual diagnosis participants; attention functions, 1484

care staff training; mental health needs; learning disabilities; dual diagnosis; health personnel attitudes, 2478

Depression and Bipolar Support Alliance; mood disorders; comorbidity; alcohol abuse; drug abuse, 10427

disability benefit management; drug addiction treatment; substance abuse patients; mentally ill patients; severe mental disorder; dual diagnosis, 2126

dual diagnosis; developmental disability; mental health problems; Inventory of Client & Agency Planning; support needs; functional status; outpatient consultation, 24877

dual diagnosis; drug use; psychotic disorders; group intervention; psychosocial adjustment; illness course; psychopathology, 36176

dual diagnosis; drug use; psychotic disorders; group intervention; psychosocial adjustment; illness course; psychopathology, 36169

dual diagnosis; family history; psychiatric outpatients; severe & persistent mental illness; substance use disorder, 29217

dual diagnosis; mental health professionals; mental illness; substance abuse; clinicians experience; quality of service; rural communities, 24329

dual disorders; peer interventions; evidence-based interventions; family interventions; co-occurring mental illness; substance use disorders, 23794

HIV infection; women; AIDS; substance use recovery; dual diagnosis; illness significance, 35935

housing preferences; homeless veterans; dual diagnosis; mental illness; group housing, 18523

integrated treatment program; psychiatric disorders; substance use disorder; dual diagnosis; homelessness; harm reduction; residential setting, 33435

intellectual disability; schizophrenia; dual diagnosis; significant family history; mental retardation, 4389

lived experience; alcoholism; diabetes; dual diagnoses; male alcoholics; phenomenology, 10420

mental illness; mental retardation; best friends; dual diagnosis, 23005

patient perspective; dual diagnosis; substance abuse; mood disorder, 10408

personality traits; outpatients with schizophrenia; substance abuse; primary substance abuse; Axis I disorders; personality differences; dual diagnosis; normal vs disordered personality, 1137

quality of life; dual diagnosis; bipolar affective disorder; substance dependence, 20098

racial distribution; dual diagnosis clients; public sector; residential mental health; drug treatment settings, 36389

social support; mutual aid participation; substance use; twelve-step groups; drug abstinence; dual diagnosis; psychiatric illness; double trouble in recovery, 11568

social support; social networks; dual diagnosis; mental illnesses; quality of relationships; substance abuse treatment; comorbidity, 2313

stressful environment; adolescent development; dual diagnosis; social institutions; juvenile justice system; health promotion; evidence based practice; at risk youth, 17788

traumatic brain injury; spinal cord injury; rehabilitation; dual diagnosis; therapeutic intervention, 8638

## Dual Diagnosis—Serials

Addicted and mentally ill: Stories of courage, hope, and empowerment, 16732

## Dual Relationships—Serials

connectionist network; dual process approaches; attitude formation; models, 29089

dual relationships; ethical dilemmas; counselor-client relationship; professional ethics, 18080

dual relationships; sexual contact; prevalence; practitioners' attitudes; psychologist patient relationships; professional consequences; American Psychological Association; APA; Ethics Code, 33663

gaze; verbal expression; therapeutics; dual relationships; psychotherapy; ethical dilemmas, 11073

Gestalt therapy; dual relationships, 11069

Gestalt therapy; dual relationships, 11079

Gestalt therapy; ethical dilemmas; dual relationships, 11107

mental health services; professional client relationship; barrier arrangements; client exploitation, 33648

professional ethics; multiple relationships; boundary violations; psychologists; judgment; decision making, 33642

**Dualism—Serials**

autism; dynamic developmental model; non-Cartesian view; emotions; theory of mind; at risk children, 17077

culture; self; theory; dualism; dichotomies, 31984

disembodied mind; conversion disorder; body mind relationship; models; contemporary theories; evolutionary framework; neurobiological models; emotional responses, 20425

dualistic thinking; conflict resolution; dualism; social discourse, 34778

embodiment; human body; culture; cognition; mind body; athletic learning, 18996

emotional feelings; affective consciousness; mammalian brain; dual-aspect monism; neurodynamics of brain systems; humans; fear; panic; behaviorism, 19207

Freud; narcissism; dualism; object relations theory, 29200

genocidal mentality; collective willingness; dualism; dialogic mentality; terror, 4777

health; spirituality; spiritual healing; homeopathy; herbal medicine; yoga; acupuncture; Christian Science; God's love; mind body, 1958

human cognition; physiology; scaling; mind-body interaction; interaction dominant; purposive behavior; self organization, 9615

medically unexplained illness; dualism; alternative ontological model; mind body split; cognitive science, 29660

mind; body; brain; holistic treatment; medical-psychiatric morbidities, 23487

neuroethics; reductionism; dualism; neuroscience; mental processes; personal identity; metaphysics, 22257

ontology; near death experiences; monism; dualism; subjective ontology, 9679

perspectival realism; philosophy; dualism; neuropsychanalytic reductionism; neuroscience; postmodernism, 13759

perspectival realism; philosophy; dualism; neuropsychanalytic reductionism; neuroscience; postmodernism, 13760

social constructionism; neuroscience; subjectivity; brain systems; dualism; psychology; society, 9892

somatic states; bodily states of anxiety; psychosomatic transference-countertransference; psychic representation; Jung theories; body-mind relationship, 26802

suffering; fibromyalgia; central sensitivity syndromes; disease-illness dualism; new paradigm; patient care, 1547

tai chi; assisted living; nursing homes; long term care; mind body health care, 5500

theory of mind; dualism; mind; engagement; action, 3883

Zen meditation; mind; body; psychology; K. Sato; Y. Akishige; psychophysiology; electroencephalogram, 21757

## Dualism—Serials

Come to your senses: Demystifying the mind-body connection, 32172

## Dualism—Serials

Epistemic Dualism, 12450

**Duchennes Disease** [See Muscular Disorders]

**Duration (Response)** [See Response Duration]

**Duration (Stimulus)** [See Stimulus Duration]

## Duty to Warn—Serials

health plan evaluation; ethical challenges; threat; health care plan; disease management program; depression; ethical obligation; confidentiality; duty to protect; major depression; boundaries, 8792

patient confidentiality; public policy; public safety; case law; legislation; duty to warn; breaching privilege; ethics; potential for harm, 2543

physician reporting; impaired drivers; physician responsibility; medically at-risk drivers; state laws; elderly drivers, 2539

physician reporting; impaired drivers; physician responsibility; medically at-risk drivers; state laws; elderly drivers, 2547

professional disclosure; rehabilitation counselors; treatment risk; counseling relationship; risk management, 5744

psychotherapy; legal doctrines; court decisions; psychiatric patients; duty to warn; psychotherapists; progeny, 2532

serious harm; psychological consequences; genetics; inform patients; family members; right to know; autonomy based approach; international biomedical law; domestic laws, 5718

## Dysfunctional Family—Serials

serious harm; psychological consequences; genetics; inform patients; family members; right to know; autonomy based approach; international biomedical law; domestic laws, 5734

Tarasoff decision; duty to warn & protect; clinicians; outpatient-generated harm; professional negligence; risk assessment & management, 11756

Tarasoff I; duty to warn; Tarasoff II; duty to protect; danger of violence; patient; legal issues; psychotherapists, 33664

violence threat; family mediators; confidentiality breach; client; law; Tarasoff principles; potential harm, 2525

## Dyads—Serials

ability-based pairing; team-based training; intelligence; skill acquisition; partners, 13693

Actor-Partner Interdependence Model; developmental psychology; dyadic & interpersonal relationships; mother-adolescent dyads; bidirectional effects, 34909

behavioral inhibition; mixed-sex groups; college students; mixed-sex dyadic groups, 995

caring research; caregiving data analysis; care dyads; dyad approach; dyad congruence; multilevel modeling; clustered data; hierarchical data, 25032

dyadic & group perspectives; close relationships; interdependence; relationship influences; development; life span, 34929

dyadic dependence; dyadic interaction; interpersonal interaction; exchangeable dyads; structural equation modeling, 25075

dyadic performance; riding performance; self-efficacy; other-efficacy; equestrian eventing, 30911

Dyadic Relationships Test; reliability; validity; psychometrics; couples evaluation; Selfhood model, 21770

friendships; play partners; lonely children; dyadic interactions, 28798

mental health care; low income level; minority caregivers; child dyads; maltreatment; gender differences; ethnicity, 8536

mother son dyad; music therapy; autism, 33016

nonindependent components; couple therapy; statistical analysis; dyadic interaction; dyadic data-analytic method; actor-partner interdependence model; interpartner influence, 15724

patterns of victimization; social roles; organizational variables; relational perspective; dyadic interactions; power differences; harmful behavior; relational model; social capital, 9101

prediction; counselors; clients; working alliance; client counselor dyads; client perception; counselor credibility; problem solving, 11118

social exclusion; dyads; verbal aggression; verbal assertion; gender differences; developmental differences; gestures, 805

social problem solving assessment; parent child dyads; observational rating scale development, 31102

sport teams; interaction process; same-sex sports team; elite sports teams; dyadic sports teams; beach volleyball; athletes; social environment; social structure, 12210

stereotypic impressions; conversation; dyads; shared impression formation; new acquaintances; feelings of closeness, 32127

triadic attention; early infancy; dyadic exchange; visual attention, 28729

## Dyads—Serials

Couples coping with stress: Emerging perspectives on dyadic coping, 16562

## Dyads—Serials

Dyadic Coping and Its Significance for Marital Functioning, 16467

Dyadic Restructuring: Working in the Interpersonal-Dyadic Triangle, 14404

Dyadic therapy with very young children and their primary caregivers, 14407

Enhancing Dyadic Coping During a Time of Crisis: A Theory-Based Intervention With Breast Cancer Patients and Their Partners, 17586

A Model Dyadic-Coping Intervention, 17606

**Dying** [See Death and Dying]

**Dying Patients** [See Terminally Ill Patients]

**Dynamics (Group)** [See Group Dynamics]

## Dysarthria—Serials

cerebral palsy; speech rehabilitation; dysarthric children, 33459

levodopa; word intelligibility; Parkinsons disease; dysarthria; drug therapy, 20530

motor speech impairments; speech impairments; dysarthric speech; cerebellar tumors, 17164

myotonia; flaccid dysarthria; myotonic dystrophy onset; speech execution defects, 1500

## Dyscalculia [See Acalculia]

## Dysfunctional Family—Serials

family dysfunction; antisocial symptoms; twins; gene-environment interaction; conduct problems; zygosity, 16928

family dysfunction; migration history; psychotic symptoms; relative risk; children; adolescents, 29382

parental abusive drinking; sibling role differences; family dysfunction, 26326  
traumatic experiences; mental pathologies; broken home; dysfunctional family; family violence; child sexual abuse; sexual abuse, 35361

### Dyskinesia [See Also Bradykinesia, Tardive Dyskinesia]—Serials

cannabis; dyskinesia; Parkinson disease; levodopa; drug therapy, 30155  
cannabis; dyskinesia; Parkinson disease; levodopa; drug therapy, 30175  
childhood paroxysmal kinesigenic dyskinesia; abnormal involuntary movements; diagnosis; etiology; anticonvulsant medication; video & EEG monitoring, 23596  
clozapine; dyskinesia; movement disorders; treatment outcome; drug therapy, 26824  
dyskinesia; chronic pain; thalamic chronic electrode implants; intralaminar thalamic stimulation; neurolinguistic functions; language functions; language processing; cognitive processing, 14579  
levodopa-induced dyskinesia; levitracetam; antiepileptic drug; parkinsonism; levodopa; somnolence; drug therapy; dyskinesia; open-label observational design, 20785  
paroxysmal kinesigenic dyskinesia; pathophysiology; cortical inhibition, 35997

### Dyslexia—Serials

acquired dyslexia; reading disorders; Turkish & English speaker; dysphasia; phonological impairment; orthographic transparency, 26464  
adults; dyslexia; event-related potentials; speed of processing, 26461

Anne Elizabeth; language development; reading acquisition; dyslexia; psycholinguist, 8721  
attentional blink; dyslexic readers; working memory; attention shift; episodic memory, 17106  
attentional modulation; spatial cuing deficit; visual search; psychophysical thresholds; dyslexia; magnocellular dysfunction, 1441

auditory perception; dyslexia; sensory temporal processing deficits; language specific impairments; attention; learning impairments, 32624  
auditory processing skills; phonological representation; dyslexic children, 1440

brain even-related potentials; ERPs; newborns; familial risk; dyslexia; language skills; verbal memory skills; language development, 22497

cerebellar deficit hypothesis; dyslexia; non-dyslexics; cerebellar function, 35969

cognitive deficits; young dyslexics; adult dyslexics; age differences; phonological skills; dyslexic readers, 26462  
computerized treatment; dyslexia; lexico-phonological processing problems; reading problems; spelling problems, 20361

developmental dyslexia; children; visual attention; auditory attention, 35788

developmental dyslexia; neural processing; tones; phonemes; auditory processing; event-related brain potentials; cortical sound reception; mismatch negativity; sound reception, 23366

developmental dyslexia; reading disability; phonological disorders; brain; sensory abilities, 4809

developmental dyslexia; sequential motor tasks; theta activity; cerebral cortex; memory process; working memory, 23403

developmental dyslexia; space-based attention deficits; object-based attention deficits; visual field; phonological difficulties, 10766

developmental dyslexia; zinc deficiency; brain development; nutritional care, 4811

dyslexia screening; Chinese children; primary school teachers, 7969

dyslexia, 1444  
dyslexia; children; voxel based morphometry; brain anatomy; right cerebellar anterior lobe; pars triangularis, 23404

dyslexia; computer based treatment; phonological structure; morphological structure, 8699

dyslexia; dyslexia; learning difficulties; special education schools; Durham County Policy Document on Specific Learning Difficulties, 2705

dyslexia; functional magnetic resonance imaging; electrophysiological measures; event related potential, 26453  
dyslexia; learning disabilities, 7974

dyslexia; reading disorders; cross-linguistic investigation; orthography; Hebrew language; English language, 10768

dyslexia; serial encoding; letters, 29609

dyslexic groups; psychophysical tasks; psychophysical performance; task completion; group psychophysical studies, 1442

dyslexic patient; reading therapy; semantics; brain injury; phonetics, 14304

dyslexic students; written language; reading; spelling; lexical decision; proximal analysis; orthography; phonology; semantics; academic achievement; adult developmental dyslexia; cognitive mosaic, 35787

face processing; Greebles; non-face stimuli; visual processes; neuropsychological patient; agnosia, 4948  
familial dyslexia; childhood development; reading development; morphological skill; at risk children; familial risk, 7972

fluent reading; dyslexics; letter string processing; event related potential, 26451

genetic linkage; developmental dyslexia; phenotypes; reading ability; reading disability, 29607

inflectional morphology; dyslexia; learning disabled children; morphological processing, 4810

language development; genetic risk; dyslexia; language impairment; morphology; phonology; grammar; early development, 7976

learning disabilities; dyslexia; cognitive processing deficits; health personnel; Action for Dyslexia, 29611

letter position encoding; dyslexia; SERIOL model; orthographic processing; phonology; reading acquisition; temporal alignment, 32633

lexical decision; performance; dyslexia; age differences; reading, 7973

measurement error; developmental dyslexia; discrepancy models; reading achievement; intellectual functioning; test reliability, 35786

motor coordination difficulties; poor readers; severe dyslexia; motor processes, 35789

oral reading errors; dyslexia; social developments, 17114

parallel processing; letter similarity; letter dyslexia; orthographic neighbourhood size; low letter confusability words, 29600

phoneme awareness training; kindergarten students; letter sound training; at risk children; dyslexic parents; intervention, 8989

phonological impairment; phonological dyslexia; nonword reading; Alzheimer's disease, 4935

phonological representations; phoneme awareness; verbal learning; dyslexic readers, 29605

posterior parietal cortex; developmental dyslexia; mental rotation, 35790

psychophysiology; developmental dyslexia; children; brain imaging; neuronal markers; at risk population; event related potentials; auditory processes; speech perception, 26460

reading acquisition; developmental dyslexia; skilled reading development; across languages; psycholinguistic grain size theory; phonological awareness; lexical representation, 7977

reading disorders; picture naming; developmental dyslexia, 17111

reading; reading disorders; neural activation; dyslexia, 29608

redundant stimuli; visuospatial processing; developmental dyslexia; callosal transfer efficiency; handedness; visual field; cerebral laterality, 17098

response recovery; somatosensory cortex; dyslexic adults; evoked potentials; tactile stimuli, 26465

semantic ambiguity; inhibition hypothesis; reading errors; deep dyslexia; word representations, 10767

semantic deficits; reading aloud; Chinese language; dyslexic patient; phonology; lexical routes, 26459

sound detection; dyslexia; amplitude modulation; rise times, 26456

specific language impairment; developmental dyslexia; disorders relationship; phonological processing; semantic deficit; syntactic deficit; adolescent reading; phonological processing, 4830

spellings; dyslexia; children; phonological skills; letter patterns, 35785

spoken language; subject-verb agreement; developmental dyslexia; morphology; morphosyntactic abilities, 14144

tachistoscopic treatment; spatial distribution; dyslexia; visual attention; lateral presentation; words; nonwords; reading accuracy, 17108

verbal short-term memory tasks; visual code; phonological dyslexia, 29601

visual processing deficits; response time; dyslexia; car driving stimulation, 32628

vocal reaction time; dyslexic readers; reading experience; word naming; letter range; parallel processing; sequential processing, 17115

word length effect; dyslexia; word naming latencies; word recognition, 29606

word length effect; dyslexic children; developmental dyslexia; vocal reaction times, 23416

word reading; picture naming; naming deficits; developmental dyslexia; neurological impairment, 35791

**Dyslexia—Chapters**  
Acquired Dyslexias: Reading Disorders Associated with Aphasia, 14280  
Behavioral and anatomical distinctions between dyslexia and SLI, 13821

Frequency and Intensity Discrimination in Dyslexia, 26468  
Psychoacoustics and Working Memory in Dyslexia, 26467

Research-supported differential diagnosis of specific learning disabilities, 15632

Speech perception in dyslexic children with and without language impairments, 14150

### Dysmetria [See Ataxia]

### Dysmorphophobia [See Body Dysmorphic Disorder]

### Dyspareunia—Serials

female sexual function; dyspareunia; vulvodynia; sexual arousal; Female Sexual Function Index, 4870

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35851

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35881

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35870

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35889

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35912

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35894

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35841

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35910

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35883

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35916

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35884

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35877

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35846

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35857

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35845

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35859

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35844

sexual dysfunction; sexual pain disorder; dyspareunia; DSM: classification criteria, 35879

sexual pain disorders; physiotherapy; vaginismus; dyspareunia; team treatment approach, 26693

### Dysphagia—Serials

assessment; management; dysphagia; epidemiology; research framework; speech pathology clinical practice, 35833

dysphagia management; Castillo-Morales device; pediatric patients; cerebral palsy, 17903

feeding skills; mealtime behaviors; multiple disabilities; dysphagia treatment; reinforcement behavior program, 18288

### Dysphonia—Serials

behavior modification; voice disorders; voice use reduction program; vocal nodules, 1805

family therapy; children; voice; deviant voice qualities; speech frequency; conflict management; family members, 36184

vocal quality; cleft palate; gender differences; dysphonia, 1540

vocal symptoms; voice disorder; teacher students; university students; prevalence, 1489

voice disorders; African American preschoolers; European American preschoolers; prevalence, 1480

voice disturbances; asthma patients; side effects; inhaled corticosteroids, 1982

voice therapy; dysphonia; acoustics, 2346

**Dysphoria [See Major Depression]**

**Dyspnea [See Also Asthma]—Serials**

dyspnea; chronic obstructive pulmonary disease; breathlessness; anxiety, 14168

dyspnea; fatigue; sleep difficulty; obstructive pulmonary disease; functional performance, 14193

dyspnea; panic disorder; panic attacks; breathing, 4578

pain; nausea; dyspnea; National Institutes of Health; clinical research; funding activity, 25059

pain; nausea; dyspnea; National Institutes of Health; clinical research; funding activity, 25050

parental psychopathology; childhood atopic disorders; general population; parental major depression; generalized anxiety disorder; panic attacks, 22971

**Dyspraxia [See Movement Disorders]**

**Dysthymia [See Dysthymic Disorder]**

**Dysthymic Disorder—Serials**

depressive disorder; race; ethnicity; prevalence; dysthymic disorder, 32351

double depression; dysthymia; morbidity; major depression; public health; quality of life; treatment use; role functioning, 7707

# Volume 92 SUBJECT INDEX

## Dysthymic Disorder—Serials

dysthymia; reboxetine effect; cardiac autonomic activity; sleep; eye movement, 1864  
dysthymic disorder patients; mental health service use; long term treatment; episodic major depression; treatment dropouts, 30276  
dysthymic disorder; chronic stress; adverse parent-child relationships; family history; disease course, 7705  
dysthymic disorder; major depression, 35430  
mental disorder; King David; life events; major depression; dysthymia; minor depression; major depression; Biblical times, 10459  
**Dysthymic Disorder—Chapters**  
Treatment-Resistant Mood Disorders: from Diagnosis to Treatment, 16812  
**Dystonia** [See Muscular Disorders]  
**Dystrophy (Muscular)** [See Muscular Dystrophy]  
**E-Therapy** [See Online Therapy]  
**Eagerness** [See Enthusiasm]  
**Ear (Anatomy)** [See Also External Ear, Vestibular Apparatus]—Serials  
auditory stimulation; auditory pathway development; electrical brainstem auditory potentials; ears; cochlear implants, 13244  
ear canal occlusion; static pressure difference; bone conduction thresholds; air pressure change, 28243  
otacoustic emissions; hearing thresholds, 18976  
recurrent tinnitus; ear symptoms; prevalence, 36038  
**Ear (Anatomy)** [See Also External Ear, Vestibular Apparatus]—Chapters  
Neuroplastic Adaptations of the Auditory System in Musicians and Nonmusicians, 25138  
**Ear Canal** [See External Ear]  
**Ear Disorders** [See Also Labyrinth Disorders, Tinnitus]—Serials  
ear canal occlusion; static pressure difference; bone conduction thresholds; air pressure change, 28243  
hearing impairment; hearing loss; screening test; presbycusis; prevalence; etiology, 5001  
predisposition; psychosocial predictors; chronic tinnitus; tinnitus-related distress; personality predictors, 20608  
vestibulopathy; benign paroxysmal positional vertigo; otologic history, 23654  
**Early Childhood Development** [See Also Infant Development]—Serials  
adjective acquisition; linguistic influences; conceptual influences; category information; pragmatic factors; word learning; nouns, 9976  
adolescent parenting; attachment behavior; prenatal parenting attitudes; children of adolescent mothers, 34935  
aggression; early childhood; family dynamics; parental characteristics; parenting practices; violence; attachment relationships; neurodevelopment pathways; psychodynamics, 34949  
assessment instrument; teacher beliefs; preschool teachers; developmental skills, 11810  
attachment theory; early intervention; preventive intervention; professional training; socio-emotional development; child development, 5044  
attentional performance; attachment; gender differences; cumulative social-contextual adversity; early childhood development; attention deficit hyperactivity disorder; attachment security, 7006  
autism; infancy; childhood; inborn disorder; affective contact; social processes; diagnosis; intervention, 10763  
autobiographical memory; theory of mind; narratives; event memory; children, 718  
brain even-related potentials; ERPs; newborns; familial risk; dyslexia; language skills; verbal memory skills; language development, 22497  
brand awareness; television; parents; peers; early childhood development, 31904  
breastfeeding; extended breastfeeding; benefits; parental concerns; pediatrician attitudes, 16488  
Carol Seefeld; childcare policies; childhood education; teacher training; educational personnel, 30627  
child development assessment; early childhood education; students; attitudes; formal testing; informal testing; practitioners, 21232  
child development; early brain development; pediatric care, 16282  
childhood development; at-risk children; early childhood risk factors; motor functioning; cognitive functioning; social-emotional functioning, 3825  
childhood education; child care services; parent child programs; elementary education, 11499  
children's aggression beliefs; withdrawal; early childhood; social cognition; child attitudes, 10019  
children's photographs; playschool; child perception; educational setting; child research; research methods, 28155  
children's response; picture orientation; object orientation; object identification, 28721  
children's speech formation; acoustic analysis; phonetic characteristics; verbal communication, 34884

cognitive development; preterm infants; low birth weight; early childhood development; attention; perceptual working memory; spatial working memory, 743  
cognitive development; video representations; object retrieval task; imitation, 25609  
cognitive performance; kindergarten children; teacher mediated computer activity; learning environment; thinking processes; work habits, 8881  
communicative intent; cognitive development; category induction; early childhood development; age differences, 7064  
computer availability; inclusive childcare; technology integration; early childhood environment; self-directed learning; teacher training; young children with disabilities, 7363  
conceptualization risk; child-adult relationships; school entry; child developmental outcomes; first grade; relationship quality; socio-economic risk, 3834  
data collection methods; field test data; FACETS software; item development; early childhood instrument, 14  
developmental foundations; externalizing problems; young children; effortful control; social risk factors; cognitive factors, 19411  
developmental implications; history; attachment theory; boarding schools; middle class toddlers; China, 36774  
developmental level; autism; interaction; imitation, 17075  
early childhood development; self recognition; personal pronoun use; pretend play; cognitive development, 7071  
early childhood education program; physical environments; pedagogy; curriculum; program evaluation; international perspective, 8871  
early childhood education; academic field; Bourdieu's field theory; educational science; educational psychology approaches; social capital, 18103  
early childhood education; childhood curriculum; educator conception; sociocultural explanations; constructivism, 11836  
early childhood education; education; childhood, 2561  
early childhood education; educational environment; school community, 15019  
early childhood intervention; cognitive development; parenting skills; socioemotional domain; early intervention programmes, 9932  
early childhood problems; counseling; parent child relations; psychotherapy, 33067  
early development; property recognition; absent things; reference comprehension, 3885  
eating behavior; walking; toddlers; sex differences, 9969  
ecological framework; externalizing behavior problem; early childhood; kindergarten entry; child care setting; treatment, 20228  
effects of class size; length of day; kindergartners; academic achievement; early childhood development, 15237  
executive functioning; theory of mind; developmental course; preschoolers, 3859  
explicit memory; age related changes; neurodevelopment; behavioral development; developmental changes; early childhood development, 7031  
externalizing peers; early childhood; homophily; contagion process; sex differences; problem behaviors, 22561  
false beliefs; reasoning, 3855  
father involvement; parenting style; maternal depression; infancy; child behavior problems; childhood development, 7723  
food variety seeking; childhood; adolescence; early adult life; food choices, 26886  
genetic contributions; environmental contributions; atypical gender role development; twins; masculinity; femininity; early childhood development, 10031  
health supervision visits; pediatrics; child development, 17853  
individual differences; mutual responsiveness; early childhood development; parent child relations; emotional responses, 7136  
inhibitory control; symbolic insight; young children; symbolic retrieval tasks; space physical representations; age differences; early childhood development, 31793  
insight; intentionality; early childhood; cognitive development; symbols, 25645  
language development; genetic risk; dyslexia; language impairment; morphology; phonology; grammar; early development, 7976  
language immersion; childhood program; integrated learning; educators; play; creative learning, 8855  
language impairment; preschoolers; maternal factors; child factors; demographic factors, 10795  
language measures; language problems; early childhood development; language performance; genetics; nonverbal cognitive development, 13241  
language screening; language impairments; African American children; urban settings, 9370  
language specific effects; number computation; toddlers; infant development, 31831

## Early Childhood Development—Serials

Latino children; state administrators; early childhood programs; child care; Head Start; special education programs; developmental disabilities, 30301  
listening to children; early childhood institutions; child attitudes; research methods, 28675  
low literate parents; literacy; reading skills, 27501  
mapping; homonymy; pseudohomonyms; preschool children, 31822  
maternal concerns; emotions; affective structure; supportive parenting; sensitive parenting; depressive symptoms; child oriented motivation; desires; mother child interactions, 4110  
maternal intrusiveness; maternal warmth; mother-toddler relationship outcome; racial and ethnic differences; lower income level; acculturation level; psychosocial development, 7134  
mathematics education; formal schooling; neurobiology; prefrontal cortex; intelligence quotient; cognitive demands, 13224  
mental state predictors; preschoolers; socioeconomic backgrounds; age influence; language; family background; social cognitive skills; fantasy, 28760  
milieu language teaching; teaching skills training; parent training; multiple risk families; responsive interaction; incidental teaching; parent child interaction, 19728  
moral development; language literacy; disadvantaged children; reading practices; emotional development; professional development, 15100  
mother-child relationships; children's early development; maternal time; time with infant; time in employment, 19404  
novel labels; object pre-exposure; early childhood; naming; preschool children, 19449  
optimism; socioeconomic status; school achievement; vocational education; early childhood development; infancy; early adulthood; education, 10324  
overt aggression; relational aggression; middle childhood; risk factors; family; language abilities; family environments; gender; child temperament, 25697  
pedagogy; early childhood education research; teaching practice, 36791  
physical aggression; early childhood; family characteristics; child characteristics; trajectories; predictors, 34960  
physically abused children; regulation of attention; interpersonal hostility; early emotional experiences, 35626  
play narratives; playing house; early childhood; literacy; self identity; multimodal perspective, 13276  
positive emotionality; depression; temperamental emotionality; preschool-aged children; parental mood disorders; depression risk, 13866  
postpartum stress symptoms; women; child temperament; temperamental characteristics; stress source, 26213  
preschool children; mapping of number words; nonsymbolic numerosities; skilled counters; unskilled counters, 36888  
preschoolers; maps; gender differences; spatial abilities, 16281  
process quality; Infant and Toddler Environment Rating Scale; Early Childhood Environment Rating Scale; School Age Care Environment Rating Scale, 18809  
pronouns; comprehension; discourse prominence; preschoolers; cognitive development; sentence comprehension, 9984  
relational aggression; early childhood; intervention; prevention, 25696  
relational aggression; friendship quality; early childhood; peer relations, 25665  
relational aggression; overt aggression; disruptive adolescents; developmental precursors; early emotions; psychiatric symptoms, 26305  
relational aggression; physical aggression; preschoolers; language skills; gender differences, 25676  
relationship-focused early intervention; children; pervasive developmental disorders; developmental disabilities; parent-child sessions; developmental behaviors; socioemotional functioning; autism, 20857  
responsive imitation; toddlers; individual differences; preschool age conscience; early moral development; internalization; maternal guidance; guilt, 765  
rigidity; parent-child interaction; externalizing behavior; internalizing behavior; early childhood development, 7132  
school psychologists; early childhood development; training; well being, 21237  
selective attention; working memory; heritability; monozygotic twins; dizygotic twins, 28728  
siblings; friends; relational aggression; 4 year olds, 25710  
social interaction interventions; teacher attitudes; teacher perceptions; early childhood settings; disabled children; self-contained classroom; inclusive settings, 11985  
social processing; linguistic processing; speech; preschool children; autism; electrophysiology; autism spectrum disorder, 14098  
suggestibility paradigms; preschoolers; non-experienced event; experienced event, 9948

technology use; childhood environment; cultural competence; early childhood education; developmentally appropriate practice, 7145  
 temperament; emotion regulation; social behavior; preschoolers; emotional coping; social competence; behavior problems; prosocial behavior, 10000  
 theory of mind; mental state discourse; book reading; story telling tasks; Canada; Australia, 25650  
 toddler development; childcare services; inclusion program; preschool children; social & behavioral development; communication & cognitive development; developmental disabilities, 26439  
 traumatic brain injury; processing skills; attention; early childhood, 32762  
 university faculty preparation; students; natural environment practices; young children; physical therapy; occupational therapy; speech pathology; language pathology; early childhood special education, 18000  
 visual impairment; early years professionals; training, 20604  
 vitalistic causality; childhood development; biological phenomena; human bodily processes, 714  
 young children; early childhood; International Centre for Early Childhood; research project; research ethics; informed consent; student teachers; Singapore, 30569  
 young children; foster care; prior maltreatment; placement history; developmental delays; cognitive functioning; neuropsychological functioning; physical growth; language development, 21004  
 young children; natural learning environments; early childhood intervention programs; differential learning opportunities; parents; preschool children, 16221  
 young children; sleep patterns; developmental classification system; sleep problems, 14174  
 young deaf children; literacy development; literacy practices; sign bilingual homes; spoken language homes; language development, 14288  
**Early Childhood Development [See Also Infant Development]—Chapters**  
 Assessment of Comprehension Abilities in Young Children, 16294  
 Cross-Cultural Perspectives on the Bond Between Man and Animals, 13775  
 Dyadic therapy with very young children and their primary caregivers, 14407  
 Gender Differences in the Prevalence of Physically Aggressive Behaviors in the Canadian Population of 2- and 3-Year-Old Children, 13304  
 The Perceptual to Conceptual Shift in Infancy and Early Childhood: A Surface or Deep Distinction?, 19490  
**Early Experience—Serials**  
 animal cruelty; incarcerated individuals; childhood experiences; demographic characteristics, 13988  
 child abuse; child sexual abuse; addictive behaviors; maladjustment; problem behaviors, 14011  
 child impulsiveness; inattention; early peer experiences; conduct problems, 7160  
 child-rearing environment; individual differences; skill development; cognitive skills; attention; memory; planning; family environment; school environment, 9978  
 childhood abuse; bipolar disorders; childhood trauma; psychopathology; at risk population, 16782  
 childhood maltreatment; early childhood physical abuse; adolescent reports; parent reports, 4687  
 childhood posttraumatic stress disorder; PTSD; psychotherapy; feral children, 33055  
 childhood posttraumatic stress disorder; PTSD; psychotherapy; feral children, 5061  
 childhood posttraumatic stress disorder; PTSD; psychotherapy; feral children, 5088  
 childhood research; views and experiences; young children; theoretical and methodological and ethical challenges; child development, 28676  
 childhood sexual abuse; defensive functioning; treatment seeking behavior; psychological problems, 29460  
 childhood sexual abuse; emotional distress; shame; coping strategies; interpersonal difficulties, 10682  
 childhood sexual abuse; gender; depression; psychological distress; incarcerated youth, 8703  
 childhood sexual abuse; psychosocial characteristics; sexual behaviors; bisexual male escorts; homophobia; sexual partners; Internet, 29496  
 childhood trauma; abuse exposure; traumatic events; adolescent problem behaviors; conduct problems; adult outcomes; psychological distress; substance-abusing women offenders; criminal behaviors, 16946  
 childhood trauma; attempted suicide; self mutilative behavior; childhood neglect; childhood abuse; women, 29447  
 childhood trauma; risk factors; overall functioning; psychiatric disorders, 10494  
 childhood trauma; stress hormone alterations; cerebrospinal fluid corticotropin-releasing factor concentrations; personality disorders; adult males, 23171  
 cuttlefish; body patterns; postembryonic maturation; environmental effects; early experience, 25348

developmental disorders; early adversity; genetic inheritance; toxin exposure; prenatal stress; brain injuries; perinatal compromise; malnutrition, 23392  
 drug preferences; illicit drug abusers; childhood tendency of attention deficit/hyperactivity disorder; methamphetamine; prisoners; drug addiction, 23302  
 early childhood experiences; outdoor activities; environmental attitudes; environmental beliefs; undergraduate students, 24768  
 early experiences; intellectual development; poverty; learning ability; psychological deprivation; social deprivation, 6738  
 early family relationships; marital maintenance prediction; transition to parenthood; closeness; marital satisfaction; attachment representations; parental marriages; conflict; communication, 25816  
 early onset inhalant use; opiate initiation risk; young adulthood, 26364  
 early spatial learning failure; adult performance; rats; aversive learning; avoidance learning, 22179  
 early trauma; life events; symptom severity; conversion disorder; psychological stress; risk factors; affective disorder, 32332  
 economic hardship; family of origin; childhood psychological well-being; adult attitudes, 10358  
 family configurations; delinquency; family disruption; childhood experience, 10735  
 family dynamics; adolescent experiences; midlife well-being; longitudinal; family system characteristics; connection; individuation; marriage, 25812  
 family dysfunction; migration history; psychotic symptoms; relative risk; children; adolescents, 29382  
 family violence; depression; adolescent autobiographical memory; childhood abuse; early experiences, 26074  
 fathers involvement; infancy; father infant interactions; racial and ethnic differences; childhood experiences, 32025  
 head start project; literacy; children's experiences; mothers' beliefs; reading readiness; self efficacy, 31782  
 impulsivity; childhood trauma; suicidal behavior, 23251  
 juvenile learning; neural circuitry; barn owls; early experience; visual experience; adult adaptation; abnormal anatomical projections; persistent abnormal projection; adulthood readaptation, 19106  
 listening to children; early childhood institutions; child attitudes; research methods, 28675  
 low birth weight survivors; attention deficit hyperactivity disorder; perinatal morbidity; toddlers; early childhood experiences, 20334  
 memory recovery; seduction theory; survivorship; history of psychiatry knowledge; psychological knowledge; childhood sexual abuse; transience, 35597  
 nonconformity; psychological observations; early experiences, 31786  
 paradoxical response; sexual trauma; attachment; sexuality; child sexual abuse; sexual molestation; victim; survivor; early childhood trauma, 4683  
 paradoxical response; sexual trauma; attachment; sexuality; sexual abuse; early childhood trauma, 4639  
 paradoxical response; sexual trauma; attachment; sexuality; sexual abuse; early childhood trauma, 4647  
 paradoxical response; sexual trauma; attachment; sexuality; sexual abuse; early childhood trauma, 4651  
 paradoxical response; sexual trauma; attachment; sexuality; sexual abuse; early childhood trauma, 4696  
 paradoxical response; sexual trauma; attachment; sexuality; sexual abuse; early childhood trauma; somatoform disorders, 4664  
 parental alcoholism; women; childhood stresses; social adjustment; adult outcomes; childhood social resources; family environment, 17013  
 parental mental representations; attachment style; institutionalization; children; Bulgaria; mothers experience; mother child relations, 32091  
 preschooler witnesses; marital violence; child behavior problems; battering; maternal life stress; mother child relationships, 26277  
 psychosis; victimization; childhood disadvantage; psychiatric morbidity; depressed mood, 10562  
 recidivism; boot camp graduates; life course theory; gender differences; prisoners experiences; sexual abuse; physical abuse; program evaluation, 30428  
 Rudyard Kipling; Little Tobrah; sibling-loss; mourning behavior; traumatic event, 28593  
 sense of coherence; childhood sexual abuse; self help groups, 26289  
 sleep responses; light; dark; early visual experience; rats; light rearing; dark rearing, 6829  
 stress; early life; neurogenesis; hippocampus, 22260  
 suicidal phenomena; suicidal thoughts; abuse experience; adolescents behaviors; prevalence, 16937  
 traditional kibbutz members; earliest memory; age differences; gender differences; reformed kibbutzim members; raising outside kibbutz, 10022

trance; childhood trauma; history; dissociative disorder patients; religious experience; symptom expression, 1165  
 transsexual people; childhood trauma; clinical population; sexual abuse, 32038  
**Early Experience—Chapters**  
 Psychodynamic Therapy, 5101  
**Early Infantile Autism [See Autism]**  
**Early Intervention—Serials**  
 age differences; analogy applicability; intervention programmes; flexible problem solving, 3891  
 at-risk children; risk factors; sociocultural influences; parent-child interaction; early intervention services, 3843  
 attachment theory; early intervention; preventive intervention; professional training; socio-emotional development; child development, 5044  
 autism spectrum disorders; early symptoms; disease onset, 17069

 challenging behavior; Behavior Intervention Rating Scale; intervention effectiveness; social validity; parents; teacher, 12009  
 child care services; multiple risk; at risk children; childhood development, 36477  
 child poverty; developmental risk; early intervention; socioeconomic levels; SES; impact on children, 3845  
 childhood intervention; educational attainment; juvenile delinquency, 2566  
 cognitive-behavioral group therapy; early intervention; insomnia patients; self-help information package; dysfunctional beliefs; sleep attitudes; daytime symptoms; time awake, 22155  
 early childhood intervention; cognitive development; parenting skills; socioemotional domain; early intervention programmes, 9932  
 early childhood intervention; family; professional competence; practitioners preparation; teaching method, 5685  
 early childhood teacher preparation; special education; school inclusion; early intervention; curriculum development; practicum experience, 21266  
 early development; divorced families; delinquency; parent training; preventive intervention; peer affiliation; coercion theory; early onset model of delinquency, 25672  
 early head start staff; individualized family service plans; developmental delays; policy making, 8851  
 early identification; children; mathematics difficulties; early intervention; reading difficulties, 30708  
 early identification; children; mathematics difficulties; early intervention; reading difficulties, 30706  
 early identification; children; mathematics difficulties; early intervention; reading difficulties, 30705  
 early identification; children; mathematics difficulties; early intervention; reading difficulties, 30721  
 early identification; children; mathematics difficulties; early intervention; reading difficulties, 30704  
 early identification; children; mathematics difficulties; early intervention; reading difficulties, 30691  
 early identification; children; mathematics difficulties; early intervention; reading difficulties, 30694  
 early identification; children; mathematics difficulties; early intervention; reading difficulties, 30703  
 early intervention curricula; adolescent social development; social behavior; loneliness; quality of school life; depression; direct instruction; mediated learning, 21432  
 early intervention curricula; adolescent social development; social behavior; loneliness; quality of school life; depression; direct instruction; mediated learning, 21430  
 early intervention curricula; adolescent social development; social behavior; loneliness; quality of school life; depression; direct instruction; mediated learning, 21428  
 early intervention curricula; adolescent social development; social behavior; loneliness; quality of school life; depression; direct instruction; mediated learning, 21431  
 early intervention practices; autism; community providers; education system; treatments; evidence-based practice, 26440  
 early intervention practices; personnel preparation programs; early intervention training; physical therapy faculty; childhood special education; occupational therapy; speech language pathology, 27275

early intervention programs; vocabulary development; cognitive development; risk factors; conduct problems; social competence, 5799

early intervention; at-risk readers; clinical trials; literacy research; achievement gap; learning; Reading Recovery; literacy support, 24471

early intervention; behavioral interventions; traumatic exposure; posttraumatic adjustment; critical incident stress debriefing; practice guidelines, 11135

early intervention; clinical management; prevention; developmental dysfluency, 14164

early intervention; foster care; permanent placement outcomes; child maltreatment, 14766

early intervention; pedophilia; adolescents; sex offenders; child molestation, 36094

early intervention; service providers; infant mental health; mental health training; attachment; regulation; adaptation, 24331

early intervention; substance abuse prevention; psychopathology; rape victims; trauma; rape exam, 11042

early intensive behavioral intervention; cognitive development; autism, 11141

early screening; externalizing problems; screening accuracy; utility; high risk children, 1684

educational approaches; arousal; multiple & severe disability; early intervention, 32295

environmental enrichment; stereotype behavior; repetitive responses; free operant condition; music sessions, 8360

experimentation; National Center on Accelerating Student Learning; student learning; teaching strategies; special education; early intervention, 24401

family intervention; childhood development; socioeconomic status; at risk population, 2014

family-focused early intervention program; hearing impairments; child education; rural areas, 8133

foster care; developmental delays; mental health problems; child protective services; early intervention; service needs; young children; health care guidelines, 20989

health service needs; multidisciplinary intervention approach; families; at risk children; collaboration; Starting Early Starting Smart initiative; primary health care; child rearing, 33399

intervention programs; relationship based practice; reflective supervision; infant family programs; neonatal intensive care units; community-based early intervention programs, 2186

language delay; language skills; language intervention; early intervention effectiveness, 33522

literacy; disabled children; parental perceptions; social support, 10455

maternal depression; at risk population; infant development; mental problems; early intervention program; mother child relations; prevention of developmental problems, 20633

mental health problems; prevention; community based treatment programmes; risk factors; mental health services; protective factors; early interventions; children, 33323

Parents Plus Early Years Programme; early intervention; parents; preschool children; behavioral difficulties; developmental difficulties; conduct problems; parent training, 32298

posttraumatic stress disorder; mental health perspective; clinical treatments; psychiatric illness prevention; health promotion, 16878

preschool children; school based consultation; parent training; multi-component intervention; early intervention; pharmacological treatment; attention-deficit/hyperactivity disorder, 29866

prevention; anxiety; preschool; early intervention; behavioral inhibition; risk factors; parent education program, 26229

prevention; early intervention; alcohol abuse; prevention programs; drinking behavior, 30398

preventive intervention; social behavior; reading skill; early elementary school, 24583

relationship-focused early intervention; children; pervasive developmental disorders; developmental disabilities; parent-child sessions; developmental behaviors; socioemotional functioning; autism, 20857

remembrance; life review; memories; creative expression; depression; treatment; early intervention, 29843

risk factors; knowledge; attitudes; cancer detection; school teachers; prevention of cancer, 33316

schizophrenia; early intervention, 33004

schizophrenia; family intervention programs; therapeutic modality; psychotic relapse; treatment outcomes; baseline characteristics, 16849

schizophrenia; genetics; cognitive behavioural therapy; early intervention, 26186

school-age outcomes; intraventricular hemorrhage; low birth weight; verbal development; early intervention, 8027

self regulation; anxiety; disruptive behavior disorders; psychoanalytic treatment; anxiety disorder; early intervention, 20233

severe brain damage; early formalized rehabilitation, 30363

social interaction interventions; teacher attitudes; teacher perceptions; early childhood settings; disabled children; self-contained classroom; inclusive settings, 11985

structural equation modeling; institutional mobility; IFSP Rating Scale; individualized family service plan; early intervention; family centered practice, 18673

substance abuse; first episode bipolar I disorder; early intervention, 23035

Talking About Memory Coffee Group; support group; dementia; family; early intervention; memory difficulties, 17370

The Sonagachi Project; community intervention; HIV infection; sex workers, 4897

trauma psychiatry; military; trauma experiences; stress control; mass violence; weapons of mass destruction; terrorist attacks; early intervention; psychological casualties, 2128

traumatic stress treatment; early intervention; recover factors; risk factors; longer-term interventions; assessment, 16898

university faculty preparation; students; natural environment practices; young children; physical therapy; occupational therapy; speech pathology; language pathology; early childhood special education, 18000

video-enhanced activity schedules; matrix training; socio-dramatic play; young boy; autism spectrum disorder, 759

Web based preservice training program; interdisciplinary personnel preparation program; early intervention; Web based training, 27430

workplace attitudes; peer; early intervention program; substance abuse prevention; injuries, 24208

yoga; intervention for children; attention problems; elementary school children; deep breathing; physical postures; relaxation exercises, 35773

young children; natural learning environments; early childhood intervention programs; differential learning opportunities; parents; preschool children, 16221

**Early Intervention—Chapters**

Anxiety and Depression in Childhood: Prevention and Intervention, 4597

Child-Initiated Interactions That Are Pivotal in Intervention for Children With Autism, 17091

Developmental pathways to mental health: The DIRT<sup>TM</sup> model for comprehensive approaches to assessment and intervention, 14416

Diagnosis of mental health in young children, 13824

Diagnosis, 14132

Early identification of autism spectrum disorders, 14117

Enhancing language and communication development in autism spectrum disorders: Assessment and intervention guidelines, 14136

Kitchen therapy and beyond: Mental health services for young children in alternative settings, 14741

Learning Experiences . . . An Alternative Program for Preschoolers and Parents: Peer-Mediated Interventions for Young Children With Autism, 17092

Parent-Assisted Children's Friendship Training, 17395

Past, present, and emerging directions in education, 14116

Prevention: Focus on gambling in youth and young adults, 20249

Research meets the real world: Lessons learned in three community implementations of fast track, 8160

Structuring behavior management strategies and building social competence, 14133

Training in assessment of birth to five-year-olds, 14935

Treatment approaches for autism: Evaluating options and making informed choices, 14131

Using direct observation in prevention and intervention services in infant and preschool mental health: Training and practice issues, 14738

**Early Memories—Serials**

Albert Einstein; biography; early recollection; first memories, 32184

autobiographical memory; childhood memories; plausibility, 6619

case conceptualization; couples therapy; therapists; early recollections; practice, 26765

childhood memories; corrective feedback receptivity; group supervision; group work, 17556

coherent story; verbal recall; verbal accessibility; early memories; mnemonic processes; language abilities, 25605

counterfactual childhood events; childhood memory; childhood events; confidence, 12804

early memories; childhood amnesia; memory events; age; autobiographical events, 31801

event recall; childhood memories; timing; long-term recall, 7076

hypnosis; hypnotherapy; early memories; child abuse, 8374

memory representations; narratives; self priming; childhood memories; Asian American adults; Caucasian adults, 31482

out-of-home placement; homeless adults; public shelter; child welfare services, 21002

traditional kibbutz members; earliest memory; age differences; gender differences; reformed kibbutz members; raising outside kibbutz, 10022

trauma cues forgetting; adults; recovered memories; childhood sexual abuse; caretakers, 23336

**Eating [See Eating Behavior]**

**Eating Attitudes—Serials**

abnormal eating attitudes; sexual abuse; family functioning; perfectionism, 10405

abnormal eating; high-school students; weight control practices; ethnic differences; geographical differences, 8000

African American girls; Hispanic girls; disturbed eating attitudes; obesity; eating disorder development; cognitive avoidance, 8019

body satisfaction; magazine images; self esteem; fashion; eating attitude; health magazine; depression, 4319

bulimia nervosa; exercise; eating attitudes, 29617

bulimia nervosa; psychopathology; cognitive based self-help manual; binge eating; eating behavior; eating attitudes, 1788

caloric preloading; food related thought; eating related thought; thought suppression; restrained eaters; unrestrained eaters; dietary restraint, 29112

Children's Eating Attitude Test scores; eating behavior; primary school children; dietary intake; body shape satisfaction; body shape satisfaction, 25707

cooking classes; fruit intake; vegetable intake; food safety behaviors; food handling; nutrition improvement, 36337

dietary restraint; body dissatisfaction; psychological distress; negative attitudes; emotional eating; binge eating; abnormal eating attitudes; low self-esteem; stress; depression, 14158

dietary restraint; cognitive performance; abstinent drug users; restrained eaters, 6831

disordered eating attitudes; Filipino college students; Caucasian college students; cross cultural differences; symptom levels; eating disorders, 26477

eating attitudes; Israeli adolescent females, 28784

eating attitudes; psychological correlates; adolescents, 9999

eating attitudes; young women; depression; anxiety; self-selected groups; artificially constructed groups; similarity, 1054

eating disorder prevention; dissonance; eating disorder attitudes, 20369

female college athletes; test validity; Eating Attitudes Test; psychometric properties; test reliability; eating attitudes, 21771

gender differences; food rejection, 6739

girls; self esteem; body size satisfaction; eating attitudes; curriculum based running program; psychological risk factors; sports; program assessment, 34912

negative evaluation; eating attitudes; restrictive eating; friends; relatives, 23432

organic food; food choice; consumption; natural food; consumer attitudes; motivation; demographic factors; behavioural factors, 4280

parental factors; children; eating; body dissatisfaction; parental control, 7351

preschool children; food restraint behaviors; dieting behaviors, 28772

rats; food carrying behavior; foraging behavior; risk approaching signal, 15987

restrained eaters; high fat palatable foods; priming paradigm; food likes, 16594

risk factors; body dissatisfaction; adolescents; eating pathology; depression; social support; dating partners, 7018

suicide attempts; eating disorders; anorexia nervosa; bulimia nervosa; disordered eating; clinical traits, 1466

workers interpretations; worker attitudes; healthy eating, 16583

yoga; body awareness; body responsiveness; self-objectification; disordered eating, 29138

**Eating Behavior [See Also Binge Eating, Bottle Feeding, Breast Feeding, Dietary Restraint, Weaning]—Serials**

alcohol consumption; glycemic load; meals; mood; memory; rapidly available glucose; slowly available glucose, 382

anorexia; children; adolescents; refeeding; cognitive behavior therapy; eating disorder; parents, 20378

appetite regulation; learning; memory; eating; recall; amnesic patients, 25216

bariatric surgery; behavioral aspects; obesity; psychosocial factors; eating behavior; quality of life, 36330

body change strategies; body image; adolescent boys & girls; biological correlates; sociocultural correlates; psychological variables; eating problems, 8008

body weight changes; exercise; dietary patterns; college students; obesity, 33308

- bulimia nervosa; psychopathology; cognitive based self-help manual; binge eating; eating behavior; eating attitudes, 1788
- candy; death thoughts; terror management function; eating; soothing effect; distress, 25990
- child behavior; parent management strategies; mealtime; families; Cystic Fibrosis; school age children, 23692
- childhood beauty pageants; beauty contestants; adult disordered eating; body dissatisfaction; depression; self-esteem; mental health, 26491
- childhood dance participation; eating disorder; psychopathology; psychological health; eating behavior; bulimia, 10784
- Children's Eating Attitude Test scores; eating behavior; primary school children; dietary intake; body shape satisfaction; body shape satisfaction, 25707
- chocolate cravings; visuo-spatial interference; visuo-spatial working memory, 16095
- cholesterol-lowering diet; telephone delivered behavioral intervention; diet adherence; self-efficacy based intervention; hypercholesterolemia, 23999

- family based treatment; anorexia nervosa; bulimia nervosa; eating disorders, 23793
- family cohesion; adaptability; eating disorders; communication; human females, 35825
- family environment; eating disordered patients; self-injurious behaviors, 10786
- female athletes; media exposure; sports exposure; entertainment exposure; social influences; body image distortion; eating disorders; thin ideal; television content, 656
- Food Craving Inventory; psychometric properties; binge eating disorder; obese patients, 28020
- food texture; packing; oral intake; pediatric feeding disorders; inadequate weight gain; insufficient caloric intake, 23448
- food; dieting; Food Phobia Survey; test validation; test reliability; psychometrics; eating disorder; fear; guilt, 3198
- ghrelin levels; eating disorder; female patients; bulimia nervosa; biological markers, 8009
- group analyst; group therapy; eating disorders; vision disturbances; therapeutics; interventions, 11167
- group psychotherapy; individual psychotherapy; eating disorders; cognitive behavioral therapy; treatment effectiveness, 36133
- group psychotherapy; obese disordered-eating adults; body image disturbances; body image misperceptions; eating disorders, 11181
- group therapy; therapeutic course; eating disorders; transference; countertransference; group size, 1811
- healthy behavior; eating disorder prevention; body image; college women; self esteem; psychosocial functioning; eating pathology, 8006
- holocaust survivor; eating disorders; weight problems; traumatic experiences; social deprivation, 35808
- hunger; eating disorder research, 6826
- impulsivity; obesity; binge eating disorder; women; eating behaviors; mood, 8010
- item scalability; Beck Depression Inventory; eating disorders; nonparametric Item Response Theory; Monotone Homogeneity model; Double Monotonicity model; test reliability; polytomous items, 12515
- leptin functioning; eating disorders; physiology; anorexia nervosa; bulimia nervosa; abnormal eating behaviors, 4826
- male eating disorders; sociocultural changes, 17143
- media effects; eating disorders; realistic female images; at risk populations; body weight; media exposure; expectancies, 7999
- mental health; family function; obesity; African-American; psychosocial factors, 23429
- multidisciplinary treatment; eating disorders; hospital-based program; therapeutic strategies; group therapy; individual therapy, 5511
- negative evaluation; eating attitudes; restrictive eating; friends; relatives, 23432
- neuropsychological studies; anorexia nervosa; eating disorders; cognitive flexibility; ecologic validity; treatment; diagnosis, 3258
- night eating syndrome; women; Blacks; Whites; comorbidity; eating disorders, 23457
- nutritional education; concept mapping; diabetes; obesity; eating disorder, 3311
- obligatory exercise; eating pathology; eating behavior, 33024
- obsessive compulsive personality disorder; obsessive compulsive disorder; eating disorders; anorexia nervosa; subtypes; perfectionism; personality traits; obsessions; compulsions, 10476
- olfactory deficits; anorexia nervosa; impaired smell perception, 17139
- overweight; children; adolescents; dieting; eating disorders; risks, 23425
- parental bonding; eating disorder symptoms; female adolescents; early maladaptive schemas, 17144
- personality assessment; personality variables; personality traits; personality disorders; eating disorders, 10791
- personality characteristics; psychotherapy; eating disorders, 35814
- personality disorders; chronic eating disorders, 10484
- personality disorders; eating disorders; anorexia nervosa; bulimia nervosa, 16720
- personality disorders; eating disorders; scientific communication, 10396
- personality disorders; eating disorders; symptoms; psychopathology; comorbidity, 35822
- personality factors; disordered eating; young women; Type 1 diabetes mellitus; pathogenesis; borderline personality characteristics; perfectionism, 10440
- personality pathology; personality disorders; eating disorders; comorbidity, 10444
- pharmacological treatment; binge eating disorder; drug therapy; epidemiology; genetics; neurochemistry; psychosocial factors, 23437
- postnatal eating disorders; mental health; stress; postpartum; women; mental health, 32292
- prevention program; program evaluation; eating disorder; adolescent girls; at risk girls; body dissatisfaction, 20389
- prevention programs; algorithm driven protocol; eating disorder; weight gain; high school students, 24580
- psychiatrist; eating disorders; puppy training; animal behavior, 36615
- psychoeducational intervention; eating disorders; at risk college women; Internet delivered intervention; chat room; eating habits; body image, 1473
- psychological correlates; eating disorder; pregnant women; epidemiology, 20375
- psychological correlates; treatment seeking; eating disorders; female college students; symptoms, 26482
- psychological symptoms; eating disorders; symptom remission; time to remission, 7996

# Volume 92 SUBJECT INDEX

## Eating Disorders—Serials

psychotherapeutic treatment; treatment efficiency; eating disorders; Europe, 29914  
 psychotropic medications; medication selection; prescribing; comorbidity; personality; eating disorders; personality disorders; personality pathology; personality development, 11280  
 purging; alcohol use; negative alcohol-related consequences; eating disorders, 17123  
 quality of life; eating disorders; physical impairment; mental impairment; social impairment; mood disorders, 29621  
 research supports group therapy; eating disorders; therapeutic processes, 17145  
 school counselors; eating disorders; at risk population; school-based prevention programs; recovery, 7991  
 selective visual attention; body parts; eating disorders; body image disturbance, 14156  
 self determination theory; eating disorders; motivation to change, 23459  
 self-presentation; body image; eating disorder symptoms; body image dysfunction, 20380  
 Severe Food Refusal; feeding disorders; applied behavior analysis; reinforcement; food redistribution; packing, 23776  
 sexual objectification; standards of beauty; eating disorders; symptoms; objectification theory; internalization; sexism; body image; self objectification, 29631  
 social anxiety; agoraphobia; eating disorders; core beliefs; comorbidity, 7672  
 Stroop interference; food related words; body related words; processing bias; eating disorders, 29626  
 substance abuse treatment; methylphenidate abuse; dextroamphetamine abuse; adolescent substance abuse; eating disorder; bupropion; attention deficit hyperactivity disorder, 1377  
 suicide attempts; eating disorders; anorexia nervosa; bulimia nervosa; disordered eating; clinical traits, 1466  
 temperament; character; adolescents; type 1 diabetes; eating disorders; eating problems, 10411  
 test construction; test validity; anorexia nervosa; bulimia; Short Evaluation of Eating Disorders, 28022  
 thinness; eating disorders; college women; body image disturbances; risk factors; counseling, 18343  
 topiramate; binge eating disorder, 20758  
 transient eating disorder; early childhood; infancy, 20372  
 traumatic experiences; violent acts; treatment response; Colombian women; eating disorders; sexual trauma; patient; family; threats, 23454  
 treatment efficiency; eating disorders; treatment outcomes; psychotherapeutic treatment; patient characteristics; Europe, 29936  
 treatment outcomes; weight loss; screening instruments; night eating syndrome; weight loss intervention; Night Eating Syndrome Questionnaire, 6364  
 treatment; eating disorders; anorexia nervosa; self-esteem; adolescents; psychodynamic approach; psychotherapy, 11015  
 word lists; cognitive biases; eating disorders; physical attributes; descriptors, 29620  
 yoga; body awareness; body responsiveness; self-objectification; disordered eating, 29138  
**Eating Disorders [See Also Anorexia Nervosa, Bulimia, Hyperphagia, Obesity, Pica, Purging (Eating Disorders)]—Books**  
 Just a little too thin: How to pull your child back from the brink of an eating disorder, 32660  
**Eating Disorders [See Also Anorexia Nervosa, Bulimia, Hyperphagia, Obesity, Pica, Purging (Eating Disorders)]—Chapters**  
 Evaluation and Treatment of Infantile Anorexia, 17150  
**Eating Habits [See Eating Behavior]**  
**Eating Patterns [See Eating Behavior]**  
**Echolalia—Serials**  
 logorrhea; verbigeration; echolalia; chronic schizophrenia; speech catatonia; lorazepam, 8311  
**Echolocation—Serials**  
 hunting; echolocation; Indian false vampire bat; Megaderma lyra; light conditions, 22209  
 ontogeny; echolocation; atlantic bottlenose dolphin, 31326  
 sensory systems; spatial memory; fruit bat; animal navigation; animal echolocation; vision, 28381  
**Eclectic Psychology [See Theoretical Orientation]**  
**Eclectic Psychotherapy—Serials**  
 child abuse; therapeutics; child behaviour; family life; child welfare, 16920  
 psychotherapy; informed eclecticism; therapist approaches, 23715  
 psychotherapy; informed eclecticism; therapist approaches, 23729  
 strategic eclecticism; narrative therapy; postmodernism, 11078  
**Eclectic Psychotherapy—Chapters**  
 Cyclical Psychodynamics and Integrative Relational Psychotherapy, 17528  
 Integrative Psychotherapy of the Anxiety Disorders, 17529

A Primer on Psychotherapy Integration, 17505  
 Systematic Treatment Selection and Prescriptive Psychotherapy, 17474  
**Ecological Factors [See Also Pollution, Topography]—Serials**  
 attachment transmission; ecological contributions; mother-infant relations; maternal sensitivity; infant security, 10060  
 depression; adolescent development; young adulthood; ecological influences, 10531  
 ecological determinants; behavior problems; life transitions; adolescent development; African Americans; conduct problems, 10669  
 ecological factors; social factors; body weight; wild chimpanzees; seasonal variation; dominance rank, 34484  
 individual assets; ecological assets; middle school students; high school students; thriving; early adolescence, 13204  
 intelligence quotient; cross national differences; educational correlates; agricultural way of life; ecological correlates, 29121  
 interpersonal violence; social disorganization theory; collective efficacy; urban crime; ecological contexts, 13966  
 land claim; ecology; social impact; legal effect; world heritage sites; Western Shoshone Indians, 2985  
 language birth; language death; population movements; language endangerment; economic globalization; colonization; ecological factors, 636  
 maternal effects; fitness components; resource availability; ecological influences; growth rates; Papio cynocephalus; baboons; size in juvenile period; sexual maturity; foraging conditions; survival, 15968  
 object recall; object location memory; female advantage; Gathering Hypothesis; ecologically valid stimuli, 31477  
 positive youth development; etiology; high risk adolescents; positive youth development perspective; individual differences; ecological factors, 13205  
 primatology; primate conservation; socioecology; animal habitats; scientific communication, 12837  
 substance misuse; molecular genetics; dopamine; personality features; genetic factors; environmental factors, 5576  
 therapists attitudes; domestic violence; partner abuse; ecological factors influence; marriage; clinical assessment, 32894  
 violent urban youth gangs; location; geographic area; neighborhoods; set space, 23342  
**Ecological Factors [See Also Pollution, Topography]—Chapters**  
 The Bioecological Theory of Human Development (2001), 19428  
 The Developing Ecology of Human Development: Paradigm Lost or Paradigm Regained (1989), 19433

 Social Status, Structure, and Development in the Classroom Group (1942), 19424  
 The Split-Level American Family (1967), 19422  
 Strengthening Family Systems (1988), 19425  
 Two Worlds of Childhood: U.S. and U.S.S.R. (1970), 19431  
**Ecological Psychology—Serials**  
 ecological framework; immigrant populations; immigrants' experiences; mental health; cross cultural psychology, 27039  
 ecological psychologists; behavior setting theory; American psychology; ecological psychology; Roger Barker, 21677  
 interactive skill-transfer agent; ecological psychology; parameter tuning; image sensor; inferior goods; production line; system design; trust, 9249  
 neighborhood quality; somatic complaints; social context; adolescents, 17162  
 representative design; environmental stimuli; random sampling; organism-environment relations; judgment; cognition; decision-making research; research findings; ecological approach; Egon Brunswik, 3310  
**Ecological Psychology—Chapters**  
 An Ecological Psychology of Instructional Design: Learning and Thinking by Perceiving-Acting Systems, 8923  
 Media as Lived Environments: The Ecological Psychology of Educational Technology, 8899

## Ecology—Serials

Afro-Brazilian religious heritage; preisthood; public sphere; discourse on ecology; gay scene; movimento negro, 35078  
 ecotourism; minimalist dimension; comprehensive model; environmental enhancement; sustainability, 27868  
 environmental education; developing countries; school teachers; environmentalist; ecologist; educationist; environmental attitudes, 24425  
 evolutionary ecology; despotism; skew theory; social stratification; human social evolution, 16425  
 land claim; ecology; social impact; legal effect; world heritage sites; Western Shoshone Indians, 2985  
 marmosets; color vision; color discrimination ability; gummivore callitrichid; ecology; insectivore callitrichid, 31497  
 predation pressure; cognitive ability; ecological variable; learning ability; morphology, 12899  
 resilience theory; archaeology; environment; human groups; anthropology; socioecology, 35040  
 substrate communication; ecology; ghost crab; courtship behavior; burrows; social interactions, 34518  
**Ecology—Chapters**  
 Social Foundations as Pedagogies of Responsibility and Eco-Ethical Commitment, 21290  
**Economically Disadvantaged [See Disadvantaged]**  
**Economics [See Also Behavioral Economics]—Serials**  
 agricultural societies; cross cultural differences; economic systems, 28898  
 asset market; trading behavior; framing; selective information, 27621  
 behavioral finance; homo economicus; models, 7220  
 biological rationality; economic rationality; computer simulations; gambling; gaming, 30921  
 caregiving; economic well-being; maternal employment; developmental disabilities; caregiver parents, 8587  
 case study; self-help groups; microcredit delivery; economic empowerment of women, 35163  
 charcoal-burning suicides; post-transition Hong Kong, 13973  
 civil war; natural resources; countries; economics; income; politics, 28857  
 cognition; economics; technological creativity; analogical transfer, 31433  
 cohabitation; divorce; economic well-being; gender; race; union dissolution; Blacks; Whites; Hispanics, 22682  
 collective bargaining; economic theory; policy development; wage differentials; national productivity; inflation, 830  
 commercial pacifism; economics; protracted conflict; Palestinian-Israeli conflict; economic exchange; public opinion; diplomacy; economic incentives, 22628  
 commissions; trading behavior; equity trades; individual traders; institutional traders, 12031  
 community development conflict; racialized community development; racial representation; neighborhood revitalization; Black mayoral leadership; racial divide; pro-growth development; African Americans, 13418  
 community services; services use; psychiatric service utilization; economics; award winning research, 36429  
 convergence theory; low inflation rates; evolutionary interpretation; Barro Gordons monetary policy game, 34998  
 covert repressive action; domestic intelligence; economic development; government policy, 13359  
 credit card behavior; credit card ownership; prefrontal cortex; cortical dysfunction; economic decision making; neuroeconomics, 31631  
 cross national differences; economic beliefs; economic development; demoralisation, 19615  
 curriculum development; education; sustainable living; student learning; concept maps; home economics; professional development; heuristics, 18157  
 customer satisfaction; cash flow; shareholder value, 30945  
 data mining; financial decisions; decision making; financial data; stock markets, 15305  
 deferred-acceptance algorithm; market matching; labor market; firms, 15468  
 diamonds; civil war; lootable resource; armed conflict, 28889  
 diamonds; civil war; taxes; political order; lootable resources; revenue; state spending; rulers; peace, 28904  
 eating behavior; physical activity; economics; obesity, 4821  
 econometric models; policy simulation; marketing, 18545  
 econometric models; policy simulation; marketing, 18547  
 econometric models; policy simulation; marketing, 18548  
 econometric models; policy simulation; marketing, 18557  
 economic agents; decision utility; individual choice making; psychological satisfaction; subjective comfort, 19630  
 economic deprivation; multiple sclerosis; cost of medical care; quality of life; emotional adjustment; families, 20410  
 economic development; transnationalism; migration; moral capital, 13366

## Economics—Serials

- economic exchanges; shared understanding; children; adults, 31870  
 economic forces; anti-immigrant attitudes; economic deprivation; out-group hostility; minority groups; political trends, 19747  
 economic globalization; homelessness; structural changes; government policy; urban redevelopment; privatization; deregulation, 25859  
 economic internality; savings behavior; motives; financial confidence; state intervention; economic locus of control, 16400  
 economic life; macro level structural changes; social choice; venture capital investors; choice behavior, 32087  
 economic policy; opinion formation; social process; uncertainty; rationality, 35044  
 economic pressure; marital conflict; Romania; maternal depression; social support; women; mothers, 25825  
 economic sanctions; public choice; interest group politics; interest group lobbying; policy formation; budget constraint, 22727  
 economic thinking; narratives; paradigmatic modes; lifeworld; society, 10113  
 economic thought; expert discourses; economic processes; society; colonization, 10106  
 economic transition; vulnerable populations; social welfare policies; luxury activities; economic changes; rural communities; Eastern Europe; poverty; basic necessities, 31938  
 economics language; social science theories; institutional designs; management practices; social norms; self fulfilling prophecies, 12027  
 economics language; social science theories; institutional designs; management practices; social norms; self fulfilling prophecies, 12028  
 economics language; social science theories; institutional designs; management practices; social norms; self fulfilling prophecies, 12016  
 economy; economic developments; causal attribution; hindsight bias; euro introduction; euro supporters; euro opponents, 6567  
 entrepreneurship; network externalities; social influences; agglomeration; economic characteristics; decision making, 31269  
 environmental attitudes; ecological behavior; economic liberalism; confirmatory factor analysis, 18568  
 ethnic group origin; Israeli women; mental health; social demographic strata; social support; health status; education; economic difficulties, 31985  
 Euro; European market; currency; comparability of prices, 2953  
 European currency introduction; Euro; economic changes; markets; psychosocial changes; currency conversion, 16403  
 financial education; JumpStart surveys; financial literacy; financial knowledge; high school seniors; test reliability; test validity, 31230  
 financial institution; positive profit; subsidy; upfront fee, 9496  
 gender responsive budgeting; government budgets; gender equitable resource allocation; public administration community; economic growth; social development, 25777  
 global telecommunications network; globalization; political divide; economic divide; mutuality; transitivity, 667  
 globalization debate; news source; World Economic Forum; global economic policies; media discourse, 654  
 globalization; sports; masters swimming; economics, 37136  
 heterogeneous expectations; foreign exchange market; daily dollar exchange rates, 34987  
 home; ways of living; transformations; neoliberal economic developments; contemporary global upheavals; displacements, 28870  
 intellectual disabilities; decision-making abilities; financial decisions, 14104  
 international joint ventures; explicit call options; equity; real options theory; transaction cost economics; strategic alliances, 24695  
 investment analyst; forecasting, 838  
 investment switching; trading strategy; transaction costs; buy-and-hold strategy; investment returns, 19647  
 investor performance; limit order trading; stocks, 27609  
 investor preferences; individual investment decisions; financial services; retirement income, 19620  
 Israeli marriages; job insecurity; marital relationships; economic changes; power relations; social interaction, 10151  
 Late-Medieval England; craft guilds; Christianity; occupational goals; spiritual goals; occupational endeavors; organizational behavior; economic trends; Reformation, 24591  
 low-functioning deafness; state benefits programs; social security; vocational rehabilitation, 14866  
 machiavellianism; sales volume scores; real estate salesperson performance; self-reported sales volume, 18407  
 management consulting; working conditions; stress; economic performance; organizational theory, 12100  
 market economy; contemporary family; economic transformation; social forces; Polish economy; democracy; European Union, 31961  
 market; economic processes; decision making; medieval schoolmen; political philosophers, 13384  
 marketing decisions; econometric models; policy simulations, 18558  
 mental disorder distribution; suicide attempts; economic recession; unemployment, 20207  
 mental health expenditure estimation; mental health policy; economics, 11035  
 money; economic concepts; preschool children; teaching program, 21328  
 multinational enterprises; economic development; governments; firm decision making; managers, 24592  
 natural capital metaphor; education; learning; sustainable development; economic capital, 30648  
 natural capital; metaphor; economic understanding; environment knowledge; sustainable development, 30979  
 neurosciences; neuroeconomics; brain consilience; human behavior, 3604  
 nonmarket valuation; angler specialization level; recreation specialization; willingness-to-pay; fishing, 24705  
 obesity; economic analysis; physical activity; eating choices; health behavior, 5364  
 pauper patients; Haydock Lodge Asylum; private institutions; publicly funded patients; poor law commission; mentally ill; treatment, 33439  
 petro-linguistics; oil; English language; Islam; Arabian Gulf region; economics, 22632  
 physical activity; economics; societal trends; quality of life; public health; health outcomes; lifestyle, 5376  
 Post Keynesian consumer theory; consumer research; economic psychology, 2928  
 Post Keynesian pricing theory; decision making; uncertainty; habits; institutions; consumer theory; microeconomics, 2927  
 post Keynesian theory; decision making; uncertainty; economic theory, 252  
 power structure; rural economy; economic development; social programs, 858  
 presenteeism; worksite health promotion program; employee productivity management; economic returns, 21506  
 price discrimination; price changes; Internet; consumer perceptions; fairness; pricing mechanisms; fair prices; yield management, 24729  
 primary commodity exports; civil war; national income; oil; rebel finance, 28862  
 private policing; economic crime; democratic governance; policing functions; private security firms; financial security; accountability, 24851  
 private policing; public policing; economic crime; neo-liberal market economies; forensic accounting and corporate investigation, 27953  
 professional competition; Economic Value Added; management control strategies; finance managers; inter professional competition; professional jurisdiction; symbolic rewards; work knowledge, 24720  
 psychological consequences; price expectations; currency; unit of account, 19629  
 real effort; emotions; power to take game; economic decisions; behavior, 22863  
 religion; social stratification; social justice; economic issue, 862  
 resource dependence; economic performance; political stability; models; Botswana; Zaire; Indonesia; elites; private sector; world market, 28859  
 resources; rebel recruitment; endowments; rebel groups; war, 28909  
 social capital; economic adaptation; immigrants; refugee; social network, 10108  
 social conflict; civil war; economic development; Middle East conflicts, 13383  
 social construction; market value; corporate practices; institutionalization; stock market; market reactions; corporate governance, 15274  
 social mood; business activity; financial economics; market volatility; stock market; financial decision-makers; economic activity; emotions; consumers, 37163  
 social relations; economic relations; dispute resolution; negotiation; conflict escalation; power balance; accountability; cooperative motivation; time, 35213  
 suicide; socioeconomic indicators; socioeconomic change; suicide trends; female rates; male rates; time series; Ireland, 26279  
 technological change; market growth; technological evolution; innovation; businesses, 30904  
 technology adoption; Social-Economic-Psychological model; online investors, 24730  
 technology push; demand pull; technological paradigms; development pattern; computing technology; economics, 35048  
 trade restrictions; consumer attitudes; comparative advantage; globalization; business, 2925  
 transaction cost economics; administrative efficiency; human resource management; payroll; outsourcing, 33944  
 university roles; knowledge transfer; university-industry relations; commercial entities; academia; economic development; social prosperity, 27314  
 urban schools; Japan; educator attitudes; economic decline; educational motivation; decision making; students; parents; socioeconomic stratification, 36815  
 welfare economics; health care; decision making; right to die; social choice; healthcare rationing, 27340  
 White women; assortative mating; economic prospects; marriage; working women, 4021  
 White women; assortative mating; economic prospects; marriage; working women, 4022  
 White women; assortative mating; economic prospects; marriage; working women; androcentric model; gynocentric model, 4012  
 womens organizations; market situation; market economy; low income families; labor market; economic transformation; unemployment; poverty; Poland, 31939

 educational attainment; inhibition; smell identification; orbitofrontal cortex; behavioral measures; delayed alternation; orbitofrontal function, 526  
 educational attainment; socioeconomic status; models of agency; choice; educational background; values; preferences; cultural products; rock music; country music, 16655  
 educational barriers; Latinos; Georgia; educational outcomes; educational attainment, 33672  
 educational differences; parent-child relations; child care; economic support; parental behavior, 7366  
 educational level; brain; functional activation; working memory; high school education; college education, 25215  
 educational level; neuropsychological impairment; late-life depression, 23037  
 educational level; working women; women perceptions; marriage; marital living standards; labor force participation, 7305  
 employer preferences; rehabilitation program graduates; bachelor's degree; master's degree; job titles; education; credentialing desired; salary expectations; projected growth, 2372  
 ethnic differences; blacks; whites; educational attainment; student attitudes; educational expectations, 15206  
 family background; educational aspirations; academic achievement; educational attainment, 36890  
 family dynamics; gender differences; educational attainment; Filipino adolescents; parenting style; marital relationships; parent child relationships; sex differences, 30710  
 family education; literacy; maternal education; low-income children; literacy achievement, 11902

herpesviridae; APOE epsilon 4 gene; APOE epsilon 3 haplotype; education level; cognitive impairment; dementia risk; genetic factors; environmental factors, 26643  
 HIV; AIDS; social development; educational development; orphaned adolescents; child headed households; parent care; South Africa, 35929  
 household wealth; wealth inequality; wealth holdings; home equity; socio-economic background; educational attainment; marital status, 35021  
 mathematic education; proportional reasoning; student attitudes; educational experience; age, 15213  
 occupational aspirations; gender; educational attainment, 12069  
 optimism; socioeconomic status; school achievement; vocational education; early childhood development; infancy; early adulthood; education, 10324  
 parental investment; parental status; sex discrimination; resource allocation; educational attainment level; sons; daughters; Trivers Willard hypothesis, 35135  
 professional identity; educational level; nurse perceptions; interprofessional collaboration, 14953  
 religiousness; marital satisfaction; marital problem solving; marital style; educational level; hopelessness, 19701  
 school-work transitions; occupational attainment; educational attainment; socio-economic background; gender differences, 11954  
 social disparities; tobacco use; occupation; education; gender differences; prevalence, 32066  
 student attainment; Programme for International Student Assessment; PISA study; international comparisons, 11908  
 test validity; Wide Range Intelligence Test; race; ethnicity; gender differences; education level, 9368  
 traumatic brain injury; education level; perceptual organization skills; information processing speed, 17248  
 vocational rehabilitation; quality of life; multiple sclerosis; life satisfaction; educational level; employment status; stress; symptoms, 11593  
 womens educational attainment; parenthood; career opportunities; educated women, 35106  
 years of education; reading level; self-report; neuropsychological implications; demographic variables; age; gender; education level, 18777  
**Educational Attainment Level—Chapters**  
 Civil rights and academic development: Mixed methods and the task of ensuring educational equality, 12650  
 Home to School to Work—Transitions for African Americans: Eliminating Barriers to Success, 13421  
 Including Latino immigrant families, schools, and community programs as research partners on the good path of life (el buen camino de la vida), 12635  
**Educational Audiovisual Aids—Serials**  
 childrens discrimination; source recall; seen actions; rehearsals; test modality; childrens memory; heard events; no source recall; cue recall, 15929  
 continuing education; telemedicine network; tele-education, 5677  
 Fatal Vision Goggles; college students; drunk driving; student attitudes, 7418  
 technological aids; developmental achievements; multiple disabled children; minimal motor behavior; dystonic behavior; learning; chin movements, 10424  
**Educational Audiovisual Aids—Chapters**  
 Auditory Instruction, 8902  
 Visual Representations and Learning: The Role of Static and Animated Graphics, 8901  
**Educational Background** [See Also Educational Attainment Level, Parent Educational Background]—Serials  
 African Americans; cognitive abilities; age; educational experiences; elders, 812  
 college attendance; college students; alcohol consumption; alcohol use disorders, 4163  
 maladaptive behaviour patterns; inner meaning fulfillment; demographic variables; age differences; ethnicity; educational background, 24522  
 multidimensional assessment; family involvement; elementary students; academic success; educational background, 11915  
 older adults; University for Older Adults; historical backgrounds; socioeconomic backgrounds; educational backgrounds, 33764  
 psychological states; economic status; education; fatigue; older adults, 815  
 school-work transitions; occupational attainment; educational attainment; socio-economic background; gender differences, 11954  
 students self monitoring practice; educational level; task importance; graduate schools; elementary schools, 18228  
**Educational Background (Parents)** [See Parent Educational Background]  
**Educational Counseling—Serials**  
 college counseling; student retention; counseling centers; quality of services, 18351

## Volume 92 SUBJECT INDEX

### Educational Counseling—Serials

forgiveness; developmental guidance; classroom guidance program; program effectiveness evaluation, 12002  
group therapy; dissertation writers; university counseling service; graduate students, 2731  
guidance curriculum; comprehensive guidance; counseling programs; trends; school counseling; Missouri Model, 21469  
psychology program; academic advising, 12004  
school based intervention; child centered play therapy; Hispanics; at risk population; school counseling; behavioral problems, 30101  
school counseling; educational equity; educational opportunities; higher education; students of color; high school guidance; college access; racial differences; counselors, 15263  
student counsellors; higher education; lone counsellors; counselling; counsellor role, 11713  
talent search program; career development; counseling services; low-income students, 21457  
test anxiety; individual psychotherapy; group psychotherapy; directed treatment; psychological well being; emotional well-being, 2732

### Educational Counseling—Chapters

Behavioral Interventions for Reducing Procrastination Among University Students, 9021  
A Cognitive-Behavioral Approach in Group Treatment of Procrastinators in an Academic Setting, 9016  
"Decided," "undecided," and "in transition": Implications for academic advisement, career counseling, and student retention, 15266  
Description and Counseling of the Perfectionistic Procrastinator, 9015  
First-year students: Embracing their diversity, enhancing our practice, 15244  
Perspectives on Counseling the Procrastinator, 9020  
Procrastination in Academic Settings: General Introduction, 9019

### Educational Degrees—Serials

capstone gerontology seminar; certificate in gerontology; undergraduate certificate; graduate certificate; seminar design; seminar implementation, 15141  
community college; baccalaureate degree granting; educational institution, 2616  
degree programs; psychology; educational backgrounds; part time students; full time students, 27469  
European Diploma in Psychology; training course content; professional psychologists; competences; professional qualification; occupational standards; European standard; curriculum, 27272  
European Diploma of Psychology; professional ethics; profession of psychology; accreditation; professional quality; standards; accredited curriculum; on-the-job performance; requirements, 27303  
European Diploma; psychology; qualifications; mutual recognition; professional standards; accredited curriculum; higher education; professional practitioners; competencies; outcomes; field of practice, 27286  
European Diploma; psychology; qualifications; mutual recognition; professional standards; accredited curriculum; higher education; professional practitioners; competencies; outcomes; field of practice, 27299  
graduate business degrees; specialist business degrees; managers competencies; skills; career progress; specialized programs; business alumni; human capital, 33821  
high school exit examinations; high school completion; educational policy; general educational development; socioeconomic status; academic achievement, 24516  
obituary; Lloyd Gorton Humphreys; psychonomic society; PsyD degree founder, 2365

### Educational Degrees—Chapters

The General Educational Development (GED) Credential: History, Current Research, and Directions for Policy and Practice, 15060  
Information technology as an effective tool in delivering high-quality business communication skills, 18204

### Educational Diagnosis—Serials

aptitude-achievement discrepancy; assessment procedures; scientific footing; field of learning disabilities; special education, 24565  
Cattell Horn Carroll based cognitive assessment; program development; intervention design; school psychology practice; learning disabilities; mental retardation; eligibility; identification practices, 24987  
classification system; learning disabilities; Identification, 23409  
diagnostic accuracy; predictive validity; R-CBM; high-stakes testing; Minnesota Comprehensive Assessment; reading curriculum-based measurement, 36886  
French school system; acceleration; enrichment; special classes; counseling; parental role; identification practices, 30789  
individual student learning diagnosis; diagnostic algorithm; diagnostic & remedial learning strategies; academic performance; concepts, 2712

learning disabilities; school improvement; education curriculum; response to intervention approach; specific learning disabilities identification, 24548  
students with learning disabilities; student competence; student needs; problem-solving model; special education; assessment practices; decision making, 24572  
talented children; gifted children; giftedness programs; Israel, 30788

### Educational Diagnosis—Chapters

Enhancing language and communication development in autism spectrum disorders: Assessment and intervention guidelines, 14136

### Educational Environment [See School Environment]

### Educational Field Trips—Serials

virtual museum learning; digital learning environments; on-line learning activities; children; virtual space; physical space, 8886

### Educational Financial Assistance—Serials

clinical research school; non-profit educational organization; evidence-based health care; scholarships, 8749  
educational support; postsecondary education; disabled students, 24567  
employer-sponsored part-time college education; job mobility; Tuition Assistance program; U.S. Navy, 36994  
out-of-school hours; academic coaching; academic performance; yearly examinations; academic scholarships; elementary school students; secondary school students, 8935  
Pell Grants; prison inmates; higher education; offender recidivism rate; prison-based college education, 8713  
public administration; scholarship; narrative inquiry; research orientation; social change; leadership, 34343  
scholarship; students; practitioners expectations; human service professionals; college students, 21089  
scholarships; psychology education; teaching; education research; school service; school administration; Society for the Teaching of Psychology, 8821  
student finances; urban university students; financial disparities; economic experiences; rural university students, 36787

### Educational Financial Assistance—Chapters

High-Stakes Testing: Literacy by the Numbers, 21341

### Educational Guidance [See Educational Counseling]

### Educational Inequality [See Equal Education]

### Educational Intervention [See School Based Intervention]

### Educational Laboratories [See Also Language Laboratories]—Serials

computer-based neuroscience laboratories; interactive software; neuroanatomy; neurophysiology; psychophysiology; computer-based technology, 11837  
counseling research; therapy training; course structure; scientific methodology; course evaluation; student perceptions; psychotherapy; research laboratory course; scientist-practitioner model, 33610  
distance learning; Virtual Radiopharmacy Laboratory; Internet; learning scenarios; functionality; motivation; technological decisions for optimization, 5793  
introductory course; physics course; lectures; course features; laboratory; course objectives, 11848  
pseudoscientific claims; research methods course; comprehensive laboratory projects; curriculum immersion; professional-grade laboratory experiment; dubious claim testing; 10-week class schedule, 33770  
students perception; science laboratory environment; senior secondary schools, 24521  
teacher student interaction; gifted students; students attitudes; chemistry; laboratory classrooms; Singapore, 36939

### Educational Measurement [See Also Curriculum Based Assessment, Entrance Examinations, Grading (Educational)]—Serials

academic achievement gap; racial segregation; accountability; school level performance; standardized test performance; racial distribution, 11897  
academic assessment; behavioral assessment; educational assessment, 21238  
academic self-concept; standardized test scores; causal ordering models; academic achievement; academic interest; school grades, 21371  
alignment; content validity; Wisconsin Alternate Assessment; disabled students, 12555  
alternate assessment portfolio system; structural validity, 102  
assessment instrument; teacher beliefs; preschool teachers; developmental skills, 11810  
assessment policy; higher education; assessment criteria; social justice; equity, 15678  
assessment process; assessment models; learning; social constructivist approach, 15684  
assessment standards; business school; explicit knowledge; consistent judgements; higher education; local level understanding, 15682  
assessment task verbs; teacher student interaction; lecturers; academic assessment, 30739

### Educational Measurement—Serials

Attribute Hierarchy Method; cognitive assessment; psychometric practice; educational tests; psychological tests, 105  
child writers; metacognition; writing education; writing assessment, 15138  
classical test theory; educational tests; psychological tests; social sciences, 15555  
classroom behavior; quality of instruction; teaching goals; child perception; social climate; classroom management; classroom practice measurement, 6372  
classroom practice; artifact collection; scoring procedure; mathematics; science; educational measurement; test development; test reliability; test validity, 28089  
cognitive ability; achievement; test validity; psychometrics; Woodcock-Johnson Tests; Wechsler Intelligence Scale for Children, 21872  
college examinations; examination objectives; exam types; testing methods; motivation, 9448  
college students; assessment of class participation; development of assessment criteria; student participation; gender bias; tutor assessment; peer assessment; formative feedback; introductory course, 24524  
computer based diagnostic language tests; Common European Framework of Reference; language skills; language proficiency; English; testing system, 27963  
computer networking; Markov chain Monte Carlo; computer based interactive assessments; student performance; modeling, 9444  
concept mapping techniques; created linking phrases; selected linking phrases, 28310  
concurrent validity; predictive validity; Phelps Kindergarten Readiness Scale; academic achievement, 18807  
construct validity; psychometrics; multiple content testing programs; Comprehensive Tests of Basic Skills; Maryland School Performance Assessment Program; reading; mathematics, 6370  
content area tests; assessment programs; performance standard; models, 3263  
contested discourses; learning; higher education; assessment processes; life learning quantification; mature students, 15681  
cultural influence; educational assessment; learning; Native American students; academic achievement, 15191  
culture; measurement; assessment, 31118  
cut score setting process; public school district; teachers; district administrators; consultants, 27423  
developmental dysgraphia; proficient & dysgraphic handwriting; digitizer based & conventional handwriting process & product evaluation; copying; dictation; elementary school students, 3159  
diagnostic accuracy; predictive validity; R-CBM; high-stakes testing; Minnesota Comprehensive Assessment; reading curriculum-based measurement, 36886  
differential item functioning; dimensionality; group differences; subtest items; multidimensionality; educational measurement, 34313  
disabled students; accountability systems; students performance; standards assessment; school inclusion, 36933  
doctoral student evaluation system; portfolio development; student competence; counselor education, written comprehensive examinations; oral examinations, 28091  
eating; examination stress; real life stressor, 16590  
Education Participation Scale-Modified; continuing education; social workers; test validity; test reliability, 18833  
education system; assessment systems; educational standards; educational reforms; social change, 36807  
education system; educational assessment; Denmark, 33681  
education; grading; assessment, 33817  
educational achievement; student achievement level; domain level approach, 24991  
educational assessment; assessment instruments; test reliability; test validity; instrument development, 9453  
educational assessment; foster care; health; mental health; achievement problems; language problems, 10182  
educational assessment; linking model; examination standards, 31232  
educational measurement; higher education outcomes; multidimensional Rasch model; education curriculum, 3259  
educational measurement; scientific communication, 34290  
educational practitioners; school performance assessment, 24493  
Effective Lifelong Learning Inventory; learning instruments development; lifelong learning capacity, 9438  
emotional intelligence assessment; gifted students; non gifted students; high school students, 33878  
English language teaching; National Matriculation English Test; change; high stakes tests; washback effects, 18812  
essay grading; signal detection theory; rater behavior; model, 24864  
examiners; marking reliability; educational examinations, 11765  
explicit instruction; writing from sources; text composition; instruction strategies; assessment criteria; students performance; discourse synthesis, 11867

- formative assessment; cybernetics; alternative assessment; feedback, 36797  
formative feedback; student progress; grades; teaching, 36801  
formative summative assessment; examinations; exam teaching potential; feedback; teaching method, 33792  
gender; essay assessment; undergraduate history essays; assessment feedback; higher education, 15683  
gifted students; talented students; identification, 15259  
grade discrepancy; student rating; lenient instructors; teacher evaluation; grading leniency, 2662  
hand-held computer devices; assessment; science learning; student progress; teachers, 27486  
high stakes testing; disabled students; individualized education programs; education assessment, 5889  
instructional practices; state alternate assessment scores; teacher training; student assessment; student performance; individualized education program goals, 18137  
instrument development; law learning tasks; task complexity assessment; test validity; test reliability, 28096  
item parameters; item-fit statistic; item discrimination; item difficulty; level of guessing, 93  
item writing rules; collective wisdom; student assessment; teacher-made tests; validity concerns; test construction, 31226  
journal editorial; educational disciplines; tool development; tool design, 11774  
knowledge; informative measures; concept maps; problem sorts; statistics; test validity, 15677  
leadership attitudes; study habits; student types; test validity; Leadership Attitudes and Beliefs Scale; life-long learning; grade point average, 18822  
limited english proficiency; accommodations; National Assessment of Educational Progress; student assessment; academic performance; content difficulty, 3257  
linguistic sources of differential item functioning; item bias; second generation immigrant students; Final Test of Primary Education; Netherlands, 18821  
measurement accuracy; Mathematics National Curriculum Tests; ethnic minority pupils; English as a second language; misfitting response patterns, 104  
measurement error; psychometric definition; categorically scored examinations; examination reliability; proportional reduction in loss, 103  
moral orientation; student attitudes; exam importance; supervision level; peer norms; middle school students; situational variables; active cheating; passive cheating, 15228  
multiple-choice tests; error patterns; test construction; response options, 18818  
negative marking; educational measurement; multiple choice; true/false tests; test reliability; measurement error, 9437  
No Child Left Behind Act; high stakes; law merits; psychologists; standardized testing; Virginia public schools; academic achievement, 30600  
on line curriculum; assessments; education, 9435  
online learning; assessment; postgraduate course; writing, 15675  
panelists decision; standard setting; educational measurement; item performance estimates; barely proficient student, 27422  
performance standards; achievement tests; educational measurements; standard-setting procedures; Bookmark procedure, 28088  
polytomous item families; Bayesian hierarchical modeling; Markov Chain monte carlo algorithm; educational assessment; educational progress; model parameter assessment; item interdependence, 31261  
process quality; Infant and Toddler Environment Rating Scale; Early Childhood Environment Rating Scale; School Age Care Environment Rating Scale, 18809  
psychiatry clerkship; psychiatric education, 18012  
psychoeducational assessment; African American students; special education; Brown versus Board of Education; history, 21436  
psychometrics; test validity; test reliability; School Function Assessment-Chinese version, 21867  
rater effects; latent trait models; Rasch model; educational performance, 5825  
reading comprehension; assessment; computer-supported tools, 18817  
reading; performance assessments; Simple View of Reading; reading test; test validity, 28095  
school counselors; high-stakes testing; counselor perceptions, 2723  
school curriculum; Hong Kong primary schools; learning assessment; formative assessment; school learning, 36810  
science achievement; achievement gaps; social status; educational progress; protective factors; academic resilience; socioeconomic status; minority status; gender, 8953  
science curriculum; reading assessment; learning activity; student achievement; scientific information, 21302  
self-learning scales; primary students; Rasch measurement methods; validation; true score, 108  
self-regulation; educational psychology; dual processing self-regulation model; volition; validity & reliability; assessment; classroom intervention, 21373  
self-regulation; educational psychology; dual processing self-regulation model; volition; validity & reliability; assessment; classroom intervention, 21387  
single sex schooling; gender equity reform; public middle school; educational reform; low income students; students of color; standardized test scores; accountability standards & testing, 11807  
standard setting criteria; sponsors' perspective; educational assessments; performance standards, 21379  
standard setting studies; panelists; thinking process, 27444  
standard setting; educational measurement, 27520  
standardized tests; student success; talent, 24992  
state policies; accountability requirements; No Child Left Behind; assessment participation; participation policies; accommodation policies; disabled students, 15254  
statistical examination; work products; open response tasks; evidence identification rules; data analysis; computers; statistical natural language processing, 9439  
student assessment practices; perceptions of training adequacy; school counselors, 21173  
student assessment results; instruction improvement, 33775  
student learning; learning journals; assessment; pedagogy, 18161  
student learning; student-centered learning environment; hypermedia; assessment methods; factual knowledge; academic motivation; seventh graders, 5846  
student proficiency levels; classifications consistency; item response theory models; state assessment program; state defined performance standards; item response theory, 30621  
student writing; assessment; higher education; teachers; motivated signs, 15685  
students' perceptions; evaluation; assessment; higher education, 24541  
Swedish Scholastic Aptitude Test; structural equation modeling; factor analysis; educational measurement, 31219  
teachers conceptions; target examinee; Angoff standard setting; cut score processes, 27424  
teaching questionnaires; learning questionnaires; shared variance; Wilks' lambda, 34288  
test analysis; Northern Ireland Transfer Procedure Tests; student selection; grammar schools, 31227  
test characteristic curve linking method; testlet model; item response theory; link calibrations; educational tests, 31265  
test development issues; educational measurement, 28094  
Third International Mathematics and Science Study—Repeat; TIMSS-R; contextual factors; mathematics performance; South Africa; school level; classroom level; combined model; 8th grade students, 30712  
Third International Mathematics and Science Study—Repeat; TIMSS-R; mathematics achievement; student level; class level; school level; student characteristics; 8th grade students; Belgium, 30737  
Third International Mathematics and Science Study—Repeat; TIMSS-R; TIMSS 95; secondary analyses; explanations; mathematics achievement; cross cultural differences; Belgium; South Africa; Netherlands, 30713  
Third International Mathematics and Science Study; TIMSS 1995; TIMSS 99; cross cultural differences; mathematics performance; instruction environments; background characteristics; 8th grade students, 30725  
Third International Mathematics and Science Study; TIMSS-95; TIMSS-99; mathematics curriculum; Netherlands; Belgium; curriculum change; curriculum alignment; cross cultural differences; 8th graders, 30682  
Third International Mathematics and Science Study; TIMSS1999; US middle schools; Asian middle schools; mathematics achievement; academic environment; student background; cross cultural differences, 30728  
Third Mathematics and Science Study; diagnostic assessment; eighth graders; mathematics performance; cultural differences; United States; Singapore; Israel, 33799  
TIMSS Mathematics Performance Assessment; Netherlands; cross cultural differences; test replication; curriculum discrepancy; student achievement; trends; secondary education; 8th grade students, 28099  
transfer of knowledge; assessment standards; higher education; student performance, 15132  
vertically moderated standards; Palmetto Achievement Challenge Tests; mathematics; language arts; predictive nature; consistency; elementary school students; junior high school students, 18811  
vertically moderated standards; practices; assumptions; student progress; school accountability, 21362  
write up assessment form; psychometric characteristics; medicine core clerkship; scores reliability; scores validity; write-up grades; medical students; case write ups; writing skills, 21869  
writing test stimuli; child attitudes; task difficulty; choice, 12550

6-hydroxydopamine; snail neurons; long term sensitization; neuron membrane changes, 34716  
antisocial personality disorder; brain dysfunction; homicidal male offenders; vigilance; homicide; electroencephalographic activity, 32496  
binaural beat audio; brain activity, 3614  
blindness; neuroplasticity; neuroprostheses; visual structures; electrical stimulation, 10988  
brain activity; default-mode brain activity; functional MRI research, 6801  
brain activity; sentence comprehension; rapid speech; complex syntax, 6789  
brain electrical activity; inhibitory control; ADHD; attention deficit hyperactivity disorder; performance monitoring; error detection; children; event related potentials, 23368  
brain electrical activity; treatment refractory schizophrenics; olanzapine; psychopathology, 26815  
cerebellar interpositus neurons; cerebellar afferents; delay eyeblink conditioning; field potentials; neuronal activity; inferior olive; age differences; postsynaptic potential; postnatal rats, 485  
cognitive modulation; pain-related brain responses; behavioral strategy; pain; brain activity; attention-related activity, 21976  
cognitive modulation; pain-related brain responses; behavioral strategy; pain; brain activity; attention-related activity, 21975  
conditional reasoning; arbitrary materials; left parietal frontal system; neural activity; neuroimaging, 6786  
cortical activation; cochlear implant; auditory cortex; postlingually deaf, 5317  
development; global approach; brain electrical activity; non linear methodology; global linear description, 25459  
emotional memory; neural processes; neural correlates; encoding; retrieval, 25417  
episodic memory retrieval; object memory; spatial location; temporal order; cortical activation; functional magnetic resonance imaging; prefrontal cortex; parahippocampal gyrus; parietal regions, 479  
fast delayed rectifier potassium; circadian neural activity; suprachiasmatic nucleus; mouse brain; electrical activity, 22556  
fornix lesions; cingulohypothalamic neuronal patterns; discrimination learning; rabbits, 6796  
frontal cortical asymmetry; anger-out; anger-control; anterior symmetry; brain regions; affective valence; motivational direction; behavioral activation; emotion, 6836  
fronto-parietal circuits; elders; brain magnetic activity; recognition process; memory, 439

functional magnetic resonance imaging; individual differences; sleep deprivation; aviation; fatigue; fatigue vulnerability; cortical activation; military pilots, 25371  
gamma band activity; metric structure; rhythmic tone sequences; auditory cortical rhythm processing; long latency auditory neuroelectric responses, 28499  
gamma band responses; perturbed auditory sequences; perceptual process synchronization; neuroelectric gamma band activity; isochronous pure tone sequences; temporal perturbations, 25462  
gamma-band activity; cognitive functions; cognitive processes; gamma oscillations; memory, 480  
gender differences; body image; unpleasant word stimuli; brain activity, 13028  
Gilles de la Tourette syndrome; voluntary movement; motor cortex activation, 26592  
Gilles de la Tourette syndrome; voluntary movement; motor cortex activation, 32791  
human parahippocampal activity; rapid eye movement sleep; wake sleep transition; sleep onset; epilepsy; hippocampal functioning; hypnagogic hallucinations, 35968  
infrared imaging; human skull; brain activity; prefrontal cortex, 5259  
left-hemispheric brain activity; formant transitions; speech sounds; constant-formant vowels; speech processing, 22308  
methylphenidate; dopaminergic neurons; ventral midbrain; rats, 16113  
motion verb sentences; left posterior middle temporal cortex; sentence; brain activation; sentence context, 22316  
motion; steady state responses; induced gamma activity; moving stimuli; visual perception, 22305  
neural coding; cortical neural responses; statistical interpretation; neural response variability; cerebral cortex, 31590  
neural efficiency; age related changes; cognitive strategy; brain activity; item recognition, 31619  
neurofeedback; electromagnetic fields; brain wave activity; alpha frequency; beta frequency; theta frequency bands, 3615  
neuronal firing variability; electrical activity; neural noise; sensory processes; motor processes; theories, 28516  
neuronal firing; field potentials; functional magnetic resonance imaging; fMRI; human auditory cortex; brain function; neurosurgical patients; cortical neurons, 31606  
NREM sleep dream recall; dream length; cortical activation; non rapid eye movement sleep; sleep, 306  
obsessive compulsive disorder; anterior cingulate cortex; brain activity; cognitive dysfunction; Stroop task, 35542  
obsessive-compulsive disorder; electromagnetic tomography; cingulate gyrus, 5276  
odor mixture; neural resources; problem solving; brain; electrical activity, 22306  
parietal cells; haptic working memory task; patterned firing; somatosensory cortex; monkey; firing frequency; short-term mnemonic retention; tactile information, 31649  
personality traits; mood states; anterior cingulate; negative mood; functional connectivity; emotional stimuli; positive mood; brain responses, 475  
personality traits; mood states; anterior cingulate; negative mood; functional connectivity; emotional stimuli; positive mood; brain responses, 478  
personality; brain oscillatory systems; electroencephalography; Korean population, 32182  
response bias; centromedian thalamus; monkey; large reward; small reward, 28513  
response conflict; pain; effect; anterior cingulate cortex; activation, 34677  
sentence processing; brain electrical patterns; semantic content; structure processing; preschoolers; event-related potential effects; syntactic anomaly; semantic anomaly, 22475  
sentence translation; brain correlates; Finnish-Norwegian bilinguals; brain activation, 22263  
sleep cycle; wakefulness; preterm newborns; neonates; postmenstrual ages, 26506  
spatial analysis; spike; hippocampus; long term potentiation; long term depression, 28517  
theta oscillations; upper alpha oscillations; working memory task, 31658  
tomographic neurofeedback; self-regulation; brain electrical activity; cognitive processes; learning, 3656  
transcranial magnetic stimulation; neuropsychopharmacology; cortex; electromyography; electrical properties; channel blockers; epileptic seizures; sleep deprivation, 23926  
ultrashort impulses; broadband electromagnetic irradiation; sleep; electroencephalography; cerebral cortex; electrical activity; rats, 34683  
visual memory; stimulus integration; distributed neuronal assemblies; short-term memory; oscillatory priming, 9628

working memory; paediatric head injury; severe head injury; functional magnetic resonance imaging; recovery, 29825

#### **Electrical Activity** [See Also Alpha Rhythm, Cortical Evoked Potentials, Delta Rhythm, Evoked Potentials, Kindling, Postactivation Potentials]—Chapters

Non-acoustic influence on neural activity in auditory cortex, 19217

#### **Electrical Brain Stimulation—Serials**

auditory stimulation; auditory pathway development; electrical brainstem auditory potentials; ears; cochlear implants, 13244  
brain computer interface; paralyzed patients; electrical brain activity; messages; muscles, 20549  
bulimia nervosa; transcranial magnetic stimulation; depressed patient, 5029  
cranial electrotherapy; gamma frequencies; cortical activity, 5268  
deep brain stimulation therapy; vegetative state; brain injury; thalamic center median-parafascicular complex; mesencephalic reticular formation, 33289  
deep brain stimulation; neuroanatomy; electrodes; obsessive compulsive disorder; surgical technique, 33231  
dyskinesia; chronic pain; thalamic chronic electrode implants; intralaminar thalamic stimulation; neurolinguistic functions; language functions; language processing; cognitive processing, 14579  
excitability profile; motor evoked potentials; silent periods; human cortical circuits; paired transcranial magnetic stimulation; interstimulus intervals, 13058  
focal brain stimulation; treatment-resistant depression; transcranial magnetic stimulation; vagus-nerve stimulation; deep-brain stimulation, 20831  
locomotor patterns; decerebrate cats; epidural stimulation; spinal cord, 34608  
spatial attention; sensorimotor integration; transcranial magnetic stimulation; motor cortex, 25404  
subthalamic nucleus; delusion; Parkinson's disease; deep brain stimulation; side effects, 5311  
vagal nerve stimulation; epilepsy; depression; anxiety; Alzheimer's disease; clinical applications, 23669  
vagus nerve stimulation; child psychiatry; adolescent psychiatry; treatment refractory epilepsy; treatment resistant depression; chronic depression; recurrent depression, 14587  
vagus nerve stimulation; epilepsy; fragile X syndrome; adult males, 5316

**Electrical Injuries—Serials**  
autonomic nervous system; nervous system dysfunction; electrical injuries; lightning; electrical trauma; neurorehabilitation, 20548  
brain injuries; cerebral disorders; electrical trauma; neurorehabilitation; lightning; brain lesions; central nervous system, 20591  
diagnosable malingering; electrical injury; severity; neurological injury, 23561  
electrical injuries; behavioral disorders; neurorehabilitation; lightning; mental disorders; cognitive impairment; posttraumatic stress disorder; pain syndromes, 20571  
electrical trauma injury; biophysical injury; transduction mechanisms; rehabilitation; socio-economical benefits; lightning injury, 20400  
lightning strike; electric shock survivors; support group, 20981  
rehabilitation; burn injured patients; lightning; electrical trauma; pain management; exercises, 20446  
spinal cord injuries; neurorehabilitation; lightning strike; electrical trauma; clinical manifestations; clinician, 20552

**Electrical Stimulation** [See Also Electrical Brain Stimulation, Electroconvulsive Shock]—Serials  
Alzheimer's disease; peripheral electrical stimulation; treatment effects; cognition; behavior; nursing home; verbal fluency; at home treatment, 23991  
electric footshock; corticosterone; methamphetamine; self administration; rats, 13109  
electric stimulation; acoustic stimulation; auditory system; hearing loss; cochlear implant, 32874  
eye orientation; electrocutaneous stimuli; pain perception; unpleasantness threshold; pain threshold, 12670  
spinal cord stimulation; neuropathic pain, 14630  
spinal cord stimulation; neuropathic pain, 14646  
transcutaneous electrical nerve stimulation; Alzheimers disease; mild cognitive impairment; elderly; memory, 17288  
treatment; LY 300164; plasma levels; adenosine receptor agonists; electroconvulsive threshold, 540

**Electrocardiography—Serials**  
clinical neurophysiology services; psychiatry; electrocardiography, 33367  
electrocardiographs; ziprasidone overdose, 29524  
expert system; electrocardiographic changes; epilepsy; neural network, 23574  
Ziprasidone; QTc intervals; electrocardiographic changes; safety profile; pediatric outpatients, 8281

**Electroconvulsive Shock [See Also Electroconvulsive Shock Therapy]—Serials**

dehydroepiandrosterone; sulfate ester; therapeutic effect; electroconvulsive shocks; animal model; depression; basal serum levels, 29321

electroconvulsive shock seizures; dopaminergic agonists; animal locomotion; rats; immobility; Porsolt test, 6818

electroconvulsive shock: Cdk2-pRB-E2F1 cell cycle pathway activation; frontal cortex; rats, 9773

rats; conditioning; habituation; stimulus salience; modulation; footshock; cues; partial reinforcement; continuous reinforcement, 28379

**Electroconvulsive Shock Therapy—Serials**

apolipoprotein E: polymorphism; major depression; electroconvulsive therapy; neurodegenerative diseases, 20832

astotile; bradycardia; electroconvulsive therapy; major depression; anesthetic induction; etiology, 1936

attempted suicide; depression; mental health services, 33361

attention-dependent auditory processing; electroconvulsive therapy; psychotic depression; auditory event-related potentials, 20836

bifrontal electroconvulsive therapy; unipolar & bipolar depression; elderly patients, 1933

bilateral exophthalmos; therapy resistant disorders; augmentation strategy; depressive syndrome; endocrine ophthalmopathy; antidepressant drugs; drug augmentation, 35427

bipolar disorder; guilt; depression; professional commitment; electroconvulsive therapy, 8818

brain kindling; rats; electroconvulsive shocks, 6759

catatonia; autism; life-threatening disorder; motor abnormalities; mutism; behaviour disturbances; diagnoses; electroconvulsive therapy, 10752

chronic renal failure; hemodialysis; electroconvulsive therapy; bipolar depression, 20839

clinicians; prescriptions; electroconvulsive therapy, 8354

cognitive outcomes; health; electroconvulsive therapy; mood disorders; depression, 1926

cognitive status; psychiatric patients; maintenance electroconvulsive therapy, 11305

cost-effectiveness; repetitive transcranial magnetic stimulation; electroconvulsive therapy; nonpsychotic severe depression, 5270

Cotard's syndrome; electroconvulsive therapy; delusional disorder; drug therapy; depression, 8350

cranial electrotherapy; gamma frequencies; cortical activity, 5268

depressed patients; depressive disorders; tumor necrosis factor; electroconvulsive therapy; severe depression; plasma levels, 1923

depressed patients; depressive disorders; tumor necrosis factor; electroconvulsive therapy; severe depression; plasma levels, 20830

depression; primary health care; electroconvulsive therapy; cognitive-behavioral therapy; antidepressants, 8136

depression; primary health care; electroconvulsive therapy; cognitive-behavioral therapy; antidepressants; transcranial direct current stimulation, 29854

discourse analysis; electroconvulsive therapy, 36289

electroconvulsive seizure treatment; neurogenesis; cell proliferation; rats; frontal cortex; glial cells; phenotype; cell division, 9777

electroconvulsive shock therapy; memory loss; treatment effects, 11302

electroconvulsive therapy, 20837

electroconvulsive therapy; attitudes; misconceptions, 30098

electroconvulsive therapy; adolescents; mood disorders; Axis I psychiatric disorders; treatment guidelines; practice parameters, 8343

electroconvulsive therapy; brain perfusion impairment; elderly patients; major depression; treatment outcome, 14591

electroconvulsive therapy; children; adolescents, 5264

electroconvulsive therapy; Chinese patients; ethnic differences; psychotropic medication; drug therapy; inpatient psychiatric unit, 30100

electroconvulsive therapy; ciprofloxacin; seizures; postpartum depression; drug therapy; urinary tract infection, 20622

electroconvulsive therapy; cognitive functioning; auditory evoked potential; memory; anterograde amnesia, 36286

electroconvulsive therapy; cortical atrophy; middle aged adult; hypothyroidism; treatment refractory depression, 30148

electroconvulsive therapy; depression; tardive dyskinesia, 8355

electroconvulsive therapy; disorganized schizophrenia; hebephrenic schizophrenia, 5253

electroconvulsive therapy; dosing strategies; treatment modality, 30105

electroconvulsive therapy; energy; seizure threshold & duration, 8367

electroconvulsive therapy; euthymia; recurrent medication refractory mania, 14596

electroconvulsive therapy; expressed suicidal intent; depressed patients, 23920

electroconvulsive therapy; geriatric patients; electrode placement; stimulus dosing; seizure monitoring; relapse and recurrence; concurrent medications; side effects, 20829

electroconvulsive therapy; lithium augmentation; milnacipran; refractory depression; relapse prevention; drug therapy, 14552

electroconvulsive therapy; major affective disorder; treatment strategy; first line treatment, 20824

electroconvulsive therapy; major depression; lung transplant recipients; depression treatment, 23919

electroconvulsive therapy; major depression; pacemaker, 20828

electroconvulsive therapy; major depression; patients, 29310

electroconvulsive therapy; malignant brain tumor; elderly woman; glioblastoma multiforme; depression, 8342

electroconvulsive therapy; monoamine oxidase inhibitors, 8341

electroconvulsive therapy; morbidity; postictal agitation; succinylcholine; aspiration; atropine; propofol, 20838

electroconvulsive therapy; myasthenia gravis; steroid-induced major depressive episode, 11298

electroconvulsive therapy; nonconvulsive status epilepticus; EEG rhythms, 14583

electroconvulsive therapy; older women's experiences; diagnosis; depression, 30102

electroconvulsive therapy; orbital cavernous hemangioma; major depressive disorder, 8344

electroconvulsive therapy; patient education; depression; informed consent; communication skills; patient volunteer, 14592

electroconvulsive therapy; patients' perspectives; information; consent; perceived coercion, 14593

electroconvulsive therapy; psychiatric inpatients, 20827

electroconvulsive therapy; psychiatric inpatients, 20835

electroconvulsive therapy; psychiatric inpatients, 8352

electroconvulsive therapy; pulmonary embolism; depression; hypertension; diabetes, 20834

electroconvulsive therapy; quality of life; mood; cognition, 20822

electroconvulsive therapy; quality of life; mood; cognition, 20823

electroconvulsive therapy; quality of life; mood; cognition, 8351

electroconvulsive therapy; repetitive transcranial magnetic stimulation; children; adolescents; epilepsy partialis continua; psychiatric disorder; neurologic disorder, 14590

electroconvulsive therapy; response speed predictors; major depression, 1929

electroconvulsive therapy; seizure duration; bipolar disorder; continuation ECT; anesthesia, 14594

electroconvulsive therapy; treatment effectiveness; major depression; relapse; comorbidity; community settings, 11303

electroconvulsive therapy; treatment effectiveness; major depression; relapse; comorbidity; community settings, 11304

electroconvulsive therapy; treatment outcomes; patient selection; treatment guidelines, 26888

electroconvulsive therapy; treatment resistant bipolar disorder; pharmacotherapy; treatment efficacy, 20825

electroconvulsive therapy; treatment strategy; psychotherapy; ECT providers; professional knowledge, 14588

electrode placement; rehospitalization; time; depression, 8347

family member; electroconvulsive therapy; client rights; medical culture, 20826

genes expression; rat frontal cortex; antidepressant treatment; electroconvulsive treatment; imipramine; selective reuptake inhibitor; sertraline; psychopharmacology, 31723

histological lesions; electroconvulsive shock therapy; magnetic seizure therapy; neuropathology; nonhuman primates model, 9761

histological lesions; electroconvulsive shock therapy; magnetic seizure therapy; neuropathology; nonhuman primates model, 9757

ketamine; memory function; electroconvulsive therapy; anesthesia, 8353

Ladislav Meduna; psychiatric therapy; induced seizures; grand mal seizures; psychosis; dementia praecox; neuropathology; modern neuroscience; history, 1938

Ladislav Meduna; psychiatric therapy; induced seizures; grand mal seizures; psychosis; dementia praecox; neuropathology; modern neuroscience; history, 1925

left-unilateral electroconvulsive therapy; treatment effectiveness; right-handed male; depression; maintenance ECT, 14597

maintenance electroconvulsive therapy; landiolol; depression; seizure duration; hemodynamic changes; recovery from anesthesia; cognitive function, 8363

major depression; comorbidity; borderline personality disorder; electroconvulsive therapy; treatment outcome, 36290

major depression; comorbidity; borderline personality disorder; electroconvulsive therapy; treatment outcome, 36285

malignant catatonia; neuroleptic malignant syndrome; electroconvulsive therapy, 8358

morbidity; mortality; electroconvulsive therapy; treatment effects, 8356

neuroleptic malignant syndrome; electroconvulsive therapy; drug induced psychiatric states; Parkinson's disease; major depression; paranoid psychosis; high drug doses; levodopa; drug therapy, 30103

oedipism; electroconvulsive therapy; Oedipal complex, 8345

personal experiences; electroconvulsive therapy, 26885

prefrontal electroencephalography; electroconvulsive therapy; major depression; neural network model, 33233

propofol alfentanil anesthesia; electroconvulsive therapy; monoamine oxidase inhibitors; drug therapy; anesthesia; depression, 14578

propofol; postictal delirium; clozapine; electroconvulsive therapy; schizophrenia, 8364

psychiatrist attitudes; Hungarian psychiatrists; electroconvulsive therapy, 8775

public attitude; electroconvulsive therapy; seizure, 23923

rat frontal cortex; phosphorylation; hippocampus; electroconvulsive shock; ERK-MEF2C, 31646

remifentanyl anesthesia; electroconvulsive therapy; high seizure thresholds, 8366

repetitive transcranial magnetic stimulation; electroconvulsive therapy; therapeutic options; major depression, 1927

repetitive transcranial magnetic stimulation; electroconvulsive therapy; neurocognitive effects; major depression, 29329

schizophrenia; obsessive compulsive disorder; comorbidity; electroconvulsive therapy, 23915

seizure duration; electroconvulsive therapy; therapeutic efficacy; depression; motor seizures, 26884

status epilepticus; electroconvulsive therapy, 8340

surgery; intraocular pressure fluctuations; electroconvulsive therapy; glaucoma, 8365

tardive dystonia remission; treatment refractory schizophrenia; electroconvulsive therapy; chronic paranoid schizophrenia, 30106

transcranial magnetic stimulation; electroconvulsive therapy; therapeutic brain stimulation, 8348

transcranial magnetic stimulation; right unilateral electroconvulsive therapy; treatment-refractory depression; combination treatment, 5252

treatment-resistant depression; treatment outcome; electroconvulsive therapy, 20100

venlafaxine; electroconvulsive therapy; treatment-resistant depressive patients; propofol; combined therapy, 17345

### Electrophysiology [See Also Electrical Activity, Electrical Brain Stimulation, Electrocardiography, Electroencephalography, Electromyography, Electroretinography, Galvanic Skin Response, Skin Electrical Properties]—Serials

basolateral amygdala activity; emotional arousal; emotional memories; neurons; inhibitory avoidance task; neuronal firing rates; cats; perseveration-consolidation hypothesis, 19184

bottom-up effects; working memory; attention; electrophysiological distraction; deviance strength; behavioral & event-related brain potentials, 9623

complex magnetic field application; thermal nociceptive thresholds; electrophysiological signature; analgesic response; rats; polarity; timing, 9802

contrast sensitivity functions; cartesian stimuli; polar stimuli; hyperbolic stimuli; forced-choice paradigm; electrophysiology, 22023

cortical reorganization; macaque; retinal lesions; electrophysiology; visual cortex, 25442

dyslexia; functional magnetic resonance imaging; electrophysiological measures; event related potential, 26453

electrophysiological activity; medial frontal cortex; performance feedback; event-related brain potential; choice behavior; cognitive process; medial frontal negativity; error-related negativity, 13060

electrophysiological correlates; error correction; event related potentials, 16068

electrophysiological evidence; automatic low level feature detectors; perceptual asymmetry; frequency modulated stimuli; mismatch negativity; auditory system, 28510

electrophysiological indices; social functioning; schizophrenia; event related potentials; auditory selective attention task; communication skills; quality of life, 29370

electrophysiological properties; neurons; cerebral cortex; spike activity; rats; sensorimotor cortex, 3660

electrophysiological responses; motion; dorsal visual stream; event related potentials; behavioral plasticity; color, 3662

electrophysiology; brain activity; event related potentials; nonsense syllables; words; auditory stimulation, 22288

electrophysiology; cortico striatal connections; parallel organization; neuronal circuits; sensorimotor cortex; prefrontal cortex, 3667

electrophysiology; cross-modal repetition priming; language processing; target intervals; between modality interactions, 34563

electrophysiology; developmental language impairments; electrophysiological measures; brain activity; neurocognitive techniques; top down approach, 10801

electrophysiology; event-related potentials; stop signal task, 13051

electrophysiology; lateralization; preparatory motor processes, 22303

event related potentials; change blindness; attention; attentional cueing; electrophysiological responses, 31654

event-related potentials; electrophysiological correlates; memory for faces; memory for names; face-name associations; encoding, 12791

functional imaging; electrophysiology; mechanical intervention; vegetative state; minimally conscious states, 32836

human electro olfactogram; olfactory epithelium; olfactory stimulation; olfactory receptor neurons; central nervous system; odors, 16074

intentional influences; unintentional influences; nonspecific preparation; electrophysiology; future event; brain potential, 9801

memory retrieval; episodic retrieval processing; recognition; electrophysiological indices, 28511

musical reading; written music; visually induced auditory expectancy; auditory representation; tonal auditory events; atonal auditory events; amplitude; musical expectancies; electrophysiology, 18928

neuronal signalling; fear memory; electrophysiology; lateral amygdala; prefrontal cortex; Pavlovian fear conditioning; aversive memories, 6811

physical training; hippocampus; electrophysiology; rats; pilocarpine; epilepsy; aerobic exercise, 16064

processing speed; cortical volume; performance intelligence; latency of ERP component P3a, 19206

response inhibition; N2 go tasks; no-go tasks; conflict monitoring; electrophysiological data, 6767

response repetition; auditory distraction; electrophysiological effects; behavioral effect; response change, 15837

right hemisphere bias; negative emotion; higher cognition; electrophysiology; behavioral effects, 19202

salivary cortisol levels; coupling; delta-beta oscillations; brain systems; electrophysiology, 13089

schizophrenia patients; antipsychotics; QTc variability; QTc interval; cardiac complications, 26868

sciatic nerve regeneration; pulsed electromagnetic field; peripheral nerves; electrophysiological methods, 22302

selective attention; reaction time; affective conditions; electrophysiological study, 16273

sonnambulism; magnetic treatment; animal magnetism; copperplate engraving; symbolism; history, 23936

spatial attention; auditory pathway; cue target; electrophysiological responses; auditory event related potential, 16076

spider phobia; electrophysiology; spider phobics; threat processing, 35536

stimulus pattern; acupuncture point; meridian lines; oriental medicine; direct current, 30127

task-switching processes; electrophysiological correlates; anticipation, 34682

### Electrophysiology [See Also Electrical Activity, Electrical Brain Stimulation, Electrocardiography, Electroencephalography, Electromyography, Electroretinography, Galvanic Skin Response, Skin Electrical Properties]—Chapters

Electrophysiological and Optical Measures of Cognitive Aging, 16380

### Electroretinography—Serials

eye dominance; pattern electroretinograms; macular function; evoked potentials; lateralization, 13005

photoreceptors; multifocal electroretinogram; retinitis pigmentosa; diabetic retinopathy; cone dystrophy, 5000

### Electroshock Therapy [See Electroconvulsive Shock Therapy]

### Elementarism [See Reductionism]

### Elementary Education—Serials

at risk students; Success for All educational reform model; urban environment; reading scores; educational programs; elementary education, 15130

childhood education; child care services; parent child programs; elementary education, 11499

computer based problem-based learning; elementary schools; multimedia; small group learning; self directed learning; learning outcomes, 8896

early education; preschool education; elementary grade education; educational improvement; private institutions; educational reform, 2558

emotional disturbances; special education; students characteristics; living condition, 33863

gender; early childhood education; masculinity; gender roles, 18143

gifted education; court decisions; legal status; school districts; case law; gifted alone; gifted plus, 2721

indigenous studies; elementary curriculum; non Indigenous educators; teaching efforts; self determination, 27429

information and communications technology; trainee teachers; primary school teaching, 8885

literacy strategy; government initiative; National Literacy Strategy; literacy teaching; primary schools; educational reform, 5801

male teachers; early childhood education; gender stereotypes; students perception, 21417

mathematics education; curriculum content; primary school teaching, 36870

pedagogy; early childhood education research; teaching practice, 36791

Quest Atlantis project; elementary education; after school program; learning project; teaching project; virtual environment; educational tasks; motivation; educational activities, 24437

school-to-work transitions; primary education; rural environment; teaching quality; wages; school drop-outs; absenteeism; numeracy skills, 8822

self-regulated learning; elementary school students; student teachers; teacher education program, 2579

social class; primary education; secondary education; ICT education; online education; ethnicity; gender differences; school inclusion, 15112

Special Education Elementary Longitudinal Study; National Longitudinal Transition Study; design features; emotional disturbance, 18313

teaching experience; elementary classroom system; novice teachers; expert teachers; cohesion; communication; flexibility, 5868

third space; text construction; family learning programs; teaching; educational outcomes; primary education; site-based role play, 33755

Elementary School Students [See Also Primary School Students]—Serials

academic achievement motivation; academic self concept; academic competence; elementary school children; primary school children, 30702

- academic learning; self efficacy; problem solving; elementary school students; social skills; cognitive skills; emotional skills; classroom climate; behavioral problems; prevention program, 21462
- achievement goals; problem solving strategies; motivational influences; transfer task, 11895
- achievement outcomes; reading reform model; educational policy; school level effect, 24438
- aggressive behavior; drug use; elementary schools; prevention; family oriented school based programs, 24584
- alcohol prevention program; traffic safety program; elementary students; self protective knowledge; self protective skills; classrooms; curriculum, 36835
- algorithmic knowledge; computational procedures; standards-based curriculum; urban elementary school; student, 21354

## Emotional Content—Serials

acute stress; memory; neutral words; emotional words, 9641  
age differences; phenomenal characteristic; autobiographical memories; emotional memory; positive events; negative events; neutral events, 19049  
age related changes in executive control; task switching; face categorization; facial expressions; gender differentiation; emotional content, 28724  
ageing; recollection; emotional & neutral pictures; age related differences; recognition memory; awareness, 3957  
anger; trait hostility; reading time; emotional reactions, 19953  
attentional bias; emotional scenes; anxiety; gaze direction; gaze duration, 19067  
attentional blink; emotionally significant words; arousal value; awareness; stimulus valence; stimulus distinctiveness, 18992  
auditory sensory gating; brain functions; auditory cortex; visually evoked emotional stimuli, 19251  
closed head injury; patients; selective attention; affective pictures; event-related brain potentials; cardiac responses, 17186  
computer-scored measures; emotion; language development; computer program; English translation; Pauline epistles; non-Pauline epistles, 3786  
content-sensitive inference; modularity; formal processing; cognitive modules; Wason selection task, 34426  
correspondence between positivity-negativity and familiarity-novelty; recognition bias; affective processing models, 34468  
culpability; affect; news representations; violent youth; constructionism; youth violence; social problems; mass media, 20227  
emotion cognition interactions; emotion regulation; emotional content; aging; positivity effect; older adults, 34971  
emotion language; primary care; psychometrics; physician patient interactions, 28053  
emotion talk; emotion words; children's understanding; emotion; mother's explanations; gender, 19408  
emotional content; child deaths; child protection work; Victoria Climbié Inquiry Report, 11492  
emotional experience; long-term retention; long-term memory; interpersonal interaction, 6997  
emotional impact; qualitative research; methodology; participant-produced drawings; participant experiences; emotions, 9532  
emotional intelligence; affective content; art; emotions; moods, 6890  
emotional noninterpersonal situations; borderline personality disorder; dichotomous thinking; antisocial personality disorder, 35558  
emotional reactions; affective forecasting; impact bias; speeds emotional recovery; thoughts; feelings, 34472  
emotional tone; stimuli; ambiguity; dysphoria; attentional bias; self-referential processing, 1200  
emotional word-recognition; adolescent repressive-defensive coping style; word stimuli; processing impairments; emotional processing styles, 19461  
English lexicon; interpersonal affect; semantic structure; words, 19373

enhanced memory; negatively emotionally charged pictures; recall, 25246  
gaze patterns; eye fixations; emotional pictures; attention, 204  
gender differences; emotional advertising; social desirability; stereotype; advertisement, 21664  
human brain; facial expressions; voice perception; emotional voices; combined audio-visual pairs; left lateral temporal cortex, 9782  
immersion; emotion; sense of presence; virtual environments; emotional content, 9916  
linguistic and emotional facial expressions; recognition of facial expressions; deaf, 14287  
major depression; emotional pictures; affect; affective responses; categorical ratings; dimensional ratings, 4470  
memory; emotional content; contextual details; aging; encoding instructions; attentional bias, 28712  
Mexican Americans; TV viewing; emotional content; news; cognitive processes; evaluation; in group members; self-referencing information, 34825  
multisensory integration; emotional faces; emotional voices; schizophrenia patients; facial expressions; cognitive impairment, 13893  
occupational crisis; work events; spontaneous explanation; employee attitudes; attribution; emotional content, 6025  
personal memories; World War II; historical events; flashbulb memories; Danish occupation; liberation; resistance movement; emotional factors; social factors, 19046  
postural sway; heart rate; emotionally engaging pictures; freezing behavior; mutilation pictures, 28527  
reasoning; emotional content; neutral content; logic, 242  
recognition; emotional experience perception; Japanese music; Western music; Hindustani music, 6534  
right temporal lobe activation; emotionally significant music; cerebral activation; physiological correlates; cerebral blood flow; elderly, 9816  
sad films; vagal withdrawal; depression recovery; respiratory sinus arrhythmia, 29327  
specific emotions; non-specificity; story length; readers; emotional inferences; emotional state inference; mismatching emotions, 3419  
vocal expression; emotion; speech; categorical perception; speech synthesis, 34399  
workplace culture; coping strategies; service work; benefits; theories of labor; food servers' voices; customer worker interaction; emotional content; gender; restaurant employees, 12140  
written disclosure; respiratory sinus arrhythmia; emotion, 35958

## Emotional Control [See Also Anger Control]—Serials

abstinent drug abusers; neurocognitive performance; emotional function; autonomic reactivity; task performance; executive function; decision making; skin conductance; vigilance; impulsivity, 14045  
adult attachment; affect regulation; negative mood; interpersonal problems; emotional reactivity; emotional cut-off; moods, 7617  
affect regulation; affectivity; mentalization; mentalized affectivity; revaluing; strong feelings; aporetic feelings, 33150  
age differences; emotion regulation; family problem; problem solving strategies, 7310  
anxiety; emotional suppression; psychological distress; breast cancer diagnosis; benign breast tumor; emotional distress, 10874  
arousal; affect; emotion regulation; startle; valence; pictures; emotional responses, 34687  
Asperger syndrome; high-functioning autism; social communication emotional regulation transactional supports model; learning objectives, 7957  
consciousness; emotional self-regulation; brain; affective neuroscience; cognitive neuroscience; developmental psychology, 16659  
differential equation; oscillator; dynamic; emotion regulation; spectral analysis; emotion regulation; individual differences, 25243  
disinhibition; emotion regulation; attention deficit hyperactivity disorder; peer competition; boys, 4803  
Display Rule Assessment Inventory; display rules measure; rule knowledge; emotion regulation; measurement validation; expressive behavior; deamplification; amplification; qualification; masking, 12482  
drinking motives; childhood sexual assault; alcohol problems; adult women; emotion regulation; negative emotion, 23213  
effortful control; undesirable gifts; responses; emotional expression regulation; response suppression, 22570  
emotion cognition interactions; emotion regulation; emotional content; aging; positivity effect; older adults, 34971  
emotion management; socialization; fire station; firefighters; client well being; human service occupations, 15362  
emotion regulation; aggression; aggressive children; gender differences; problematic behaviors; relationship goals; relational aggression; young girls, 19509

## Emotional Control—Chapters

emotion regulation; anxiety disorders; self-efficacy; psychopathology, 4585  
emotion regulation; emotional reactivity; experiential avoidance; emotion-eliciting stimuli, 7607  
emotion regulation; individual differences; personality processes; life span development; health; reappraisal; suppression, 7571  
emotional awareness; generalized anxiety disorder; emotion regulation; cognitive control, 26228  
emotional control; cancer survivor; treatment duration; traumatic experience; health outcome, 11329  
emotional labor; emotion regulation; burnout; emotional exhaustion; job autonomy; control; customer-contact employees; cross cultural differences; job dissatisfaction; emotional culture, 37057  
emotional processing; panic disorder; anxiety, 7773  
emotional regulation; age differences; aging; behavioral inhibition; behavioral amplification; emotional arousal; physiological correlates, 16228  
emotional regulation; Asperger syndrome; high functioning autism; social communication; social interactions; neurophysiology, 7949  
emotional regulation; child behavior; maternal instruction; planning tasks; emotional functioning; emotional intensity; emotion regulation, 19547  
emotions; emotion regulation; personality; health; ethnic differences, 31914  
False Belief; Emotion Understanding; Social Skills; Head Start; Children; Theory of Mind, 30769  
feelings; action orientation; external demands; intuitive affect regulation, 7573  
gender differences; stress; coping styles; life experiences; emotional control, 4347  
identity verification process; spouse identity; spousal control; marital aggression; dysfunctional interaction patterns; identity control theory, 28956  
infant behaviors; maternal behaviors; emotion regulation; infant-maternal regulation behaviors; infant reactivity; novelty; distress; maternal involvement, 3906  
modeling; employment demands; job competition; bodily capital; emotional labor; fashion industry; model attitudes; work stress; motivation, 24659  
motivational effects; emotional awareness; human sex differences, 9668  
negative mood regulation expectancies; depressed mood; individual differences; incremental validity, 29141  
positive parenting; effortful control; externalizing problems; emotion regulation, 34915  
posttraumatic stress disorder; symptoms; women; emotion regulation; interpersonal problems; childhood abuse; functional impairment; human females, 35525  
rheumatoid arthritis; individual differences; pain; affect regulation; affect intensity; coping; neuroticism, 29665  
self-injurious behavior; self-harm; offenders; suicidal intent; manipulation of environment; emotion regulation; psychotic delusions or hallucinations; treatment; assessment, 16951  
sexual revictimization; childhood sexual abuse; theoretical models; emotion self-regulation; unpredictability; uncontrollability; fear; arousal; response-focused emotion, 17051  
social aggression; overt aggression; social anxiety; maternal psychological control, 31882  
social cognitions; aggressive behavior; emotion regulation; self-evaluation; self-efficacy; victimization, 3927  
socioemotional selectivity theory; aging; health; motivational & behavioral changes; emotion regulation; social preferences & networks; physical health; choices; cognitive changes & processes; time, 7582  
trait consistent mood regulation; neuroticism; performance goals; worry; cognitive task, 32169  
willpower; behavioral control; intention behavior relationship; postbehavior attributions; individual differences, 21398

**Emotional Inferiority—Serials**

inferiority feelings; academic achievement; college students, 24512  
 moral unreason; psychopathy; immoral behavior; moral theories; emotional deficits; sentimentalism; rationalism, 20178  
 religious extremism; national radicalism; middle eastern countries; psychoanalysis; inferiority complexes; unconscious motivation; ethnic minorities; religious minorities, 30008

**Emotional Insecurity [See Emotional Security]****Emotional Instability—Serials**

dimensional models; personality disorders; diagnostic system; neuroticism; negative affectivity; emotional dysregulation; antagonistic behavior, 29442  
 emotional instability; slowly progressive dementia; Alzheimer's disease, 35962  
 pseudobulbar affect; affective lability; differential diagnosis, 29761  
 short-term mating; romantic attachment; evolutionary perspectives; emotional instability; adaptive vs maladaptive traits; adults, 19840

**Emotional Intelligence—Serials**

adolescents; emotion expectancies; aggressive events; non-aggressive events; behavior problems; behaviorally disruptive adolescents, 7097  
 alexithymia; emotional intelligence; emotional ability; emotional awareness; multimethod; assessment methods; test correlations, 34190  
 BarOn Emotional Quotient Inventory; Lebanese context; emotional intelligence; psychometrics; test validity; test reliability; age differences; gender differences; Lebanon, 34204  
 behavioural difficulties; emotional difficulties; emotional intelligence; social learning; emotional learning; inservice teachers' perceptions; social skills; schools, 27438  
 emotion regulation; emotional intelligence; interpersonal sensitivity; peer interaction; prosocial tendencies; social interaction; personality traits, 13669  
 emotion; facial affect processing; schizophrenia; matching tasks; labeling; facial identity, 16819  
 emotional expression; music performance; emotional intelligence; emotion recognition, 299  
 emotional intelligence assessment; gifted students; non gifted students; high school students, 33878  
 emotional intelligence measures; psychometrics; Emotional Competence Inventory; Emotional Quotient Inventory; Multifactor Emotional Intelligence Scale; Mayer Salovey Caruso Emotional Intelligence Test, 21796  
 emotional intelligence; academic achievement; high school students; personality correlates, 5845  
 emotional intelligence; academic intelligence; personality; social intelligence; occupational success, 22889  
 emotional intelligence; affective content; art; emotions; moods, 6890  
 emotional intelligence; burnout; staff engagement; services for people with intellectual disability, 18044  
 emotional intelligence; cognitive ability; Big Five personality factors; construct validity, 35323  
 emotional intelligence; cognitive intelligence; Mayer-Salovey-Caruso Emotional Intelligence Test, 1041  
 emotional intelligence; coping; protective factors; resilience; resilient behaviors, 22872  
 emotional intelligence; emotional creativity; terms; emotion, 1038  
 emotional intelligence; health related behaviours; health functioning; physical health; psychological health, 22909  
 emotional intelligence; life satisfaction; intelligence quotient; personality, 19897  
 emotional intelligence; life-transition; postsecondary education; life experience, 26011  
 emotional intelligence; mental health nurses; health personnel attitudes; therapeutic relations, 2488  
 emotional intelligence; myths; conceptual issues; assessment; research; emotional processing; rational processing, 1100

emotional intelligence; myths; validity; measurement; models, 1055  
 emotional intelligence; nurses; patients with behavior problems; care; burnout; absenteeism; job turnover; problem-solving; stress-tolerance skills, 8777  
 emotional intelligence; organizational behavior; intelligence measures, 24697  
 emotional intelligence; psychotherapists; organizational relationships; working environment, 24703  
 emotional intelligence; rationality; intelligence; emotions; leadership, 22893  
 emotional intelligence; relationship quality; heterosexual couples, 22794  
 emotional intelligence; standard trait model; agreeableness; emotional stability; personality traits; four factor structure, 12475  
 emotional intelligence; tests; measurement; psychometrics, 1080  
 emotional literacy; emotional intelligence; mental health; health professionals, 2074  
 gamma oscillations; alpha oscillations; human brain; verbal performance; emotional intelligence, 25458  
 general health; emotional intelligence; vertical trust; organizational support; positive psychology, 37065  
 generalizability; emotional intelligence; cross-cultural differences; North American aboriginal youth; self report; Emotional Quotient Inventory, 31147  
 group differences; emotional intelligence; test development; theoretical implications; practical implications, 12492  
 individual differences; emotion knowledge; cognitive ability; maternal characteristics; African Americans; environmental risks, 19441  
 intellectual disabilities; alexithymia; emotional recognition; external cognition, 35797  
 intelligence; mental abilities; emotional intelligence; personality measures; validity, 1076  
 law students; negotiations training; emotional intelligence; emotions; teaching, 36864  
 linguistic characteristics; writing; terrorist attacks; social cognitive processing; feelings, 31751  
 personality traits; well being; health correlates; emotional intelligence; alexithymia; life satisfaction; social support; health status, 13683  
 situational interview; academic performance; team performance; cognitive ability; emotional intelligence; construct validity; managers; professionals, 6301  
 test development; test validity; self report measure; emotional intelligence; psychometrics; multidimensional trait domain, 28017

# Volume 92 SUBJECT INDEX

## Empathy—Serials

psychological mindedness; awareness; mindfulness; self-awareness; self-consciousness; other-awareness; empathy, 25970  
religious people; altruistic impulse; human genetic heritage; kinship; religiosity empathy relation, 871  
secure social attachment; people suffering; attachment security; compassionate reaction; altruism, 13717  
sex influence; college major; attributed responsibility; empathic response; HIV infection; blood transfusion; unprotected sex, 17205  
social psychologists; empathy; strangers; similarity; nurturance, 35273  
social psychology; identity styles; empathy; prejudice; conservatism; coping strategies; information style; normative style, 13289  
storytelling; phenomenological research; coherence; rich descriptive interview; revelatory descriptions; empathic bridges; methodological tool; mental illness; mental illness recovery; narratives, 11109  
test validity; test reliability; Interpersonal Reactivity Index; psychometrics; empathy; high school students; university students; cultural relevance, 12489  
Theodor Lipps; empathy; sympathy; history of psychology; interpersonal understanding, 21756  
therapist empathy; perceived differences; empathic process; life experiences; gender differences, 29907  
unipolar depressed patients; emotions; emotional awareness; empathy; inpatient psychotherapeutic treatment, 23046  
Wittgenstein; empathic understanding; psychopathology; intentionality; delusions, 1182

## Empathy—Chapters

The Empathizing System: A Revision of the 1994 Model of the Mindreading System, 12827  
Empathy Dilemmas, 6142  
Empathy, Identification, and Discovering the Other, 20739  
Motivational Aspects of Empathic Accuracy, 4241

**Emphysema (Pulmonary)** [See Pulmonary Emphysema]

## Empirical Methods [See Also Experimental Methods, Observation Methods]—Serials

action-project method; counseling psychology; qualitative research, 15808  
American Journal of Community Psychology; journal contents review; analytic reviews; epistemological frameworks; articles; methods; community psychology; social action; human diversity; culture, 9345  
asterisks misuse; hypothesis testing; empirical research; self-deception; researcher; type-I-risk; psychometrics, 3323  
autoethnography; empirical research; research methods; university proctor, 9538  
case formulation approach; cognitive behavior therapy; mechanism; empiricism; empirically supported treatments; clinical settings; therapists, 36155  
central inferences; metamodel; empirical research; philosophy of science, 31311  
Composite International Diagnostic Interview; cross cultural epidemiological measurement; mental disorders; symptoms, 6324  
Composite International Diagnostic Interview; mental disorders; underestimation, 6318  
consensual qualitative research; data collection; data analysis; counseling psychology, 15780  
counseling psychology; empirically supported treatments; mental health services, 23751  
covariance structure analysis; empirical algorithms; multidimensional composites; parameter recovery, 6449  
creativity; organizational behavior; epistemological frameworks; data collection methods; measurement of creativity, 21581  
critical methodology; theory construction; research resources; methodological assumptions; argument construction; qualitative methods; quantitative methods, 12630  
culture; social psychology; epistemology; social sciences; empirical science, 22781  
decision research strategies; cancer related decisions; medical emergencies; informed consent; prevention; infectious disease; decision making; risk; preferences, 30124  
dependent variable; episodic severity; challenging behavior; applied behavior analysis, 11137  
Diagnostic and Statistical Manual of Mental Disorders; DSM-IV; classification; psychopathology; Generalized Interpersonal Theory of Personality and Psychopathology; diagnoses; empirical approach, 29207  
empirically supported therapies; psychotherapy; alternative methodologies; intervention strategies; meta-analytic studies; treatment efficacy; randomized controlled trials; empirical status, 18914  
empirically supported therapies; psychotherapy; alternative methodologies; intervention strategies; meta-analytic studies; treatment efficacy; randomized controlled trials; empirical status, 18915

empirically supported therapies; psychotherapy; alternative methodologies; intervention strategies; meta-analytic studies; treatment efficacy; randomized controlled trials; empirical status, 18875  
empirically supported therapies; therapy relationships; practice guidelines, 23728  
epidemiology; speech language pathology; epidemiological research methods; clinical expertise; aging; speech & swallowing disorders, 35826  
ethical issues; qualitative research; applied psychology; research participants; scientist-practitioner perspective, 15778  
ethnographic decision tree modeling; research method design; counseling psychology; decision making, 15767  
ethnography; counseling psychology research; empirical methods, 16448  
ethnography; research mechanisms; pragmatic realism; researcher dilemmas; research process; research setting, 34346  
grounded theory; counseling psychology; qualitative research, 15771  
indigenous psychology; epistemology; philosophical reflection; theoretical construction; empirical research; philosophy of science; postivism, 22381  
international community; qualitative researchers; federal governments; biomedical models; evidence based models; International Congress of Qualitative Inquiry, 28153  
intervention research; services researcher role; participatory research; mental health interventions; research methods; medicine based evidence, 21941

mecamylamine; ephedrine; hyperactivity; rats; locomotor activity; nicotinic receptors, 28571

muscular ideal; risk factors; steroids; body image; muscle dysmorphia; ephedrine; dieting; males, 13556

psychiatric effects; ephedra use; drug side effects; adverse events; criminal behavior; drug abuse; medicinal plant extracts, 10706

**Epidemic Hysteria** [See Mass Hysteria]

### Epidemics—Serials

adolescent sexuality; HIV infection; epidemics; sexual behaviour; risk behaviours; sexual partners, 1555

Caribbean Basin; HIV infection; AIDS; epidemics; sexual behavior; safe sex, 29713

crisis management; severe acute respiratory distress syndrome; disease outbreak, 11553

dissociative symptoms; plague; 15th century; post-traumatic reactions; psychological trauma; hyperarousal symptoms, 29209

eating; spending; Severe Acute Respiratory Syndrome; viscerality; consumption; football, 37165

foot and mouth disease; posttraumatic stress disorder; farmers; mental health, 16888

genital shrinking epidemics; culture bound syndrome; genital retraction; Koro; Juju; etiology; mass psychogenic illness; cultural patterns; psychopathology, 35384

group psychotherapy; HIV positive; veterans; epidemic, 8255

Hepatitis C; potential risk; injecting drug use; social work implications; epidemic, 1525

HIV infection; AIDS; epidemiology; epidemics; AIDS prevention, 29714

moral duty; AIDS activism; human rights; epidemic; Africa, 24034

mortality rate; surgical treatment; obesity; epidemic, 20383

Narcotics Anonymous; poor American communities; crack epidemic; sex for drugs; AIDS; sexual relationships; sobriety, 20844

obesity; epidemic; risk factors; chronic diseases; quality of life; public health issues, 20371

prioritising health opportunities; AIDS epidemic; HIV; health services; laws; discrimination, 6180

psychological responses; severe acute respiratory syndrome; SARS; anxiety; coping responses; state anxiety; trait anxiety; situation-specific coping, 10816

public health; healthy eating; obesity epidemic; prevention, 5355

residential treatment program; drug abuse; alcohol abuse; epidemics; mothers; children, 30406

severe acute respiratory syndrome; influenza; bioterrorism; infectious diseases; behavioral interventions, 11053

suicide epidemic; sexual behavior; Jewish women; literature, 1315

tobacco use; early epidemic stages; demographic patterns; socioeconomic patterns, 32065

treatment dropouts; injection drug users; Puerto Rico; Acquired Immune Deficiency Syndrome; epidemics; intervention efficacy, 36553

woman patient; Women's Health Initiative; epidemics; oestrogenic arm; fear; distrust; emotions; hormonal therapy; coping strategies; communication skills, 33263

### Epidemiology—Serials

abdominal injury; child abuse; incidence; diagnosis, 32470

abdominal injury; child abuse; incidence; diagnosis; sexual abuse, 32490

administrative data; traumatic brain injury; hospitalizations; epidemiology, 28177

adolescent males; suicide rates; trends; Black youth; White youth, 23190

age; gender; antipsychotic prescribing; first generation antipsychotics; second generation antipsychotics; prevalence, 26862

agitated depression; bipolar I disorder; prevalence; phenomenology; outcome, 10544

agitated depression; bipolar I disorder; prevalence; phenomenology; outcome, 10550

alcohol use disorder; disorder development; etiology; epidemiology; genetics; personality; neuropsychology; parenting; social influences, 32559

alcohol use disorder; illicit drug use; general hospital admissions; United States; prevalence; management, 29552

alcohol use; alcohol drinking behavior; at risk drinkers; alcohol dependence; rural community, 17029

alcohol use; university students; alcohol usage prevalence and trends; Lebanon, 10703

anger; anger attacks; depression; autonomic arousal; trivial provocations; depression with anger attacks, 35457

anodyspareunia; men-men sex; receptive anal sex; psychological distress; chronic pain; mental health; DSM criterion, 14172

anorexia nervosa; epidemiology; diagnostic criteria; environmental risk factors; gene environment interplay; genetic risk factors, 23424

anxiety disorders; diagnosis; epidemiology; cognitive behavior therapy; treatment; bipolar disorder, 7780

arthritis; trends; United States; prevalence, 21960

asexuality; prevalence; associated factors, 942

assessment; management; dysphagia; epidemiology; research framework; speech pathology clinical practice, 35833

attention deficit hyperactivity disorder; aggressive behaviour; preschool boys & girls; sex differences; prevalence rates, 20327

attention deficit hyperactivity disorder; learning disabilities; high school pupils; academic achievements, 32590

attitudes; beliefs; domestic violence; definitions; criminal domestic violence; prevalence; public opinion, 35726

atypical antipsychotic drugs; neuroleptic malignant syndrome; epidemiology; clozapine; risperidone; olanzapine; quetiapine, 14508

autism epidemic; diagnostic criteria; public awareness, 29580

autism; prevalence; treatment; acupuncture; applied behavior analysis; herbal medicines; sensory integration; China, 35759

bipolar disorder; dopamine; pharmacology; molecular genetics; pathophysiology; mania; knowledge, 20821

bipolar disorders; European countries; gender difference; mental disorders, 35462

bipolar spectrum symptoms; Mood Disorder Questionnaire; symptom frequency; prevalence, 18750

bulimia nervosa; eating disorders; psychological characteristics; disorder severity; epidemiology, 14155

cancer; mental disorders; community-dwelling adults; comorbidity; sociodemographic characteristics, 26073

cancer; mental disorders; community-dwelling adults; comorbidity; sociodemographic characteristics, 26060

cannabis dependent; epidemiology; risk assessment; United States, 29528

Carers and Users Expectations of Services; epidemiology; measurement; service expectations; health care needs; psychiatric patients; psychosis, 18749

Caribbean Basin; HIV infection; AIDS; epidemics; sexual behavior; safe sex, 29713

catatonia; diagnostic classification systems; prevalence; response to treatment; syndromes; etiology; diagnostic validity, 10505

catatonia; diagnostic classification systems; prevalence; response to treatment; syndromes; etiology; diagnostic validity, 10506

Celiac disease; antigliadin antibodies; epilepsy; comorbidity; prevalence; anti-endomysial antibodies; anti-tissue transglutaminase antibodies, 23512

child maltreatment; prevention; maladaptation risks; psychological development; epidemiology; etiology; neurobiological sequelae; psychopathology, 32476

child neglect; neglect assessment; child maltreatment; epidemiology; psychometrics, 21786

child psychiatric disorders; psychopathology; screening; assessment, 20028

child sexual abuse; sex abuse; epidemiology; depressive symptoms; vaginismus; Moroccan women; long-term repercussions, 7818

Chinese Americans; major depression; disease onset; risks; acculturation; depressive episode; life course; epidemiology, 13869

chromosome deletion syndrome; forensics; criminal justice; DiGeorge syndrome; conotruncal anomaly face syndrome; velocardiofacial syndrome; genetics; schizophrenia; correctional facilities; prevalence, 20419

chronic disease risk factors; prevalence; health status; American Indian; Alaska native; White elders, 22947

chronic obstructive pulmonary disease; mental illness; prevalence, 10477

chronic physical health problems; mental illness; severity, 10443

cigarette smoking; American Indians; tribal groups; prevalence, 22756

clinical depression; depressive symptoms; cardiac practice; heart disease; morbidity; mortality; coronary artery disease; epidemiology; pathophysiology; treatment efficacy; behavioral intervention, 22980

club drug epidemiology; substance use; substance misuse; geographic diversity; etiology, 33246

club drug use; homosexuality; depressive symptoms; epidemiology; poly drug use; suicide attempt; drug exposure; human males, 32037

co-morbidity; Attention Deficit Hyperactivity Disorder; substance dependence; adolescents; psychostimulants; prevalence, 4400

cocaine dependency; epidemiology; public health, 23308

cognitive functioning; schizophrenia; genetically mediated risk indicator; prevalence; schizotypy symptoms; siblings, 29359

Collaborative Psychiatric Epidemiology Surveys; National Comorbidity Survey Replication; National Survey of American Life; National Latino and Asian American Study; development; implementation, 6446

community prevalence; alcohol use; medication; older people, 32054

Composite International Diagnostic Interview; cross cultural epidemiological measurement; mental disorders; symptoms, 6324

Composite International Diagnostic Interview; mental disorders; underestimation, 6318

congenital urogenital anomalies; human male fetuses; epidemiology, 1505

contralateral footedness; contralateral kicking preference; crossed hand preferences; crossed foot preferences; phenotypic asymmetries; hemispheric asymmetries; handedness, 31598

controlled gambling; pathological gamblers; prevalence; abstinence; treatment goals; harm reduction, 23676

crime victimization; severe mental illness; sex differences; age differences; ethnic differences, 35385

delinquent behaviour; major depression; antisocial behaviours, 14081

dementia; Alzheimer's disease; twins; prevalence; onset, 29781

dementia; health problems; elderly people; psychosocial correlates; risk factors, 29823

depression correlates; prevalence; disabled adults; environmental factors; healthy behaviors; major disabilities; risk behaviors; sociodemographics, 13799

depression; anxiety; epilepsy; epidemiology; psychosocial issues, 1632

depression; Uganda; prevalence, 29326

depressive disorder; race; ethnicity; prevalence; dysthymic disorder, 32351

depressive disorders; European countries; public health programmes; human sex differences, 35460

depressive disorders; primary care setting; Croatia; physician treatment; psychiatrist treatment; prevalence; detection, 32337

dextromethorphan; adverse effects; adolescent substance abusers; neuropharmacology; epidemiology; treatment, 35658

diagnosis; chronic insomnia treatment; personal burden; socioeconomic burden, 32891

diagnosis; chronic insomnia treatment; personal burden; socioeconomic burden, 32959

diathesis stress model; panic attack; anxiety sensitivity; epidemiology; panic-related distress, 20168

disease incidence; disease maps; epidemiology; spatial variation; visual perception, 6448

disorder prevalence; risk factors; anxiety disorders; depressive disorders; Nigerian adolescents; epilepsy, 22937

drug side effects; club drug abuse; social consequences; epidemiological factors; public health, 32565

drug use; juvenile offenders; ecstasy; perceived harm; prevalence, 7911

Durkheim's theory of suicide; prison suicide rates; suicide rates, 29511

- early onset inhalant use; opiate initiation risk; young adulthood, 26364
- eating disorders; personality disorders; prevalence; comorbidity, 10790
- eating disorders; primary care; bulimia nervosa; health services, 17124
- eating disorders; weight control; anorexia nervosa; bulimia nervosa; Hungarian women; prevalence; cross-cultural perspective, 32658
- ecstasy use; marijuana use; drug use; trends; prevalence, 35683
- Edinburgh Postnatal Depression Scale; Taiwanese version; epidemiology; psychometrics; test validity; Taiwanese women; postpartum depression screening, 28058
- epidemic theory; group violence; health policy decisions; behavioral contagions; crowd violence, 7862
- epidemiological research; speech-language pathology; models; service delivery, 35829
- epidemiology; China; intellectuals; occupations; job stress; health; factors, 24666
- epidemiology; daytime sleepiness; quality of life; sleep disorders; symptomatology, 10854
- epidemiology; diagnosis; likelihood ratios; urological cancer; primary care; statistical methods; Bayes discriminant, 21915
- epidemiology; generalized anxiety disorder; Europe, 35537
- epidemiology; HIV infection; immigration; disease transmission, 1549
- epidemiology; methylenedioxymethamphetamine; club drugs; Seattle area; treatment agencies; sex clubs; gay oriented bars; mortality; sexually transmitted disease clinic, 31686
- epidemiology; mild cognitive impairment; predementia syndromes; disease progression; dementia; cognitive deficits; elderly persons, 32830
- epidemiology; premenstrual syndrome; premenstrual dysphoric disorder; self-help treatments; human females, 10539
- epidemiology; speech language pathology; epidemiological research methods; clinical expertise; aging; speech & swallowing disorders, 35826
- epidemiology; trauma; American Indian; demographic correlates; racial and ethnic differences, 22967
- epidemiology; traumatic stress; post traumatic stress disorder; psychiatric morbidity, 7792
- epilepsy; depression; anxiety; psychosis; attention-deficit hyperactivity disorder; comorbidity; epidemiology; prevalence; children; adolescents, 1637
- epilepsy; prevalence; knowledge level; attitudes; Senegal, 29808
- Estonian women; depressiveness; sociodemographic correlates; epidemiology; societal change; mental health, 29320
- EU countries; alcohol use disorders; Norway; human sex differences, 35703
- Europe; Parkinsons disease; health care costs; epidemiology, 32815
- gay obituaries; age distribution; AIDS deaths; gay newspaper, 35924
- gene-environment interactions; aging; epidemiology, 16223
- headache sufferers; headache prevalence; causal attribution; treatment; drugs, 1493
- hearing impairment; hearing loss; screening test; presbycusis; prevalence; etiology, 5001
- help seeking behaviour; anxiety disorders; mental disorders; major depression; self rating; comorbidity, 20051
- hepatitis virus prevalence; virus serostatus; methadone maintenance treatment; risk factors; health education needs; drug addicted patients, 36571
- high female suicide rates; social reasons; economic reasons; cultural reasons; psychiatric reasons; female male ratio; suicide causality, 35562
- HIV infection; AIDS; epidemiology; epidemics; AIDS prevention, 29714
- HIV infection; HIV risk practices; psychosocial correlates; prevalence, 5367
- HIV infection; prevalence; homeless population; sex work; sexually transmitted infections; juvenile detention population; prostitution; epidemics, 29254
- HIV prevalence; sexually transmitted infections; risk perception; health behavior; infectious disease; epidemiology, 24015
- HIV; prevalence; hepatitis C; intravenous drug usage; unsafe sex, 1551
- HIV; substance abuse; African American women; disease prevalence; risk factors, 29537
- Human Immunodeficiency Virus; suicide rates; suicide risk; HIV/AIDS; HIV positive; natural deaths; unnatural deaths; South Africa; descriptive statistics; case histories, 35359
- incidence; prevalence; autism; methodological differences; research; diagnosis; awareness; reviews, 35783
- injection drug use prevalence; male ethnic minority peoples; Thailand; sociodemographics; sexual practices; drug use risk factors for HIV infection, 7909
- intimate partner violence; risk factors; patriarchal values; conflict resolutions; prevalence, 20241
- Iraqi asylum seekers; asylum procedure length; immigration; adverse life events; psychiatric disorder prevalence, 7230
- juvenile bipolar disorder; children; adolescents; diagnosis; mood stabilizers; antipsychotics, 23050
- Latin American adolescents; epidemiology; alcohol use; cocaine use; marijuana use; eighth grade students, 22552
- lifetime prevalence; bipolar disorders, 32339
- lifetime prevalence; estimated risks; DSM-IV psychiatric disorders, 26056
- lifetime prevalence; estimated risks; DSM-IV psychiatric disorders, 26064
- Linda Saltzman; epidemiology; etiology; violence against women; domestic violence; sexual assault, 26247
- major depressive episode; postpartum depression; at risk pregnant women; Latinos; prevalence, 4484
- medical disorders; psychiatric patients; comorbidity; substance use disorders; prevalence, 26057
- mental disorder; comorbidity; runaway adolescents; homelessness; epidemiology; teenagers; conduct disorder; major depressive episode; posttraumatic stress disorder; alcohol abuse; drug abuse, 10478
- mental disorder; comorbidity; runaway adolescents; homelessness; epidemiology; teenagers; conduct disorder; major depressive episode; posttraumatic stress disorder; alcohol abuse; drug abuse, 10509
- mental disorders; prevalence; jails; prisons, 35386
- mental disorders; regional social deprivation; mental health inequalities; regional mental health differences; Wales, 29255
- mental disorders; spatial variation; anxiety; depression; social environments, 35423
- mental ill youth; first time involvement; juvenile justice system contact; mental health services; emotionally disturbed; Medicaid; psychiatric diagnosis; mental illness rates, 26386
- mentally ill; mental health care delivery; involuntary treatment; hospital admission; epidemiology, 30242
- methamphetamine use prevalence; methamphetamine use correlates, 7910
- methylphenidate; prescription stimulants; epidemiology; nonmedical drug usage; trends, 17005
- mild traumatic brain injury; epidemiology; brain damage, 17254
- minimally conscious state; vegetative state; disorder prevalence; incidence; diagnostic criteria, 32767
- missing data; child abuse; child neglect; incidence study; mental health promotion; epidemiological studies; child maltreatment research; data collection tools, 11428
- mixed anxiety depressive disorder; disease course; disease occurrence; primary care patients, 20060
- National Latino and Asian American Study; cross-cultural measures; psychiatric epidemiology & services; Latinos; cultural relevance; equivalence; internal consistency; etic & emic perspectives, 6306
- nitrite inhalant use; drug use patterns; adolescent drug use; alcohol dependence; drug dependence, 29557
- non-clinical panic; older adults; prevalence; anxiety; younger adults; health; cognitive symptoms; panic disorder, 26211
- obesity; outpatients; major depressive disorder; body fat; fluoxetine resistance, 20095
- obsessive compulsive disorder; prevalence; severity; DSM-III diagnostic criteria; DSM-IV, 23167
- parental psychopathology; childhood atopic disorders; general population; parental major depression; generalized anxiety disorder; panic attacks, 22971
- Parkinsons disease; depression; comorbidity; medication therapy; electro-convulsive therapy; psychotherapy; prevalence; treatment, 36025
- Parkinsons disease; prevalence, 17325
- pathological gambling; prevalence; risk factors; protective factors, 32477
- pharmacoeconomics; drug dosages; antidepressant drugs, 26861
- pharmacologic treatment; binge eating disorder; drug therapy; epidemiology; genetics; neurochemistry; psychosocial factors, 23437
- physical health status; lifetime trauma; older adults; age differences, 7191
- post traumatic stress disorder; Turkish children; Marmara earthquakes; earthquake exposures; earthquake anticipation; prevalence, 16871
- post-traumatic stress disorder; biomedical model; social constructionist model; biological correlates; psychological correlates; etiology, 16877
- postnatal depression; diagnosis; early detection; Edinburgh Postnatal Depression Scale, 10525
- postoperative fatigue; incidence; severity, 17764
- postpartum depression; prevalence; Morocco; mothers, 26125
- poststroke depression; risk factors; psychosocial factors; demographic characteristics; radiological factors; Chinese patients, 14219
- posttraumatic stress disorder; comorbidity; patients; bipolar disorder; prevalence; correlates; treatment strategies, 7643
- presenile dementia; prevalence; cognitive impairment; Brazilian patients, 1609
- prevalence; biological & contextual & behavioral & psychosocial correlates; eating disorders; substance use; anorexia nervosa; bulimia nervosa; Latina adolescents, 17127
- prevalence; body weight; obesity; overweight; intellectual disability; health risks, 17121
- prevalence; childhood sexual abuse; Latinos vs non-Latinos; men who have sex with men; urban environment; health outcomes; HIV sexual risk behaviors, 35563
- prevalence; nature; mental disorders; primary care; Arabic translation; self-report diagnostic instruments, 32310
- prevalence; postnatal depression; prenatal depression; coping; risk factors, 20074
- prevalence; psychotic symptoms; ethnic groups; England; risk factors; reporting symptoms, 29365
- prevalence; risk factors; client violence; social workers, 10647
- prevalence; trauma history; substance abuse; treatment seeking; relapse probability; gender differences; sexual orientations; ethnic differences, 5547
- preventive tutoring; math disability severity & prevalence; cognitive characteristics; mathematics development; at risk first grade students; treatment fidelity; math outcomes; attention; predictors, 36934
- problem gambling; self report; gambling related suicidality; gambling helpline callers; attempted suicide; suicide ideation, 29483
- procrastination; avoidance delays; task completion; Arousal Delays; global prevalence, 19895
- psychiatric diseases; genetic epidemiology; single nucleotide polymorphisms; genetic factors, 35404
- psychiatric disorders; major depression; mental disorders; diagnosis, 10528
- psychiatric disorders; Mapuche; Chile; indigenous populations; prevalence; service utilization, 26123
- psychiatric drugs; mental illness; epidemiology; trends; drug therapy, 30096
- psychiatric disorders; risk factors; pathogenesis; psychiatric illness, 29293
- psychiatric symptoms; prevalence; terrorist attacks; September 11 2001; New Yorkers, 4443
- psychological correlates; eating disorder; pregnant women; epidemiology, 20375
- psychological difficulties; women; vulval pain; vulvodynia; dermatology conditions; prevalence; sexual & relationship satisfaction; sexual & relationship functioning, 10458
- psychological issues; epilepsy; health related quality of life; epidemiology, 1631
- psychopathy; normal personality traits; community epidemiological investigations; undergraduates; test validity; incarcerated men; Psychopathic Personality Inventory, 18726
- psychosis; psychotic disorders; schizophrenia; epidemiology; health care costs; indirect costs; Europe, 32365
- psychosocial factors; lower back problems; fear-avoidance beliefs; disorder prevalence; pain-coping strategies; South African manganese industry; work related illness; epidemiological study, 23518
- psychotic disorders; epidemiology; disease course; schizophrenia; disorder onset; remission; affective psychosis, 10586
- psychotropic drugs; torsade de pointes; prevalence; risk factors, 30061
- psychotropic drugs; torsade de pointes; prevalence; risk factors, 36245
- psychotropic drugs; ziprasidone; prevalence; risk factors, 36263
- public health; European countries; etiology; dementia; elderly; mortality, 35965
- randomised trials; PubMed journals; epidemiology; evidence-based medicine, 18871
- rapid cycling pattern; bipolar disorder; mood disorder; epidemiology; affective episodes; pathogenesis, 26153
- rates of anxiety & depression; adolescents; urban & rural China; middle school students, 29278
- recidivistic single victim homicide; recidivism; mentally ill offenders; offence prevalence; perpetrators characteristics; crime victims, 26383
- recurrent tinnitus; ear symptoms; prevalence, 36038
- research; tobacco control; disease causation; epidemiology; educational interventions; policy; developing nations, 33503
- respiratory disorders; first-degree relatives; panic disorder patients; asthma; lifetime prevalence, 35373

risk factors; dementia; depression; elderly; epidemiology; psychiatric study, 35355

risk factors; depressive symptoms; elderly people; nursing home residents; Taiwan; Hong Kong; prevalence, 23077

sample designs; sampling methods; National Comorbidity Survey Replication; National Study of American Life; National Latino and Asian American Study of Mental Health; survey cost; error structure, 6439

self-reported; psychotic symptoms; psychosis; phenotype; prevalence, 4523

service utilization; morbidity; mortality data; mental illness; mental health; illness prevalence, 20039

sex differences; social environment; psychosomatic disorders; morbidity; Japan; gender roles; health care, 35915

sex workers; prevalence; sex work; HIV risk; effective programs, 4901

sleep disturbances; anxiety; later life; prevalence; anxiety disorders; sleep; neurobiology; medical illness; older adults, 23691

social anxiety disorder; alcohol use disorders; comorbidity, 32291

social disparities; tobacco use; occupation; education; gender differences; prevalence, 32066

social phobia prevalence; generalized subtype; nongeneralized subtype; drug dependence; substance abuse; gender differences, 10728

social phobia; risk factors; European countries; clinical correlates, 35531

social psychiatry; mental health problems; interdisciplinary cooperation; sociology, 32990

social skills; assertiveness; rural adolescents; alcohol use; gender differences, 23294

stress; health; temperature; aggression; gender differences; coping behavior; medically unexplained symptoms, 17774

stroke; Europe; health care costs; epidemiology, 32755

substance abuse trends; epidemiology; drug abuse prevention; qualitative epidemiologic methods, 5544

substance use prevalence; Whites; American Indians; adolescent attitudes; prevention, 35714

substance use; medical residents; resident doctors, 35705

substance use; physical disorder; methamphetamine; emergency services; prevalence, 1362

suicidal attempt; psychiatric disorders; Iran; prevalence; comorbidity, 32325

suicidal phenomena; suicidal thoughts; abuse experience; adolescents behaviors; prevalence, 16937

suicide studies; epidemiological data; suicide rates; world nations; time-series studies; regional correlates, 23231

suicide; epidemiology; adolescents; ethnicity; gender; survey method, 32481

suicide; industrialized nations; suicide rate prediction, 23230

suicide; Japan; suicide prevention; suicide rates; prevention strategies, 14016

suicide; mental disorders; Asia; depression; mental health problem, 26304

suicide; seasonality; historical change; Switzerland, 23184

suicides planning; impulsiveness; stress, 35573

syphilis; social change; sociodemographic factors; health status indicators; incidence, 1538

systolic blood pressure; cognitive decline; elderly Mexican Americans; Hispanics, 9809

tobacco reporting validity; epidemiological survey; drug abuse; tobacco use; cotinine; drug testing, 10696

tobacco use; nicotine dependence; smoking; psychiatric patients; India; correlates; prevalence, 32271

transvestic fetishism; health correlates; sexual arousal; pornography use; masturbation, 13540

valid syndromes; disturbed reading & spelling behavior; epidemiology; third grade students; severe learning problems; psychometrical quality, 21450

violence prevalence; posttraumatic stress disorder; violent event effects; gender differences; regional differences, 35517

visual impairment; prevalence; middle aged; older adults; risk factors; self report, 20605

visual neglect; cognitive impairment; dementia; elderly stroke patients; prevalence, 35955

vocal symptoms; voice disorder; teacher students; university students; prevalence, 1489

voice disorders; African American preschoolers; European American preschoolers; prevalence, 1480

Wilson's disease; autosomal recessive disorder; copper toxicity; neurological symptoms; tetraethiomolybdate treatment, 23475

women's mental health; premenstrual syndrome; premenstrual dysphoric disorder; epidemiology; etiology; assessment; erectile dysfunction; treatment, 10851

youth suicide rate; causes of suicide; opinions; young adults; New Zealand; etiology; suicide prevention, 23217

epilepsy; surgery; verbal learning; verbal memory; temporal lobe; postoperative change, 17253

epilepsy; topiramate; obsessive-compulsive disorder, 14644

epilepsy; women; at risk; sexual dysfunction; sexual desire & sexual arousal disorders; antiepileptic drug monotherapy; affective status; sex steroid concentrations; depression, 23610

expert system; electrocardiographic changes; epilepsy; neural network, 23574

extended-release divalproex; delayed-release divalproex; epilepsy; psychiatric patients; drug tolerance; drug efficacy; psychiatric symptoms, 1906

facial expressions; emotion recognition; temporal lobe epilepsy; ictal fear; affective aura; amygdala; emotion processing, 17324

factor analysis; test validity; epilepsy specific patient concerns; psychometrics; Epilepsy Foundation Concerns Index scale, 21857

family factors; psychopathology; epileptic children, 26632

Fishman syndrome; encephalocraniocutaneous lipomatosis; presurgical evaluation; cognitive functional reorganization; neurophysiology; epilepsy, 23567

folly; trepanning; bone; skull; epilepsy; headache; mental illness; art; gluttony; social vices; sins; meditation; struggle; self reflection; surgery, 11349

Friedreich's ataxia; epilepsy; symptoms, 35868

frontal lobe dysfunction; temporal lobe epilepsy; visuomotor sequencing task; frontal lobe epilepsy; cognitive function, 32820

gambling; decision making; vagus nerve stimulation; vagus nerves; somatic afferent signals; somatic marker hypothesis; epilepsy, 8103

- gender differences; risk factors; suicidal behavior; epilepsy; suicide attempt, 22961  
genetic counseling; family studies; epilepsies; genetics; ethical issues; pharmacogenetics, 2528  
health-related quality of life; adverse events; epilepsy; carbamazepine, 11369  
heart block; ventricular asystole; vagus nerve stimulation; epilepsy; antiepileptic drugs; autonomic nervous system; atrioventricular nodal block, 1973  
hemichorea hemiballismus; topiramate; anticonvulsant; epilepsy, 30160  
hippocampal neurons damage; inbred mouse lines; epilepsy model; kainic acid; pilocarpine; convulsive activity, 34653  
human parahippocampal activity; rapid eye movement sleep; wake sleep transition; sleep onset; epilepsy; hippocampal functioning; hypnagogic hallucinations, 35968  
hypercortisolemia; adrenocorticotrophic hormone; epilepsy; seizures; stress, 17282  
hypergraphia; temporal lobe epilepsy; extensive writing; compulsive writing, 17317  
hypergraphia; temporal lobe epilepsy; extensive writing; compulsive writing, 17322  
hypnotically-facilitated psychotherapeutic intervention; epileptic seizures; epilepsy; clients history, 5291  
information processing speed; temporal lobe epilepsy; white matter volume, 10919  
interictal perceptual function; epilepsy; olfaction, 26597  
interictal psychosis; partial complex epilepsy; temporal lobe epilepsy; temporal lobe focus; neuroleptic agents; seizure threshold; aripiprazole; chronic interictal psychotic states, 1871  
intermittent photic stimulation; electroencephalographic screening; aircrew applicants; epilepsy; focal slow waves; epileptiform paroxysmal electroencephalographic abnormalities, 17316  
intractable epilepsy; learning difficulties; Direct Instruction programming; academic performance; hospital based classroom; effectiveness; instructional methods, 24556  
intractable epilepsy; refractory epilepsy; causes; lifestyle; drug therapy; alternative therapy; surgery; holistic approach, 11018  
ion channelopathy; epilepsy; h-channel; neuronal excitability; antiepileptic drugs, 36004  
Ketter model; mood effects; antiepileptic drugs; topiramate; levetiracetam; behavioral side effects; epilepsy; GABA potentiation; glutamate attenuation, 23988  
knowledge; epilepsy; health promotion; attitude; public attitude, 14262  
lamotrigine; anticonvulsant; epilepsy; bipolar disorder; drug therapy; side effects; drug reactions; acne; acneiform eruptions, 11269  
Landau Kleffner syndrome; language disruption; electroencephalogram; brain wave abnormality; seizure activity; motor skills; hemispheric integrative therapy, 32834  
language representation; epilepsy; injury induced brain reorganization; brain function, 26596  
learning disability; childhood-onset epilepsy; medical outcome; social outcome, 10446  
lesion lateralization; epilepsy patients; precocious destructive insults; brain lesions, 10973  
magnetoencephalographic localization; basal temporal language area; epilepsy; reading ability; semantics, 17257  
magnetoencephalography; language processing areas; localization; epilepsy; cognitive cortical areas, 14225  
memory relationships; medial temporal lobe; magnetic resonance imaging; glucose uptake; hippocampus; parahippocampal gyrus; epilepsy; verbal paired associate learning, 1613  
mental health symptoms; partial epilepsy; Symptom Checklist 90 Revised; clinical value; self report measure, 28064  
mismatch negativity; focal epilepsy; auditory stimulation; auditory evoked potentials; frontal epilepsy; temporal lobe, 36011  
mood states; lamotrigine; epilepsy; adverse effects; quality of life; antiepileptic drugs, 1976  
muscle eye brain disease; genetic disorder; severe learning disability; motor development; eye manifestations; epilepsy; cognitive development; behavior, 17171  
music; interictal epileptiform discharges; childhood epilepsy; centrotemporal spikes; rolandic epilepsy, 1655  
myoclonic epilepsy; infancy; Dravet syndrome; anti-epileptic drugs; alfa subunit mutation; mental retardation; status epilepticus; febrile seizures; developing child, 4940  
negative attitudes; epilepsy; health knowledge; socioeconomic variables; public attitudes, 26640  
neurofeedback treatment; epilepsy; seizures; electroencephalographic biofeedback, 14648  
neuropsychiatric porphyria; refractory epilepsy; epileptic seizures, 29826  
neuropsychological change; gamma knife surgery; left temporal lobe epilepsy; patients; cognitive functioning, 11357  
neuropsychological outcome; focal cortical removal; epilepsy; surgery; anterior temporal lobectomy; pediatric surgical programs, 11355  
newborn screening card; cause of death; epilepsy, 4878  
patient attitudes; physician attitudes; epilepsy treatment; antiepileptic drugs; generic antiepileptic substitution, 36315  
pattern-induced partial seizures; repetitive affectionate kissing; right temporal lobe epilepsy; spitting, 23608  
perioral myoclonia with absences; generalized seizure type; mildly retarded patient; tonic-clonic convulsions; epilepsy, 23558  
personality testing; epilepsy; Minnesota Multiphasic Personality Inventory; correction procedures; statistical correction; psychopathology; neurologic disease, 9380  
Petrovich Musorgsky; Russian composer; alcoholic intoxication; alcoholic epilepsy; delirium tremens; dipsomania, 7885  
pharmacologic coma; status epilepticus; ethics; seizures, 17743  
pharmacologic coma; status epilepticus; ethics; seizures, 1974  
phenobarbital; epilepsy; drug therapy, 11336  
physical appearance; intelligence; asylum; deaf; dumb; epilepsy; mental disorder, 7685  
physical training; hippocampus; electrophysiology; rats; pilocarpine; epilepsy; aerobic exercise, 16064  
postictal mania; frontal lobe epilepsy; psychiatric symptoms, 17301  
postictal paresis; presurgical epilepsy evaluation; Todd's paresis, 29824  
primidone; Mysoline; epilepsy treatment; drug manufacturing; pharmaceutical industry; drug discontinuation; drug policy; tremor, 17763  
progressive myoclonic epilepsy; add-on therapy; topiramate; antiepileptic drugs; drug therapy, 17249  
prolonged postictal psychosis; forced normalization; temporal lobe epilepsy; seizures, 25555  
psychiatric comorbidity; epilepsy; clinical disorders; personality disorders; psychosis, 36024  
psychiatrists attitude; epilepsy; treatment; formal training; knowledge, 11724  
psychological disorders; Brief Symptom Inventory; screening; epilepsy; mild intellectual disabilities; residential care; test validity, 34230  
psychological issues; epilepsy; health related quality of life; epidemiology, 1631  
psychopathology; unilateral temporal lobe epilepsy; psychosocial stressors; patients cognitive status, 17269  
psychosocial model; epilepsy; medication management; medication self-management; social cognitive theory; project Epilepsy Awareness Support and Education, 11344  
psychosocial subtyping; brain metabolism; epilepsy, 31529  
psychotherapeutic intervention; epilepsy; private subconscious-mind healing therapy; analytical hypnotherapy; clinical hypnotherapy; ideomotor signals; motivation, 5288  
public attitudes; epilepsy; attitudinal instrument development; test validity; test reliability; psychometric properties, 10290  
race; ethnicity; epilepsy; clinical trial; disparity, 1588  
recruitment rates; fear of phlebotomy; pediatric patients; genetic study; epilepsy; refusal to participate, 23566  
scene memory encoding; functional imaging; medial temporal lobe; temporal lobe epilepsy, 16046  
seizure alerting; response behaviors; dogs; epileptic children, 29779  
seizure-alerting; response behaviors; dogs; epileptic children, 14243  
serum lipid levels; carbamazepine therapy; epilepsy; seizures; drug therapy, 17289  
sexual manifestations; drug resistant partial epilepsy; genital manifestations; automatisms; clinical semiology; incidence; symptoms; lateralizing epileptogenic zone, 29802  
smoking cessation; epilepsy patients; video EEG monitoring, 23966  
social competence; pediatric epilepsy; complex partial seizures; absence epilepsy, 17262  
social stigma; coping styles; personality; epilepsy, 23595  
social support; epilepsy; behavioral problems; social factors; risk factors, 23615  
social support; epilepsy; behavioral problems; social factors; risk factors, 29811  
spatial memory; memory deficits; selective amygdalohippocampectomy; right hippocampus; left hippocampus; epilepsy patients, 4962  
Sporadic Creutzfeldt-Jakob disease; nonconvulsive status epilepticus; Wernickes aphasia; spongiform encephalopathy, 1593  
stigma; epilepsy patients; minorities; help seeking behavior; treatment adherence; African American females; sociological perspective, 36003  
temporal lobe epilepsy; elderly, 10953  
temporal lobe epilepsy; obsessive compulsive disorder; right temporal lobectomy; treatment effectiveness; surgery, 26918  
temporal lobe epilepsy; psychosis; hippocampal sclerosis; photon emission; tomography, 16702  
temporal lobe epilepsy; Selective Reminding Test; thirty minute delay; learning; retention, 15651  
temporal lobe; naming ability; cognitive operations; neural network; hippocampus; temporal lobe epilepsy, 32848  
treatment onset; epilepsy; first seizure presentation; quality of life, 26618  
vagus nerve stimulation; child psychiatry; adolescent psychiatry; treatment refractory epilepsy; treatment resistant depression; chronic depression; recurrent depression, 14587  
vagus nerve stimulation; epilepsy; fragile X syndrome; adult males, 5316  
verbal memory decline; cognition; pharmacoresistant partial epilepsy; visuospatial stimuli, 1580  
verbal semantic impairment; left hemisphere epilepsy; semantic memory; naming, 29784  
visual hallucinations; Lafora disease; progressive myoclonus epilepsy; antipsychotic medication; quetiapine, 26573  
WADA test; presurgical evaluation; refractory epilepsy; Brazilian population; language; memory; assessment methods, 71  
zonisamide; electroencephalogram; juvenile myoclonic epilepsy patient; antiepileptic drug, 11379

organizational reward allocation; British organizations; needs; seniority; German organizations; equity; equality; cross cultural differences, 6022

pay gap; scientists; engineers; glass ceiling barriers; human capital; family status; occupational characteristics, 30881

profit maximization; individual differences; self categorization; choice behavior; disadvantageous inequality, 32141

public policy; insurance benefit parity; alcohol addiction; drug addiction; nicotine addiction, 5533

rejection; unintended inequity; truncated ultimatum game; proposers; responders; strategy method; participant behavior; Japanese undergraduate students; inequitable & unintended outcome; money, 28196

**Equity (Social) [See Also Equity (Payment)]—Serials**

assessment policy; higher education; assessment criteria; social justice; equity, 15678

assisted reproductive technologies; equity of access; under-represented populations; client desecration; ethical issues; service distribution, 27364

conscription; masculinity; femininity; equity in military service; gender order; popular cultural response; geopolitical factors; threat; protection; television entertainment; ideology, 27790

culturally diverse families; learning disability; social construction; parent-school relations; social justice; educator role; segregated schooling; political vision, 8992

disadvantaged groups; quality of services; health system; health service needs; empowerment, 5407

educational social justice; legitimate knowledge; sociocultural factors; learning disability; parent-school relations; educator role; segregated schooling; political vision, 8993

equal marriage; same sex couple; social advocacy; human rights; social justice, 12386

equal marriage; same sex couple; social advocacy; human rights; social justice, 12387

equal marriage; same sex couple; social advocacy; human rights; social justice, 12385

equity sensitivity; self efficacy beliefs; teachers burnout, 33727

heart transplantation; transplant recipients; women; gender equity; family caregivers, 5333

higher education inequities; race based affirmative action; campus diversity attainment; educational outcomes; ethnic racial minorities, 36826

impression management strategies; employment interview; machiavellianism; equity; applicant attitudes, 12085

inclusive teaching; learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 8981

justice judgments; psychocultural constructions; fairness representations; perceptual space; distributive justice, 10140

justice; National Health Service; equity; health care policy; health care provision, 30277

learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 18307

learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision; social constructivism; individualism, 8988

learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 18293

learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 8990

learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 18312

learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 8983

learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 8982

learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision, 8997

learning needs; learning disability; parent-school relations; social justice; educator role; segregated schooling; political vision; academic outcomes, 9000

marital satisfaction; working couples; equity; gender differences; work-family demands, 19704

masculine culture; gender equity; female homicide victimization rates; gender role expectations, 26287

national career guidance policies; countries; European Commission; World Bank; labor market; social equity, 12074

organizational citizenship behaviors; social exchange model; relationship quality; social equity; empowerment; labor management relations; trust; supervisor, 33993

parent-school relations; social justice; educator role; segregated schooling; political vision; discursive practice; learning disability; special education; social theory, 8980

sexuality; sexual behavior; sex roles; social values; gender differences, 32040

social dominance theory; psychological reductionism; conceptual redundancy; biological reductionism; hierarchy justification; social identity; system justification, 7260

social identity theory; system justification; social dominance; social change; social stability, 7259

societal equity; justice perception; Israeli Jew; Israeli Arab; sociocultural conditions; Jewish pioneering; halutzim, 10141

**Equity (Social) [See Also Equity (Payment)]—Chapters**

Cartoons and Comic Books for Changing Social Norms: Meena, the South Asian Girl, 3806

Future Considerations for Fostering Multicultural Competence in Mental Health and Educational Settings: Social Justice Implications, 17989

Work-Life Integration and Social Policy: A Social Justice Theory and Gender Equity Approach to Work and Family, 19754

**Erection (Penis)—Serials**

benign prostatic hyperplasia; sexual dysfunction; aging; erectile dysfunction, 8049

communication; erectile dysfunction; physicians; partners of men with erectile dysfunction, 26514

cyborg masculinity; Viagra; male sexuality; hyper-masculinity; super-natural erections; sex, 25892

diagnosis; erectile dysfunction; risk factors; screening test; oral therapy, 26504

dual control model; male sexual dysfunction; erectile problems; Sexual Inhibition Scale; Sexual Excitation Scale; premature ejaculation, 18723

erectile dysfunction; aging; sexual response, 35898

erectile dysfunction; clinical psychiatry; psychiatric disorder; sexual disorders; drug therapy; side effects, 10445

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8467

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8466

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8433

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8443

erectile dysfunction; obese men; lifestyle changes; endothelial function; body weight; physical activity, 8442

erectile dysfunction; treatment options, 11333

erectile dysfunction; treatment options, 11360

erectile dysfunction; United Kingdom; general practitioners; urologists; psychiatrists; distress, 33630

male sexual function; sexual behavior; ejaculatory function; testes size; sperm morphology; phallic morphology; testosterone levels; erectile function, 6820

neutral distraction; genital arousal; subjective sexual arousal; sexual function; sexual dysfunction; men; erotic stimulation; physiological arousal, 4148

noradrenergic system; genital reflexes; cocaine; sleep deprivation; male rats; alpha & beta adrenoceptor agonists; sexual behavior; receptors, 19275

spinal cord injury; erectile dysfunction; urinary incontinence; sexual dysfunction; substance abuse; dietary intake; alcohol intake; exercise; risk factors; obesity, 1601

**Ergonomics [See Human Factors Engineering]**

**Ergot Derivatives [See Also Bromocriptine]—Serials**

headache; subarachnoid hemorrhage; sumatriptan; trigeminal nucleus caudalis, 35897

**Erikson (Erik)—Serials**

healthy personality; holocaust survivors; psychosocial crises; life-span development; Erikson, 19649

identity research; Eriksonian theory; methodology, 18906

political psychology; government bureaucracy; cultural forces; Erik H. Erikson; human development; group structure, 28890

postmodernist critique; developmental approach to identity; Eriksonian approach; Marcia paradigm; identity formation, 19399

self concept; Erikson's psychosocial development stages; Bowers self differentiation concept, 22565

youth identity; conceptualization; research; social sciences; individual-society dichotomy; class; gender; ethnicity; racism; postmodernist frameworks; symbolic interactionism perspective, 19574

youth identity; conceptualization; research; social sciences; psychology; sociology; individual-society dichotomy; class; gender; ethnicity; postmodernist frameworks; Erikson's identity theory, 19562

**Erikson (Erik)—Books**

In the shadow of fame: A memoir by the daughter of Erik H. Erikson, 12432

**Eroticism—Serials**

boy attracted pedosexual males; boy erotica; erotic picture viewing; relationships; mental health, 4144  
couples therapy; eroticism; gender; interpersonal bonding; reproduction; sexual holonic mapping; subsystems; human sexuality; social constructivism, 10226  
erotic pictures; disgust-inducing pictures; hemodynamic responses; brain; withdrawal tendencies; sadomasochistic scenes; ventral striatum, 31632  
erotic power exchange; sexual stories; sadomasochistic stories; sadomasochistic identity; sexuality; social construction; sexual meaning, 10243  
power; eroticized transference; countertransference; anxiety; potential destructiveness; aggression; unconscious fantasy, 33144  
power; eroticized transference; countertransference; anxiety; potential destructiveness; aggression; unconscious fantasy, 33148  
power; eroticized transference; countertransference; anxiety; potential destructiveness; aggression; unconscious fantasy, 33159  
power; eroticized transference; countertransference; anxiety; potential destructiveness; aggression; unconscious fantasy, 33155  
power; eroticized transference; countertransference; anxiety; potential destructiveness; aggression; unconscious fantasy, 33139  
power; eroticized transference; countertransference; anxiety; potential destructiveness; aggression; unconscious fantasy, 33147  
psychotherapy; erotic feelings; intersubjective theory; physical contact; dialectics, 26729  
sexual satisfaction; penile prosthesis; erotic value; functional problems; prosthetic-sexuality, 7399  
strip clubs; feminist conversation; interdisciplinary conversation; exotic dance; deviance literature, 28993

**Errotomania—Serials**

genital self mutilation; paranoid schizophrenia; erotomania, 32397

**Error Analysis—Serials**

accident rate; landing attitude transition; aircraft; flight training, 21682  
brain electrical activity; inhibitory control; ADHD; attention deficit hyperactivity disorder; performance monitoring; error detection; children; event related potentials, 22368  
convergence rate; regularized boosting classifiers; model adaptivity; Bayes risk; error converges probability, 12567  
differential involvement; anterior cingulate cortex; performance monitoring; stop-signal task; neural generators; error-related brain potentials, 13068  
error detection; speeded response time tasks; stimulus categorization; response generation; computational model; event-related brain potential data, 19010  
error handling; stochastic dialog system; confidence measures; spoken dialog systems, 37219  
error monitoring; correct-response negativity; error-related negativity; uncertainty; attention conditions; event related potentials, 6812  
error-correction; error detection; response generation; telephone based spoken dialogue system; word recognition; wording choice; human-computer interaction, 37206  
multiple covariates; nonlinearity; heteroscedasticity; analysis of covariance; error item, 25045  
problem detection; audiovisual cues; communication problems; human-machine interactions; user facial expressions; spoken dialog system, 37203  
spoken dialogue systems; on-line error detection; error recovery; theory of grounding; object-based architecture, 37216  
visuospatial tasks; demographic effects; error analysis; education level; literacy; search strategy; African American elders, 28260

**Error Analysis—Chapters**

Task analysis for error identification, 9255

Understanding human error, 8545

**Error of Measurement—Serials**

alpha's standard error; confidence interval estimate; inferential statistics; multivariate normality; equations; alpha coefficients; sampling error; test statistic; independent sample alphas, 127  
asymptotic covariance matrices; Poisson regression model; measurement errors; consistent estimators, 25041  
behavioral scale reliability; behavior science; measuring invariance; latent variable modeling, 3152  
classical approach; assessment of patient change; Reliable Change Index; standard error; Jacobson & Truax; adaptation; standard error of difference scores; Temkin et al., 3318

classical approach; assessment of patient change; Reliable Change Index; standard error; Jacobson & Truax; adaptation; standard error of difference scores; Temkin et al., 3314

classical approach; assessment of patient change; Reliable Change Index; standard error; Jacobson & Truax; adaptation; standard error of difference scores; Temkin et al., 3317

confidence intervals; error bars; data interpretation; statistical significance testing, 12569

confidence intervals; replication; statistical cognition; standard error bars; confidence-level misconception, 9478  
correction for measurement error; attenuation; correlation; confidence interval; fiducial; confidence sets; Monte-Carlo methods, 25055

design effects; guidelines; weights; standard errors; National datasets, 28120  
equating error; long term equating; equating design; computer simulation, 25025

error variance homogeneity; psychological inquiry; measurement invariance; group differences, 3282

error variance; job specification ratings; organizations; rater factors; job factors; variance components models, 18418

factorial invariance; test validity; middle school students; psychometrics; depression scale, 12511

gain score; item response theory; effect size measure; error variances, 144

generalizability analysis; Multistate Bar Examination; content structure; statistics; errors of measurement, 31120  
grouped data; independent; organizational data; lower level data; higher level grouping factors; nonindependence; statistical significance; statistical inferences; simulations, 123

item parameter recovery; standard error estimates; item fit statistics; WINSTEPS program; Rasch models; sample size; test length, 25044

job performance; performance rating; error influences; halo error, 6425

latent transition analysis; longitudinal data; stage-sequential change; data augmentation; parameter estimates; standard errors; hypothesis testing; ethnic differences; gender; problem behavior, 15734

measurement error; correlation matrices; computing confidence intervals; regression equation; sampling error; relative weights, 12609

measurement error; developmental dyslexia; discrepancy models; reading achievement; intellectual functioning; test reliability, 35786

measurement error; dichotomous predictors; continuous predictors, 3291

measurement error; panel studies; respondent behavior; socioeconomic information; item nonresponse; income statement, 12624

measurement error; psychometric definition; categorically scored examinations; examination reliability; proportional reduction in loss, 103

multinomial model; deterministic axioms; exchangeability; measurement error; probabilistic measurement, 15732

negative marking; educational measurement; multiple choice; true/false tests; test reliability; measurement error, 9437

positive affect; negative affect; measurement error; Spearman, 15744

pre-equating; large scale assessment model; item banks; Tach model; measurement errors; effect cut-points, 19

regression parameters; measurement error models; multiple regression model; asymptotic distributional bias; statistical estimators, 31262

robust estimations; multivariate outliers; heteroscedasticity, 9516

sampling error; standardized mean difference; unequal sample sizes; errors; meta analysis; primary research; group differences, 28165

single-case studies; statistical methods; dissociations; Monte Carlo simulation, 34311

standard errors; survival curves; discrete-time survival analysis; logistic regression; estimation, 18862

**Error of Measurement—Chapters**

Misclassification Phenomena in Categorical Data Analysis: Regression Toward the Mean and Tendency Toward the Mode, 15759

Testing Model Invariance, 156

Error Variance [See Error of Measurement]

Errors [See Also Error of Measurement, Prediction Errors, Refraction Errors]—Serials

A-not-B errors; infant beliefs; ancillary & conceptual deficits; object location; inhibitory deficits; motor memory, 13247

action sets; decision making; medial frontal cortex; executive control; movement sequencing; error detection; conflict monitoring; motor responses, 453

articulatory error consistency; developmental apraxia of speech, 10792

Bayesian mixture algorithms; generalization error bounds; statistics, 12588

child protection; systems problem; human error, 17882  
criminal thinking errors; forensic psychotherapy; correctional treatment programs, 30447

cultural expectations; ethical responses; client distress; physician attitudes; medical errors; injury, 18064  
doctors; error type; diagnosis; patient outcomes; cognitive processes, 14970

electrophysiological correlates; error correction; event related potentials, 16068

error detection; intention; prospective memory; neural mechanisms; frontal lobes, 34587

error detection; neural basis; conflict monitoring; error related negativity; attentional task; conflict theory, 470

error processing; traumatic brain injury; electrodermal activity; rehabilitation; error awareness, 10954

error rate; concentration inequalities; missing mass estimator; histogram rules, 12586

error source; graphs construction; graph interpretation; fifth grade students; learning disability, 24561

error-related negativity; brain potential; performance evaluation; behavioral differences; response monitoring, 19244

error-related negativity; event-related brain potential; monetary losses, 19243

error; crime data; uniform crime report; concealed carry weapon, 18618

estimation; mixed effects model; variable errors; asymptotic normality; asymptotic covariance matrices, 9477

family nursing; relational family nursing practice; therapeutic errors, 24373

fear; performance monitoring; attentional allocation; trait anxious individuals; error processing, 28345

fill in errors; infill errors; order memory; serial recall, 22143

geomagnetic activity; geophysical variables; behavior; commercial air crashes; computer error; pilot error; mechanical failure; electronic systems; carbon aggregates, 6097

goodness of fit; multivariate linear models; error distribution; design matrix; null hypothesis, 31259

grammatical violation; working memory; anterior grammar; negativities event-related brain potentials (ERPs), 34565

human computer interface; human error mitigation; computer applications; security; Windows XP file-permissions interface; Salmon interface, 30966

human error; error recovery; spoken dialogue systems; route directions; speech recognition problems, 37226

hybrid inspection systems; human trust; competence; predictability; reliability; faith; errors, 37179

hyperactivity; anterior cingulate cortex; obsessive-compulsive disorder; symptom reduction; error-processing, 20143

inhibition dissociation; error processing; anterior cingulate cortex activation; inferior frontal gyrus; prefrontal cortex activation, 22267

internal & external information sources; perceived information source reliability; attributional style; erroneous knowledge of results; motor & mental timing task performance, 196

language impairment; language development; anomalous error, 17155

linear regression models; jackknifing technique; parametric components; serially correlated errors, 18861

measurement error; dichotomous predictors; continuous predictors, 3291

memory errors; verbally quantified information, 25230

memory impairments; error prevention; head injury; hypoxia; dementia; encephalitis; Parkinson's disease; implicit learning; memory rehabilitation; errorless learning; treatment effects, 1604

memory; serial order; running memory; memory errors, 25229

metacognition; multiple choice tests; changing answers; errors; signal detection, 15867

motor learning failure; initial errors; computational basis; complex motor tasks; performance improvement; practice, 9572

multiple-choice tests; error patterns; test construction; response options, 18818

neologistic jargon aphasia; neologisms; perseverative errors, 10949

oral reading errors; dyslexia; social developments, 17114

patient controlled analgesia; analgesia safety; errors; drug therapy, 26921

prompt hypothesis; clarification requests; child speech; corrective input; grammatical errors; young children, 34895

quality control; personality traits; error detection accuracy; error rates; mood factors; workload states; undergraduates, 32225

random ray model; reaction times; errors; speed; accuracy; ray parameters; perceptual experiments; visual search; object recognition, 21977

self scoring quiz; accuracy; self scored tests; feedback; performance; student attitudes; test scores; test scoring, 33826

self-regulation; error management training; emotion control; metacognition; performance effects, 30836  
 semantic ambiguity; inhibition hypothesis; reading errors; deep dyslexia; word representations, 10767  
 sequential adjustments; Ne/ERN; conflict-loop theory; partial errors; cognitive control mechanisms; conflict monitoring model, 31409  
 simulation theory; mind; cognitive neuroscience; mirror neurons; neural substrate; errors; reasoning, 22285  
 social reality; social mind; self fulfilling prophecy; stereotypes; research bias; errors; accuracy; social cognition; social beliefs, 25947  
 spelling errors; error correction; lexical cohesion restoration; semantic distance, 34807  
 spoken dialogue systems; speech technologies; human-machine dialogues; error handling, 37174  
 strategic control; medial frontal negativity; errors; event related potentials, 16065  
 timing errors; music tasks; diagnostic status; childhood apraxia of speech; speech disorder, 17154  
 training; timing errors; movement series; cello player imitation, 25089  
 transparency strategies; system errors; system knowledge; user expertise; spoken dialogue system, 37212  
 transposition errors; immediate serial recall; memory; cueing condition, 22114  
 visual scenes; eye movements; corrected speech errors; word preparation; visual information; gazing, 6923  
 voiding cysto-urethrogram; age-related errors; children's memories; traumatic events; child sexual abuse; vesico-ureteral reflux; children; repeated urinary tract infections; laboratory analogue, 19063

# Errors [See Also Error of Measurement, Prediction Errors, Refraction Errors]—Books

Misadventures in health care: Inside stories, 8542  
 Ten questions about human error: A new view of human factors and system safety, 15442

# Errors [See Also Error of Measurement, Prediction Errors, Refraction Errors]—Chapters

Aging, cognition, and patient errors in following medical instructions, 7207  
 All the men and women merely players, 8544  
 Anesthesia incidents and accidents, 8427  
 Data Errors, 6130  
 Mental models and normal errors, 15478  
 Safety and error issues in minimally invasive surgery, 8426  
 A School Accountability Case Study: California API Awards and the Orange County Register Margin of Error Folly, 15703

Stopping bad things from happening to good people in shock trauma centers, 8631

Task analysis for error identification, 9255  
 Transcripts of Problem Depositions, 6162  
 The Trojan Horse of the operating room: Alarms and the noise of anesthesia, 8550

Understanding human error, 8545

# Erythrocytes—Serials

Alzheimers disease; neuropathology; platelets; erythrocytes; aging; oxidative stress, 23591

# Escape [See Avoidance]

# Escape Behavior (Animal) [See Animal Escape Behavior]

Eserine [See Physostigmine]

Eskimos [See Inuit]

ESL [See English as Second Language]

# Esophagus—Serials

cortical processing; esophageal sensation; swallowing; sensorimotor cortex, 25380  
 esophageal pH monitoring; polysomnography; sleep disordered breathing; infants, 1508

# ESP (Parapsychology) [See Extrasensory Perception]

# Essay Testing—Serials

essay grading; signal detection theory; rater behavior; model, 24864

gender; essay assessment; undergraduate history essays; assessment feedback; higher education, 15683

written expression; expository writing; student performance; curriculum based measures; criterion based measures; middle school students, 12547

# Essential Hypertension—Serials

blood pressure variability; stress management training; essential hypertension; cardiovascular risk, 14620

# Esterases [See Also Acetylcholinesterase, Cholinesterase]—Serials

Maneistra brassicae; moths; male antennae; female antennae; olfaction; putative odorant-degrading esterases; cloning patterns; expression patterns, 12967

# Estimation [See Also Statistical Estimation, Time Estimation]—Serials

alternative estimation methods; confirmatory factor analysis; ordinal data; ordinal variables; polychoric correlations, 6397

asymptotic effect; multilevel model; random part; mission effect, 3278

bandwidth matrix selectors; multivariate density estimation; statistics; biased cross-validation, 21888

bandwidth; polynomial estimation; smooth boundaries; squared error; selection methods; regression, 130

bias-corrected estimation; noncentrality parameters; covariance structure, 12592

block thresholding; density estimation; local adaptivity; global adaptivity; convergence rate, 25009

blood glucose levels; type 1 diabetes; symptom discrimination; estimation; cues; hypoglycemia; hyperglycemia, 4874

body size estimation; anorexia nervosa; treatment outcome, 26479

DeFries-Fulker analysis model; estimation; genetic variance; biometrical modeling; least square regression; statistical power; reformulation, 16012

EM algorithm; inequality restrictions; likelihood estimation; parameters, 6420

episode duration; recurrent diseases; major depression; estimates; estimation; Monte Carlo simulation; Markov models, 13875

fit indexes; structural modeling; estimation methods, 12565

general intelligence; multiple intelligences; self estimates; cultural differences; family member estimates; sex differences; test experience; predictor variables; prediction, 22830

hierarchical number estimation; dot patterns; proximity; unattended scale; response cues; response confusion; opposite scale effect, 9553

measurement estimation; mathematics education; student attitudes; teaching methods, 18170

mispredictions; focusing illusions; adaptation; quality of life estimates; disability estimates; life satisfaction, 25196

multiple intelligence; mathematical intelligence; spatial intelligence; intelligence quotient estimates; self estimates; relatives, 22879

multiple regression; average derivatives; nonparametric statistical tests, 25031

object size estimation; bimanual response; visual memory; visual experience; blind individuals, 9564

regression-based methods; Oklahoma Premorbid Intelligence Estimate; premorbid IQ; brain impaired, 6355

sex differences; culture differences; intelligence; IQ; estimates; university students, 1052

stochastic response restrictions; statistical estimation; forecasting; linear regression equations; response variables, 25022

structural equation models; latent variable pattern mixture model; stochastic equation model algorithm; measurement error; estimation, 6391

subjective Bayesian methods; weight method; subjective probability estimates, 21908

vehicle distance estimation; luminous flux; nighttime driving; horizontal separation; spatial variation; inter-headlight width, 18573

# Estradiol—Serials

blood contamination; salivary progesterone; estradiol; blood leakage; microinjury; oral cavity, 20424

chronic oral estrogen; spatial memory; estradiol; middle aged female mice; synaptophysin; nerve growth factors; brain derived neurotrophic factor; hippocampus; neocortex; object recognition, 6853

estradiol receptor; hypothalamic regions; limbic regions; ewes; physiological state; maternal experience; estrus; pregnancy; parturition; sheep brain, 28525

estradiol treatment; progesterone treatment; older women; cognition effects; hysterectomized women; sex hormones treatment, 26939

estradiol valerate; sweetened water; alcoholic beverages; placebo controls; saccharin solution; ingesta; rats, 16106

estradiol; estrogen; cognitive function; in vitro fertilization, 3693

estradiol; progesterone; mood; depressive symptoms; menopausal symptoms; sleep quality; hysterectomized women; gonadal hormones, 30056

estradiol; schizophrenia; antipsychotics; negative symptoms; male patients, 26185

executive function; estradiol sensitivity; spatial memory; performance; rhesus monkeys, 3571

mice; Mus musculus; pregnancy; 17-beta estradiol; anastrozole; testosterone; fertility, 22343

postmenopausal women; serum medium; estradiol measurement; saliva medium; estrogen therapy, 31725

pregnant rats; ethinylestradiol administration; maternal behavior; offspring; emotional alteration, 34717

restraint; time spent with male; sexually-receptive females; sexually active males; mice; estradiol; stress; hormonally primed females, 16087

# Estrogen Replacement Therapy [See Hormone Therapy]

# Estrogens [See Also Estradiol]—Serials

antidepressant therapy; estrogen; postmenopausal women; serotonin reuptake inhibitor; raloxifene; drug augmentation, 14532

bisphenol A; lactation; maternal behavior; rats; neural circuits; pregnancy, 25512

cumulative exposure; estrogen; neurodevelopment; bone mineral density; psychosis; schizophrenia, 16846

estrogen levels; progesterone levels; menstrual cycle; anxiety; depression; premenstrual dysphoric disorder; blood plasma, 8035

estrogen levels; synaptic depression; ovariectomy; hippocampal synaptic plasticity; estrogen replacement, 19256

estrogen receptor a; pathogenesis; Alzheimer's disease; gene polymorphisms; neurofibrillary tangles; senile plaques, 1622

estrogen receptor gene; dementia; polymorphisms; Alzheimers disease; risk factors; brain, 9742

estrogen receptor; male sexual behavior; background strain; gene disruption; mice, 3578

estrogen receptor; tryptophan hydroxylase; murine mid-brain; dorsal raphe nucleus; serotonergic neurons; monkeys; guinea pig, 25492

estrogen replacement therapy; dopamine transporter; postmenopausal women, 6854

estrogen treatment; prefrontal cortex; serotonin receptors; postmenopausal women; cognition; mood, 5213

estrogen treatment; prefrontal cortex; serotonin receptors; postmenopausal women; cognition; mood, 5204

estrogen; multiple memory systems; modulating memory; learning strategy; cognition; gonadal steroids; female rats; hippocampus; striatum; allocentric response; egocentric response; neuromodulators, 498

estrogen; serotonin; mood; cognition; estrogen-serotonin interactions, 34715

hormone replacement therapy; dementia; Alzheimers disease; risk factors; estrogens, 32761

hormone therapy; depression severity; older women; estrogens; etiology, 30053

interindividual variability; intraindividual variability; recognition memory; aging; age differences; estrogen; estrogen and progesterin; postmenopausal women; younger women, 585

intrahippocampal muscimol; learning strategy; rats; circulating estrogen levels; GABAergic function; hippocampal inhibition; estrous cycle, 19200

menstrual cycle; implicit memory; perceptual closure; estrogen, 16094

menstrual migraine; medical diagnosis; estrogen level; premenstrual therapies; patient education, 23479

non nuclear estrogen receptor beta mRNA; hippocampus; protein expression; brain; male rats; female rats, 25397

phyto-oestrogens; menstrual migraine prophylaxis; cerebral haemodynamic; genisteine; diadzeine; drug combination, 14631

postmenopausal women; estrogen replacement therapy; Alzheimers disease; neurobiology, 1886

sleep disorder; rapid eye movement sleep; health; oestrogens; menstrual cycle; pregnancy; menopause; circadian rhythms, 13098

Women's Health Initiative; metabolic risks; benefits; hormone therapy; estrogen therapy; early postmenopausal women, 26811

# Estrogens [See Also Estradiol]—Chapters

Medical Aspects of Perimenopause and Menopause, 17698

Psychotic Illness in Women at Perimenopause and Menopause, 17401

# Estrus—Serials

artificial boar stimuli; oestrus expression; sows; olfactory stimuli; auditory stimuli, 28364

estrous cycle; individual differences; novelty; cocaine; rats, 28582

intramaze cue utilization; water maze; sex; estrous cycle; rats, 28386

mice; estrous cycle; sex differences; acoustic startle response; amplitude; habituation; prepulse inhibition; prepulse facilitation, 19261

milk production; estrous behavior; estrus; lactating cows, 501

# Ethanol [See Acetaldehyde]

# Ethanol—Serials

acetaldehyde; central effects; ethanol; rats; ventral tegmental area; behavioral effects; brain, 28577

acute naltrexone treatment; ethanol consumption; ethanol-preferring rats; alcohol accepting rats; taste reactivity; naltrexone dosage; ethanol palatability; aversive response; opioidergic mechanisms, 544

alcohol-related cognition; expectancies; cue patterns; cue pattern identification; memory processes; recall; experience level, 12801

alcohol; conditioned place preference; saccharin preference; locomotor stimulation; sensitization; ethanol drinking; rewards; taste aversions; phenotypes; genetics, 34753

alcohol; intentional control; caffeine; environmental incentives; inappropriate behavior; behavioral control, 13103

anxiety-like behavior; ethanol vapor inhalation; alcohol abuse; ethanol dependence; mice, 3716

- caloric compensation; rats; ethanol-beer; ethanol-polycose mixtures; palatable vehicles; alcohol consumption, 16131
- clozapine; olanzapine; haloperidol; ethanol; striatal ascorbic acid; mouse striatum, 16118
- conditioned place aversion; conditioned place preference; ethanol; mice; opioid receptors; ventral tegmental area; neural mechanisms, 9827
- cyclic-adenosine monophosphate; protein kinase; ethanol-induced synaptic; behavioral alterations, 3698
- dopamine; alcoholism; neurobiology; ethanol abuse; nucleus accumbens, 10720
- driver impairment; portable performance tester; evaluation; sensitivity to ethanol, 31135
- early postnatal ethanol administration; prepulse inhibition; rats; sensory stimuli, 25520
- energy drinks; ethanol; depressor effect; mice; alcoholic beverages; locomotor activity, 3704
- ethanol infusion; panic disorder patients; carbon dioxide challenge; pharmacology, 29406
- ethanol ingestion; carboline norhaman; alcohol dependency; male Wistar rats; plasma levels; alcohol withdrawal, 550
- ethanol; rats; early exposure, 6856
- gamma aminobutyric acid receptor agonists; ethanol self-administration; ethanol sedation; mice; alcohol craving; alcohol reinforcement, 16104
- gamma hydroxybutyric acid; receptor ligand; rat cerebral cortex; ethanol, 564
- inbred mouse strains; pharmacogenetics; handling-induced convulsions; dependence; ethanol; alcohol withdrawal severity, 34748
- maternal separation; maternal care; behavior; brain opioid peptides; emotionality; ethanol intake, 6840
- motion parallax; eye movements; ethanol intoxication affects; depth perception; retinal motion, 6865
- nicotine; ethanol preference; mice; Chrm4 A529T polymorphism; genetically determined variability; genes, 12962
- prostaglandin E receptor subtype; selective agonist; tumor necrosis factor; macrophage secretion; ethanol-loaded rats; alcoholic liver disease, 569
- rewards; auditory system; comparative psychology; ethanol experiences; arthropods, 28361
- ventral tegmental area; nucleus accumbens; ethanol induced conditioned place preference; brain; neurochemical substrates; intra-VTA baclofen; mice, 13094
- Ethanol—Chapters**

# Volume 92 SUBJECT INDEX

## Ethnic Identity—Serials

youth identity; conceptualization; research; social sciences; late modernity; psychology; sociology; individual-society dichotomy; class; gender; ethnicity; racism; post-modernist frameworks, 19549

### Ethnic Identity—Books

Biracial women in therapy: Between the rock of gender and the hard place of race, 7291

### Ethnic Identity—Chapters

Biracial lesbian and bisexual women: Understanding the unique aspects and interactional processes of multiple minority identities, 7256

Conversations, not categories: The intersection of biracial and bisexual identities, 7253

The ecology of children's racial coping: Family, school, and community influences, 13313

Ethnicity, race, and identity, 12637

From exotic to a dime a dozen, 7299

Negotiating racial identity: Biracial women and interactional validation, 7298

Out of the closet but still in hiding: Conflicts and identity issues for a Black-White biracial lesbian, 7250

Reflections of a Japanese Canadian Teacher Experiencing Ethnicity (1979), 18059

Therapeutic considerations in work with biracial girls, 7090

Toward varied and complementary methodologies in the study of ethnic identity in childhood, 12651

The Trouble With Black Boys: The Role and Influence of Environmental and Cultural Factors on the Academic Performance of African American Males, 21390

Understanding and assisting Black/White biracial women in their identity development, 8547

When face and soul collide: Therapeutic concerns with racially ambiguous and nonvisible minority women, 8546

**Ethnic Sensitivity** [See Cultural Sensitivity]

### Ethnic Values—Serials

acculturation; orthogonal models; linear models; Chinese Canadian immigrants; mothers; fathers; children; cultural orientation; identity; cultural values, 879

client expectations; counseling; client worldviews; counselor worldviews; Asian American cultural values; European American cultural values; client-counselor alliance, 8181

cultural values; cosmopolitanism; terrorist attacks; collectivism, 847

interest occupation congruence; Dharmic values; Asian Indian college students; career exploration; group differences, 30827

psychometric revision; Rasch Model; European American Values Scale for Asian Americans, 12456

reciprocal learning; caregivers; curriculum development project; early emotional development; conceptions of care; Western scientific ideas; African values, 8743

school administration; separatist; bilingual school; ethnic harmony; non-Maori; parent concerns; minority education; biculturalism; minority groups, 15072

transformational leadership; leadership effectiveness; United States; Taiwan; cultural values; cross cultural differences; traditionalism, 24641

**Ethnic Values—Chapters**

Synthesizing the Literature on Cultural Values, 15445

Women and Intergenerational Caregiving in Families: Structure, Ethnicity, and Building Family Ties, 19611

**Ethnicity** [See Ethnic Identity]

### Ethnocentrism—Serials

Afrocentricity; racial socialization; African American; college students, 19685

cultural psychology; child development; daily lives; ethnocentrism; cultural comparison; value conflicts; ethnic minority students; student motives; coping behavior, 28797

group identification; ethnic groups; South African ethnocultural groups; intergroup relations; outgroup attitudes, 19676

group identification; out-group attitudes; ethnic groups; intergroup relations, 7453

postcolonial feminism; politics; liberalism; ethnocentrism; patriarchy; whiteness, 35167

prejudice; ideology; ethnocentrism; social groups, 1018

Whiteness; ethnocentric monoculturalism; White Euro American males; people of color; women; marginalized groups; minority groups; oppression; equality; fairness, 4072

Zulu religion; social patterns; spiritual concepts; religious beliefs; spiritual concepts; afrocentrism, 19659

**Ethnocentrism—Chapters**

When Diversity Becomes the Norm, 15349

**Ethnography—Serials**

African Americans; southern United States; rural drug use; ethnography; diffusion; methamphetamine; ethnography, 35710

anthropological theory; ethnography, 35091

Antipodes; culture, 13362

applied sport psychology; ethnography; group culture; methodology, 24708

athlete; researcher role; ethnographic research; role relationships; ethnographic study; sports club; reflexivity; researcher perceptions, 164

autoethnography; customer value; subjective personal introspection; axiology; archival artifacts, 18532

autoethnography; empirical research; research methods; university proctor, 9538

body inscription; tattoo; scarification; body paint; ethnographic literature; social identity; modernity; body art; society; literature review; anthropology; cultural construction; human body, 1027

caregiving; African American families; end-of-life; family caregivers, 5496

childhood disabilities; parenting; social relationships, 19991

critical design ethnography; instructional design; participatory action research, 13435

critical design ethnography; instructional design; participatory action research, 13455

disabled people; ethnography; anthropology; marginalization, 19981

dual ethnography; customer service work; shoppers; workers; qualitative interviews; retail work, 31313

ethical decision making; narratives; ethnographic fieldwork; research subjects; drug dealers, 28181

ethnic classification; ethnography; emic color categories; semantic structure; shared cultural model; cultural color understandings, 35082

ethnographic decision tree modeling; research method design; counseling psychology; decision making, 15767

ethnographic interviewing; material probes; prompts; memory, 25916

ethnographic methods; culture specific interventions; students' cultural experiences; school based mental health promotion project, 30601

ethnographic practice; secondary schools; educational research; gender differences; activity; passivity; non-events, 21400

ethnographic relations; heart disease; ovarian cancer, 12628

ethnographic team; qualitative evaluation research; feminist learning community; social justice; Head Start to Public School Transition Demonstration Project, 36868

ethnography; counseling psychology research; empirical methods, 16448

ethnography; cultural models; expertise; folkbiological knowledge; research methods, 25068

ethnography; ethnographers; social life, 13442

ethnography; research mechanisms; pragmatic realism; researcher dilemmas; research process; research setting, 34346

experimental text; performance text; autoethnography; popular culture; history; Walter Benjamin; ideology; Native Americans, 19675

globalization; reading; literacy; ethnography of writing; asylum seekers, 6907

Haitian youth; drug use; tobacco use; identity, 35682

hospital ethnography; biomedicine; cultural processes; hospital environment; technical facilities; therapeutic traditions, 2270

illicit drugs; drug abuse; drug subcultures; ethnography; ethnographic terminology, 4752

insider research; youth cultures; ethnographic research, 25585

invisible brands; ethnography; household environment; kitchen pantries, 27811

Journal of Contemporary Ethnography; state of the journal; analytical ethnographies, 7273

life satisfaction; Gay Black men; ethnography; masculinity, 35278

local discourse; global research; ethnography; local knowledge; linguistics, 13141

marital violence; structural inequalities; gender; caste; class inequalities; ethnography, 23228

media; psychoanalytic ethnography; cyclical fandom; affective relationships, 28658

methodology; Internet website; television serial; ethnography; ethnographer; site subjects; website community; anonymity, 162

mixed method approach; culturally specific constructs validity; qualitative methods; quantitative methods; cross cultural research; ethnography, 28163

objectivity; subjectivity; ethnographic method; concepts, 18886

otherness; human females; poststructural feminism; restructuring; managerialism, 6020

photo essay; disabled people; ethnography; narratives; stroke, 20510

qualitative research; ethnomethodology; treatment clubs; alcoholics; conversational analysis, 6438

sociological ethnography; Chinese immigrants; social dance subculture; social adaptation; economic adaptation; collective identity; leisure participation, 7278

sociology of work; ethnographic research; workplace ethnographies; workplace behaviors; participant observation, 28180

sociology; bioethics; sociologists; ethnographers, 11751

toxicology; anthropology; toxicogenomics; ethical plateaus; science; politics; economics; ethnography; scientific imaginaries, 35080

trust; teacher student relationships; ethnographic fieldwork; student resistance; experimentation; researchers, 21415

visual data; qualitative research; applied research; visual anthropology; community development, 31312

Whiteness; audience research; media; ethnography; narratives; structural dominance; individual vulnerability; poststructuralist theories; language; hegemony, 25805

### Ethnography—Chapters

Animals and Religion, 13428

Combining ethnography and GIS technology to examine constructions of developmental opportunities in contexts of poverty and disability, 12652

The Crisis of Care, 4122

The ethnography of speaking, 13656

Ethnography, 13648

An Ethnomodel of Teaching and Learning: Apprenticeship of Zinacantan Maya Women's Tasks, 16452

Fieldwork traditions: Ethnography and participant observation, 6468

Qualitative Research as Heuristic: Investigating Documentation Practices in a Medical Setting, 12649

Reinscribing critique in educational ethnography: Critical and postcritical ethnography, 6467

### Ethnolinguistics—Serials

interpoint-distance model analysis; composite color categories; cognitive principles; ethnolinguistic society; cross-cultural similarities; color naming, 19011

language; individual identity; Spanish speakers; ethnolinguistic vitality; acculturation; immigrants; minority group, 28644

### Ethnology—Serials

anthropology; natural science; ethnology, 881

antique collection; archaeological landscape; collecting behaviors; heritage sites; experiences, 2913

### Ethnology—Chapters

An Ecocultural Perspective on the Development of Competence, 7293

**Ethnology (Animal)** [See Animal Ethnology]

**Ethyl Alcohol** [See Ethanol]

**Ethylaldehyde** [See Acetaldehyde]

### Etiology—Serials

acculturation; etiology beliefs; Asian American students; Pacific Island American students; mental health world-view; counseling, 33885

adolescent friendship; male antisocial behavior; etiology; entrophy, 7110

adverse birth outcomes; African Americans; low birth weight; preterm delivery; infant death; etiology; pregnancy; stress reactivity; stress susceptibility; racism; socioeconomic factors; behavior, 35865

aetiology; autism; genetic influences, 17076

age related differences; attention deficit hyperactivity disorder; biological causality; understanding; colics; psychological causality; etiology; treatment; aggressive behavior, 20336

alcohol addiction; craving; relapse; neurobiology; neurochemistry; etiology; neurotransmitters, 26310

alcohol craving; genetic linkage; alcohol dependence; etiology; Mission Indians, 35666

alcohol use disorder; disorder development; etiology; epidemiology; genetics; personality; neuropsychology; parenting; social influences, 32559

Alzheimer's disease; etiology; neurobiology; aging, 14242

anger; anger attacks; depression; autonomic arousal; trivial provocations; depression with anger attacks, 35457

anorexia nervosa; family composition; etiology, 29623

anorexia nervosa; genetic diathesis; etiology; serotonin system; neurobiology, 23442

anorexia nervosa; neurobiology; serotonin function alteration; etiology; disorder vulnerabilities, 23440

anthropology; etiology; psychosis; schizophrenia; migration; sociocentric self; epidemiology, 7742

anthropology; etiology; psychosis; schizophrenia; migration; sociocentric self; epidemiology, 29355

anthropology; etiology; psychosis; schizophrenia; migration; sociocentric self; epidemiology, 29332

antiganglion neuron antibodies; sensory neuropathy; pathogenesis; Sjogren syndrome; dorsal root; ganglion neuron, 23611

antimitochondrial antibodies; epilepsy; immunoglobulins; immune mechanism, 36006

attention deficit hyperactivity disorder; ADHD; definition; research; neurobiological factors; genetics, 26446

attention deficit hyperactivity disorder; endophenotypes; inheritance; etiology; pathophysiology, 32593

attention deficit hyperactivity disorder; etiology; solute carrier family member gene; glial glutamate transporter; candidate gene; genetic variation, 32618

attention deficit hyperactivity disorder; mental genesis; scripts; adolescents; cognitive ability, 7939

- axonopathy; transport deficits; pathogenesis; Alzheimers disease, 16055
- basal ganglia; stroke associated acquired stuttering; etiology; genetics; ischemic infarct, 16698
- behavior problems; dementia; etiology; nonpharmacological interventions; nursing home residents; needed treatment steps, 35974
- bipolar affective disorder; trace amine receptor genes; chromosomes; etiology, 32341
- bipolar disorder; hypothalamic pituitary adrenal axis; etiopathogenic significance; neuroendocrinology; endocrine systems, 23045
- birth seasonality; schizophrenia; Poland; etiopathogenesis; environmental factors, 29336
- Black immigrant population; social causation hypothesis; United Kingdom; frequency of schizophrenia, 29342
- body image dissatisfaction; obesity; psychometric measures; psychotherapeutic interventions; etiology, 20053
- brain activity; positron emission tomography; obsessive-compulsive disorder patients; orbitofrontal-subcortical circuitry; neuroimaging; etiology, 10621
- brain lesions; eating disorders; psychopathology; etiology; neurobiology; brain stem; hypothalamus; frontal lobe; temporal lobe, 32853
- breast cancer; attribution of etiology; cultural factors; women; racial differences; African Americans; European Americans; implications for cancer prevention and control, 26564
- cannabis use; future psychotic symptoms; risk factor; adolescents; young adults, 26368
- cannabis; psychosis; risk factors; causal linkages, 23291
- cannabis; psychosis; risk factors; causal linkages, 23304
- case formulation; therapist expertise; cognitive behavioral therapy; psychodynamic therapy; quality; psychotherapy, 36119
- catatonia; diagnostic classification systems; prevalence; response to treatment; syndromes; etiology; diagnostic validity, 10505
- catatonia; diagnostic classification systems; prevalence; response to treatment; syndromes; etiology; diagnostic validity, 10506
- cerebellum; neuropsychiatric disorders; neural networks; prefrontal cortex; subcortical limbic structures; brain-stem nuclei; mood regulation; psychosis; depression; mania, 23012
- cerebral amyloid angiopathy; Alzheimers disease; pathogenesis; amyloid beta protein, 14253
- cerebral amyloid angiopathy; Alzheimers disease; pathogenesis; beta amyloid proteins, 14234
- child maltreatment; prevention; maladaptation risks; psychological development; epidemiology; etiology; neurobiological sequelae; psychopathology, 32476
- childhood maltreatment; child abuse; risk factor; etiology; pathological gambling, 29499
- childhood onset schizophrenia; neurocognitive deficits; genetic etiology; family members; working memory; psychomotor speed, 1210
- childhood paroxysmal kinesigenic dyskinesia; abnormal involuntary movements; diagnosis; etiology; anticonvulsant medication; video & EEG monitoring, 23596
- Chinese population; single nucleotide polymorphism; genes; schizophrenia; pathogenesis; karyopherins, 29357
- club drug epidemiology; substance use; substance misuse; geographic diversity; etiology, 33246
- cognition; neurology; drug use; etiology; drug use prevention, 8675
- cognitive behavioural approach; aetiology; treatment; violence; criminal behaviour, 26302
- cognitive impairment; PDAPP mice; apolipoprotein E; amyloid formation; alpha 1-antichymotrypsin; risk factors; Alzheimers disease; pathogenesis, 504
- conduct disorder; symptom structure; subfactors; phenotypes; antisocial behavior; rule breaking behaviors; aggression; etiology; twins, 32510
- depression; traumatic brain injury; etiology; clinical heterogeneity, 17294
- developmental learning disorder; receptive language disorder; brain function; language dysfunction; schizophrenia; neurodevelopmental etiology, 13891
- dopaminergic system; etiology; anorexia nervosa; single nucleotide polymorphisms; genes, 35805
- eating disorders; African American women; racial differences; socioeconomic status; etiology; treatment, 32973
- eating disorders; genetic factors; etiology, 4820
- epilepsy; Julius Caesar; partial seizures; etiology, 1620
- estrogen receptor a; pathogenesis; Alzheimers disease; gene polymorphisms; neurofibrillary tangles; senile plaques, 1622
- etiological knowledge; vulnerable populations; mental illness; depression; juvenile justice systems, 29282
- etiology; borderline personality disorder; child abuse; physical abuse; sexual abuse; family environment; internalizing disorders; externalizing disorders; parental psychopathology, 10622
- etiology; cognitive disorders; genetic factors; environmental factors; top down approach; bottom up approach; phenotypes, 10447
- etiology; intellectual disability; causative factors; timing, 23419
- etiology; mental retardation; tertiary care; cognitive delay; diagnosis, 32644
- etiology; social anxiety disorder; genetic factors; temperament characteristics; parent child interactions, 10601
- etiopathogenesis; schizophrenia; neurotransmission; brain structures, 7746
- evidence-based interventions; adolescent alcohol use disorders; etiology; assessment; treatment, 1368
- experiential events; eating disorders; onset; childhood experiences; psychoanalytic literature; family relations, 10785
- familial monozygotic twinning; multi-generation family; genetic factors; etiology, 12963
- first episode psychosis; disorder onset; adolescent psychosis; adult psychosis, 32366
- fragile X syndrome; etiology; mRNA transport; neurophysiology; RNA; synapses; fragile X mental retardation protein; FMRP; neural plasticity, 29650
- gene deletion allele; neuroleptic malignant syndrome; polymorphism; etiology, 32313
- genetic & environmental influences; language development; etiology; language skills; twins, 22503
- genital shrinking epidemics; culture bound syndrome; genital retraction; Koro; Jujū; etiology; mass psychogenic illness; cultural patterns; psychopathology, 35384
- Georges Lanteri-Laura; French psychiatry; hallucinations; obituary, 31094
- hearing impairment; hearing loss; screening test; presbycusis; prevalence; etiology, 5001
- hemichorea hemiballismus; topiramate; anticonvulsant; epilepsy, 30160
- hidden learning disability; adaptive disabilities; intellectual disabilities, 1447
- hormone therapy; depression severity; older women; estrogens; etiology, 30053
- immune responsiveness; immunologic changes; pathogenesis; inflammatory cytokines; Alzheimers disease, 36010
- inflammatory brain damage; preterm newborns; neonatal white matter damage; infection; inflammation; causation, 1597
- insulin-like growth factors; genetic susceptibility; fetal growth; growth hormones; birth complications; preadult growth; schizophrenia, 1211
- interleukin-10 gene; IL-10 genotypes; promoter polymorphism; Alzheimers disease; pathogenesis; anti-inflammatory cytokine; disease progression; risk factor, 26617
- Jacques Joseph Moreau; psychiatrist; insanity; etiology; hashish; psychiatric patients, 17963
- language behaviors; genetics; behavioral phenotypes; environment; language disorders, 10796
- language disorders; nature; causes, 10802
- Linda Saltzman; epidemiology; etiology; violence against women; domestic violence; sexual assault, 26247
- major depressive disorder; tryptophan hydroxylase; serotonergic system; gene; pathogenesis; haplotype, 7710
- mental health professionals; obesity; etiology; prevention; treatment, 20387
- mentally defective class; amnesia; mental deficiency; etiology, 10771
- migraine; aura; pathogenesis; intracranial tumors, 4866
- mitochondrial failures; Alzheimers disease; free radical-induced oxidative damage; pathogenesis; neurodegenerative diseases, 10982
- molecular genetics; attention deficit hyperactivity disorder; genome; etiology, 32594
- mood disorders; maternal-fetal origin hypothesis; etiology; antenatal risk; pathophysiological process; antenatal events; obstetric complications, 29324
- mourning; transsexual identity; etiology; gender identities; coping strategies, 22741
- neurocognitive studies; developmental language impairments; behaviorally defined disorders; etiology; genetic risk; language deficit; bottom up approach; phenotypes, 10800
- neurological disease; disease evolution; etiopathogenesis; pathophysiology; therapeutic interventions, 8111
- neuropsychological outcomes; etiology; traumatic brain injury; anoxic brain injury; cognitive function; atrophy, 17279
- neuropsychopharmacology; attention deficit hyperactivity disorder; catecholamine; norepinephrine; dopamine; working memory; executive function, 32606
- neurotrophins; pathogenesis; schizophrenia; brain maldevelopment, 29386
- nonspecific language impairment; genetic influences; twin children; environmental contributions; etiology, 23463
- obsessive compulsive disorder; schizotypy; schizophrenia; therapeutic implications; medical diagnosis; etiological identification, 32329
- obstetric complications; childhood onset schizophrenia; etiopathogenesis, 29379
- panic disorder; phenomenology; pathophysiology; etiology; treatment delivery; neurobiology, 23147
- panic disorder; phobias; generalized anxiety disorder; etiology; risk factors, 32420
- pathogens; Alzheimers disease; amyloid plaques; neurofibrillary tangles; apolipoprotein E; herpes simplex virus type 1; chlamydia pneumoniae, 14239
- pathogens; Alzheimers disease; herpes simplex virus type 1; chlamydia pneumoniae, 14241
- pathogens; Alzheimers disease; herpes simplex virus type 1; chlamydia pneumoniae, 14259
- pathological gambling; sensation seeking; etiology; pathogenesis, 29522
- personality factors; disordered eating; young women; Type 1 diabetes mellitus; pathogenesis; borderline personality characteristics; perfectionism, 10440
- pharmacology; etiology; inhalant abuse; inhalant dependence, 26357
- polymorphism; schizophrenia; transcription co-activators; trinucleotide repeat; exon 7 PCQAP polymorphism; pathogenesis, 1228
- positive youth development; etiology; high risk adolescents; positive youth development perspective; individual differences; ecological factors, 13205
- post-traumatic stress disorder; biomedical model; social constructionist model; biological correlates; psychological correlates; etiology, 16877
- posttraumatic stress disorder; social phobia; treatment seeking behavior; comorbidity, 13949
- proinflammatory cytokines; Alzheimers disease; blood cell cultures; mitogen stimulation; immune mechanisms; pathogenesis, 36009
- propranolol; delirium; elderly male; etiology, 5201
- psychiatric epidemiology; risk factors; pathogenesis; psychiatric illness, 29293
- psychological etiologies; biological etiologies; psychosis; psychotic patients; psychiatric symptoms, 32381
- psychological etiologies; biological etiologies; psychosis; psychotic patients; psychiatric symptoms, 32390
- psychopathological perspective; pre-illness symptomatology; illness onset; schizophrenia; pathogenesis; high risk, 29380
- psychopathy development; juvenile psychopathy; etiology, 32459
- psychosomatization; anxiety; prevalence; etiology; assessment instrument; treatment methods; PsyberCare MH; psychometrics, 32971
- quinoprotein; quinone; dopamine agonist; pergolide; Parkinsons disease; male mice; levodopa; neurotoxicity, 31605
- rapid cycling pattern; bipolar disorder; mood disorder; epidemiology; affective episodes; pathogenesis, 26153
- Rett syndrome; clinical manifestations; neurological features; genetic features; epigenetic features; pathogenesis; MECP2 mutations; X chromosome inactivation; genotype-phenotype correlations, 10764
- risk assessment; etiology; risk factors; sexual abuse, 4695
- schizophrenia; etiology; chromosomes; susceptibility genes, 7740
- schizophrenia; etiology; treatment, 26174
- schizophrenia; prefrontal grey matter; long term course; etiopathogenic mechanism; disorder relapse; physiological correlates, 7741
- schizophrenia; psychopathology; etiology; antibodies; Toxoplasma gondii; infectious agent; central nervous system, 23083
- schizophrenia; stress-diathesis model; etiology; prenatal experience, 4524
- sex offender aetiology & rehabilitation theories; sex offender treatment; risk management theory; good lives model; primary human goods; sexual abuse causal factors, 2283
- sexual offenders; risk assessment; sexual abuse; etiology; risk factors, 4631
- Silvano Arieti; schizophrenia; schizophrenic disorders, 32372
- sin; aetiology; mental illness; Johann Christian August Heitroth; Christian Protestantism; theology; psychiatry, 1178
- social network research; human subjects protection; infectious disease; disease control; pathogens, 22782
- social phobia; cognitive distortions; social skills; etiology; social fears; genetic factors; temperament; childrearing; negative life events; adverse social experiences, 7800
- susceptibility genes; attention deficit hyperactivity disorder; genetics; phenotypes, 32604
- traumatic brain injury; personality change; subdural hematoma; etiologies; secondary mania, 10535
- traumatic events; posttraumatic stress disorder; psychogenic nonepileptic seizures; patients; etiology, 10406
- youth suicide rate; causes of suicide; opinions; young adults; New Zealand; etiology; suicide prevention, 23217

# Volume 92 SUBJECT INDEX

## Etiology—Books

### Etiology—Books

Handbook of Personality Disorders: Theory and Practice, 7816

Pathological gambling: Etiology, comorbidity, and treatment, 20245

### Etiology—Chapters

The activation of microglia as an early sign of disease progression in Alzheimer's disease, 20602

The Application of the Integrative Model to Specific Anxiety Disorders, 23163

The Assessment of Pathogenic Beliefs, 14385

Causes of Insomnia, 17198

Cigarette smoking, 7912

The context of sexual risk behavior, 7414

Demographic correlates, 20250

Developmental Issues, 4608

Differential Susceptibility to Rearing Influence: An Evolutionary Hypothesis and Some Evidence, 13505

Elderly, 17331

Etiology of Fear and Anxiety, 4607

Focusing on Trauma and PTSD in General Psychiatric Services: Could Outcome be Improved?, 20971

Foundations: Adaptation, Accommodation, *Aristos*, 14277

Genes and Neurodevelopment in Schizophrenia, 7768

Illicit Drug Use and Prescription Drug Abuse, 23323

Integrative Psychotherapy of the Anxiety Disorders, 17529

Introduction: A Review of Borderline Personality Disorder, 16909

Parenting doesn't cause ADHD, genes do!, 14125

Perspectives on Anxiety Disorders, 23160

Psychiatric Genetics: A Methodologic Critique, 12977

Sexual Dysfunctions and Disorders, 13822

Toward an Integrative Etiological Model of Anxiety Disorders, 23162

Toward an Integrative Psychotherapy for Anxiety Disorders, 23159

### Etiopathogenesis [See Etiology]

### Eugenics—Serials

antenatal screening; family eugenics; political & ethical decisions; prospective parents; terminology, 33652

Danish Twin Registry; eugenics; founding; genetics; Denmark; history; future, 12964

euthanasia; eugenics; feeble-mindedness; mental disorders; psychiatry; history, 22960

mental retardation professionals; feeble minded; visual classification; eugenics; Barr's classification, 2379

sex selection; reproductive liberty; genetic manipulation; democratic presumption; legislation; regulation, 27354

sex selection; reproductive liberty; genetic manipulation; democratic presumption; legislation; regulation, 27355

sex selection; reproductive liberty; genetic manipulation; democratic presumption; legislation; regulation, 27342

visual impairments; eugenics; fictional literature, 36031

### Eugenics—Chapters

"To Stem the Tide of Degeneracy": The Eugenic Impulse in Social Work, 14793

### Euphoria—Serials

caregiver distress; multiple sclerosis; euphoria sclerotic; behavioral changes; disease duration; cognitive impairment; construct validity, 4848

diagnosis; bipolar disorder; disorder onset; prepubertal children; euphoria; grandiosity; family history, 26137

postnatal euphoria; postpartum depression; puerperal mania; puerperal psychosis; bipolarity, 20040

### Euthanasia—Serials

decision-making; long-term care; health care delivery; vegetative state; acute brain damage; nursing home patients; end-of-life decisions; coma patients, 8596

euthanasia attitudes; physicians; general public, 12380

euthanasia; debate; doctors; physician assisted suicide; active euthanasia; covert practice; health professionals, 6188

euthanasia; eugenics; feeble-mindedness; mental disorders; psychiatry; history, 22960

euthanasia; physician attitudes; assisted suicide, 5714

feasibility; euthanasia; advance directives; laws; criminal offense, 6194

hospice; ventilation withdrawal; motor neuron disease, 30334

involvement; nurses; euthanasia; terminal patients, 6183

legislation; dying patient rights; terminally ill patients, 6187

nursing attitudes; euthanasia; quality of life, 36709

palliative care; euthanasia conceptions; French physician; legalization; general practitioners; oncologists; neurologists; physician attitudes, 30540

passive euthanasia; professional death; healthcare professionals; treatment planning, 18071

physician assisted death; attitudes; non-terminally ill persons; supporters; expectations; preferences; participant characteristics, 35345

public deaths; right to die; bulimia nervosa, 31034

suicide intervention trainees; suicidal behavior; euthanasia; attitude, 36732

suicide pill; older people; physician attitudes; euthanasia; physician assisted suicide; Netherlands; relatives, 31033

Terri Schiavo; bioethics; euthanasia; persistent vegetative state; terminal patients; legal case, 31029

### Euthanasia—Books

Assisted suicide and the right to die: The interface of social science, public policy, and medical ethics, 3057

### Euthanasia—Chapters

History of Euthanasia and Physician-Assisted Suicide: Philosophical, Religious, and Clinical Contexts, 3060

Legal Status of Euthanasia and Physician-Assisted Suicide, 3059

Where Do We Go From Here?, 3061

**Evaluation [See Also Course Evaluation, Forensic Evaluation, Geriatric Assessment, Needs Assessment, Peer Evaluation, Personnel Evaluation, Program Evaluation, Psychiatric Evaluation, Risk Assessment, Self Evaluation, Treatment Effectiveness Evaluation, Vocational Evaluation]—Serials**

aberrant behavior; inpatient programs; adults; children; short-term treatment; evaluation; inpatient model, 1273

Abortion Attributes Questionnaire; questionnaire development; abortion methods; psychometrics, 12455

adaptive online assessment; computer based technologies; e-learning, 36776

adolescent girls; socioemotional costs; socioemotional benefits; social evaluative concerns; caring; depression; interpersonal competence; heightened concern; teacher ratings, 10053

affective priming; implicit evaluation; context effects; contrast effects; prime stimuli, 32156

affective priming; odor conditioning; food preferences; contingent presentation; odor discrimination; evaluative learning; odor association, 28206

ambiguity; successful joint performance; attributional rationalization; evaluations of women; evaluations of men; mixed-sex dyad; individual contribution, 35246

appraisal theories; emotions; lambs; event evaluation; suddenness; novelty; unpredictability; information processing; ovis aries, 6671

assimilation process; linguistic therapy of evaluation; psychotherapeutic outcomes, 29954

attitude extremity; schema development; evaluative integration, 1048

automatic evaluations; object categorization; judgements; priming; subliminally presented objects, 15858

Bayes's theorem; hypothesis testing; Laplace; principle of indifference; transformational invariance; hypothesis testing; theory evaluation; null hypothesis significance testing; mathematical models, 28133

Bayes's theorem; hypothesis testing; Laplace; principle of indifference; transformational invariance; hypothesis testing; theory evaluation; null hypothesis significance testing; mathematical models, 28125

Bayesian statistics; Bayes factor; frequentist statistics; transformational invariance; hypothesis testing; theory evaluation; null hypothesis significance testing; Bayes theorem; mathematical models, 28124

behavioral measures; evaluation; risk taking propensity; inner city adolescents, 13266

behavioral skills training; abduction-prevention skills; in situ training, 23778

body feedback; consumer psychology; product evaluation; avoidance, 6065

brand counterextensions; customer evaluations; focal brand; solo branded extensions; parent brand; cobranding, 30948

brand positivity effect; evaluation; preferences; consumer judgment; consumer choice, 9201

category content; schizophrenia; evaluation; instantiation principle; semantics, 23091

clinical characteristics; alcohol evaluation program; Internet, 26341

cognitive development; psychosocial development; evaluation of sources of information; information about psychological traits; age differences; self report; skepticism; social cognition, 28770

community groups; assessment criteria; evaluation; community development, 11525

community health initiative; California wellness foundation; health improvement initiative, 33390

comparative judgment methods; ratings alternative; scale origin; individual differences; comparative judgments; value judgments, 6386

consumer choice; evaluation differences; selection decisions; no choice situations; buying decisions, 9189

content analysis of messages; mass communication research; assessment guidelines; intercoder reliability; methodology, 12615

content analysis of messages; mass communication research; assessment guidelines; intercoder reliability; methodology, 12611

counselor; clients; drug court treatment; rural environments; urban environments; substance abuse; criminal behavior, 24164

country of origin effects; product evaluation; situational involvement; enduring involvement, 37161

criminal background checks; counselor education; educational program accreditation; student background checks, 30497

Criterion-Based Development Model; program development; program evaluation; self-instructional training programs; instructional media, 30491

decoy effects; attribute values; asymmetric dominance effect; comparisons; choice decisions, 25159

design methodology; scenario based online learning environment; interactive learning; college courses, 33742

developmental dysgraphia; proficient & dysgraphic handwriting; digitizer based & conventional handwriting process & product evaluation; copying; dictation; elementary school students, 3159

dissociation; dissociative symptoms; assessment guidelines; treatment guidelines; evaluation guidelines; children; adolescents, 7674

driver impairment; portable performance tester; evaluation; sensitivity to ethanol, 31135

drug detection; diagnosis; drug evaluation; classification program; drug impairments; police officers, 35708

educational reform; systemic education evaluation; educational system, 33787

epistemological framework; research evaluation; hearing screening; parents, 14733

ethics; competency; training; core competencies; competency training; training & assessment strategies; psychologists, 33643

evaluation studies; instructional program; literacy achievement; student achievement, 24404

evaluation; childhood teacher education; teaching practice; partnerships; preservice teachers; kindergarten students; preschool students, 21334

eye movement desensitization and reprocessing; EMDR; college students; evaluation; technique; posttraumatic stress disorder; brief therapy; outcomes; research; theory, 20661

family courts; child custody; dispute resolution; mental health evaluations, 24827

fear levels; evaluation; assessment; self report; skin conductance level; skin response amplitude; reliability, 19893

Fishman syndrome; encephalocraniocutaneous lipomatosis; presurgical evaluation; cognitive functional reorganization; neurophysiology; epilepsy, 23567

food evaluations; families; eating practices; discursive approach; interaction, 528

gender differences; altruism; citizenship behavior; work setting; performance evaluation; recommendations, 24651

goal pursuit; goal-relevant objects; automatic evaluation; object evaluation; behavioral intentions, 3333

gross-motor skill acquisition; self-instruction; modeling; praise; gross motor chain acquisition; preschool dance students; evaluation, 744

hand force; ergonomic job evaluations; hand grip; hand dynamometer, 15430

higher education; assessment; evaluation, 36783

human resource development; evaluation research; evaluation models; organizational decision making, 33960

inclusive activity; evaluation methodology; quality; special schools; learning difficulties; mainstream schools, 18314

innovativeness; attractiveness; repeated evaluation technique; innovative designs, 34052

inpatient satisfaction; hospital care; evaluation; measurement; psychometrics; questionnaires; rating scale, 5409

intelligence; personality evaluation; observers, 32185

life events; lying; lie detection; employees behavior; deception; Activation-Decision-Construction Model, 15318

metaphor; formative evaluation; message design; alcohol use; sexuality; relationships, 30234

mobile devices; evaluation methods; desktop computing; mobile computing, 27838

mobile guide; usability evaluation; public transport, 9246

model design; model evaluation; natural language; user language proficiency; instructional system; ICICLE; writing; second language, 27881

mothers; maternal evaluations; children; performance; learning; craft-making; memory; gender; criticism; emotion, 7048

Motivation Analysis Test; historical & contemporary evaluation; psychometrics; motivation; measurement innovations, 27997

mourning response; Grief Evaluation Measure; bereaved adult; risk factors; test validity; test reliability; coping resources, 21802

musculoskeletal system modelling; motor disability evaluation; motor tasks; clinical practice; activity limitation; impairment, 35848

narratives; dialogue; responsive nursing evaluation; palliative care; cancer patients, 30468

negative evaluation; eating attitudes; restrictive eating; friends; relatives, 23432

## Evaluation—Serials

- neural components; automatic evaluation; controlled social evaluation; duration; facial presentation; amygdala activation; race bias; Black faces; White faces, 6557
- normative standards; trail conditions; image capture technology; overall photo evaluation method; specific photo evaluation method; soil; photographs, 24759
- ordered sets; consumers' search; improving orderings; declining orderings; consumers' evaluation; psychological moments, 21644
- organizational effectiveness; organizational empowerment; organizational structures; tobacco control, 2312
- organizational learning; evaluation capacity, 33914
- outcomes monitoring; evaluation technology; service productivity; service effectiveness, 24067
- parental differential treatment; relationship quality; siblings; parents; justice evaluations, 35125
- partner transgressions appraisal; benign appraisals; relationship commitment; accommodation; dating relationships; loyalty, 16551
- perceptual evaluation; voice quality; acoustic measurements; Grade, Roughness, Breathiness, Aesthetics, Strain scale; Multi Dimensional Voice Program scale, 227
- physical activity; health costs; weight loss; database research; evaluation, 5015
- policy decisions; Drug Abuse Resistance Education program; treatment effectiveness; drug free schools, 30605
- polygraph testing; sex offender treatment; relative validity, 18613
- preference reversal; gambling; evaluability hypothesis; decision making; evaluation, 9612
- presidential candidates; negativity effect; evaluation; motivations, 10197
- price-matching guarantees; consumer evaluations; price information; judgments, 21653
- product evaluations; negation; persuasive impact; cognitive resources; resource allocation; brands, 9190

psychological interventions; pediatrics; cancer survivors; procedural pain; distress; family; evidence based interventions, 11330  
psychotherapy; empirically supported therapies; practice guidelines; therapy relationships, 23727  
psychotherapy; evidence-based practice, 23746

## Volume 92 SUBJECT INDEX

### Evidence Based Practice—Serials

psychotherapy; placebo concept; evidence based treatment, 29910  
 psychotherapy; psychoanalysis; supportive-expressive psychotherapy; patients; evidence-based medicine, 26803  
 psychotherapy; rules; treatment guidelines; empirically supported treatments, 23725  
 public health perspective; evidence-based treatments; quality improvement; treatment outcomes; community practice; empirically supported treatments, 8146  
 qualitative methods; evidence based practice; school psychology; quantitative methods, 30596  
 quality indicators; special education settings; special education research; evidence-based practices; methodologies, 11982  
 randomised trials; PubMed journals; epidemiology; evidence-based medicine, 18871  
 research based practices; Centennial School; emotional disorders; behavioral disorders; alternative day school; school psychology; education; systemic change, 27571  
 resilience; divorce; evidence-based program; well-being; preventive program, 17883  
 resilience; evidence-based practice; courts; families; marital relations; divorce; collaborative partnerships; preventive services, 18625  
 school psychologists; autism spectrum disorders; school age children; special needs; inclusive education; evidence based practices; intervention techniques, 27579  
 school-based behavioral intervention; classrooms; school children; academic & social competencies; educational practice; science, 5764  
 school-based mental health; effectiveness research; evidence-based treatment, 12010  
 scientific evidence; American law; expert testimony; evidence based practice; psychological sophistication, 12403  
 service catchment area; evidence based practice; clinical governance; corporate governance; mapping exercises, 24074  
 single subject research; augmentative communication; alternative communication; meta analyses; evidence based practice; research design, 28176  
 social work; evidence based practice; social work education, 11529  
 special education research; evidence-based practice, 11978  
 state mental health authorities; evidence based practices; client outcomes, 33406  
 structural characteristics; community coalitions; drug prevention programs; organizational structure; evidence based prevention program, 23673  
 students evidence-based practice; oppositional defiant disorder; clinical intervention; self control skills, 20225  
 suicide prevention; research; depression; evidence-based methods, 36346  
 supported employment; severe mental illnesses; evidence based practice; day treatment, 36573  
 Transparent Reporting of Evaluations with Nonrandomized Designs; evidence-based practice; public health evaluations, 36449  
 traumatic grief treatment; psychodynamic theory; interpersonal relations; evidence-based practice; symptom management, 1171  
 treatment factors; clinical efficacy; psychosocial treatments; mental health services; evidence based practice, 29863  
 vocally disruptive behaviour; dementia; evidence based practice guideline, 17290  
 youth mental health; mental disorders; evidence based prevention; treatment; family intervention; frameworks; mental health policy reform, 36106  
**Evidence Based Practice—Books**  
 Empowerment evaluation principles in practice, 18916  
 The evidence-based practice: Methods, models, and tools for mental health professionals, 20961  
**Evidence Based Practice—Chapters**  
 Adult Literacy Policy, Scientifically Based Research, and Evidence-Based Practice, 15050  
 Build Your Own Best Practice Protocols, 20639  
 Building Resilience in All Children: A Public Health Approach, 30241  
 Controversies and Caveats, 20640  
 Critical Thinking, Evidence-Based Practice, and Mental Health, 14739  
 Empowerment Evaluation Principles in Practice: Assessing Levels of Commitment, 18918  
 Evidence-Based Practices in Supported Employment, 21066  
 Evidence-Based Treatments for Children and Adolescents, 20967  
 From Efficacy to Effectiveness Research: What We Have Learned Over the Last 10 Years, 4604  
 Introduction to Evidence-Based Practices, 20964  
 Recovery from Severe Mental Illnesses and Evidence-Based Practice Research, 20066  
**Evil—Serials**  
 child abduction; evil witches; haunted children, 10634

Melanie Klein; Wilfred Bion; Hannah Arendt; banality of evil; privation of goodness; intentional deprivation, 22918  
 values; society; Bible; Indian mythology; evil; good, 13423  
 witchcraft; evil; child abduction, 10635  
**Evil—Books**  
 The roots of evil, 32305  
**Evoked Potentials [See Also Auditory Evoked Potentials, Cortical Evoked Potentials, Olfactory Evoked Potentials, Somatosensory Evoked Potentials, Visual Evoked Potentials]—Serials**  
 age differences; attentional control; event related potentials; response interference, 31484  
 aging; arithmetic problem solving; event related brain potentials, 13071  
 alcoholism; alcohol disorder; twin siblings; risk factors; event related potentials, 7886  
 alcoholism; disinhibitory disorder; response inhibition; event related potentials, 29538  
 alpha phase synchronization; event related potential; latency; amplitude size, 25457  
 anterior cingulate cortex; event-related potential; N2; response inhibition, 12985  
 arousal; activation; continuous performance task; psychophysiology; Orienting Response; behavioral performance; electrodermal activity; task related activation; children, 22464  
 asymmetric spatiotemporal patterns; event related desynchronization; finger movements, 25364  
 attentional control; event related potentials; spatial attention; dipole source modeling; dimension specificity, 31485  
 auditory cortex; speech perception; neural mechanisms; event related potential; lip movements; audiovisual speech information, 414  
 autistic adults; selective attention; sound source; noisy environment; auditory spatial localization; attention deficits; event-related brain potentials; noise bursts; spatial focusing, 23393  
 bilateral hippocampal lesions; clinical electroencephalography; event related potentials, 35981  
 bottom-up effects; working memory; attention; electrophysiological distraction; deviance strength; behavioral & event-related brain potentials, 9623  
 brain event-related potentials; ERPs; newborns; familial risk; dyslexia; language skills; verbal memory skills; language development, 22497  
 brain potentials; time estimation; temporal processing, 6810  
 brain response; tone level; segmental level; semantic violations; event-related potentials; word processing; sentence completion; Cantonese language, 13065  
 brain-computer interface; P300; motor impairments, 12283  
 caffeine; action monitoring; error-related negativity; anterior cingulate cortex; central information processing; medial frontal cortex, 581  
 chemosensory perception; event-related potentials; chemical hypersensitivity; odor intolerance, 13061  
 cognitive functions assessment; attention; immediate recall; epileptic children; neuropsychological tests; number assays, 31177  
 covert attention; behavioral evidence; tactile spatial attention; reaction times; event-related potentials, 19242  
 differential involvement; anterior cingulate cortex; performance monitoring; stop-signal task; neural generators; error-related brain potentials, 13068  
 dyslexia; functional magnetic resonance imaging; electrophysiological measures; event related potential, 26453  
 early face processing; adult proficiency; information recognition; event-related potentials; neural activity; childhood development, 3890  
 early institutional rearing; facial discrimination; facial expressions; emotions; fear; anger; happiness; sadness; age differences, 13200  
 electroencephalogram; ocular artifact; eye movements; event related potentials; eyelinek reflex, 16067  
 electroencephalography; Joint Time Frequency Analysis; event related electrical potentials, 5257  
 electroencephalography; neuropsychological assessments; attention deficit hyperactivity disorder, 3250  
 electrophysiological activity; medial frontal cortex; performance feedback; event-related brain potential; choice behavior; cognitive process; medial frontal negativity; error-related negativity, 13060  
 electrophysiological component; event related potential; recognition potential; assessment; brain; semantic processing; schizophrenia patients; abnormal activation; thought disorder, 4531  
 electrophysiological correlates; error correction; event related potentials, 16068  
 electrophysiological evidence; automatic low level feature detectors; perceptual asymmetry; frequency modulated stimuli; mismatch negativity; auditory system, 28510  
 electrophysiology; brain activity; event related potentials; nonsense syllables; words; auditory stimulation, 22288

### Evoked Potentials—Serials

electrophysiology; event-related potentials; stop signal task, 13051  
 error monitoring; correct-response negativity; error-related negativity; uncertainty; attention conditions; event related potentials, 6812  
 error-related negativity; brain potential; performance evaluation; behavioral differences; response monitoring, 19244  
 error-related negativity; event-related brain potential; monetary losses, 19243  
 event related brain potential; stimulus deviance detection; error monitoring; auditory oddball task; errors of commission; mismatch negativity, 3657  
 event related brain potentials; affective responses; threat; spider phobia; snake phobia; cortical responses, 26224

- personality; daily life events; leisure time exercise; mood states; positive mood; negative mood; exercise mood relationship, 12211
- physical healthcare experiences; mental health problems; mental health services; health service needs; human females, 20918
- plays; folk theory; imaginative literature; emotions; audience engagement; literary simulations; scriptlike themes; narrative progressions; problem-solving; relationship modes; Shakespeare; Chekhov, 6888
- poetry; masculinity; sex roles; life experiences, 34770
- political violence; social identity; conflict; mental health; Protestants; Roman Catholic; children's experiences; Belfast Good Friday Agreement; religion; economic & political issues, 791
- positive & negative affect; lived experiences; moods; Sanderian activation waves; Tronick's theory; psychoanalysis, 23842
- positive emotional experiences; positive emotion; cross-cultural differences; emotional experiences; well-being; happiness; life satisfaction, 7553
- posttraumatic stress disorder; psychosis; treatment; traumatic experiences; psychiatric hospitalisation; police conveyance, 29339
- projective identification; consciousness alteration; traumatic experiences; neuroscience; repression; memory; patient analyst communication, 30016
- psychiatric patient experiences; boredom; mental health; hospital environment; therapeutic environment, 8604
- psychological assessment; assessment experiences; empathy; aging; death; Rorschach, 11660
- psychological distress; earthquake experiences; working Italian males, 26103
- psychological problems; heart transplantation; coping strategy, 30168
- psychology professionals; clinical psychology; intern experience; AABT conference, 36676
- psychology; human behavior; experiences, 6228
- psychotic experiences; psychosis; need for care; distress; psychotic disorder, 26164
- regret; spontaneous memory; age differences; recalling; externally attributed events; internally attributed events; gender differences; regional differences; memory themes, 35321
- relationship skills; long distance relationship; participation; college students, 19831
- same-sex marriage; gay; lesbian; experiences; phenomenology; cross cultural differences; transgendered, 13534
- schizophrenia; psychopathy; physical awareness; psychic awareness; intuitive processes; reconciliative nature; neuroses, 22994
- segmentation; sensory characteristics; movement features; meaningful temporal parts; event boundary perception; knowledge structures; intention, 9618
- sex abusers; pedophiles attitude; penitentiary clinic; daily experiences; treatment program, 27209
- sex differences; sex similarities; first intercourse experiences; males; females; expectations, 13296
- sexual abuse; at risk children; attachment relationships; abusive experiences; intergenerational transmission, 4660
- sexual abuse; sexualized kissing; fondling; risk population; unwanted sexual experience; protective services, 16974
- social change; premarital nonfamily experiences; marital dynamics; arranged marriage; marital relationships, 7320
- social events; cross cultural differences; emotional states; self focus; personal agency; East Asians; Americans; Chinese; Taiwanese, 29133
- social interaction; personal experience; drug GHB; gamma-hydroxybutyrate; sociability, 26306
- social interpretation bias; generalized social phobia; developmental experiences; social environment, 32446
- social skills; emotional disclosure; negative events; private settings; interpersonal settings; affect, 4178
- students experience; postgraduate education; cost; stress; Master's level study, 36910
- students' affect; classroom discussions; student experiences; emotions, 8961
- subjective experience; attentional lapse; task engagement; task disengagement; sustained attention, 6634

# Volume 92 SUBJECT INDEX

## Experiences (Events)—Serials

suggestibility paradigms; preschoolers; non-experienced event; experienced event, 9948  
suicide bombing; terrorism; experiences, 23271  
teacher reflection; teaching instruction; school family connections; students' academic development; family visits, 33730  
terrorism; firefighters' response; experiences; emotional reactions; job satisfaction; emotional support, 23254  
terrorism; news media; experiences; emotional exhaustion, 23326  
terrorist attacks; adult perception; adult experiences; shock; disbelief, 20293  
therapists; trauma; shock; stress; feelings; positive strength, 11703  
transformation; fighters; fight experiences; therapists; counselling psychology, 36131  
transliminality; schizotypy; consciousness; feelings; experiences, 35319  
transman; testosterone; experiences; emotions; female-to-male transsexuals, 951  
trauma psychiatry; military; trauma experiences; stress control; mass violence; weapons of mass destruction; terrorist attacks; early intervention; psychological casualties, 2128  
traumatic brain injury; emotion recognition; facial expression; face perception; use of contextual information; emotional states; subjective experience of emotion, 32783  
traumatic events; young Japanese women; posttraumatic stress disorder, 35027  
uncertainty effects; positive events; pleasure; affective reactions; positive moods, 7618  
undergraduate research experiences; psychology education; psychology courses & curricula; undergraduate psychology students, 11861  
unwanted sexual experiences; campus environment; college students, 17041  
urban public space; perceived danger; physical features; personal factors; avoidance behavior; trait anxiety; psychological gender; victim experiences, 27851  
victim blaming; severity effect; age differences, 4165  
violent event perpetrators; recall; self report methods; validity of self report; life events calendar; recidivism, 31316  
wane; childhood amnesia; autobiography; public event memories; recall, 12798  
war; peace; conflict; coping behavior; impact on young people; psychological research, 766  
well being; life experiences; social networks; planning ability; income level; life satisfaction; expectations, 19920  
women's experiences; public aging; private aging; midlife; physical changes; physiological changes, 25723  
women; trauma; strategies; healing; traumatic violent experiences; substance abuse; mental health treatment; substance abuse treatment, 36099  
work life; psychological health; low-income community; women's experiences; deprived communities, 13520  
workers experiences; bioterrorism; mental health issues; anthrax incident, 35740  
youth driven programs; adult driven youth programs; experiences; program activities; adults; high school students; program evaluation, 11519

## Experiences (Events) [See Also Anniversary Events, Early Experience, Life Experiences]—Books

Biracial women in therapy: Between the rock of gender and the hard place of race, 7291  
The culture of classroom silence, 33845  
The routines of decision making, 12759  
The sibling slam book: What it's really like to have a brother or sister with special needs, 16733

## Experiences (Events) [See Also Anniversary Events, Early Experience, Life Experiences]—Chapters

Assessment of Traumatic Events, 64  
Brief 30-Minute Warm-Up Experiences, 2485  
Conclusion: Staying Out of Trouble, 2486  
Enhancing the Psychosocial Well-Being of Asylum Seekers and Refugees, 17865  
"Everyday" and "Scientific": Rethinking Dichotomies in Modes of Thinking in Science Learning, 18217  
Experiences people value: The new frontier of task analysis, 9261  
Favorable Conditions for Multicultural Experiences, 2483  
Homework, 2487  
Integrating Multicultural and Feminist Pedagogies: Personal Perspectives on Positionality, Challenges, and Benefits, 8832  
Is Daily Life More Stressful during Middle Adulthood?, 3846  
Living with borderline personality disorder: Two firsthand accounts, 13959  
Longer One-Hour Experiences, 2482  
On the conditions under which experience and motivation accentuate bias in intuitive judgment, 12771  
Owning significance: The critical incident technique in research, 6461

Parental divorce and developmental progression: An inquiry into their relationship, 13218  
Preference theory: An affect-based approach to recurrent decision making, 12761  
Putting It All Together: Assessment of Pretrauma Functioning, Traumatic Events, Moderating Influences, and Post-traumatic States, 65  
Reflections of a Japanese Canadian Teacher Experiencing Ethnicity (1979), 18059  
The Sexual Harassment of Working Women (1979), 22738  
Socio-Spatial Experiences of Transgender Individuals, 13550  
Three roles of past experience in goal setting and goal striving, 12760  
The Transition to Adulthood during the Twentieth Century: Race, Nativity, and Gender, 13508  
Two-Hour Laboratory Experiences, 2484  
Unwanted Intrusive Thoughts in Nonclinical Individuals: Implications for Clinical Disorders, 20012  
Visitation in high-conflict families: The impact on a child's inner life, 13492

## Experiences (Life) [See Life Experiences] Experiential Learning [See Also Curricular Field Experience]—Serials

contested discourses; learning; higher education; assessment processes; life learning quantification; mature students, 15681  
course teaching; arts; counseling; experiential learning; counselor education; counseling students; professional ethics, 11691  
Doug Sothren; counsellor training; relationship counselling; experiential training, 27315  
experiential influences; multimodal emotion cues; emotion perception; facial emotions; vocal emotions; abused children; nonabused children, 34897  
experiential training; preservice school counselors; professional standard; curriculum; group work training, 5660  
interagency child protection training; actors; child welfare; experiential learning; risk taking, 30509  
intergenerational service learning; gerontology education; higher education; experiential learning; communities, 11858  
knowledge transfer; organizational practices; experiential learning; trustworthiness; causal ambiguity; internal knowledge; perception, 5940  
learning tasks; attitude change; Web based experiential exercises; cognitive flexibility systems; sexual harassment, 2600  
live demonstration; child development; developmental phenomena; students understanding & interest; demonstration effectiveness; university students, 21300  
management performance scripts; case-based modeling; instructional method; constructivism; experiential learning; management skills, 5979  
mindfulness meditation; somatic education; somatic awareness; self awareness; experiential learning; college & university curriculum; course; disabled students, 2607  
multimodal classical conditioning; verbal information; human fear; etiology of fears; experiences, 1240  
narrative learning; professional practice; stories; experiential learning; social performances; cognitive learning; management courses; professional practitioner, 36861  
narrative; experiential learning; learning theory; change; constructionist perspective, 24694  
person-centered E-learning; technology; person-centered values; academic environments; teaching; computer supported learning, 36854  
Problem Solving Style Questionnaire: experiential learning model; learning styles; psychometric properties; construct validity; internal consistency reliability, 94  
service experience; classroom reflection; Hong Kong university students; educational programs; community service, 36866  
service learning; political socialization; blame attribution; college students, 9333  
student characteristics; service-learning; mentoring; pedagogy; knowledge acquisition; educational performance; cooperative learning; citizenship behaviors, 11883  
teachers professional spielraum; co-participation; classroom activities; reflection; teachers; experiential habits, 15073

## Experiential Learning [See Also Curricular Field Experience]—Chapters

Development of experience-based judgment and decision making: The role of outcome feedback, 12767  
Involving Students in Realistic Scientific Practice: Strategies for Laying Epistemological Groundwork, 18198  
Researching in cooperative education: How a practitioner met the challenge, 8830

## Experiential Psychotherapy—Serials

emotional experience; depressed clients; symptom distress; therapeutic alliance; experiential therapy; treatment outcomes, 33057  
experiential listening; therapists, 17426

## Experimental Design—Serials

experiential research; practices; self reflective growth; mind; psychotherapists; teaching; professional development, 36129  
major depression; adjustment problems; cognitive therapy; experiential techniques, 36139  
symbolic-experiential therapy; therapists; humanistic therapies, 5073

## Experiential Psychotherapy—Chapters

The experiential focusing approach, 8210

## Experiment Controls—Serials

acquaintanceship recruitment procedure; onset psychosis; neuropsychology; multidisciplinary program, 32394  
control group design; clinical outcome studies; experimental studies; interventions, 28146  
experimental design; attention control groups; treatment course; pain management; hypnosis, 18885  
mental disorders; cost effectiveness; screening interview; history of treatment for mental illness; control subject screening; subject history, 31318  
reinforcement learning; behavior-based control; robots; decision making; real time learning; models, 18604  
sham surgery controls; harm-benefit consideration; transplants; medical ethics; research subject rights; trolley problem, 21195  
statistical control; organizational research variables; control variables, 25004

## Experiment Volunteers [See Experimental Subjects]

## Experimental Apparatus [See Apparatus]

## Experimental Attrition—Serials

attrition; imputation; model; intervention; aggressive boys; conduct problems prevention, 161  
cognitive performance; mental abilities; experimental dropouts; frailty, 15794  
naltrexone treatment; rate of uptake; attrition; retention rates; heroin dependence, 2328  
respondents non-cooperation; item non-response; panel attrition; consumers, 12220  
retention rates; HIV infected women; children; offspring; experimentation, 12608  
study participants; retention strategies; behavioral intervention trials; health status, 21939  
weighted data; non-response rates; drop out rates; selection bias; weighing, 18845

## Experimental Design [See Also Between Groups Design, Clinical Trials, Cohort Analysis, Hypothesis Testing, Longitudinal Studies, Repeated Measures]—Serials

Alzheimer's disease; trial designs; cholinesterase inhibitors; treatment effects; rivastigmine; donepezil; galantamine; cognitive performance; dropout rate, 14564  
Alzheimer's disease; trial designs; cholinesterase inhibitors; treatment effects; rivastigmine; donepezil; galantamine; cognitive performance; dropout rate, 14557  
asymptotic normality; least squares estimators; parameters; stable AR(p); autoregressive process; vector parameter; sequential sampling scheme; information matrix, 128  
audit; violence prevention research; credibility; qualitative research methods, 18880  
auditory scene analysis; phenomenology; experimental psychology; subjectivity; psychological research; perceptual organization; sound; auditory organization; experimental design, 34395  
autoethnography; empirical research; research methods; university proctor, 9538  
behavioral parent training; treatment for externalizing behaviors & disruptive disorders; outcome studies; between-subjects, within-subjects, & single-subject experimental designs; ITSACORR, 36790  
brain function; neuroimaging; experimental designs; mathematical models; hemodynamics, 9481  
brief experimental analysis; outpatient clinic & home settings; severe behavior disorders; longitudinal & in home programs; experimental designs, 3328  
case studies; clinical trials; control conditions; hypnotic analgesia; chronic pain, 18888  
Catherine "Kitty" Genovese; murder; college students experimental design; testing competing theories; explaining phenomena, 31317  
CHAINS; QuickBASIC 4-5 program; single subject design course; teaching, 8859  
clinical trials; complementary therapies; alternative therapies; nursing; elk velvet antler; rheumatoid arthritis; research ethics; research design, 28171  
Collaborative Psychiatric Epidemiology Surveys; National Comorbidity Survey Replication; National Survey of American Life; National Latino and Asian American Study; development; implementation, 6446  
COMBINE Study; design; methodological aspects; alcoholism; treatment; candidate genes, 36536  
conjoint choices; choice design; heterogeneous designs; respondent heterogeneity, 25070  
control group design; clinical outcome studies; experimental studies; interventions, 28146

- criterion-related validity; multiple-hurdle designs; estimation; bias; sequential tests; employee selection; statistical properties; correction model; Bayesian multiple imputation procedure, 6
- critical design ethnography; instructional design; participatory action research, 13435
- critical design ethnography; instructional design; participatory action research, 13455
- design effects; guidelines; weights; standard errors; National datasets, 28120
- effect size; research design; methodology; intervention effect, 9501
- emergent principles; cluster based experiments; social science; program implementation, 18873
- environment studies; health studies; zone design; modifiable areal unit problem, 25056
- environmental mediation; genetics; behavior genetic twin designs, 28174
- eta-squared values; multifactor analysis of variance designs; meta-analytic reviews; intervention programs, 6416
- evidence based medicine; research designs; research based practice; Somatic Inkblot Society, 29845
- experimental design; attention control groups; treatment course; pain management; hypnosis, 18885
- factorial designs; clinical trials; combination treatment studies; alcohol dependence, 36537
- genes; environmental factors; developmental language disorders; study design; language acquisition; language development, 10806
- hypothesis tests; power analysis, 6431
- hypothesis tests; power analysis, 6441
- informative analysis; trend curves; structural equation modeling, 6443
- interaction effects; moderator effects; family research; family psychology; interaction testing; interaction interpretation; experimental designs; interaction detection, 15752
- interpretation; analogue designs; rehabilitation counseling; disability studies, 12606
- job complexity; study design; situational interview; behavior description interview; interview validity, 118
- knowledge utilization; generalizability; external validity; evidence-based practice; research findings; research designs, 9526
- learning; narrative biographical research; research process; research subjects, 18910
- meta-analytic research; research methodology; education research, 159
- method analysis; human universal; measurement validity; reliability; self esteem; substance abuse; parental acceptance; psychological adjustment, 3308
- methodological problems; research; treatments for pathological gambling; etiological models; treatment-seeking; recovery; comorbidity; treatment approaches & response; design deficiencies, 21949
- mixed methods research designs; counseling psychology; empirical methods; methodology, 15777
- multiple baseline designs; behavior analysis, 31295
- noncurrent multiple baseline designs; educational system evaluation; experimental designs; educational programs, 3313
- nonindependence; within-group agreement; levels of analysis, 9529
- open source software; software package; response latencies; experiment results; speech perception; psychocoustics, 34333
- organizational research; laboratory experiments; field experiments, 6436
- physician intervention; participation; randomized controlled trial; internal validity; external validity; patient choice; statistical estimation; study design, 31309
- physician intervention; participation; randomized controlled trial; internal validity; external validity; patient choice; statistical estimation; study design, 31296
- physician intervention; participation; randomized controlled trial; internal validity; external validity; patient choice; statistical estimation; study design, 31320
- placebo; treatment; randomized controlled trial; psychopharmacology; adolescence, 33226
- placebo; treatment; randomized controlled trial; psychopharmacology; adolescence, 33203
- pseudoscientific claims; research methods course; comprehensive laboratory projects; curriculum immersion; professional-grade laboratory experiment; dubious claim testing; 10-week class schedule, 33770
- psychological trauma; trauma research methods; behavior therapy, 1798
- qualitative manuscript; counseling; research method; qualitative research, 15769
- qualitative methods; education research, 171
- qualitative research; methodology; experimentation, 9525
- qualitative research; qualitative methods, 18877
- qualitative research; research principles, 165
- questionnaire design; mail surveys; quality of responses, 34326
- race variables; genetic studies; racial categories; sociopolitical constructs; population structure; racial research implications; gross proxies; health disparities; complex disease etiology, 6752
- racial identity; research interviews; race; Whites, 19677
- racial identity; research interviews; race; Whites, 19691
- randomised curriculum experiments; psychology type theories; curriculum interventions; learning; problem based learning, 27483
- reading interventions; experimental analysis methods; reading fluency interventions; elementary school students; reading problems; rewards, instruction, & treatment package, 36778
- rehabilitation psychology; statistical process control; rehabilitation outcome; single-subject design, 14832
- rehabilitation research; research design, 9524
- rehabilitation research; research designs; disabilities; vocational rehabilitation, 9527
- representative design; environmental stimuli; random sampling; organism-environment relations; judgment; cognition; decision-making research; research findings; ecological approach; Egon Brunswik, 3310
- research design requirements; environmentally mediated risks; psychopathology; research strategy; individual differences; genetics; nature-nurture, 6451
- research design; operationalizing race; genetic knowledge; clines; observed traits; genetic variants; geographic regions; population boundaries; population histories; racial categories; race proxies, 6452
- research designs; social support interventions; prevention; low birth weight; psychosocial interventions, 34339
- research methods; research design, 3307
- sample designs; sampling methods; National Comorbidity Survey Replication; National Study of American Life; National Latino and Asian American Study of Mental Health; survey cost; error structure, 6439
- sample size estimation; power calculation tools; statistical analysis; hypothesis testing; headache research; research designs, 34335
- sex workers; victimization; research design; privacy; confidentiality; experimental ethics, 15798
- single subject research; augmentative communication; alternative communication; meta analyses; evidence based practice; research design, 28176
- single-case design; clinical research; criterion design, 21947
- sports psychology; single subject design; athletes performance, 6442
- study design; elicitation techniques; willing to pay disparity; willing to accept disparity, 18904
- time-series; headache; research designs; analytical techniques, 34336
- Transparent Reporting of Evaluations with Nonrandomized Designs; evidence-based practice; public health evaluations, 36449
- web-based surveys; survey design standards; data quality, 17872
- women; co-occurring disorders; drug abuse; violence; study; service models; physical & sexual abuse; methodology; study population, 28169

Conducting Behavioral Research With Animals at Smaller Institutions: A Case History, 8816

Conducting Behavioral Research With Animals at Smaller Institutions: Veterinary Care and Facilities, 8815

Laws, Regulations, and Guidelines, 8812

**Experimental Methods [See Also Stimulus Presentation Methods]—Serials**

action research; organization development; racial identity; social inquiry; social change; qualitative research, 18868

Angoff standard setting method; test question subsets; test items, 18881

audit; violence prevention research; credibility; qualitative research methods, 18880

case study method; quality of care; health care organizations; science, 18864

computer supported problem based learning; computer simulation; experimental research methodology; statistics, 30656

consciousness studies; anomalous findings; methodological principles; Ockham's Razor; Plato's Life Boat; phenomenological data; theories; scientific research, 15805

critical methodology; theory construction; research resources; methodological assumptions; argument construction; qualitative methods; quantitative methods, 12630

ethnography; cultural models; expertise; folkbiological knowledge; research methods, 25068

experimental analysis of behavior; undergraduate laboratory course, 27502

experimental psychologists; autobiographical memories; psychology research; empirical methodology; theories, 18909

first person inquiry; personal feelings; action research; organizational mechanisms; learning; thinking, 34332

genotyping methods; single nucleotide polymorphisms; aldehyde dehydrogenase 2; DNA; esophageal cancer; melting curve analysis; liquid chromatography; SNP-shot analysis; Fluorescent-Based PCR-SSCP, 1566

human resource management; business performance; research methods; research design; methodological limitations, 28182

humanistic psychology; mainstream psychology; humanistic movement; behaviorism; psychoanalysis; scientific methods, 15532

IAT: method-specific variance; task-switching ability; Implicit Association Test; assessment; content-unspecific control task, 27996

meditation research; evidence-based medicine; methodological challenges, 25054

methodological approaches; motivation; dual phenomenon gap; psychosocial research; educational research; major challenges; applied research; interactive learning environments, 6638

methodological flaws; conceptual flaws; dispositional effects; organizational behavior, 15335

multiple coders; qualitative analysis; interview analysis; drug treatment, 31293

nonindependence; within-group agreement; levels of analysis, 9529

nutrition education; behavioral theories; humanistic model; scientific method, 36362

operationism; history of psychology; experimental operations; logical positivism, 21942

organizational population; developing countries; survey; drop and collect technique, 12261

organizational research; laboratory experiments; field experiments, 6436

personality psychology; social psychology; behaviorism; experimental methods; personality research, 10305

psychology; sexology; scientific method; scientific ideology, 35173

qualitative inquiry; psychological research; qualitative methods; quantitative methods; lived experience; subjective experience, 25053

qualitative methods; evidence based practice; school psychology; quantitative methods, 30596

qualitative research movement; Korean scholarship; qualitative studies; educational research, 34338

qualitative research; problematic interviewee behaviors; interviews; flattery; response bias; social desirability, 28172

qualitative research; problematic interviewee behaviors; interviews; flattery; response bias; social desirability, 28151

qualitative research; problematic interviewee behaviors; interviews; flattery; response bias; social desirability, 28150

qualitative research; qualitative methods, 18877

qualitative research; social work; evaluation; research methods, 18908

representational practices; heterotopia; qualitative research; poststructural feminist research; naming practices; Foucaults theory, 34330

research methods; research design, 3307

research process; authentic voices; advisory groups; representative community feelings; group member views; key meanings, 31314

resilience; research shortcomings; international collaboration; cross cultural differences; war; violence; cultural disintegration; structural inequalities; mental health; children; adolescents, 36104

small group data analysis; sign test method; distribution differences; multiple measures; binomial test; social interaction research; numerical calculations; group comparison, 18897

special education; qualitative research; disabilities; experimental methods, 18869

Student Placement Evaluation Form; student fieldwork performance assessment tool; occupational therapy training; action research methodology; evaluation tool development & trial & use, 90

systemic research; qualitative research; research methodologies; grounded theory; discourse analysis; narrative analysis; psychotherapy; application; experiences; more than one language; participants, 31294

triads test; union consciousness; paired comparisons; contract negotiation; cognitive mapping; union organization, 27615

uncertainty; behavioral science; human behavior; animal behavior; experimental inquiry, 9343

 What Are Categories and Why Are They Coherent?, 19041  
 What Happens When a Researcher Asks a Question?, 14333  
 When Eligibility Criteria Clash With Personal Treatment Choice: A Dilemma of Clinical Research, 21230  
 Youth-adult research collaborations: Bringing youth voice to the research process, 12646  
**Experimenter Bias—Serials**  
 social reality; social mind; self fulfilling prophecy; stereotypes; research bias; errors; accuracy; social cognition; social beliefs, 25947  
**Experimenter Expectations—Serials**  
 auditory expectancy; omitted stimulus; omission evoked potentials; musicians; musical expertise; emplotment, 19248  
**Experimenters—Serials**  
 citation dilemma; qualitative research; researchers; methodology, 18882  
 experimenter attire; sex differences; participant productivity, 18884  
 postdoctoral researchers; postdoctoral supervisors; views; employment opportunities; employment outcomes; career development opportunities; employment; career advice; postdoctoral training, 36806  
 researchers; qualitative research; interviews; methodological challenges; lived bodily experience, 31301  
 transcript analysis; researcher participant relationship; ethical dilemmas; constructivist psychological theory, 21208

treatment utility; analog functional analysis; structured descriptive assessment; caregivers; experimenters, 31063  
 trust; teacher student relationships; ethnographic fieldwork; student resistance; experimentation; researchers, 21415  
**Expert Systems (See Also Decision Support Systems)—Serials**  
 artificial intelligence; knowledge representation systems; programming language; human computer studies, 27890  
 artificial intelligence; knowledge-based systems; continuous-variable real-time; parametric adaptation, 24806  
 business intelligence; e-business systems; management decision making; high-tech start-ups; knowledge based systems; marketing decision making, 12336  
 constraint axioms; templates; logical sentences; ontologies; symbolic representations; knowledge bases, 27840  
 constraints: OWL knowledge bases; web ontology language; unified modeling language; semantic Web knowledge; semantic Web applications, 3008  
 expert models; portfolio management system; autonomous agents, 3014  
 expert system; decision support system; planned behavior; technology; communication technology; decision making, 15481  
 expert system; electrocardiographic changes; epilepsy; neural network, 23574  
 Inductive Logic Programming; knowledge base; shared information, 3016  
 intelligent decision support system; service network planning; optimization model; simulation model, 24789  
 intelligent logistics strategy system; system design; technology; database management system, 37221  
 intelligent multiagent system; e-business; distributed agents; central administrator agent; growing self-organizing map; travel optimizer, 3011  
 knowledge based system; expert system; recycling; nonhazardous solid waste; industrial residuals; road construction material; civil engineering, 12344  
 knowledge management; intelligence retrieval system; outsource manufacturing; decision support system, 37222  
 learning-oriented knowledge management system; decision support; philosophical foundations, 24793  
 natural language help system; functional programming; system development; knowledge based systems, 37224  
 office knowledge; knowledge management; extended office systems, 24786  
 personnel selection; hierarchical multi attribute system; decision making; human resource management; top manager position; expert system, 37002  
 quantitative architecture; team task complexity; dynamic environments; team decision making; taxonomy; simulation based approach, 31004  
 ship design; expert system; knowledge representation; reasoning, 24795  
 taxonomy; learning; passive participation; developmental participation; generative participation; dialogical participation; metacognitive participation, 24744  
 user modeling; language-based interaction; artificial intelligence; natural language, 27886  
 Web assisted knowledge construction; constructivist knowledge analysis of tasks; Internet users; knowledge construction, 9295  
**Expert Systems (See Also Decision Support Systems)—Chapters**  
 Integrating intelligent agents into human teams, 7498  
**Expert Testimony—Serials**  
 character witness; personality assessments; aggravated rape; juvenile molestation; child abuse; moral character; sex offenders; court trials, 1384  
 child sexual abuse accommodation syndrome; disclosure; sexual abuse research; admissibility; expert testimony, 12409  
 child welfare; expert opinion; psychological evaluation; adjudication; child custody; best interests of a child, 12384  
 clinician expert witnesses; court cases; medical testimony; legal trial, 31017  
 court cases; UK pediatrician Roy Meadow; expert testimony; protective services, 31022  
 expert bias; partisanship; judges; legal process participants; expert reporting; judicial attitudes; legal system differences, 12410  
 expert witness immunity; forensic work; legal literature; psychiatrist; risks management; guidelines; tort liability, 6124  
 expert witness perceptions; expert bias; legal processes; case outcomes, 3072  
 expert witness testimony; diagnostic language; battered woman syndrome; battering cases, 24812  
 expert witness; narcissism, 21722  
 expert witness; withdrawal from case; forensic psychology; ethical consequences; objectivity; service termination; independence, 12361  
 expert witnesses; professional ethics; legal system; oaths; truth-telling, 3077

eyewitness expert testimony; enhanced discrimination; juror discrimination; eyewitnessing conditions; mock trial scenario; criminal trials; eyewitness evidence; attorney's closing arguments, 31038  
 insanity defense; psychiatric testimony; due process; court decisions; mens rea model, 3066  
 malingering; litigation; expert testimony; Daubert v Merrell Dow Pharmaceuticals; legal proceedings, 12399  
 medical expert testimony; evidence based medicine; factitious disorder by proxy; child protection; child maltreatment, 21713  
 mental disorders; sexual recidivism; expert testimony; civil commitment; sex offenders; sexually violent predator laws; antisocial personality disorder, 3090  
 mental disorders; sexual recidivism; expert testimony; civil commitment; sex offenders; sexually violent predator laws; antisocial personality disorder, 3096  
 psychiatric expert witness; legal testimony; jury; trial court, 3021  
 psychotherapist-patient privilege; psychiatrist testimony; legal processes, 3029  
 rational information processing; experiential information processing; expert testimony; death penalty cases; defendants dangerousness; juror decision-making, 12408  
 scientific evidence; American law; expert testimony; evidence-based practice; psychological sophistication, 12403  
 sequestration; lay witnesses; rules of evidence; expert witnesses; court decisions, 12415  
 witness credibility; attorney attitudes; forensic psychiatric testimony; personality disorder, 6128  
**Expert Testimony—Books**  
 Mental Health Aspects of Custody Law, 34150  
**Expert Testimony—Chapters**  
 Actuarial Testimony, 6153  
 Admitting Expert Testimony: Evolution and Interpretation, 27919  
 Anticipate Tactics of the Adversarial Attorney, 6145  
 A Beginning Point: Ten Things You May Not Know About Testifying, 6166  
 Bridges 2: Narrative Techniques for Courtroom Testimony, 6131  
 Clear Boundaries of Testimony, 6178  
 Clients Next Door, 6174  
 Cross-Examinations About Tests, 6167  
 Data Errors, 6130  
 Distrusting Experts, 6169  
 Empathy Dilemmas, 6142  
 Epilogue: Looking to the Future, 27921  
 Expert Panels, 6158  
 Familiar Presentation of Famous Studies, 6141  
 Goals for the Rules of Evidence, 27923  
 Headline Testimony, 6147  
 Highly Paid, Well-Known Experts, 6152  
 Imagery to Reduce Anxiety, 6143  
 Ingratiation, 6163  
 Introduction to Forensic Psychological Practice, 3038  
 Introduction: Why Expert Witnesses?, 27920  
 The Legal Framework in Sexual Harassment Cases, 4714  
 Lies, 6140  
 (Not) Offering Advice, 6177  
 Reconciling the Behavior of Experts With the Goals for the Rules of Evidence, 27922  
 Reconciling the Law of Admissibility of Expert Testimony With the Goals for the Rules of Evidence, 27918  
 Sexual Predator Testimony 1: Principles, 6210  
 Sexual Predator Testimony 2: Challenges to the Construct, 6209  
 Token Experts, 6171  
 Translations, 6150  
 Visible Displays of Emotion 1, 6146  
 Visible Displays of Emotion 2, 6211  
 What This Book Is About, 6161  
**Expertise** [See Experience Level]  
**Explicit Memory—Serials**  
 benzodiazepine; cognitive changes; explicit memory; drug therapy; visuospatial deficits; drug abuse; case report, 8271  
 cognitive skills; drinking behavior change; executive cognitive function; memory, 35657  
 explicit memory; age related changes; neurodevelopment; behavioral development; developmental changes; early childhood development, 7031  
 explicit memory; implicit memory; aging; repetition priming, 7186  
 false memories; incidental learning; critical nonpresented words; memory tests; semantic associates, 15928  
 implicit measures; pedophiles; Implicit Association Test; sex; children; offenders, 18740  
 myelomeningocele; traumatic brain injury; implicit memory; explicit memory; hydrocephalus; orthopedic injuries; picture identification; semantic decision-making; priming; recall, 36028  
 object-color memory; implicit memory; explicit memory; Alzheimers disease, 10943

preclinical dementia; mild cognitive impairment; episodic memory; semantic memory; priming; semantic relations; memory deficits, 36019  
 prospective memory retrieval; monitoring; spontaneous retrieval; multiprocess theory; event based retrieval; prospective chronesthesia, 31466  
 psychometrics; grammatical sentences; timed grammatical judgment test; metalinguistic knowledge test; oral narration test; oral imitation test; second language knowledge; language learning, 21864  
 task instructions; memory self efficacy; performance expectations; explicit memory; memory performance; age related differences; elderly, 31915  
**Explicit Memory—Chapters**  
 Modeling Implicit and Explicit Memory, 12818  
**Exploratory Behavior** [See Also Animal Exploratory Behavior]—Serials  
 epistemic curiosity; knowledge gaps; feeling of knowing; state curiosity; exploratory behavior; knowledge acquisition, 22892  
 hippocampal lesions; exploratory movements; rats; head orientations; N methyl-D-aspartate, 31550  
 motor learning; approximate optimal control; infant reaching; children; early motor learning; exploration; neural systems; behavior evaluation; appropriate responding, 16253  
 presenilin-1 knockin mice; 1212T mutation; exploratory activity; motor coordination; spatial learning; Alzheimer's disease, 28422  
**Explosive Disorder—Serials**  
 visual evoked potentials; psychiatric patients; explosive behaviors; aggressive behavior; biological substrates, 4630  
**Explosive Personality** [See Explosive Disorder]  
**Exposure Therapy** [See Also Systematic Desensitization Therapy]—Serials  
 anxiety disorders; cognitive behavioral therapy; virtual reality; virtual reality exposure therapy, 10613  
 cognitive behavior therapy; panic disorder with agoraphobia; exposure therapy; treatment outcome, 5076  
 cognitive-behavioral therapy; exposure-response prevention; obsessive-compulsive disorder; psychodynamic therapists, 11646  
 cue exposure therapy; opiate dependent clients; addictive disorders; drug dependence, 26346  
 exposure based therapy; posttraumatic stress disorder; psychological pain; hand pain; symptomatology; conversion reaction, 11132  
 exposure therapy; posttraumatic stress disorder; substance abuse disorder; comorbidity; cognitive behavior treatment for substance abuse, 11006  
 multiple channel exposure therapy; cognitive-behavioral therapy; posttraumatic stress disorder; panic attacks, 11123  
 panic; agoraphobia; intervention effectiveness; guided mastery; interoceptive exposure; combination treatment, 26691  
 posttraumatic stress disorder symptoms; cognitive behavioral therapy; treatment strategy; exposure therapy; broad spectrum treatment options; PTSD prevention, 11031  
 posttraumatic stress disorder; exposure to cues related to traumatic event; well-being therapy, 26710  
 virtual reality exposure therapy; driving phobia, 5134  
**Exposure Therapy** [See Also Systematic Desensitization Therapy]—Books  
 Narrative exposure therapy: A short-term intervention for traumatic stress disorders after war, terror, or torture, 17468  
**Exposure Therapy** [See Also Systematic Desensitization Therapy]—Chapters  
 Acrophobia, 4612  
 Arachnophobia, 4609  
 Aviophobia, 4617  
 Final Comments and Future Directions, 4610  
 How Treatment Is Conducted at the Virtual Reality Medical Center, 5281  
 Side Effects and Contraindications, 5278  
**Exposure Time (Stimulus)** [See Stimulus Duration]  
**Expressed Emotion—Serials**  
 airway reactivity; physical activity; experienced emotion; facially expressed emotion; vagal withdrawal; asthma; facial expression, 8047  
 amygdala responses; human faces; obsessive-compulsive disorder; emotional faces; anxiety disorders, 10598  
 causal attributions; family members; personal attributions; controllable attributions; expressed emotion; schizophrenia; relapse, 4548  
 correctional officers; emotion labor discomfort; emotion work; identity; emotional display; emotive dissonance; norms, 37255  
 expressed emotion; Chinese families; schizophrenia; emotional climate; Five-minute Interview; Adjective Checklist; Family Attitude Scale; test validity, 28008  
 expressed emotion; comorbidity; psychoses; relapse; substance use disorder, 29246

Expressed Emotion; mothers' mental health status; satisfactory family relationships; perceived stress; high risk children, 29983  
 grief; bereavement; developmental disabilities; coping behavior; traumatic experiences; emotional expression, 7981  
 intellectual disabilities; residential care; expressed emotion; distress; behavioral dysfunction; home visit; adjustment; residence counsellors, 26473  
 mental structure; expressed emotions; family environment; relatives classifications; relapse rate; schizophrenia; mood disorders; psychosocial predictor; critical comments; hostility; overinvolvement, 25245  
 psychiatric patients; families; family environment; severe mental illness; relapse; expressed emotion, 1158  
 psychiatry; communication skills training; patient cues; expressed emotions, 8753  
 teachers; emotional expression; disruptive boys; Five Minute Speech Sample; parental expressed emotion, 27420  
**Expressions (Facial)** [See Facial Expressions]  
**Expressive Psychotherapy—Books**  
 Expressive therapies, 17719  
**Expressive Psychotherapy—Chapters**  
 Expressive Therapies: History, Theory, and Practice, 17727  
 Expressive Therapy: An Integrated Arts Approach, 17720  
**Expulsion (School)** [See School Expulsion]  
**Extended Family—Serials**  
 family therapists; Gestalt sessions; family therapy conferences, 36170  
**Extended Family—Chapters**  
 Extended family and social networks, 4098  
**External Ear—Serials**  
 ear canal occlusion; static pressure difference; bone conduction thresholds; air pressure change, 28243  
**External Rewards—Serials**  
 extrinsic compensation; intrinsic motivation; performance; incentives; worker effort shift, 30874  
 extrinsic reinforcement; classrooms; rewards; educational settings; reinforcement programs, 5754  
 giver-receiver asymmetries; gift preferences; choice behavior, 29086  
 intrinsic motivators; extrinsic rewards; behavior; motivation; achievement goals; competence beliefs; task values; health enhancing running activity; elementary school students, 25600  
 memory consolidation; noncontingent rewards; cognitive performance; memory retrieval, 28329  
 secondary gain; external illness; external reward; external gain; subjective symptoms; illness behavior, 30025  
**Externalization—Serials**  
 behavior externalization; childhood; adolescence; aggression; opposition; property violations; status violations, 681  
 child temperament; family conflict; externalizing behavior problems; early elementary school years; later behavioral adjustment, 23247  
 combat-related posttraumatic stress disorder; subtypes; externalizing; internalizing; personality traits; associated psychopathology; emotionality; personality-based typology, 4574  
 competence; developmental cascade model; internalizing symptoms; externalizing symptoms; academic achievement, 36891  
 developmental foundations; externalizing problems; young children; effortful control; social risk factors; cognitive factors, 19411  
 early screening; externalizing problems; screening accuracy; utility; high risk children, 1684  
 ecological framework; externalizing behavior problem; early childhood; kindergarten entry; child care setting; treatment, 20228  
 executive functioning; behavior problem; inhibitory control; attention; working memory, 32917  
 externalizing behavior; parenting style; family characteristics; child characteristics; teacher child relationship; classroom behavior; school transition, 21416  
 externalizing behavior; preschoolers; parent rating; behavior problems; home assessment; school assessment, 5858  
 externalizing peers; early childhood; homophily; contagion process; sex differences; problem behaviors, 22561  
 infant temperament; childcare type; externalizing behavior; internalizing behaviors; toddler behavior; non parental care, 34910  
 interpersonal orientation; social stress; externalizing symptoms; depressive symptoms; depression history; mothers; early adolescence, 32345  
 malnutrition; externalizing behavior problems; antisocial behavior; psychosocial adversity; intelligent quotient; development, 35864  
 maternal stress; prenatal alcohol exposure; child externalizing behavior; maternal alcohol use, 35700  
 neighborhood conditions; externalizing behavior; child characteristics; family characteristics; Mexican American families; stress; low income families; Anglos, 22701

parent child relations; externalizing problems; mutuality; mother child relations; father child relations; behavior problems; Anglo British families; Indian British families, 7109

parent-child conflict; externalizing symptoms; childhood development; parent-child conflict; genetically informative study, 19504

peer victimization; self perception; peer perception; internalization; externalization, 36928

positive parenting; effortful control; externalizing problems; emotion regulation, 34915

psychological symptoms; drug use severity; adolescents; drug abuse treatment; internalizing symptoms; externalizing symptoms, 33474

psychological symptoms; urban youth; low-income; internalizing syndromes; externalizing syndromes, 769

rigidity; parent-child interaction; externalizing behavior; internalizing behavior; early childhood development, 7132

**Externalization—Chapters**

Parent-Child Interaction Therapy for Children Experiencing Externalizing Behavior Problems, 17491

**Extinction (Learning)—Serials**

alternative reinforcement; schedule thinning; problem behavior; reinforcement schedules; noncontingent reinforcement; functional communication training, 1797

animal conditioning; latent inhibition; human associative learning; primacy effects; recency effects; learning models, 22183

antecedent interventions & extinction; activity transitions; toddlers compliance; warning condition, 25579

anterior cingulate cortex; rabbits; jaw movement conditioning; extinction-related inhibition; hippocampal activity; extinction, 3607

brain mechanisms; extinction; classical conditioning; eyeblink response; cerebellum; hippocampus, 3635

cognitive processes; extinction; learning; long term memory; Pavlovian conditioning, 3475

conditioned response; stimulus valence; fear; Pavlovian conditioning; reinstatement; extinction; reaction time, 3468

conditioned suppression; mediated extinction; generalization; retrospective reevaluation; association; rats, 341

conditioned suppression; retention interval; conditioned stimulus preexposure; spontaneous recovery; stimulus control; associative priming; cues; rats, 12892

contextual control; fluid consumption; saccharin; context extinction; danger; discrimination training, 34499

corneal anesthetic; classical conditioning; nictitating membrane response; extinction; conditioned response; rabbits, 6869

cue-outcome relations; human associative learning; renewal effect; extinction; context induced response recovery, 12800

D cycloserine; fear reacquisition; fear extinction; rats; generalized extinction, 25303

delayed recall; fear extinction; rats; brain lesions; ventral medial prefrontal cortex, 3618

dorsal hippocampus; electrolytic lesions; conditional fear; memory retrieval; rats; extinction, 25395

escape extinction; differential reinforcement; caregiver training; food selectivity; food refusal; home; strategy evaluation, 11138

evaluative conditioning; extinction resistance; classical conditioning; priming effects; associative learning, 12655

extinction; anisomycin; forgetting; transcription; translation; sea snail; *Lymnaea*; memory; time; gene expression, 34648

extinction; classical conditioning; nictitating-membrane; apparatus exposure; rabbits, 333

extinction; fear; opioid; cAMP; error correction; midbrain; periaqueductal gray; fear extinction; opioid receptors; cyclic AMP; protein kinases; mitogen, 34744

extinction; mitogen; protein kinase inhibitor; medial prefrontal cortex; memory impairment; conditioned fear, 3715

extinction; spontaneous recovery; Pavlovian conditioning; learning processes, 3521

fear extinction; prefrontal cortex; amygdala; fear conditioned stimulus; neural basis, 3642

hippocampal inactivation; conditioned fear; extinction; Pavlovian conditioned stimulus; memory retrieval, 3517

infant performance; contingency task; extinction task; social learning; caregiver demonstration; reinforcement schedules, 31813

learned fear; extinction; D-Cycloserine; N-Methyl-D-Aspartate agonist; rats, 3725

lesions; rat; infralimbic cortex; appetitive Pavlovian response; prefrontal cortex; spontaneous recovery; conditioned fear; extinction, 3634

memory retrieval; extinction impairment; extinction trials; trial interval; context extinction; nonreinforced context exposure; extinguished conditioned stimulus; dangerous context; shock; male rats, 9702

memory; extinction; drug-induced conditioned; amygdala; acetylcholine; amphetamine conditioned place preference; cholinergic receptor; injections, 3728

motor learning; vestibulo-ocular reflex; eyeblink conditioning; extinction; learned eye movement response; visual input; conditioned stimulus, 3515

Pavlovian extinction; learning; interference paradigms; conditioned inhibition; response inhibition; inhibitory learning; reinforcement, 3513

problem behavior; punishment; extinction; function-based interventions; functional communication training, 23777

reinforcement; extinction; reacquisition; rats; stimulus, 6665

reinforcer omission; extinction; rate estimation theory; variable-interval schedules; steady state; transition, 19109

REM sleep; contextual conditioning; sleep deprivation; fear conditioning; cued conditioning; retention; extinction; rats; learning; memory, 19264

sexual behavior; traumatic brain injury; extinction; positive reinforcement; functional communication training; social attention, 1796

short term memory; long term memory; extinction; rats; inhibitory avoidance task, 28372

skin conductance response; human fear conditioning; conditioned stimulus; extinction, 3487

spontaneous recovery; inhibition; extinction; excitatory conditioning; training; conditioned stimuli; rats; pigeons, 28384

treatment; multiply controlled problem behaviors; procedural variations of differential reinforcement; autism spectrum disorder; self injury; aggression; disruption; functional analyses; extinction, 26431

water immersion; consummatory extinction; reward omission; sexual behavior; frustration; male rats, 12907

**Extracurricular Activities [See Also Fraternity Membership, Sorority Membership]—Serials**

ego strength development; adolescents development; adult sponsored structured activities; volunteerism; extracurricular activities, 22577

extracurricular activities; talent development; gifted students; participation, 5894

instant messenger service; online communication; moods; life satisfaction; extracurricular activities; immediate gratification; internet use perceptions, 25925

out-of-school activities; positive youth development; community influence; family influence; leisure activities; adolescence, 19545

parent socializing behavior; children participation; out of school activity; gender differences; math; science; computer activities, 16234

school activities; students participation; school environment; disability, 33848

school based extracurricular activities; adolescent adjustment; extracurricular participation, 33830

school performance; school behaviors; working high school students; non working high school students; after school employment; absenteeism; school tardiness; extracurricular activities; class cutting, 27534

sports; deaf child; American lifestyle; overweight; out of shape children; public school programs, 27575

**Extracurricular Activities [See Also Fraternity Membership, Sorority Membership]—Chapters**

Activity choices in middle childhood: The roles of gender, self-beliefs, and parents' influence, 13312

Activity participation and the well-being of children and adolescents in the context of welfare reform, 14788

Contexts and correlates of out-of-school activity participation among low-income urban adolescents, 13321

Historical change in leisure activities during after-school hours, 15166

Organized activities as development contexts for children and adolescents, 15173

The present and future of research on activity settings as developmental contexts, 12639

Unstructured leisure in the after-school hours, 13319

**Extradimensional Shift Learning [See Nonreversal Shift Learning]**

**Extramural Intercourse—Serials**

emotional responses; sexual infidelity; emotional infidelity; sex differences; jealousy, 4132

extramarital involvement; contextual factors; intrapersonal factors; interpersonal factors; infidelity, 22698

extramarital involvement; contextual factors; intrapersonal factors; interpersonal factors; infidelity, 22681

extramarital involvement; contextual factors; intrapersonal factors; interpersonal factors; infidelity, 22696

gender differences; rival characteristics; jealousy; emotional infidelity; sexual infidelity; men; women; physical attractiveness; emotional responses, 4183

infidelity; behavioral couple therapy; distressed couples; therapy outcomes; marital therapy, 14444

infidelity; committed relationships; couples, 25813

infidelity; committed relationships; couples; study methodology, 25814

infidelity; emotionally focused therapy; wealthy couples, 33013

infidelity; therapist attitudes; emotional experiences; extramarital sex, 33557

sex; jealousy; mate selection; sexual strategies; emotional infidelity; sexual infidelity; college students, 16632

sexual infidelity; emotional infidelity; emotional responses; jealousy; sex differences; age differences; evolutionary hypothesis, 4359

social cognitive theory; evolutionary theory; human sex differences; romantic jealousy; sexual infidelity; emotional infidelity, 7615

**Extrapyramidal Symptoms—Serials**

acute dystonic reactions; extrapyramidal syndrome; antipsychotic therapy; acute dystonia; ziprasidone, 1861

chest pain; zuclopenthixol; antipsychotic drugs; extrapyramidal symptoms; drug treatment, 20803

extrapyramidal symptoms; diagnosis; methodology, 22360

extrapyramidal symptoms; family history; movement disorders; neuroleptics; side effects, 11257

extrapyramidal symptoms; injectable risperidone; treatment noncompliance; atypical neuroleptics, 1867

movement disorders; extrapyramidal symptoms; drug treatment; schizophrenia; antipsychotics; side effects, 8287

neuroleptic treatment; cannabis use; extrapyramidalism; drug effects, 14034

oxidative stress; drug treatment; antipsychotics; neurotoxicity; extrapyramidal symptoms, 26843

psychotropic medications; nizatidine; histamine receptor antagonist; weight gain; neuroleptic medications; rats; weight loss; extrapyramidal symptoms, 14505

rabbit syndrome; lithium; risperidone; mouth movements; drug therapy; acute extrapyramidal reaction, 33204

second generation antipsychotics; medication associated side effects; clinical pharmacology; extrapyramidal side effects, 36225

Tourette syndrome; drug therapy; Aripiprazole; antipsychotics; extrapyramidal symptoms, 14635

**Extraversion Perception [See Also Clairvoyance, Psychokinesis]—Serials**

extrasensory perception; reinforcement; awareness; words; between-groups design, 15959

neuropsychological correlates; subjective probability; experimental evidence; paranormal phenomena; extrasensory perception; concepts; parapsychology; forced-choice experiments, 19079

non local communication; remote viewing; stared at sensation; pet owner connections; precognition; dreams; prayer; media consumption; individual differences, 25268

personality; electrocortical correlates; belief; extrasensory perception, 32982

psi inductive training; Brazilian children; Chinese technique; clairvoyance; recognition, 34476

**Extraversion—Serials**

explicit personality measures; implicit personality measures; latent state-trait analysis; extraversion; anxiety, 15591

extraversion; cortical activation; memory performance; personality dimension; introversion; cortical activation; Event-Related Desynchronization; Electroencephalography; short-term memory, 22219

extraversion; fusiform gyrus; chronic schizophrenia; face processing, 16851

extraversion; intelligence, 32237

extraversion; introversion; tonic pain; tolerance; Eysenck Personality Inventory; Rorschach test, 18702

extraversion; neuroticism; emotion processing; individual differences; functional brain mapping; neural basis; brain activation, 7545

extraversion; neuroticism; personal strivings; happiness; well being; self actualization, 4366

extraversion; self reported parenting; observed parenting; parenting skills; nurturing; child centered behavior; family atmosphere, 32019

heritability; individual differences; evolutionary psychology; personality; extraversion; mating success; physical risk; fitness costs, 32219

multitasking performance; attention; working memory; fluid intelligence; polychronicity; extraversion; predictors, 25177

neuroticism; negative & positive emotionality; extraversion; mood disorders; anxiety disorders; temperament; symptoms; psychopathology; comorbidity, 13846

person-team fit; extraversion; group attraction, 29071

personality; communicator style; extraversion; psychotism; neuroticism, 26029

personality; neuroticism; extraversion; self consciousness; neural correlates; dorsal anterior cingulate, 34602

preschool aged children; extraversion; mood; reward seeking; sensitivity; sociability, 28796

prosocial behavior; personality traits; volunteering; agreeableness; extraversion; value motivation, 19887

sales performance; polychronicity, big five personality; extraversion; conscientiousness; supervisor performance; job performance, 37017

self schema matching; attitude change; situational determinants; dispositional determinants; message elaboration; extraversion; need for cognition; advertisements, 19951

sensory input; motor output; introvert; extrovert; extraversion; psychophysiology, 7608

social indicators; neuroticism; extraversion; factor structure; models, 7576

**Extrinsic Motivation—Serials**

dissociations; self rated motivation; memory performance; extrinsic motivation, 28328

external motivation; internal motivation; prejudice; prejudiced responses; implicit prejudice, 4171

extrinsic motivation; intrinsic motivation; behavior analysis; cognitive evaluation theory, 25251

extrinsic motivators; intrinsic motivation; work motivation; organizational behavior; self determination theory, 24648

intrinsic motivation; extrinsic motivation; age differences; academic achievement; cultural differences; motivational orientations; academic outcomes, 24528

latent change; self-determination; motivational change; dropout; school transition; intrinsic & extrinsic motivation; educational adjustment, 24534

religious individuals; intrinsic motivations; extrinsic motivations; implicit awareness level; cognitions; intention; conscious awareness, 16436

situational motivation; cues; cued activation; controlledness; task analysis, 31489

**Extrinsic Motivation—Chapters**

Internal and external encoding style and social motivation, 13744

Multiple goals, optimal motivation, and the development of interest, 13742

**Extrinsic Rewards [See External Rewards]**

**Eye (Anatomy) [See Also Cornea, Iris (Eye), Lens (Eye), Pupil (Eye), Retina]—Serials**

eye white percentage; fear; novel stimulus; startle response; cows, 6729

eyes language; psychic readers; social signals; theory of mind, 31414

eyes; optical systems; eye development; eye evolution; light; genetics, 401

# The Causes of Rape

## Understanding Individual Differences in Male Propensity for Sexual Aggression

### PART OF THE LAW AND PUBLIC POLICY/ PSYCHOLOGY AND THE SOCIAL SCIENCES SERIES

MARTIN L. LALUMIÈRE, GRANT T. HARRIS,  
VERNON L. QUINSEY, AND MARNIE E. RICE

*The Causes of Rape: Understanding Individual Differences in Male Propensity for Sexual Aggression* examines why some men seem prone to rape, offers probable causes for this inclination, and provides a comprehensive review of scientific studies of coercive sex. The authors look at evidence from studies in evolutionary psychology, psychopathology, and biobehavioralism, and examine the social factors that influence the likelihood of rape, in an effort to understand this heinous act. Theories about rape unfortunately have a history of being unconstrained by empirical knowledge, sometimes with harmful practical consequences that result in inhumane and ineffectual solutions to the problem of rape. The authors remedy this situation with a fact-based exploration of this phenomenon, beginning with a review of coercive sex among animal species and an account of rape throughout history, moving through a discussion of current research on rape, and culminating in a synthesis of research findings that points toward a new explanation of rape. In addition, the authors discuss the practical implications of their research on the assessment and treatment of men who rape. This empirically exhaustive book will be the new standard text on the phenomenon of rape and will help psychologists, social workers, and legal professionals to develop a better understanding of sexual aggression. 2005. About 304 pages. Hardcover.

ISBN: 1-59147-186-9 • Item # 4316047 • List Price: \$59.95 • APA Member/Affiliate Price: \$49.95

## The Causes of Rape

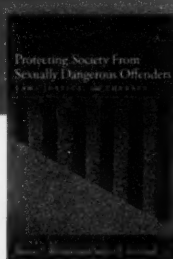

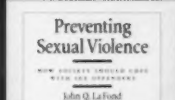

UNDERSTANDING INDIVIDUAL  
DIFFERENCES IN MALE PROPENSITY  
FOR SEXUAL AGGRESSION

Martin L. Lalumière

# A PLACE TO CALL HOME

## *After-School Programs for Urban Youth*

**BARTON J. HIRSCH**

CO-PUBLISHED WITH TEACHERS COLLEGE PRESS

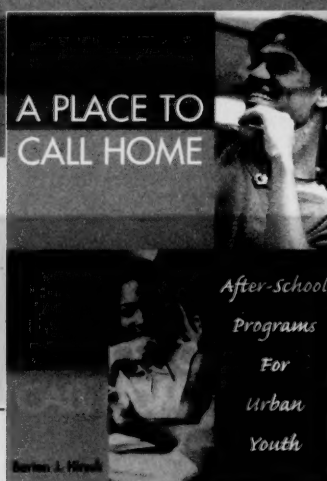

After-school programs have attracted a strong and growing constituency. Parents, educators, researchers, and policymakers are engaged in pivotal debates about how after-school programs should be oriented. Powerful forces are pushing programs to be more school-like and oriented to academic drill. However, *A Place to Call Home: After-School Programs for Urban Youth* provides convincing evidence that yielding to such forces would be tragic, a wasted opportunity.

Through original and provocative analysis, author Barton J. Hirsch describes his research conducted over a four-year period at six Boys & Girls Clubs all located in low income, predominantly minority, urban neighborhoods. Hirsch shows that the culture of the after-school center meets the needs of the urban youth by drawing upon and replicating positive features of the youth's formal environment and peer group. Staff first engages and then socializes youth toward positive identities by means of recreational activities and wide-ranging mentoring relationships. These club environments are repeatedly referred to as a "second home" by participating youth and seem to thrive even though formal psychoeducational programs often fail to reach their full potential. After-school clubs offer critical resources to urban youth in their passage to adulthood. *A Place to Call Home* does a tremendous job of helping us to appreciate this fact. Clinical, community, and developmental psychologists, social workers, youth workers, and policymakers will discover much from Hirsch's analysis, abundant case illustrations, and verbatim field notes as well as fascinating quantitative results describing these successful after-school environments. 2005. About 208 pages. Hardcover.

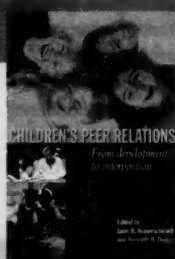

### CONTENTS:

Preface ■ Competing Directions for After-School Programs

■ Relationships ■ Having Fun with Friends: A Place to be a Kid ■ A Second Home ■ One-Stop Shopping for Mentoring ■ Programs, Activities, and Gender ■ Structured Programs: The Implementation of Smart Girls ■ Gender Wars in the Gym ■ Conclusion ■ Building a Better Second Home ■ References ■ Subject Index ■ About the Author

# Understanding Psychotherapy Change

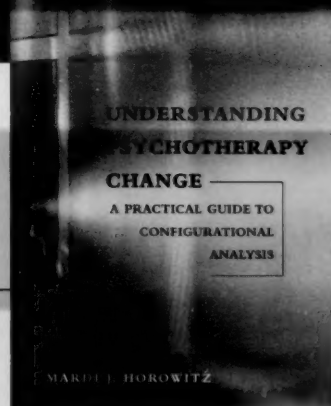

## A PRACTICAL GUIDE TO CONFIGURATIONAL ANALYSIS

MARDI J. HOROWITZ

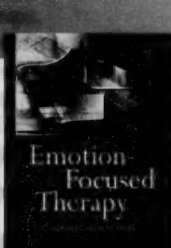

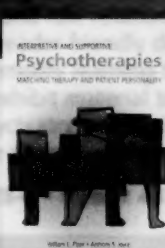

In *Understanding Psychotherapy Change: A Practical Guide to Configurational Analysis*, Mardi Horowitz provides a simplified discussion of his empirically supported, integrative approach to case formulation. He begins by tracing the roots of this approach and its refinements and providing an overview of the process. Then, using an extended case example from brief psychotherapy, he methodically illustrates how Configurational Analysis (CA) is applied. Drawing from psychodynamic, cognitive-behavioral, and interpersonal therapy approaches, CA enables the therapist to develop models, formulate cases, and guide the patient through the delicate change process by attending to states of mind, controls, and views of self and role relationships.

A number of reader-friendly devices are incorporated to simplify learning this approach, including boldfaced instructions, overviews and summaries, and exhibit material to clarify the process as it unfolds. Advanced graduate students in psychology, psychiatry, and social work will appreciate the clarity with which the approach is described and the clinical wisdom sprinkled throughout. 2005. About 152 pages. Hardcover.

ISBN 1-59147-228-8 • Item # 4317067 • List Price: \$39.95 • APA Member/Affiliate Price: \$34.95

CONTENTS: Preface  
 ■ Acknowledgments  
 ■ Introduction  
 ■ Part 1: Case Formulation  
 ■ Chapter 1. Overview of Case and Steps 1-4 ■ Chapter 2. Steps 1 & 2: Describing Phenomena and States of Mind ■ Chapter 3. Step 3: Formulating Topics of Concern and Defensive Control Processes ■ Chapter 4. Exploring Identity and Relationships ■ Part 2: Mid-Course Corrections ■ Chapter 5. Steps 5 & 6: Modifying States...Working Through Topics of Concern ■ Chapter 6. Step 7: Working on Views of Self and Relationships ■ Part 3: Evaluation of Treatment Outcome ■ Chapter 7. # RESOLUTION OF INNER CONFLICT

**An Introduction to Psychoanalytic Therapy, Second Edition**  
**FRANK AULD, MARVIN HYMAN, AND DONALD RUDZINSKI**

**T**his book gives readers a thorough course on how to conduct psychoanalytic therapy. The authors provide a step-by-step analysis of the key points in the process of psychoanalytic therapy as well as important topics and issues that may arise during therapy. After reviewing the foundations of psychoanalytic theory, the authors launch into the practical steps of this therapy, from the initial interview with the client and the structure of therapy through personal responses to the client, transference, resistance, dream interpretation, and termination. The authors then examine important topics such as psychoanalytic therapy with female clients and the application of psychoanalytic concepts to services other than therapy. This indispensable guide is thoroughly supported with references to literature and research on this approach and includes discussions of founders of the field, such as Freud, as well as the most recent writers on psychoanalytic therapy. This new, thoroughly updated edition is an unsurpassed introduction to this time-tested and effective method of therapy. 2005. About 312 pages. Hardcover.

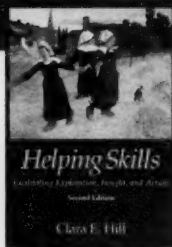

**CONTENTS:** Preface ■ Chapter 1: Introduction ■ Chapter 2: Personality Theory ■ Chapter 3: Basic Principles of Psychoanalytic Therapy ■ Chapter 4: The Initial Interview ■ Chapter 5: Structure of the Therapy ■ Chapter 6: Instructions to the Client ■ Chapter 7: Personal Responses of the Therapist ■ Chapter 8: Resistance ■ Chapter 9: Transference ■ Chapter 10: Understanding Communications from the Unconscious ■ Chapter 11: Interpretation ■ Chapter 12: Support and Relationship in Psychoanalytic Therapy ■ Chapter 13: Theory and Strategy of Dream Interpretation ■ Chapter 14: The Changes Produced by Therapy ■ Chapter 15: Termination ■ Chapter 16: How Is Therapy with Women Different? ■ Chapter 17: Developments in Psychoanalytic Therapy Since Freud ■ Chapter 18: Applying Psychoanalytic Concepts to Services That Are Not Therapy ■ Reference ■ About the Authors

# Clinical Dilemmas in Psychotherapy

## A Transtheoretical Approach to Psychotherapy Integration

DOUGLAS J. SCATURO

In *Clinical Dilemmas in Psychotherapy: A Transtheoretical Approach to Psychotherapy Integration*, Douglas J. Scaturo addresses the kinds of questions posed by both new and experienced psychotherapists alike, such as: *When should I shift from an exploratory mode of treatment to more active behavioral intervention? Am I identifying too much with this patient's life?* Questions like these are typical of the dilemmas facing most psychotherapists each day. This book describes the process of psychotherapy from the standpoint of managing the fundamental dilemmas that confront all psychotherapists, regardless of theoretical approach or treatment modality used. The author explores how typical dilemmas are managed, including those that are unique to specific orientations, those related to specific aspects of the therapeutic process, and those that arise in working with particular client groups, such as families and couples.

While several books on the market address ethical conduct and dilemmas, this one uniquely focuses on dilemmas of psychotherapeutic technique, and the gray area where technical and ethical matters overlap. By exploring the dialectic involved in resolving common dilemmas, new and seasoned therapists alike will gain tools for practice and a good dose of clinical wisdom. 2005. About 280 pages. Hardcover.

ISBN 1-59147-229-6 • Item # 4317068 • List: \$59.95 • APA Member/Affiliate: \$49.95

# HIV Sex

## The Psychological and Interpersonal Dynamics of HIV-Seropositive Gay and Bisexual Men's Relationships

PART OF THE APA CONTEMPORARY PERSPECTIVES ON LESBIAN, GAY, AND BISEXUAL PSYCHOLOGY SERIES

EDITED BY PERRY N. HALKITIS, CYNTHIA A. GÓMEZ, AND RICHARD J. WOLITSKI

**HIV** is no longer a death sentence, and persons with HIV are living longer, healthier and more sexually active lives. Nevertheless, the sexual practices of gay and bisexual men living with HIV have largely been ignored or demonized. Much prior study has either treated HIV seropositive persons as asexual, failing to acknowledge their sexual desires and behaviors, or viewed this population's sexuality only in terms of its potential for spreading disease. These limited views have resulted in a significant lapse in clinical understanding of the challenges faced by HIV-positive men seeking active and vital sexual lives.

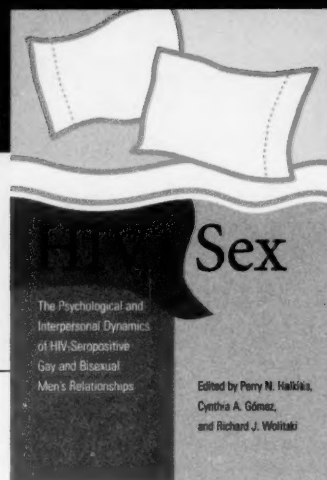

*HIV+ Sex* illuminates the struggles and experiences of HIV-positive gay and bisexual men as sexual beings. Giving voice to the stories of hundreds of seropositive individuals, the editors and contributors explore how gay and bisexual men live with HIV and make decisions about sex, express their sexuality, choose their sexual partners, and balance their physical and emotional health while attempting to maintain viable and responsible sex lives. The personal narratives, in addition to featured findings of extensive behavioral research studies, provide orientation and valuable insight for studying and working with this population. This distinctive and timely volume offers meaningful and practical information for anyone working with HIV seropositive gay and bisexual men in both research and service domains. 2005. About 288 pages. Hardcover.

ISBN 1-59147-245-8 • Item # 4318022 • List: \$69.95 • APA Member/Affiliate: \$49.95

# Personality-Guided Relational Psychotherapy A UNIFIED APPROACH

THIS IS THE LATEST VOLUME IN TED MILLON'S  
PERSONALITY-GUIDED PSYCHOLOGY SERIES

**JEFFREY J. MAGNAVITA**

In *Personality-Guided Relational Therapy* author Jeffrey J. Magnavita demonstrates how personality theory guides his approach to psychotherapy. His empirically founded new model provides a flexible and evolving theory and approach to therapy that draws from more than a century of developments in the field of psychology. This impressive book reconciles and integrates several theoretical viewpoints, enabling clinicians to conceptualize clinical syndromes by understanding the complex interplay of elements from the biopsychosocial model. Case illustrations demonstrate the theory, methods, and techniques of treatment.

Beginning with an overview of the conceptual domains integrated here (affective, cognitive, defensive, neurobiological), and an explanation of why such integration makes sense, Dr. Magnavita moves on to describe his theoretical formulation, its component systems, the developmental progression, and several levels of treatment intervention, moving logically from the individual through the dyad, triad, and larger groups. The book nicely culminates in an integrative chapter devoted to enhancing treatment synergy and a final chapter focused on empirical verification and future directions. 2005. About 368 pages. Hardcover.

ISBN: 1-59147-213-X • Item # 4317065 • List Price: \$59.95 • APA Member/Affiliate Price: \$49.95
